Then, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Cage Blunt, James Blunt, Captain Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, Abby Smith, Travis Tackett, Leela Salyers, Peace Salyers, and Cronus Chase entered into his room.

Casey Antonio: Just one more to go, and we'll have stopped Black Star Dragon Ball Doomsday.

Jack Howard: But, it's not over just yet. After we get all seven Black Star Dragon Balls, we also got the final showdown with Gerald

Vexos along with Orochi and Da Ji the following day.

Carter Kenrick: But, there's no doubt Orochi will have his army with him, and Da Ji is bound to use her dark magic to cause trouble for all of us.

Cage Blunt: Too bad for her, we're also masters of magic.

Allie Maxwell: That's true.

James Blunt: However, it won't be that easy, I have a feeling Da Ji will try to bring Venn back from Limbo.

Gabriel Maxwell: And why would that fox even do so?

Caleb Maxwell: Hmm, the only way to find out is on the big day: Lily's mission with Kengo's team. But, James is right, Da Ji is willing to cross any line, so bringing Venn back is no doubt one of them. If that's the case, we better be ready by then.

They went to bed. We went to bed too.

Alright, and for tomorrow, the match-up is for Penelope Ying Xiao, Ambassador of Tchang Zu, Demon Sorcerer of Lightning and Master of The Lightning of The Thunderbird, and she and Lincoln are going to destroy Alex Bergamot, Verena Bergamot's abusive brother who broke out of prison to get revenge.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Japan to meet up with Yuji Itadori, whom we'd freed last year from Ryomen Sukuna, but he's got bad news to tell us: it appears Ryomen Sukuna, The King of Curses, has returned, and it's not just him, Dagon, Hanami, Mahito, Jogo, and Suguru Geto, have also returned, and have gotten together the remnants of the villains of Jujutsu Kaisen: Uraume, Choso, Eso & Kechizu, Juzo Kumiya, Haruta Shigemo, Grasshopper Curse, Jiro Awasaka, Niji Ebina, Ogami and her Grandson, Larue, Manami Suda, Miguel, Nanako & Mimiko Hasaba, Toshihisa Negi, Shigeru Sonoda, Shiu Kong, Toji Fushiguro, Unnamed Masked Curse User, Chojuro Zenin, Jinichi Zenin, Naoya Zenin, Nobuaki Zenin, Ogi Zenin, Ranta Zenin, Toji Fushiguro, Charles Bernard, Chizuru Hari, Dhruv Lakdawalla, Haba, Hajime Kashimo, Hanyu, Hiromi Higuruma, Iori Hazenoki, Kurourushi, Reggie Star, Remi, Ryu Ishigori, Takako Uro, Yorozu, Finger Bearers, Smallpox Deity, Ganesha, Kurourushi, Naoya Zenin, Bayer, and Kokun, and they intend to cause havoc on humanity once more. But, we're going to end them all once and for all and send them all to The Black Abyss for good.

And we're going to meet the next of The Avatars of The Mythical Beasts, her name is Sarah Succubi, Avatar of The Succubus, she's Lincoln's Guardian Angel and she's known as The Succubus Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Sarah is a powerful master of the powers of darkness, lust, sex, seduction, and Succubi, and she is ONE SEXY, VOLUPTUOUS, AND MEGA SEDUCTIVE

BOMBSHELL! She lived during an age of darkness, and over time, as she grew, she gained all of the incredible strengths and powers of the Succubi along with immortality, and she'd seduced many evil men and drained them dry of their life force and sucked out their souls, and many centuries later, there was one person that harbored a true love for everything, and that also really strengthened the love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of darkness, lust, sex, seduction, and Succubi, and he also gained all of the incredible strengths and powers of the Incubi, the male counterpart of The Succubus, and she let Lincoln feed on her, and not only did he gain the same powers as her, but he also gained a mark on his left thigh, it's known as The Mark of The Incubi, a mark that takes the form of a heart with bat wings, and here's the catch: it also gave Lincoln an extreme increase in his already abnormally high sex drive, hyperpuberty, and genes he inherited from his parents, and when activated, it also makes his ability to let off a supernaturally potent and powerful aphrodisiac pheromone that not only enhanced his own infinite-times high levels of libido and other sexual aspects, but in the case of evil female vampires and werewolves, if caught in the area, immediately fall under his control, infinite-times more powerful than ever. Lincoln made her a black two-piece bikini along with a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Sarah kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always avoided their murderous tricks, and if anyone dared to anger her by hurting Lincoln, they better be ready for Hell!

Next up is Cole's day to shine and we're going to battle Master Org who is back for revenge! Now it's personal! Cole is determined to get justice for his parents.

See you all next time.

LION VS ORG

Cole's day of Justice is At Hand

In the early morning hours of 3:24 AM, Lincoln had a dream: but, this one was a premonition to what's gonna happen during Nico's rescue, and it's not good: apparently, his dream took him to Planet Mon Calamari, and as he was flying, he saw our final target: the 1 Star Ball, but the bad news, it's in the hands of The Joker of 2039 Neo Gotham, and he's back for revenge on us. Lincoln woke up, but so did his harem.

Lily the Mermaid: Linky, what's wrong?

Lincoln: I just had a bad premonition of what's going to happen tomorrow during Nico's rescue, I just found the 1 Star Ball, it's on Mon Calamari, but the bad news, it's in the hands of The Joker of 2039 Neo Gotham, and he's back for revenge on us.

Lincoln's harem gasped.

Selene Arcangela: I can't believe it, so the 2039 version of that homicidal clown has come back and he's got the last Black Star Dragon Ball, eh?

Lincoln: Yep. Now, all we got to do is get the 1 Star Ball back and finally kill The 2039 Joker tomorrow, and the following day, we put an end to the Black Star Dragonball Doomsday that Gerald Vexos started by killing him.

Lily the Mermaid: Along with Orochi and Da Ji. But, I've also got a feeling that Kyūbi will also be on Mon Calamari to kill us.

Mollie: The second she does, Lincoln will kill her.

Lincoln: You know it, but I also got a bad feeling about Darren Devereaux, it's been a year ever since we killed his cousin, Connor and his MS-13 gang, and I fear that he and his gang are also going to return, kidnap our kids, and have them murdered just to spite me and all of us.

Selene Arcangela: If that's true, Lincoln, then he will be punished by God's hand for this, and he will be condemned to eternal damnation.

Paige: We got to tell everyone of what you saw tomorrow.

Lincoln: Right, Paige. Tomorrow, everyone's gonna hear it, and no doubt about it, everyone's going to be pissed.

Lincoln went back to sleep with his harem and kids. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, my dream took me to Planet Mon Calamari, and as I was flying, I saw our final target: The 1 Star Ball, but the bad news, it's in the hands of 2039 Joker, and he's back for revenge on us.

WE GASPED!

Me: I thought we were finally through with that fucking clown!

Nico: The one from 2039 Neo Gotham yes, but not the one we all know and despise who's been a big problem for Gotham.

Lincoln: Same here. But, this is it, now all we got to do is head for Mon Calamari, find the 1 Star Ball, and kill 2039 Joker and that'll put an end to Black Star Dragonball Doomsday, but it'll truly end the following day when we kill Gerald Vexos along with Orochi and Da Ji.

Eli: We just need to keep them out until tomorrow.

Lincoln: Provided Da Ji doesn't try to send more of his army to attack us.

Thunder Sparkle: Unfortunately, for her, she doesn't know when to quit.

Suddenly, a smoke bomb came hurling in, but Lincoln had a force field put around all of us, and we saw bullets hitting the field, but we also heard the sounds of cursing and the words, "For the glory of MS-13". Then, the smoke disappeared, and so did the assailants, but the good news is: Lincoln's kids are safe.

Lincoln: Thank goodness you're all safe, kids, along with all of us as well. But, who the Hell did this?!

King Kai: (Telepathically) Lincoln, can you hear me? It's an emergency! I know who did the deed: it was Connor Devereaux and his MS-13 gang, they've returned from the dead, and they tried to kidnap your kids, and have them murdered just to spite you and your harem!

Darren Devereaux: THEY...DID...(DEMONIC ROAR) WHAT?!

Darren Devereaux was about to fly off to Mon Calamari in a fit of demonic rage! But, Lincoln and his harem got in the way and blocked the entrance.

Lincoln: Darren, don't even think about it, we'll take care of those MS-13 idiots along with The 2039 Joker as well, but we'll do it as a team.

Darren Devereaux: OUT OF MY FUCKING WAY, YOU WHITE-HAIRED FREAK!

DARREN DEVEREAUX PUNCHED LINCOLN IN THE STOMACH, BAD LUCK!

CLANG!

DARREN DEVEREAUX'S LEFT HAND WAS BADLY BROKEN WHEN HE HIT LINCOLN'S TEN-PACK ABS, AND HE LET OUT A YELL OF PAIN FOLLOWED BY A ROAR OF DEMONIC RAGE

AND HIS BONES IN HIS LEFT HAND WERE BROKEN! BUT, THEN, THEY HEALED UP!

Caleb Maxwell: Darren, what the Hell is wrong with you?!

Darren Devereaux: YOU ARE ALL GETTING IN THE WAY OF MY BLOODY REVENGE, THOSE ASSHOLES NEED TO DIE AGAIN, AND IF ALL OF YOU DARE TO GET IN MY WAY, I WILL KILL YOU ALL!

WE GASPED IN HORROR: DARREN'S MURDEROUS RAGE HAS BEEN LET LOOSE AND HE'D THREATENED US WITH DEATH IF WE DARED TO GET IN HIS WAY!

Selene Arcangela: Have you gone absolutely fucked-up crazy, Darren?!

Darren Devereaux: FUCK YOU, YOU ANGEL BITCH! YOU AND YOUR WHITE-HAIRED FREAK OF A FUTURE HUSBAND!

WE GASPED, INCLUDING THE REST OF LINCOLN'S GUARDIAN ANGELS!

Me and Nico: Oh no, now you've really crossed the fucking line.

Nicholette Torrington: You psychotic demonic blood-crazed fucked-up vengeance-obsessed monstrous demon! You're gonna pay for insulting not only our man, but also, for insulting the leader of The Guardian Angels of Lincoln Loud!

Sebastian Mendez: DRAKUS, X-SQUAD, GRAB HIM!

Drakus and The X-Squad ran at Darren Devereaux to grab him, but he viciously beat them up so bad, they wound up getting broken arms and legs, and then, he flew off in a demonic rage to Mon Calamari.

Cage Blunt: Shit, now we got a really huge problem!

Travis Tackett: Darren's in huge trouble for this!

Selene Arcangela: More than that, Travis. (ENRAGED SCREAM)

HOW DARE HE HURTS OUR LINKY LIKE THAT! HE'S CALLED DOWN THE WRATH OF THE HEAVENS ON HIS HEAD THIS TIME, THAT FUCKED-UP SCREWED UP IN THE HEAD DEVEREAUX SCUMBAG! After his parents died and his brother was murdered, I took him in despite our families despise each other because of Elias' dark actions over a century ago and he grew up, only for him to betray me in the worst fucking way possible?! I'm going to kill him! He won't leave Mon Calamari alive!

Me: So, we got a bounty hunting mission on top of hunting down and killing 2039 Joker for good.

Lincoln: Yep. Caleb, you, Cage Blunt, James Blunt, Captain Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, Abby Smith, Travis Tackett, Leela Salyers, Peace Salyers, Cronus Chase, Allie Maxwell, and Gabriel Maxwell are in charge of hunting down Darren.

Caleb Maxwell: Right.

Cole woke up to see Mega Pyroar staring at him.

Mega Pyroar: Morning Cole.

Cole: Oh morning Mega Pyroar.

Mega Pyroar: Time for breakfast.

Cole: Be right there.

Cole got dressed and went to the table and we were having pancakes and sausages.

Later the U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 12345.2: The U.S.S. Valorous Phoenix is en route to the ocean world of Mon Calamari to find the last of the Black Star Dragonballs and save the Earth from doom.

We only have the 1-Star Dragonball to find.

Me: We only have one Black Star Dragonball to go.

Xenia: Yep.

I looked at my device.

Me: 358:16:18:29.

Nico: Wow we are making good time.

Lola: Yep.

Qin: We sure are.

Camie: I'll say.

Zarya Moonwolf: Whoever has the 1-Star Ball will not be easy.

Tsuyu: Nope.

Nico: Jewel Man, I want to thank you, Jareth, and your teams for coming.

Jewel Man: No problem Nico. This is gonna be really fun and awesome.

Rhonda Red Diamond: We're really looking forward to this one.

Camie: Yeah.

Nico: Rhonda, what do you like to do in your free time?

Rhonda Red Diamond: I like to make these.

She showed us red diamond rings that were made entirely out of diamond instead of gold.

Rhonda Red Diamond: I make rings that are made of diamond instead of gold.

Camie: That is cool!

Qin: It sure is.

Laney: I'll say!

Rarity: That is so stylish and beautiful darling.

Rhonda Red Diamond: It sure is.

Jewel Man: You make jewelry too? That's what I like doing in my free time too.

Rhonda Red Diamond: That is cool!

Nico: Maybe you can make some for each of us

Rhonda Red Diamond: Good idea. I will get right on that later.

Qin: Cool!

Lola: I'll say!

Camie: Yeah.

Nico: WHEW! Man yesterday was fun.

Rice: Boy it sure was. Now we've seen the last of the General.

Nico: You should be proud, Rice.

Rice: Oh I am. So is Marty.

Me: Yeah!

Qin: Yep.

Nico: I knew your Akuma was going to be a crab

Rice: Really?

Nico: Yep. Because of Razorfist in you.

Rice: Too true.

Me: Mr. Krabs thought that was cool and fun.

Poromon: It sure was.

Poliwag: Good thing we already killed Flip

Me: Yeah no kidding.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at planet Mon Calamari.

Me: Planet Mon Calamari.

Maria: We're here.

Camie: Yep.

Ace: This is the aquatic planet, right?

Me: Yep. This is an ocean planet.

Eli: It's also the home planet of some of the Rebel Alliances allies too like Admiral Ackbar.

Nico: Yep.

Qin: That's right.

We got to landing and we were in front of the capital city of Mon Calamari.

Nico: We're here. Coral City, This is the capital city of Mon Calamari.

Xenia: Wow.

Maria: The previous king was assassinated here

Nico: That was during the war with the Empire.

Eli: Yep. That was Yos Kolina. He was assassinated by Separatist

Riff Tamson.

Nico: That's right.

Anakin: I remember that. That was awful.

Camie: No kidding.

Ahsoka: At least the Emperor is gone.

Nico: For now.

Qin: Yep.

I pulled out the Dragon Radar and it showed the ball ahead at 7 klicks.

Me: The 1 Star Ball is that way.

Camie: Cool.

Nico then got a call.

Nico: I wonder who's calling me right now?

Nico turned on the screen of his communicator. To his surprise, it was the Joker!

Joker: Hi there, Chan! Long time no see!

Nico: Joker!

Me: I should have known your fucked up games wouldn't end!

Nico: I knew that Anti Monitor brought you back. What the fuck do you want? We don't have time for your mind games.

Joker: Oh, no game here. I'm just giving you an opportunity to take me down once and for all and get rid of some stress in your life.

Nico: Go on.

Joker: I'm on the same planet you are. I'm sending you the coordinates right now. But you better not keep me waiting. For every hour you wait, I'm going to detonate 1 of my hidden. Laughing Gas canisters hidden in Gotham Royal York.

With that, the transmission cut off. We then see what appeared to be Joker with Evolt.

Evolt: You think it'll work?

Joker: Oh, yeah. They'll be so blinded by anger towards me that they won't even realize I'm luring them into a trap.

Evolt: Good. The boss and I are looking forward to the results. (Teleports away)

With us…

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here on Planet Mon Calamari to get The 1 Star Ball, and-

Nico: We're not going.

Lincoln: Why the hell not?! He'll detonate those Laughing Gas containers if we don't

Nico: He's bluffing! If there were laughing gas containers, we would've spotted them. Besides, don't you find it odd that Joker's challenging us to one last fight against him when it's not even Batman's turn today?

Lincoln: Does it matter?! We're still going!

Me: Yeah! We've had enough of the Joker to last an eternity!

Luna: We're with you dudes!

Luna, Luan, Lisa, Lily, and Laney came to Lincoln and my side.

Nico: If you guys want to go and fall into a trap, be my guest. We're staying here. (to Lori, Leni, Lynn, Lucy, Lola, and Lana) You girls can be idiots and and go with them if you want, or you can do the smart thing and stay here. It's your choice.

We looked at Lori, Leni, Lynn, Lucy, Lola, and Lana, wondering what they'll choose. Finally, they stood by my side.

Lori: Sorry, Lincoln. But we'll literally take our chances with Nico.

Lincoln: Suit yourself!

With that, Lincoln, you, Laney, Luna, Luan, Lily, and Lisa went to find Joker.

Nico: Eli, find out where the Dragon Ball is.

Eli: You really think you get to tell me that after what you just did?

Nico: NOW.

Eli: (sarcastically) Loud and clear, Mighty Nico!

Me: All right guys! ENOUGH! There is no laughing gas.

Nico: What do you mean?

Me: It was all a trick. He was bluffing. Also that Joker was the one that we faced before you joined up with us Nico.

Laney: Now that you mention it, he did look different than the one we know.

Nico: I KNEW IT! Wait. What did you mean that was the one you all faced?

Me: That was the one that we faced from 2039.

Batman Beyond: It was the one we faced from my time. The one that Tim Drake was turned into.

Nico: See, Lincoln. I knew he was bluffing! Otherwise, the defense grid would've picked it up!

Lincoln: Oh you're right. Sorry guys.

Nico: It's okay.

Me: Besides we're lightyears away from home, there's no way the Joker would have been able to do anything from here.

Nico: I agree. J.D. can you tell us what happened when you faced this version of the Joker?

Me: I sure can.

I went over what happened in chapter 412 of Loud House Revamped.

It starts in the living room where me, Lincoln and Paige were playing video games. The TV then started acting all weird and the picture changed into a video call and it was from an enemy I thought we were finished with for good: THE JOKER!

Joker: J.D.! Long time no see!

Me: (Gasp) Joker! That's impossible You're dead!

Joker: I'm not. But you'll be in a few minutes!

Me: Try me you psychopathic clown! I killed you before and I can kill you again!

Joker: Good luck finding me! (Laughs Maniacally) I already took care of Brucey.

Me: You will pay for this Joker!

The call clicked off.

Lincoln: How did the Joker come back to life!?

Paige: I thought he was gone for good!

Me: I don't know but we got to find out.

We set out for Gotham General.

At the hospital we saw Terry with Bruce and he was in bed.

Me: What happened to him Terry?

Terry: The Joker got him with a laughing toxin. I gave Bruce the antidote and it's gonna take a while.

Me: Good thinking Terry.

Batgirl: I can't believe that Joker is back after all this time.

Batwoman: Yeah. It's awful.

Me: I know.

Lola: How did the Joker come back?

Me: That's what I would like to know.

We went to the lobby and talked to Commissioner Barbara.

Commissioner Barbara: How is he?

Me: It's gonna take a while but he'll make a recovery.

Lana: I can't believe that the Joker is back.

Lila: Yeah. I thought we've seen the last of him for good.

Varie: Me too.

Rachel: It's hard to imagine that he is back after all this time.

Commissioner Barbara: I know. I have a story to tell you. It's the truth about what happened to the Joker in the time we came from.

Me: What happened Commissioner?

Some forty years earlier in the year 1999, after Bruce's old ward and partner, Dick Grayson, had left to establish himself in another city as Nightwing, the second Robin and Dick's successor, Tim Drake, is kidnapped by Harley Quinn and the Joker while he was out patrolling alone. After three weeks of unsuccessful searching, Joker sends Batman and Batgirl a clue that leads them to the place where Tim is being held: the original Arkham Asylum (the old building had been partially demolished and the asylum had been moved to a newer high security building). Upon their arrival, the Joker explains that he and Harley were "getting on" in years as they realize that none of them are getting younger, and it is time to think about a family and they can't go through the joy of childbirth or adoption. And since Batman "always had a few spare kids" tagging along, the Joker had "borrowed" one of them. He then reveals Tim, who has been brainwashed and disfigured into a miniature version of himself to make him their own son, dubbing him as "Joker Jr.", much to Batman and Batgirl's horror. Joker takes off with Batman in pursuit, while Barbara fights Harley through the ruins of Arkham. In the fight, they both end up getting blown over a cliff, with Batgirl catching onto a ledge, and with her other hand, having snagged Harley by the cuff of her sleeve. With all her might Batgirl attempts to pull Harley up so she can also grab onto the ledge, but the cuff tears from Harley's weight; she falls, screaming, and vanishes into the dark pit far below. Arriving in the asylum's old operating theater, which Joker has converted into a cinema, Batman sees "home movies" of how Joker tortured and brainwashed Tim. From his hiding place, Joker narrates the story, saying that Tim held out for a long time but finally broke down and revealed all of Batman's secrets, and delivers the final bombshell by calling Batman "Bruce", mocking the revelation of Batman's true identity by dismissing him as nothing more than a scared child in a playsuit crying out for his parents. Finding his hiding place, Batman engages Joker in a brutal fight and is ready to kill him but Joker manages to get the upper hand, disabling Bruce with a knife in his leg. As Bruce lies helpless, Joker tosses a gun to Tim, telling him to "deliver the punchline" and finish Batman. Batman softly calls Tim's name, and his young partner hesitates. After a moment of warring with himself while laughing, Tim shoots Joker fatally, Joker's last words being "That's not funny... That's not..." before he stops breathing and dies. As Barbara runs in, Tim suffers a complete nervous breakdown, drops to his knees and begins to cry. Batman limps over as Barbara gathers Tim into her arms to comfort him. Bruce and Barbara bury the Joker deep under Arkham and take Tim to Leslie Thompkins, who helps him back to sanity over the course of the next year. The only other people who know what happened are James Gordon, Barbara's father and the original

Police Commissioner who helped cover the incident up for the sake of his friendship with Batman.

Me: Barbara that's awful. I'm so sorry.

Commissioner Barbara: It's all right J.D.

Harley: I can't believe that all that happened.

Commissioner Barbara: It's all right Harleen. We never found your counterparts body but I highly doubt she would be causing trouble again.

Me: I agree. It's been 40 years since then but we're in the year 2018 and this Gotham is from 2039.

Batgirl: Sounds confusing.

Me: Yeah. What happened to Tim after he was helped?

Commissioner Barbara: Things were never really the same after that. Bruce forbade Tim to be Robin again. He blamed himself for what happened and swore he'd never endanger another young partner. Tim left us soon after that, determined to make it on his own.

Lana: Did they ever patch things up 40 years later?

Commissioner Barbara: Tim tried once or twice, but you all know Bruce. I check up on Tim now and then. He's a top level communications engineer. Married, couple kids. Not too bad, all things concerned.

Terry: He deserved a happy ending. But he still has the most likely connection to the Joker's return.

Me: You're right Terry. I have a very strong feeling that it involves Tim and the Joker's Return somehow.

Later in the Batcave we were thinking over about what was going

down.

Me: This whole thing is spiraling out of control and it's all really starting to get confusing.

Terry: I know.

Lincoln: Not only that but Cody killed the Joker by firing a plasma blast through his back and it killed him instantly.

Laney: Yeah. It's hard to imagine that he's back after everything that happened.

Terry: I know. If I was the Batman I was supposed to be I'd have cracked this by now. Would've punched exactly the right data into the computer or remembered that one little clue that everyone else overlooked.

Me: It's not your fault Terry.

Dana: Yeah it's the Joker that's doing all this.

Batman: (Offscreen) It's rarely that simple.

Linka: How are you feeling Bruce?

Batman: Lousy.

Me: Commissioner Barbara told us everything that went down with Tim. I'm sorry that happened Bruce.

Batman: I know.

Terry: Nothing against your old partners, no offense Barbara, but I'm a completely different Batman. I was never a Robin. I never...

Terry saw the Robin suit shredded up.

Terry: Wait.

Me: What is it Terry?

Terry: Joker smashed up the cases. But why was this the only costume he went out of his way to destroy?

Batman: Robin did shoot him.

Varie: That was back in 1999 and this is 2018.

Terry: Yeah but a Ghost out for Revenge? I don't buy it.

Lincoln: Me neither.

Lola: Same here.

Terry: I talked to Drake. He's got less love for that costume than the Joker. I think somehow he's behind this.

Laney: I have a feeling you're right Terry.

Batman: That's crazy.

Terry: So was Drake... Once. Look... Here's the readout of everything we know the Jokerz have stolen.

Terry pressed a button on the computer and pictures of equipment that was stolen showed.

Me: Those are some fancy pieces of equipment.

Lincoln: Yeah.

Terry: Now lets combine those into something that would be used by a communications expert, someone of Tim Drake's caliber.

The computer revealed a set of strange device blueprints.

Batman: Satellite Jamming System. Whoever uses this can access satellite defense systems and fire them at will.

Terry: Someone already has. I suspected Jordan Price might be the Joker. But the Jokerz were on your company yacht trying to slag price.

Me: We got him off the boat before someone blasted it into splinters.

Terry: I hate to say it, but I think your little Robin has turned into a bitter old crow. He's got to be the brains behind this new Joker.

Lila: I agree. It's harsh, but who else is there?

Me: We better check this out. (Pulls out a radio) Lisa, can you send me a list of defense satellites that were used recently in the last hour?

Lisa: (Over the Radio) Sending to you now J.D.

On my wrist computer was a satellite that was a wicked cool one.

Me: Bingo. It's a Hyperion Class Missile Defense Satellite. It's equipped with a powerful laser that can blow up missiles in an instant. It's got powerful pin point accuracy.

Lana: That's a powerful piece of machinery.

Me: It sure is. Lisa, arm the plasma cannon and shoot it down.

Lisa: Affirmative.

Back at the Estate, Lisa typed in a command and the roof of Lisa's Lab opened up and a huge plasma ion cannon arose.

Lisa had the satellite in the cannons crosshairs.

Lisa: Cannon is charged and target is locked on J.D.

Me: Excellent Lisa. Fire!

Lisa pressed a button and the cannon fired a blast of plasma and it hit the satellite and it exploded with incredible power.

KRABBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

When the smoke cleared the Satellite was completely obliterated.

Lisa: Target Destroyed J.D.

Me: Great job Lisa. Well done.

Lisa: Thank you.

Me: Now it's time to go after the Joker. Again.

Bruce donned his Batman suit and we were off.

We were flying and swinging through the city and we were at the abandoned Jolly Jack Candy Factory.

Me: Jolly Jack?

Batman 2039: It's an abandoned Candy Factory. It was shut down in 2025.

Me: That's 7 years from now. I figured it would be his hideout.

We land and the Jokerz came out and we saw Chucko come out and he had a bazooka in his hands.

Me: Chucko!

He fired a rocket at us and I grab it and threw it back at him and it exploded and killed him.

Me: Bullseye!

We then were fighting Woof.

Laney: Whoa! Look at him.

Dana: He's half human half hyena! I got this.

Dana fired a blast of blue fire and incinerated him instantly.

Dana: Stay down bad dog.

Me: Well said.

Ghoul then came out.

We saw that Ghoul looked alot like Scarecrow.

Varie: Has anyone ever told you that you look alot like Scarecrow?

Ghoul: You'll be scared when you fight me.

Varie: Don't count on it. And Scarecrow wants his costume back.

Varie fired a bunch of icicles and they skewered him and killed him.

Varie : No more.

Dee Dee Twins came out.

They were doing flips and they were then tackled by Lola, Lana and Lila and they were beatened mercilessly and Laney tied them up.

Me: So much for these clods.

We go into the factory and saw that it's quiet. We found Tim Drake on the floor.

We look him over and he looked okay.

Me: Tim are you all right?

Tim: I think so.

Batman 2039: Where's the Joker?

Tim: Joker?

Me: He doesn't know.

Batman: Tim what's going on?

Batman 2039: He may be telling the truth but he's still whack.

Tim: Fun and games. Boy wonder playing hero. Fighting off bad guys and no one ever gets... oh, gosh. I killed him. I didn't mean to. I tried so hard to forget. But I still hear the shot. Still see the dead smile. Every night the dreams get stronger... he's there when I sleep. Whispering! Laughing! Telling me that I'm as bad as he is! We're both the same!

Me: Just calm down Tim.

Batman 2039: I'm calling an ambulance.

Tim: No. I'm all right. Forgive me, Terry, old nasty memories twist inside me like bad oysters. Nothing, really. I'm perfectly fine now.

Me: How do you know who he is?

Tim: There's nothing about you I don't know, Batfake.

[Tim throws the steel ball he's holding, which turns into an electric claw and Lincoln jumps in and it grabs him by the arm, Lincoln collapses to the ground, immobilized.]

Me: Lincoln!

Lincoln looks at me and winks and I knew what he was gonna do.

Tim: Have a time out, kid. Can't let you spoil the party too soon. And Bruce, I'm sure you have got your monkey boy wired somehow. That's just peachy. Because I want you to see every minute of this. It's a killer. [Laughs hysterically, holding his head, and after a while, becomes the Joker]

Batman: My gosh!

We were horrified!

Joker: [Takes off the lab coat, showing the purple tights underneath] Oh, I never get tired of that!

Batman 2039: Drake?! You're the Joker?!

Me: You're both one in the same!?

Joker: That flabby oaf doesn't realize I'm using him as a timeshare! Beneath this puckish exterior lies the mind of a genius years ahead of my time. In the weeks young Robin was under my tutelage, I used him as the subject of my greatest experiment. Utilizing cutting-edge genetics technology which I had pinched here and there, I encoded my DNA in a microchip and set it in Bird-Boy's birdbrain. [points to a dot on the back of his neck] Here. Everything that was me has been sleepin' all comfy and cozy inside Tim Drake's subconscious. At first, I had to limit the time I spent in Drake's body. He's not aware of what I do... chalking up lingering memories to bad dreams. If his family misses him, I simply call wifey and tell her, [Imitating Drake's voice] "I'm working late, honey." [Goes back to his own voice] The changes come at will, now. And soon, I'll be strong enough to live in this body permanently.

Lana: That's crazy!

Me: That is pure genius! You are still the same psychotic monster comedian that we killed long ago.

Joker: That's right. Now I will have my revenge.

Me: Bring it on you humorless freak!

Joker: Just face it, Bats. I can handle anything you throw it me now. Ready for one last round?

Batman: Always.

Joker: Huh?

Batman 2039: We'll never let you win!

Lincoln got up and kicked Joker in the face and sent him crashing into a wall.

Lincoln: You gave me a power boost with this electric claw. I absorbed all the electricity in it and it made me stronger than ever.

Me, Varie, Lincoln, Linka and Laney go Super Angel.

Me: Lets dance freak!

Batman 2039: Let's dance, bozo.

[As they fight, Joker gets the upper hand]

I punch Joker in the face and Varie kicks him in the back of the head

Batman 2039: [To Bruce] He's tough. Any suggestions, boss?

Batman: Joker's vain and likes to talk. He'll try to distract you, but don't listen. Block it out and power on through.

Batman 2039: Wait... I like to talk too...

[They fight, and Terry knees the Joker in the gut]

The Joker: What're you doing?

Batman 2039: Fighting dirty.

The Joker: The REAL Batman would never- [Terry pushes the knee in further]

Batman 2039: Told you ya didn't know me.

The Joker: Funny guy...

Batman 2039: Can't say the same for you. [shoves the Joker so that his gut hits a table]

The Joker: Impudent brat. Who do you think you're talking to?

Batman: Not a comedian, I'll tell you that.

Lincoln: Luan is a much better comedian than you ever will be.

The Joker: [draws a laser pistol] Shut your mouth! [fires at Batman 2039]

Batman 2039: [retreats into the rafters] The real Batman never talked to you much, did he? That's probably why you were so fixated on him. [tosses a batarang, knocking the gun out of Joker's hand]

Lincoln used the Force and brought the gun to him.

The Joker: Don't play psychoanalyst with me, boy!

Batman 2039: Oh, I don't need a degree to figure you out. [hits the lights with a batarang, turning them off] The real reason you kept coming back was you never got a laugh out of Bruce.

The Joker: I'm not hearing this...

Batman 2039: Get a clue, clowny! He's got no sense of humor! He wouldn't know a good joke if it bit him in the cape... not that you ever had a good joke.

The Joker: [really getting angry] Shut up... Shut up!

Batman 2039: I mean, joy buzzers, squirting flowers? Lame! Where's the "A" material? Make a face, drop your pants, something!

The Joker: Show yourself!

Batman 2039: You make me laugh. But only 'cause I think you're kinda pathetic. [mimics the Joker's laugh]

The Joker 2039: Stop that!

Batman 2039: So you fell in a tank of acid, got your skin bleached and decided to become a supervillain. What, you couldn't get a job as a rodeo clown? [laughs mockingly]

The Joker: [grabs some grenades] Don't you dare laugh at me!...

Batman 2039: [laughs harder] Why? I thought the Joker always wanted to make Batman laugh!

The Joker: [throwing grenades] YOU'RE NOT BATMAN!

He threw grenades at us and I threw them back and they exploded.

Ben then became Terraspin.

Ben: TERRASPIN!

Me: A Geochelone Aerio!

Terraspin: That's right J.D. They come from the Andromeda Galaxy.

Me: Wow.

Joker threw a huge tank of Laughing Gas at him. But it was having no effect on him and he blew it all away.

Me: Very clever.

Lincoln: You're finished Joker. This time forever!

Lincoln and Linka fired a blast of lightning and it hit the microchip on his neck and completely destroyed it. The Joker was destroyed. This time forever.

The spirits of the Joker, Wuff, Ghoul and Chucko appeared.

Joker: You'll pay for this J.D.! You and your friends will get the ultimate laugh of a lifetime!

Nicole: (Offscreen) Sorry you humorless buttface but that's not happening ever again.

Nicole pulled out the Book of Vile Darkness and chanted an incantation.

Nicole: Aldruon Enlenthranel Vosolen Lirus-nor!

The Joker and his cronies went into the Book and he was sealed into it for all eternity.

Tim was taken to Gotham General and he was recuperating. Tim was forever in our debt.

Later at home we were filing our report and the Joker was now officially declared DECEASED.

The Dee Dee twins were condemned to Life in the Antarctica Prison.

FLASHBACK ENDS

Nico: WHOA MAN!

Twilight Sparkle: THAT IS HORRIBLE!

Tyler Bowman: He used Tim Drake like that!? That is awful!

Batman: The reason you all haven't met Tim is because he retired after Darkseid's second invasion of Earth

Me: Yeah.

Nico: I see. Also it's hard to imagine that happened to him Bruce.

Batman: Yeah.

Nico: I'm sorry he went through all that. But it was horrible that he found out you are Batman.

Me: Yep.

Laney: Yeah.

Eli: Oh, and I just sensed where the Dragon Ball is. Joker 2039 has it.

Me: Yeah I figured.

Lincoln: I was gonna tell you that anyway.

Me: Yeah we know.

Nico: Yeah.

The whole team was with us as well, and they were pissed at what Darren did.

Nico: This'll be a start to our future battle with The Joker, the one from Gotham whom we despise, but we'll get rid of the 2039 Joker and be done with him forever.

Selene Arcangela: And now that we've seen what Darren did and said, there's no way in Hell that I'm ever forgiving that murderous psychopathic pile of trash! I'm gonna kill him!

Anna Anyanova: You said it!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and his Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, as a vision orb formed in front of us, and we saw that Darren was now engaging in battle against Connor Devereaux and his MS-13 gang, and the spirits of his parents and brother now furious at Darren's behavior and realizing that the curse hadn't truly left him are trying to stop him.

Lincoln: Looks like we're also getting some added help from Darren's parents and older brother, they are furious at what Darren did just now and they realized that the curse hadn't truly left him are trying to stop him.

Nico: Uh oh, and I can guess they're already thinking of cursing Darren forever. We better head on over.

Suddenly, Lincoln had a premonition, and it's not good: it appears our old enemy, Kyūbi, the demonic nine-tailed fox and one of the enemies of The Mystic Realm is now coming after us to kill us to get revenge.

Lincoln: Uh oh, looks like we got trouble.

Me: Lincoln, what's wrong?

Lincoln: It's not good, it appears that our old enemy, Kyūbi, the demonic nine-tailed fox and one of the enemies of The Mystic Realm is now coming after us to kill us to get revenge.

Me: WHAT THE?!

Nico: SAY WHAT?!

Nico's mouth went wide open and his skeleton came out.

Qin: Oh shit, that's not good!

Nico put his skeleton back inside his body.

Nico: I hate when that happens. Lincoln, I hope you absorb her

Lincoln: That's what I'm going to do, Nico.

Ed Cowart: So, now we got to stop 2039 Joker and kill Darren

Devereaux along with his former cousin and his MS-13 gang.

Lori: After that stunt those morons pulled this morning, they're done for, and because of what Darren did, I'm going to turn him into a human sausage!

Lincoln: Save some action for me, Lori.

Crash Bandicoot: We better get going and fast if we want to kill the 2039 Joker, get the 1 Star Ball back, and also, kill Connor Devereaux and his MS-13 gang, along with killing Darren.

Suddenly, Lincoln's eyes glowed and he was in his subconscious!

Lincoln: What the?

Then, The Spirit of The Tree of Harmony came to him, along with another version of Darren, but he was dressed in a long long-sleeved white trenchcoat, black tank top, black pants, and black knee-high boots.

Lincoln: The Spirit of Harmony? And who are...?

Spirit of Harmony: That is Darren's humanity in the form of Darren Arcangela when you met him during your rescue in Metropolis, which took the form of a sliver of light and it hid within you, Lincoln.

Darren Arcangela: She's right, and who crossed that line this morning was none other than the last bit of my past as Darren Devereaux. When I underwent the dark transformation, I separated from him, but all my angelic powers along with all my skills, powers, and abilities I learned from you all were locked away within him. In other words, the person who's fought alongside you all...!

Lincoln: Was the last bit of your past as Darren Devereaux.

Darren Arcangela: And here is the really bad part, The Devereaux Family Curse had also returned as well. I have a plan: Loopy De Loop is going to transform to help you stop Darren Devereaux and you will then send my spirit into Darren Devereaux, and I'll then remove all my angelic powers that were locked away within him along with all my skills, powers, and abilities and they'll come back into me, but I'll undergo a long hibernation to fully regain my strength.

Lincoln: I understand.

Lincoln came back.

Me: Lincoln, what happened?

Lincoln: The Spirit of Harmony came to me.

Lincoln explained everything.

Everyone: WHAT?!

Nico: Wait, so Darren's humanity took refuge in you, and all this time, the one with us was...!

Lincoln: Was the last bit of his past as Darren Devereaux. He explained his plan, so now, we really got to stop Darren Devereaux.

Me: Right.

Loopy De Loop: (French Canadian Accent) This monster cannot be allowed to run free any longer, he must be stopped.

Selene Arcangela: What he did crossed the line of no return, now there shall be no mercy for him, only death awaits him.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for 2039 Joker) AHA! There you are, you homicidal clown! I just spotted 2039 Joker, he's 20 yards away, but he's got some brutal traps laid out for us, and I also found Darren Devereaux along with Connor Devereaux and his MS-13 gang, they're not that far from 2039 Joker, but there's a brutal fight happening already. (Sensed Kyūbi) And I just found Kyūbi heading right for us.

Nico: Let's tear them apart.

Selene Arcangela: This is where we end our family's blood hatred once and for all, Darren Devereaux, and Darren Arcangela will be getting a fresh start once again, no matter how long it'll take for him to regain his full strength.

Tyler Bowman heard a Pokemon cry

Tyler: Look here!

We saw a Hisuian Electrode!

Me: Cool! Hisuian Electrode.

Qin: Wow!

Me: The poor thing is hungry.

We gave it apples.

Hisuian Electrode: Thank you so much.

She was eating them.

Nico: She is hungry.

Me: Yep.

Tyler: Want to come with us?

Hisuian Electrode: Sure!

Me: Cool!

Nico: For the record, now all of us know Joker's bluffing. But there's strength in numbers. And we can take this chance to secure the last Dragon Ball.

Me: Yep.

Camie: Great!

Me: Look!

We saw a REGIDARK!

Nico: A Regidark!

Brittney: Cool!

Me: Wow! That one is scary!

Xenia: Yeah!

Pipp Petals: Lets see what this one is.

Pipp used telepathy and then gasped.

Pipp Petals: (GASP) That's Aurora Starfall!

Zipp Storm: Aurora! Oh man!

Noctilucent Aurora: I knew she was gonna be next!

Camie: Whoa!

Fiona: I better help too! I know her too.

Me: Lets go!

We went to face her.

Pipp Petals: Aurora! Calm down!

Zipp Storm: It's us! Zipp, Pipp and Fiona!

All she did was shoot darkness at them

We dodged it.

Me: Oh so that's how you want to play.

I fired waves of light and blasted her.

Pipp Petals: Come on!

They fired waves of energy and blasted her all over.

She shot more darkness blasts.

We dodged them all over.

I fired light blasts and blasted her all over.

Me: Now this.

I snapped my fingers and she reverted back and had black hair, green eyes, black angel wings and had Regidark in the middle of her forehead and had a black and blue version of Pipp's cutie mark on her arm.

We wrapped her in a blanket and brought her over.

Me: That was awesome.

Lola: Yeah!

Pipp Petals: Oh my glitter! That was fun!

Zipp Storm: Yeah!

She woke up.

Aurora Starfall: (Groans) What hit me?

Pipp Petals: Aurora?

She saw them.

Aurora Starfall: Zipp, Pipp, Fiona? (GASP) It is you guys!

She hugged them.

Aurora Starfall: I am so happy to see you all.

Pipp Petals: Oh my glitter it's good you're back. Aurora is the one that taught me how to sing and she taught me all about hair styles and all that.

Me: That is cool Pipp. Aurora your sister has done all sorts of amazing hair styles. She is also the one that made my hair rainbow. Which is awesome.

Rarity: I agree there and Pipp did a great job.

Pipp Petals: Yeah.

Aurora Starfall: That is so cool!

Me: Yep.

Aurora Starfall: Oh wow! Rarity! It's such an honor to meet you. I am one of your biggest fans. I love all your clothes and they are amazing.

Rarity: Oh why thank you so much darling. My clothes are beautiful and breathtaking.

Carol: They sure are.

Me: Rarity makes amazing and beautiful clothes.

Aurora Starfall: Oh so cool!

Nico: How did you meet Fiona?

Aurora Starfall: I met her at Reiningers at the mall and she gave me all kinds of awesome fashion advice. Mrs. Carmichael hired me to help her too. She, Leni, Miguel and me have become known as the Fashion Fuel 4.

Fiona: It's true.

Leni: That is totes an amazing name and Aurora we're totes glad you're safe too.

Me: Yeah. Oh right you were turned into a Regidark by Dark Gale.

Aurora Starfall: Oh man! I remember!

She was in a pitch black suit and injected and she turned into darkness and flew out of the building.

FLASHBACK ENDS

Aurora Starfall: That was awful.

Me: Well we're going to kill Dark Gale later on.

Nico: What's your role in Sonya's team?

Aurora Starfall: I'm the Umbramancer and Darkness and Shadow manipulator and I use shadows to bring down my enemies.

Me: Whoa!

Nico: Nice!

Brittney: You would be perfect for the Goths of Darkness.

Aurora Starfall: I would be honored.

Me: Cool.

Aurora Starfall: And outside the team I am a historian of the Gothic World. I show the histories of vampires, witches and more.

Brittney: That is really cool.

Shannon: My ancestors are witches and that is cool.

Lola: It sure is.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new black clothes and a black scythe.

Aurora Starfall: Wow! I look amazing and cool.

Nico: We need to get going and secure that last Dragon Ball.

Me: Right! No one tricks us and gets away with it!

We took off into the air and we set out to get The 1 Star Ball back, kill 2039 Joker along with Kyūbi and Connor Devereaux and his MS-13 gang and send them to The Black Abyss, and we're going to follow with Darren Arcangela's plan that he gave to Lincoln and take down Darren Devereaux and end this whole Devereaux Family Curse nightmare once and for all.

We were flying in the air, and we spotted our target: The 1 Black Star Dragon Ball, and it was definitely in the hands of 2039 Joker who was laughing maniacally, and we saw for ourselves he'd laid out lethal traps for us to walk into, and we've also spotted the now disowned traitor, Darren Devereaux fighting against Connor Devereaux and his MS-13 gang, and he was laughing demonically.

Lincoln: Laugh while you can, clown, your legacy of murder ends here and now, same with you, Darren Devereaux!

Lincoln fired energy blasts and elemental blasts from his massive white angel wings and four sets of large white angel wings underneath his massive white angel wings at 2039 Joker, Darren

Devereaux, Connor Devereaux and his MS-13 gang, and they hit them and exploded and they also destroyed the traps 2039 Joker set up, and Darren Devereaux screamed in insane rage as we landed, and when he saw Selene Arcangela and Lincoln, he went mad with rage and then, he tried to attack them with his greatsword, but Lincoln fired Ki blasts that sent those monsters flying into a rock. They got out, but Darren Devereaux bellowed and screamed with rage! Then, Lincoln used his telekinesis and got The 1 Black Star Dragon Ball to his hand.

Lincoln: You've got some nerve to cross the line, Darren! Your insane actions led to Drakus and The X-Squad getting put out of commission for a week, and you also threatened us with death, that was truly the one thing that led to you getting labeled a traitor and sentenced to death.

Me: Plus, you've got some goddamn nerve coming back, clown! I thought we were finally rid of you.

Nico: Same here. But, at least, we'll get the chance to get rid of you once again, Joker!

Darren Devereaux: YOU FUCKING MORONS! HOW ARE YOU STILL ALIVE?!

Lincoln: You should've never underestimated me, Darren, nor the rest of the team. Plus, what you did in brazenly betraying us by attacking me which failed miserably and brutally hurting Drakus and the X-Squad and threating to kill us all ultimately meant you've crossed a serious line, and due to that, we'd already come to the decision to kick you out of the team, and your good self, Darren Arcangela, is going to take your place.

Darren Devereaux: YOU PIECE OF SHIT! I WAS THAT CLOSE TO GETTING RID OF YOUR GODDAMN UGLY WORTHLESS CHILDREN, THEY'RE SO FUCKING UGLY, STUPID, AND USELESS JUST LIKE YOU AND YOUR WHORES!

Lincoln, his harem and Guardian Angels, and kids: WHAT THE HELL DID YOU JUST SAY, YOU DISGUSTING PILE OF GARBAGE!

Me, Nico, and Eli: NOW, YOU'VE CROSSED IT!

LINCOLN, HIS HAREM AND GUARDIAN ANGELS, AND KIDS POUNCED ON AND BRUTALLY TRASHED DARREN DEVEREAUX AND KICKED HIM HARD IN THE GROIN AS HE SCREAMED IN AGONY!

Me, Nico, and Eli: TAKE THAT, SHITHEAD! (FLIPS THE FINGERS) FUCK YOU!

Darren Devereaux absolutely lost it and tried to attack us again, but Selene Arcangela punched him hard in the face and that made him so furious, we saw his angel wings change as the feathers fell off, and they turned into massive demonic wings: DARREN DEVEREAUX HAS TURNED INTO A DEMONIC MONSTER!

Selene Arcangela: So, now you've turned into what you've become, huh? Well, it's time we end this blood hatred between our families for good.

?: (Echoing Demonic Voice) I will make all of you wretched humans pay for what you did to me!

Suddenly, we saw our secondary target, Kyūbi, the human despising nine-tailed fox and enemy of The Mystic Realm.

Lincoln: I knew you'd come, Kyūbi, but this needs to end here and now if we're to stop our primary targets.

Suddenly, Lincoln grabbed Kyūbi and she was unable to fight back because his body let off his very supernaturally potent and powerful aphrodisiac that put her under his spell, and then, he bit her hard on the right side of her trapezius and he began sucking out her blood and he even began draining her of her immense powers and her hatred and he assimilated all of her immense magical powers and powers of transformation, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Plus, he even sucked out her soul and absorbed her body as soon as he was done, and he drained her soul of energy and banished her to The Black Abyss.

Lincoln: And that is the end of you, Kyūbi. Now, all that's left is to deal with you, Connor, his gang, and 2039 Joker, Darren.

Connor Devereaux: DIE!

Connor Devereaux and his gang were about to fire, until Lincoln made eleven blue flames appear on the tips of his eleven massive and long white wolf tails, and he fired them at the gang, and they got burned badly.

Me: Your little mind games didn't work Joker!

Joker 2039: Oh, and if you're wondering where my original self is, he's somewhere safe and sound in a location far away from here. And I'm not telling you where it is.

Nico: Fine. Don't tell us. But we'll tell you this: Me and my team aren't going to let you, Anti Monitor, and the rest of your buddies kill anyone else.

Joker 2039: Really. Because so far, you haven't been doing much to stop us.

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF 2039 JOKER, CONNOR DEVEREAUX AND HIS MS-13 GANG, AND DARREN DEVEREAUX EVEN MORE TO NO FUCKING END! NOW, THE BATTLE TO DESTROY THESE FIENDISH BRINGERS OF CHAOS WAS ON!

Lincoln, Loopy De Loop, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I and all of us went after 2039 Joker, Connor Devereaux and his MS-13 gang, and Darren Devereaux, and we fired extremely powerful blasts of rainbow, white, and blue energy, blue, white, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Loopy De Loop did the same by firing white and yellow, white, and blue energy slashes from his gold plated claws and his massive greatsword, and Lincoln, Loopy De Loop, Nico, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was really really making 2039 Joker, Connor Devereaux and his MS-13 gang, and Darren Devereaux even more angrier and even more insane than ever, if that was even possible.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit 2039 Joker, Connor Devereaux and his MS-13 gang, and Darren Devereaux, and we found ourselves in Heaven.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomachs of 2039 Joker, Connor Devereaux and his MS-13 gang, and Darren Devereaux, and clusters of rainbow, white and blue heavenly flames exploded out behind them, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Good riddance forever, you monsters of chaos. And now, for you, Darren Devereaux.

Lincoln fired a beam of light from the point of his massive greatsword, and that bright light had the spirit of Darren Arcangela inside it, and it hit Darren Devereaux in his heart. Then, Darren Arcangela's spirit removed the shackles that kept all the angelic powers locked away within along with all the skills, powers, and abilities he'd gotten from us, and they all went into him, and Darren Devereaux began feeling nothing but pain as he'd felt all of his powers were being taken away from him, and then, the ball of light came out of his chest.

Then, we saw a coffin made of clear indestructible crystal form around the ball of light that then took the form of Darren Arcangela who was dressed in a long long-sleeved white trenchcoat, black tank top, black pants, and black knee-high boots, and he had all the weapons, jewelry, and accessories Darren Devereaux had, but they all needed to be purified and accustomed to him.

Darren Devereaux: (Weakly) W-what have you done?!

Suddenly, the spirits of Antoine, Michelle, and Logan Devereaux appeared around the coffin.

Logan Devereaux: It's what my true brother has done, you monster.

Suddenly, Darren Devereaux began to scream as he saw his body was suddenly turning to stone, and when it was all done, Darren Devereaux was turned into a stone statue and locked away inside of his prison forever, and his dark soul was sent to The Tombs of Heresy along with the spirits of the other Devereaux relatives who fell under the curse throughout the decades since the 1920s.

We cheered wildly as we holstered our weapons and powered down and Loopy De Loop's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind his head, twenty large white and gold planets orbiting around his legs and twenty smaller white and gold planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized white and gold planets orbiting around his wrists and ankles, longer brown wolf tail, and massive brown angel wings and four sets of large brown angel wings underneath his massive brown angel wings are permanent.

Nico: Alright, we did it, we got all Seven Black Star Dragon Balls!

Me: And got rid of the villains who had them. Now, what'll happen with Darren Arcangela?

Lincoln: Like he told me, he needs to undergo a long hibernation to fully regain his strength, and it'll take long for that to happen.

Selene Arcangela: That's understandable. I can't believe that this happened to Darren.

Logan Devereaux: We'll stand by to keep an eye on Darren when he fully awakens, he kept all of our words that we said to him after he broke the family curse on him last year, and he's moved on from the tragedy that haunted him, and the evil part of my brother is now gone forever.

Darren's coffin was then taken to his room, and he was to begin a long hibernation to fully regain his strength.

Lincoln: See you soon.

Selene Arcangela: We'll be patient for that time to come, Lincoln. Now that we got The Seven Black Star Dragon Balls, all we got to do is return them to Earth.

Eli: (Sensed the Anothers) After we take care of The Anothers, they're heading this way.

Nico: Oh shoot, right, The Anothers.

Me: Okay then.

Nico: Alright, King Kai. The last of the Dragon Balls are ours!

King Kai: Good job Nico! Well done! Now you just have to get them all back to Earth and then it won't explode.

Camie: Good!

Qin: Cool!

Nico: Hisuian Electrode you did a great job.

Hisuian Electrode: Thanks Nico.

Poromon: Want some beer?

Hisuian Electrode: Oh no thanks. I don't drink.

Poromon: Okay.

Poliwag: (Does Puppy eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Maria: What do you guys say we send the Dragon Balls back to Earth?

Nico: Later after we finish up here.

Maria: Okay.

Me: Whew. At least the Joker of 2039 will never terrorize Gotham again.

Nico: Wait. Isn't something flashy supposed to happen that signals the halting of the countdown?

Me: It doesn't work that way Nico. We got to get to Earth first.

Nico: Oh.

Mr. Krabs: But to celebrate, let's celebrate with Krabby Patties later

Me: Good idea Mr. Krabs.

Qin: Yeah.

Camie: Cool!

Lola: Awesome.

Nico: Remember the Pretty Patties?

Me: Yeah.

Nico: Just making sure.

Nico: Same here.

Vahlia Varya: You're looking great.

Nico: Thanks.

Me: By the way girls are the Another Cole and Jareth friendly or hostile?

Akiko Aki: Friendly and this will be fun for you guys.

Me: Cool.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Maria: Time for backup! (TURNS DIAL) ROOSTER BURN FORCE!

She summoned Burn Rooster, Smile Pinkie Pie, Keldra, Ikargen from Kyuranger, Whiplash (He-Man) and Captain Ahab (Dexter's Lab)

Me: That voice!

She reverted back and it was the Embodiment of Ice Cream!

Me: Irina Thrice Cream!

Chowder: THRICE CREAM!

Irina Thrice Cream: Yep! Lots of ice cream for everyone!

Nico: ICE CREAM! ICE CREAM! I SCREAM FOR ICE CREAM!

Irina Thrice Cream: Plenty for everyone!

She gave us all amazing sundaes and ice cream pops and more!

Qin: OH BOY!

Me: (SLURPS) Yummy! Strawberry vanilla creamsicle!

Nico: COOKIES AND CREAM!

Nico was eating his sundae!

Me: Irina is the embodiment of the Ice Cream Dopant and she is an awesome ice cream chef that can make over 50,000,000,000,000 flavors of ice cream and even the most disgusting flavors.

Nico: HOLY CRAP!

May: 50 trillion!? That's amazing!

Me: Yeah.

Irina Thrice Cream: You know what the most disgusting flavor I made was?

Nico: What?

Irina Thrice Cream: Rotten Egg Chum Surprise.

Me: YUCK!

Nico: GROSS!

Me: That would taste like puke!

Irina Thrice Cream: Yeah and also I'm a master of magic and more.

Jareth: Just like me. That is cool.

Me: It sure is.

Qin: Yeah and your last name is Thrice Cream?

Irina Thrice Cream: Yeah it sure is. I was born in Marzipan as the only human that lived there and I was the apprentice of amazing Thrice Cream Makers. I made 500,000,000,000 flavors of Thrice Cream.

Chowder: Where have you been all my life!

WE LAUGHED!

Me: You're going to make all of us including Chowder happy!

Laney: (LAUGHS) Yeah!

Nico: I'll say!

Irina Thrice Cream: Yeah! And I can tell that Chowder loves Thrice Cream.

Me: Oh he can't get enough of the stuff!

Chowder: It's true!

Nico: And your friend?

Another Cole: (In a girls voice) I'm looking for my brother.

She reverted back and was a girl with black hair and had orange hair and brown eyes and had orange clothes and had a jacket that said Furious Cougar on it.

Cole: (GASP) Collette!

He went and hugged her.

Collette: I missed you bro!

Me: I didn't know Cole had a sister.

Taylor: I thought he was an only child.

Me: Yeah.

Cole: Guys this is my sister Collette.

Me: Awesome to meet you.

Collette: Same here.

Me: So you're the Cougar Wild Force Ranger?

Collette: I sure am.

She showed an Orange Cougar Wild Force Crystal.

Isabel: That's awesome. The Cougar is a perfect spirit for you. The Cougar meanings and symbolism include protection, agility, adaptability, secrecy, beauty, and wealth.

Me: Wow! Very symbolic.

Isabel: That's right.

Nico: Yeah. Nice jacket though.

Collette: Thanks. It's part of my outfit as a ranger.

Me: Cool! So that makes you the 8th Wild Force Ranger.

Collette: It sure does. I'm going to make Master Org pay for his crimes.

Me: Well Cole is gonna help with that. And also I resurrected your mom and dad. I'll explain on that later.

Kaito (Gets out Hurricaneger gear): Did Swartz promise you anything?

Zocks (Gets out Gaoranger gear): Because we can grant it instead

They got Wild Force and Ninja Storm weapons.

Irina Thrice Cream: Nope he didn't. I gave Swartz a nasty brain freeze and we ran.

Me: Nice.

Lola: Ouch.

Sakura Knudson: Brain Freezes are not fun.

Sougo (Gets out Ninja Storm Ridewatch): Can we see your zord later?

Geiz (Gets out Wild Force Ridewatch): It's only fair.

Sougo got out NinjaStormRedArmor while Geiz got WildForceRedArmor

Collette: Sure.

Me: Awesome! Cole's is the Red Lion.

Collette: Wow!

Me: I know

Lincoln: Lets separate you first.

We did so.

Me: Lets get it on!

May: (Gets out Universe 666 Jason Voorhees Ridewatch) SAY HI TO YOUR MOMMY! IN HELL!

Maria: (Gets out Gollum's ridewatch) MY PRECIOUS!

Rhonda Red Diamond: (Gets out Dementor's ridewatch) (Ominous Voice) I've come for your pickle!

SPONGEBOB SCREAMS IN FRIGHT!

They used the powers of Jareth, Dementors, Universe 666 Jason Voorhees, Vengeance Express Rolf, Gollum and Vengeance Express Nazz and blasted the Anothers all over.

Then Black Wolf (The Flight Before Christmas), Chili Pepper Malgam, Decimax, Alpha Phantom Fraime, Lego Barty Crouch Jr. and Gargoyle (2023 Miraculous Ladybug) came.

Me: WHOA! Wait you're Black Wolf from the Finland movie The Flight Before Christmas.

Nico: Wow! Nice team!

Black Wolf: Thanks Nico!

Blizzard Wolffang: My team is next

Me: Yep.

Nico: Cool!

?: (ECHOING) SPIKING STRIKE!

Stingmon flew in and stabbed the Another and blasted them and I caught the ridewatches and I purified them.

Me: WHOA! Stingmon!

Stingmon: (In a girls voice) Looks like I arrived just in time.

Nico: Stevia Sting! Wow!

She reverted back and was a girl with green hair, green eyes, green clothes, green butterfly wings and had Stingmon on her forehead, skirt and shirt and had a spear in her hands.

Stevia Sting: Awesome to see you again Nico.

Nico: Same here.

Horsea: Nice job!

Stevia Sting: Thanks.

Me: Boy that was cool.

Stevia Sting: It sure was.

Me: Do you have a favorite memory of Nico?

Stevia Sting: I sure do. When I showed Nico my family's butterfly sanctuary and we had an amazing picnic there.

Fluttershy: Oh that sounds like an amazing place to have a picnic.

Stevia Sting: It sure is.

Qin: Yeah.

Nico: Cool.

Nico and Stevia hugged.

Nico: I've missed you.

Stevia Sting: Same here.

We went back home to Earth.

Me: We're here.

Then there was a beep and on my device the timer reset.

It was on 365:00:00:00.

Device: Earth is saved from doom. All Black Star Dragonballs returned. Have a nice day.

Me: WHEW!

Nico: That's it. Nothing flashy?! Ripoff!

Me: Nico the important thing is we got them all back.

Nico: True.

Qin: Yeah.

But, we're going to end them all once and for all and send them all to The Black Abyss for good.

Lincoln: Ah, we're here in Japan, and I know what we're going to do here, not only am I going to rescue the ten girls here, but we're going to meet up with Yuji Itadori, whom we'd freed last year from Ryomen Sukuna.

Nico: I wonder how he's been doing after we freed him from The King of Curses.

Suddenly, we saw Yuji Itadori heading for us along with his half-brother and Guardian, Choso, Satoru Gojo, Megumi Fushiguro, Nobara Kugisaki, Aoi Todo, Maki Zenin, Panda, Toge Inumaki, Kento Nanami, Shoko Ieiri, Masamichi Yaga, Kiyotaka Ijichi, Akari Nitta, Setsuko Sasaki, Takeshi Iguchi, Yuko Ozawa, Kokichi Muta, Utahime Iori, Mei Mei, Ui Ui, Takuma Ino, Arata Nitta, Kasumi Miwa, Momo Nishimiya, Noritoshi Kamo, Atsuya Kusakabe, Yuki Tsukumo, Yuta Okkotsu, Hiromi Higuruma, Hana Kurusu, Angel, Rika Orimoto, Miguel, and Larue.

We gasped.

Choso: And they have gotten together with Uraume, Eso & Kechizu, Juzo Kumiya, Haruta Shigemo, Grasshopper Curse, Jiro Awasaka, Niji Ebina, Ogami and her Grandson, Manami Suda, Miguel, Nanako & Mimiko Hasaba, Toshihisa Negi, Shigeru Sonoda, Shiu Kong, Toji Fushiguro, Unnamed Masked Curse User, Chojuro Zenin, Jinichi Zenin, Naoya Zenin, Nobuaki Zenin, Ogi Zenin, Ranta Zenin, Toji Fushiguro, Charles Bernard, Chizuru Hari, Dhruv Lakdawalla, Haba, Hajime Kashimo, Hanyu, Iori Hazenoki, Kurourushi, Reggie Star, Remi, Ryu Ishigori, Takako Uro, Yorozu, Finger Bearers, Smallpox Deity, Ganesha, Kurourushi, Naoya Zenin, Bayer, and Kokun, and they intend to cause havoc on humanity once more.

Lincoln: That is not good, we got to stop them immediately.

Jewel Man: Who do we go after first, Lincoln?

Lincoln: We'll go after The Disaster Curses, Dagon, Hanami, Mahito, and Jogo, and I'll do just like I did when we faced them last year: absorb them, assimilate their powers, and send them to The Black Abyss.

Satoru Gojo: Yuji told me all about you guys and how you freed them from Sukuna, this should be an interesting thing to see.

Megumi Fushiguro: We should get going at once.

Lincoln: Right. We can't let them go any further, this is where it all ends for them here and now.

Yuji Itadori: I've got a score to settle with Sukuna, and I'm not going to let that monster live a single second further.

Nicole: Same here, I'd seen what that monster had done in the past, and what he did in possessing you, Yuji. This is unforgiveable, he needs to die here and now.

We immediately got a move on to destroy Ryomen Sukuna, Dagon, Hanami, Mahito, Jogo, Suguru Geto, Uraume, Eso & Kechizu, Juzo Kumiya, Haruta Shigemo, Grasshopper Curse, Jiro Awasaka, Niji Ebina, Ogami and her Grandson, Manami Suda, Miguel, Nanako & Mimiko Hasaba, Toshihisa Negi, Shigeru Sonoda, Shiu Kong, Toji Fushiguro, Unnamed Masked Curse User, Chojuro Zenin, Jinichi Zenin, Naoya Zenin, Nobuaki Zenin, Ogi Zenin, Ranta Zenin, Toji Fushiguro, Charles Bernard, Chizuru Hari, Dhruv Lakdawalla, Haba, Hajime Kashimo, Hanyu, Iori Hazenoki, Kurourushi, Reggie Star, Remi, Ryu Ishigori, Takako Uro, Yorozu, Finger Bearers, Smallpox Deity, Ganesha, Kurourushi, Naoya Zenin, Bayer, and Kokun.

We got a move on, and then, we saw our first targets: The Disaster Curses, Dagon, Hanami, Mahito, and Jogo, and they were heading for us.

Yuji Itadori: Mahito, Jogo, Dagon, and Hanami. We've had some tough fights with them.

Lincoln: And so have we.

Suddenly, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers and he stabbed them into the chests of Mahito, Jogo, Dagon, and Hanami and he began absorbing them and he and all of us assimilated Mahito's Invisibility, Manipulation, High Intelligence, Cursed energy manipulation, Supernatural durability, Supernatural strength, Regenerative abilities, Supernatural speed, Supernatural agility, Black Flash, Idle Transfiguration, Soul manipulation, Body shapeshifting, Clone creation, Weapon creation, Soul multiplicity, Body repelling, Transfigured human creation, Polymorphic soul isomer creation, Instant spirit body of distorted killing transformation, Curtain creation, Domain expansion creation, and Heavenly restriction removal, Jogo's Invisibility, Fire manipulation, Domain expansion creation, Volcano creation, Insect summoning, Meteor summoning, Immense cursed energy, Cursed energy manipulation, Supernatural strength, Supernatural durability, Supernatural speed, and Supernatural regeneration, Dagon's Hydrokinesis, Immense cursed energy, Domain expansion creation, Inhalation, Flight, High endurance, High durability, Cursed energy manipulation, Physical augmentation, Shikigami summoning, and Intelligence, and Hanami's Invisibility, Cursed energy manipulation, Immense cursed energy, Hand-to-hand combat, Domain expansion creation, Supernatural durability, Supernatural strength, Supernatural speed, Hyper regeneration, Hidden presence, Barrier creation, Invisibility, Telepathy, Chlorokinetic Roots and wood manipulation, Buds creations, and Flower field creation, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, when Lincoln was done and the stingers changed back, nothing was left of The Disaster Curses and he drained their souls of all their energy and sent them to The Black Abyss.

Choso: Incredible.

Yuji Itadori: I saw he did the same thing to Sukuna, and he banished him to The Black Gates. But, now he's getting The Black Abyss. Alright, now let's go after Uraume, Eso & Kechizu, Juzo Kumiya, Haruta Shigemo, Grasshopper Curse, Jiro Awasaka, Niji Ebina, Ogami and her Grandson, Manami Suda, Miguel, Nanako & Mimiko Hasaba, Toshihisa Negi, Shigeru Sonoda, Shiu Kong, Toji Fushiguro, Unnamed Masked Curse User, Chojuro Zenin, Jinichi Zenin, Naoya Zenin, Nobuaki Zenin, Ogi Zenin, Ranta Zenin, Toji Fushiguro, Charles Bernard, Chizuru Hari, Dhruv Lakdawalla, Haba, Hajime Kashimo, Hanyu, Iori Hazenoki, Kurourushi, Reggie Star, Remi, Ryu Ishigori, Takako Uro, Yorozu, Finger Bearers, Smallpox Deity, Ganesha, Kurourushi, Naoya Zenin, Bayer, and Kokun.

Lincoln: I think we can put Eso and Kechizu in The Masters of Evil, Yuji. They are your half-brothers, and Choso is now part of Team Loud Phoenix Storm along with some of the former members of Suguru's team.

Yuji Itadori: Good idea.

Suddenly, we saw Eso and Kechizu heading for us, but Yuji Itadori fired ropes made of his own blood and tied them up, and Lincoln beamed them to The Masters of Evil.

Lincoln: That was Blood Manipulation. Don't tell me, you...

Yuji Itadori: Yeah. After ingesting my older half brothers, Noranso, Sho-oso, Tanso, Sanso, Kotsuso, and Shoso, I was engraved with Blood Manipulation, the inherited technique of the Kamo Clan, and I can now use this technique.

Suddenly, we saw Uraume, Juzo Kumiya, Haruta Shigemo, Grasshopper Curse, Jiro Awasaka, Niji Ebina, Ogami and her Grandson, Manami Suda, Miguel, Nanako & Mimiko Hasaba, Toshihisa Negi, Shigeru Sonoda, Shiu Kong, Toji Fushiguro, Unnamed Masked Curse User, Chojuro Zenin, Jinichi Zenin, Naoya Zenin, Nobuaki Zenin, Ogi Zenin, Ranta Zenin, Toji Fushiguro, Charles Bernard, Chizuru Hari, Dhruv Lakdawalla, Haba, Hajime Kashimo, Hanyu, Iori Hazenoki, Kurourushi, Reggie Star, Remi, Ryu Ishigori, Takako Uro, Yorozu, Finger Bearers, Smallpox Deity, Ganesha, Kurourushi, Naoya Zenin, Bayer, and Kokun heading for us.

Lincoln: Uh oh, we got trouble.

Suddenly, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers and he stabbed them into the chests of Uraume, Juzo Kumiya, Haruta Shigemo, Grasshopper Curse, Jiro Awasaka, Niji Ebina, Ogami and her Grandson, Manami Suda, Miguel, Nanako & Mimiko Hasaba, Toshihisa Negi, Shigeru Sonoda, Shiu Kong, Toji Fushiguro, Unnamed Masked Curse User, Chojuro Zenin, Jinichi Zenin, Naoya Zenin, Nobuaki Zenin, Ogi Zenin, Ranta Zenin, Toji Fushiguro, Charles Bernard, Chizuru Hari, Dhruv Lakdawalla, Haba, Hajime Kashimo, Hanyu, Iori Hazenoki, Kurourushi, Reggie Star, Remi, Ryu Ishigori, Takako Uro, Yorozu, Finger Bearers, Smallpox Deity, Ganesha, Kurourushi, Naoya Zenin, Bayer, and Kokun and he began absorbing them and he and all of us assimilated all their abilities, skills, and powers, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, when Lincoln was done and the stingers changed back, nothing was left of them and he drained their souls of all their energy and sent them to The Black Abyss.

Suddenly, we saw a seductive and voluptuous succubus flying in the skies as it left an awesome trail of darkness in the skies, and it almost led to most of the males to head for Nosebleed Launch City, and then, it landed, and it turned into a beautiful girl who was tall at 7'0" in height, she has the voluptuous and sexy body of a goddess and large breasts, long blonde hair, purple eyes, black bat wings, she was dressed in a black two-piece bikini that showed off her figure, black tail, long white sleeveless trenchcoat with stars, darkness, succubi, phoenixes, and angels on the coattails, and on the back is the Succubus, she has a darkness greatsword, and with her are the ten girls.

Lincoln: (GASPS) Sarah Succubi, Avatar of The Succubus.

Sarah Succubi: That's right, and I got them away from that murderous psycho, Suguru Geto, and he's heading here now.

Suddenly, we saw one of our two main targets: Suguru Geto, the worst Curse User ever.

Caleb Maxwell: Suguru Geto, the worst of all Curse Users. I'd hoped that you'd stay gone after you were killed last year, but thanks to Anti-Monitor, you came back from the dead, and you don't think I knew that Kenjaku took control of your body to assimilate your techniques.

Suguru Geto: Oh? And how did you know about that?

Caleb Maxwell: Because long before I met the team, I went to Japan and killed that ancient Curse User and had him sent to The Black Abyss, but that also led to you coming back and regaining your body. But, that's not going to stop us from killing you once more, prepare yourself, Suguru Geto.

We went after Suguru Geto and we attacked him with energy blasts and slashes from our weapons.

Lincoln: Now, to end you for good, Suguru Geto.

Satoru Gojo: Allow me.

Suddenly, Satoru Gojo removed his blindfold.

Nicole: Uh oh...!

Lincoln: He's going to use his Domain Expansion.

Satoru Gojo: Domain Expansion: Unlimited Void.

Satoru Gojo brought himself and Suguru Geto inside the Limitless itself, an endless void resembling outer space in appearance, with a large black hole, distant galaxies and numerous white patches in the background. Suddenly, boundless raw information flooded into Suguru Geto's mind, overwhelming him to the point where he's completely immobilized.

Nico: W-what on Earth was...?!

Lincoln: That was Satoru Gojo's Domain Expansion, Unlimited Void, that is one of the most advanced technique in the arsenal of the Limitless. Satoru Gojo inherited the Six Eyes, a special ability, and it's likely he mastered his Domain Expansion after awakening his full potential. Not even Suguru Geto was able to survive that.

Yuji Itadori: Now, all that's left is to kill Ryomen Sukuna.

?: No need to go after me any further, kid.

Suddenly, we saw our main target: Ryomen Sukuna, The King of Curses and the strongest sorcerer from a thousand years ago and still taking on the appearance of Yuji Itadori, but with pink spiked hair slightly pushed upfront and with tattoos on his forehead, nose, cheeks, upper body, and abdomen and wearing a light-colored kimono with a black edge, a black scarf, and black shoes.

Caleb Maxwell raised his twin pistols and aimed them at Ryomen Sukuna.

Ryomen Sukuna: (Chuckles) You think those weapons of yours can hurt me?

Caleb Maxwell: Don't test me, Sukuna. I've killed a lot of people before.

Ryomen Sukuna: Well, if you want to prove yourself, now's your chance.

Yuji Itadori: Caleb, don't let yourself fall for his words.

Yuji Itadori: Lincoln, now!

Suddenly, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers and he stabbed them into Ryomen Sukuna's chest and he began absorbing him and he and all of us assimilated Sukuna's Genius-level intellect, Manipulation, Cursed energy manipulation, Immense cursed energy, Immortality, Supernatural strength, Immense agility, Immense reflexes, Charisma, Regenerative abilities, Metamorphosis, Combat expertise, Possession, Shikigami-summoning, Slicing and dismantle, Flame manipulation, and Domain expansion creation, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, when Lincoln was done and the stingers changed back, nothing was left of Sukuna and he also drained his soul of his energy and banished him to The Black Abyss forever. We cheered as we holstered our weapons and powered down.

Lincoln: And that is that.

Yuji Itadori: You said it. I never want to see him again.

Lincoln: This time, he's gone forever. (To Sarah Succubi) And it's so good to see you again, Sarah.

Sarah Succubi: You too, Lincoln, it's been seven years since we last met.

Suddenly, Sarah Succubi had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Sarah Succubi was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered.

Sarah Succubi: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Sarah Succubi and hugged her, and Sarah Succubi is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Sarah Succubi: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Sarah Succubi, Avatar of The Succubus, she's Lincoln's Guardian Angel and she's known as The Succubus Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Sarah is a powerful master of the powers of darkness, lust, sex, seduction, and Succubi, and she is ONE SEXY, VOLUPTUOUS, AND MEGA SEDUCTIVE BOMBSHELL! She lived during an age of darkness, and over time, as she grew, she gained all of the incredible strengths and powers of the Succubi along with immortality, and she'd seduced many evil men and drained them dry of their life force and sucked out their souls, and many centuries later, there was one person that harbored a true love for everything, and that also really strengthened the love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of darkness, lust, sex, seduction, and Succubi, and he also gained all of the incredible strengths and powers of the Incubi, the male counterpart of The Succubus, and she let Lincoln feed on her, and not only did he gain the same powers as her, but he also gained a mark on his left thigh, it's known as The Mark of The Incubi, a mark that takes the form of a heart with bat wings, and here's the catch: it also gave Lincoln an extreme increase in his already abnormally high sex drive, hyperpuberty, and genes he inherited from his parents, and when activated, it also makes his ability to let off a supernaturally potent and powerful aphrodisiac pheromone that not only enhanced his own infinite-times high levels of libido and other sexual aspects, but in the case of evil female vampires and werewolves, if caught in the area, immediately fall under his control, infinite-times more powerful than ever. Lincoln made her a black two-piece bikini along with a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Sarah kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always avoided their murderous tricks, and if anyone dared to anger her by hurting Lincoln, they better be ready for Hell!

Nico: Lincoln already told us that he already fed on your blood and he gained The Mark of The Incubi.

Me: But, I have a feeling he's going to mark you again.

Lincoln: That way, no idiot tries anything on her, and now that you're here, Sarah.

Lincoln with his massive muscular arms still wrapped around Sarah Succubi leaned his head down to the right side of Sarah Succubi's trapezius, and he slowly bit her and he fed on her blood, and his rainbow, white, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large white feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Sarah Succubi: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Sarah Succubi with purple gems on the gold lightning bolts and purple crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Sarah Succubi: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Sarah Succubi.

Sarah Succubi had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Sarah Succubi's waist, and he leaned down to her face and kissed her on the lips, and with Sarah Sucubi's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Sarah Succubi had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Sarah Succubi: (In Heaven) My God. Oh, Lincoln, the ten girls I rescued are...

Travis Tackett: And that's our cue to go.

We left for The World Tree Estate leaving Lincoln, Nicole, and his harem. Then, they went up to the ten girls, and when Lincoln saw them, his nose was gushing out blood when he saw them and he immediately recognized them. The ten girls are Hikari Kohinata, Kinuko Asamiya, Rurika Kirishima, and Saki Mizuhara from Maruhi Jinji-bu Ryoujyoku-ka, Ayase Fujisaki, Haruka Kisaragi, Misao Kubayashi, Rina Uesugi, and Yuuhi Sakurai from Yakan Shinryou, and Fumie Kurashiki from Yakan Shinryou Karte 2 ~Nurse Tokubetsu Choukyou~.

Lincoln: Oh whoa, it's Hikari Kohinata, Kinuko Asamiya, Rurika Kirishima, and Saki Mizuhara from Maruhi Jinji-bu Ryoujyoku-ka, Ayase Fujisaki, Haruka Kisaragi, Misao Kubayashi, Rina Uesugi, and Yuuhi Sakurai from Yakan Shinryou, and Fumie Kurashiki from Yakan Shinryou Karte 2 ~Nurse Tokubetsu Choukyou~.

Nicole: Travis was right telling everyone to go, and I saw why: these girls are really beautiful, voluptuous, and sexy.

Lincoln: And easy targets for perverts, which means if I see any perverts, I'll beat them up. Are you girls okay?

Hikari Kohinata: Yes, we're okay, thanks to you.

Hikari Kohinata: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made nine clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Hikari Kohinata: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Hikari Kohinata, Kinuko Asamiya, Rurika Kirishima, Saki Mizuhara, Ayase Fujisaki, Haruka Kisaragi, Misao Kubayashi, Rina Uesugi, Yuuhi Sakurai, and Fumie Kurashiki with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies. Lincoln, Nicole, and his harem returned home.

Maria: J.D. told us everything that happened, I truly thought we were done with Sukuna and the other villains Yuji and the others faced.

Lincoln: That's what we thought, but apparently, not even The Black Gates could keep Sukuna, Geto, and those Disaster Curses imprisoned.

Nico: But, The Black Abyss made absolutely sure that we are rid of the truly irredeemable of Yuji's enemies for good.

Me: You said it.

Caleb Maxwell: At least, we don't have to deal with them again.

Cage Blunt: Same here.

Travis Tackett: Especially with that creep, Sukuna. That guy is just all kinds of messed up.

Jack Howard: He was an absolute sadist to the core. (Shudders)

Allie Maxwell: At least, we won't have to see him or Suguru Geto again, those two were the worst ever curse users and sorcerers ever.

We also welcomed Yuji Itadori, Choso, Satoru Gojo, Megumi Fushiguro, Nobara Kugisaki, Aoi Todo, Maki Zenin, Panda, Toge Inumaki, Kento Nanami, Shoko Ieiri, Masamichi Yaga, Kiyotaka Ijichi, Akari Nitta, Setsuko Sasaki, Takeshi Iguchi, Yuko Ozawa, Kokichi Muta, Utahime Iori, Mei Mei, Ui Ui, Takuma Ino, Arata Nitta, Kasumi Miwa, Momo Nishimiya, Noritoshi Kamo, Atsuya Kusakabe, Yuki Tsukumo, Yuta Okkotsu, Hiromi Higuruma, Hana Kurusu, Angel, Rika Orimoto, Miguel, and Larue into the team as well.

After Lincoln and all of us finally got rid of Ryomen Sukuna, Suguru Geto, and the other irredeemable Jujutsu Kaisen villains and sent them to The Black Abyss, we were training intensely in the gym, doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Sarah Succubi saw Lincoln doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Sarah Succubi: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, he also got one awesome tan, and he's also doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Sarah, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Sarah Succubi: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Sarah Succubi: I knew it was only a matter of time before he told

everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Nicholette Torrington: Oh, and we got a video to show you guys: a memory Sarah Succubi had with Lincoln, and it's one that led to one romantic wild night for them both.

Sarah Succubi: (GASPS) Nicholette, you better not...!

Nicholette Torrington put the video in as it played on the big screen, and it showed Sarah Succubi in her black two-piece bikini and Lincoln who was only in his orange shorts at the gym his Guardian Angels built for him and his Guardian Angels and harem, and they were working out like crazy.

Past Lincoln: Whew, that's what I call an awesome workout.

Past Sarah Succubi: Same here. Let me make some protein shakes to revitalize us.

Sarah Succubi went to the built-in kitchen and she made herself a protein shake using fruit, veggies, water, and protein powder. Then, she started making Lincoln his protein shake using fruit, water, veggies, and protein powder. But, then, we saw her take out and add in the muscle growth serums, virility and testosterone booster serums, and bull growth hormones she stole from Lori after she beat that bitch up, and she added in a special cocktail she made herself. It was blended in the blender, and it had a neon glowing pink color.

Nico: (GASPS) Were those...?

Selene Arcangela: Yep, you guessed it, Sarah stole muscle growth serums, virility and testosterone booster serums, and bull growth hormones from Lori after she beat that bitch up. Plus, she had also added in her own special cocktail called Alpha Male Booster, a special cocktail a succubus creates for her future husband.

Sarah Succubi handed Lincoln his protein drink that had the muscle growth serums, virility and testosterone booster serums, and bull growth hormones and Alpha Male Booster cocktail in it, and while Sarah drank hers, Lincoln drank his.

Past Lincoln: WHOA! Now, this is really good, Sarah! What's in it?

Past Sarah Succubi: Oh, just a little something to really make you build up even more muscle and give you a little extra...boost.

Past Lincoln: A boost?

Suddenly, Lincoln felt his body become hotter as white hot heat coursed through his body, and then, Lincoln started growing exponentially from 6'11" at that time to a really imposing 9'11" and his huge muscles suddenly started growing even larger than ever as he let out a really deep growl and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and then, black stubble grew on his now manlier jawline and fine chest hair grew on his massive pecs and he had fine hair on his forearms. Suddenly, Lincoln's angel wings made of lightning disappeared, but then, he felt a sharp pain on his now wider and more muscular back, and then, massive white angel wings grew and sprouted out with a wingspan of 95'0" and the large white feathers surged with lightning, and his shorts had grown accustomed to his new body.

Me: WHOA!

Nico: HOLY MOLY!

Luna: When Lincoln told me that, I knew it was Sarah, she was such a mischievous succubus.

Sarah Succubi: I did go too far that day, but in the end, it was worth it. But, it would also be worth it a lot more.

Past Sarah Succubi: Uh, Linky, are you...? Are you feeling alright?

Past Lincoln: (Deeper Manlier Voice) Ugh, it felt like my body got hit by millions of trains.

When Sarah Succubi heard Lincoln's deeper manlier voice, she had an atomic red blush on her face, but then, when she saw him slowly get up and she really got a good view of him, her nose really gushed out blood: Lincoln was now even more of a manlier and beefier hunk of a man.

Past Lincoln: Sarah, you alright?

Suddenly, Lincoln saw what happened to him, and he was stunned.

Past Lincoln: What the? I suddenly grew from 6'11" to 9'11" that fast, and I'm now even more of a manlier and beefier hunk of a man. (Realizes something) Sarah, what was in that protein drink?

Sarah Succubi realizing she got caught sang like a canary and told him everything, and she got down to the floor and looked down in shame. Lincoln kneeled down to her and he wrapped his now even more massive muscular arms around her and hugged Sarah Succubi.

Past Lincoln: It's okay, Sarah, it's okay.

Suddenly, we saw Lincoln's deep sapphire eyes turn deep red, and then, he leaned down to her face and he kissed her deeply and passionately on the lips which caught her off guard, but she melted into the kiss, and then, he bit her on her right trapezius with his fangs and drank her blood. Then, we saw The Mark of The Incubi appear on his left thigh.

Past Sarah Succubi: You weren't...?

Past Lincoln: Of course not. Why would I be?

Past Sarah Succubi: (Seductive Voice) (Rubs Lincoln's massive pecs) You know, I was hoping that you can really test out that brand-new body of yours along with those now even more massive muscles. (Rubs his eight pack abs) And even grinding my stomach on those rock-hard eight-pack abs.

Lincoln's face had an atomic red blush on his cheeks.

Maria: Uh oh...!

May: I know that seductive voice from anywhere, when a girl gets in the mood, that always leads to the bedroom.

Suddenly, Lincoln felt his confidence grow even more as he easily picked Sarah Succubi up in his massive arms bridal style and brought her face closer to his chest.

Past Lincoln: (Seductive Voice) (Smirks) Well, who am I to keep a lady waiting?

Lincoln took Sarah Succubi up to a built-in bedroom in the gym as the video ended.

Selene Emperyous: We were absolutely stunned after Sarah told us what happened the next day, and we saw she was covered in kiss marks all over her face and body, and we saw the mark of Lincoln's fangs on her right trapezius. Plus, we never could've guessed how much Sarah's spiked protein shake changed Lincoln that much.

Me: Hey, wait now I remember that day all too well. This was two years ago.

Luna: Yep, and we were really stunned at how much Lincoln grew even more in height and muscle, and the succubus chick wound up having a lot of fun with our bro who's grown into even more of a man.

Nicholette Torrington: I knew Sarah had her feelings for Lincoln, and what she did giving him that special protein drink proved it and a lot more.

Maria: (Smirks) Say, Sarah, you still know how to make those special protein drinks?

We saw that Maria, May and Nico's harem, Qin, Varie and my harem, and Sakura and Naruto's harem had mischievous grins on their faces.

Nico: Uh oh...!

Me: Oh boy.

We got a shower, and then, Lincoln, Universe 666 Quinella, Carta Issue, Sailor Aluminum Siren, Sailor Lead Crow, Sailor Tin Nyanko, Sailor Heavy Metal Papillon, Sailor Lethe, Sailor Mnemosyne, Sailor Chi & Sailor Phi are heading for Gelato Beach.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

Lincoln, Universe 666 Quinella, Carta Issue, Sailor Aluminum Siren, Sailor Lead Crow, Sailor Tin Nyanko, Sailor Heavy Metal Papillon, Sailor Lethe, Sailor Mnemosyne, Sailor Chi & Sailor Phi dived into the waters, and they began swimming, and they also saw the marine life that lived there, then, they went back to the beach, and the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an amazing volleyball game, and they went into a workout area Lincoln created, and Universe 666 Quinella, Carta Issue, Sailor Aluminum Siren, Sailor Lead Crow, Sailor Tin Nyanko, Sailor Heavy Metal Papillon, Sailor Lethe, Sailor Mnemosyne, Sailor Chi & Sailor Phi got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Carta Issue: (Swooning) So manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Universe 666 Quinella, Carta Issue, Sailor Aluminum Siren, Sailor Lead Crow, Sailor Tin Nyanko, Sailor Heavy Metal Papillon, Sailor Lethe, Sailor Mnemosyne, Sailor Chi & Sailor Phi and hugged them in their abnormally massive and powerful muscular arms, and Universe 666 Quinella, Carta Issue, Sailor Aluminum Siren, Sailor Lead Crow, Sailor Tin Nyanko, Sailor Heavy Metal Papillon, Sailor Lethe, Sailor Mnemosyne, Sailor Chi & Sailor Phi placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Universe 666 Quinella, Carta Issue, Sailor Aluminum Siren, Sailor Lead Crow, Sailor Tin Nyanko, Sailor Heavy Metal Papillon, Sailor Lethe, Sailor Mnemosyne, Sailor Chi & Sailor Phi and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Gelato Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Quinella, Carta Issue, Sailor Aluminum Siren, Sailor Lead Crow, Sailor Tin Nyanko, Sailor Heavy Metal Papillon, Sailor Lethe, Sailor Mnemosyne, Sailor Chi & Sailor Phi on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Universe 666 Quinella, Carta Issue, Sailor Aluminum Siren, Sailor Lead Crow, Sailor Tin Nyanko, Sailor Heavy Metal Papillon, Sailor Lethe, Sailor Mnemosyne, Sailor Chi & Sailor Phi are in your harem, Linky.

Universe 666 Quinella, Carta Issue, Sailor Aluminum Siren, Sailor Lead Crow, Sailor Tin Nyanko, Sailor Heavy Metal Papillon, Sailor Lethe, Sailor Mnemosyne, Sailor Chi & Sailor Phi showed the marks Lincoln made on the right sides of their necks.

Jenna: You guys had no trouble at all.

Carta Issue: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later t was time for Ocellus, Ink Rose and Lola Ferrington's second mission.

Me: Anyone else want to go with Ocellus, Ink Rose, and Lola? Besides Jason Jenkins, Kong, Horsea, Cheese, Connor, and Sydney?

Rex: I'll go.

Professor XXXL: So will I!

Eddy: Me and the Flim Flam Brothers will go too.

Twilight Sparkle: And me and my friends will go as well.

Nico: Okay. Lets go.

We were off.

We arrived.

Ray: Hey guys!

Ocellus: Guys meet Jason Jenkins, Kong, Horsea, Connor, and Sydney.

Jason: Awesome to meet you guys. I'm Jason Jenkins. And this big guy is Kong.

Horsea: I'm Horsea. I am one of the mascots.

Connor: I'm Connor McKnight, leader of the Dino Thunder Rangers.

Sydney: And I'm Sydney Burlington.

Allie Underhill: Wow it's a pleasure.

Rex: I'm Rex Salazar. Pleasure to meet you.

Professor XXXL: And I am PROFESSOR XXXL! Scientist and snowcone maker.

Gabe: Pleasure to meet you.

Twilight Sparkle: Same here.

Cheese: I like chocolate milk.

Me: And this little guy is cheese.

Ray (to Horsea): So you're Maria's mascot?

Horsea: I sure am. Maria met me in Narnia.

Maria: Yep it's true.

Cheese: I like chocolate milk.

Ocellus: Do you guys have vehicles?

Ray: I don't think so. But they would look good with flames on them.

Me: We have lots of cars we can give you later on.

Ray: Cool.

Cheese went to a nearby wall.

Ray: Lola, I can't help but notice something inhuman about you

Lola Ferrington: I'm a gene-slammer for a Galvanic Mechamorph. That's Upgrade's kind.

Ray: Wow!

Sydney: I am the same way actually.

BONK BONK BONK!

Cheese bonked his head three times.

Cheese then took out a screwdriver and start drilling holes into the wall.

Ray: He's screwing everything up!

Cheese: (with drill in his hand) Nu uh. I'm only screwing the wall!

Me: Cheese cut that out. Sorry about that. He has a brain the size of an amoeba and he is an idiot.

Allie Underhill: Oh okay.

Eli: But he does a great job at driving the bad guys bonkers.

Ray: We heard you stopped the Earth from being destroyed.

Me: Yeah we had to bring back the Black Star Dragonballs to the Earth in one year or the entire planet would explode.

Eli: We got them back to Earth in 7 days

Allie Underhill: Wow! That is fast.

Me: Yep.

Nico: Now we got to find the one that did the wish and make him pay.

Me: Yeah.

Nico: And there was nothing flashy about the countdown stopping. Ripoff!

Me: I didn't equip it with a function to do that. Sorry.

Nico: Oh. No worries.

Twilight Sparkle: Yeah but that was still fun.

Eli: It sure was.

Gabe: Yeah. By the way Eli you REALLY did great beating up Carny. After you did that everyone saw him for the monster he was and he and his father both became the most hated pariahs ever.

Me: Tch. Good fucking riddance. I hope they form a lynch mob and kill them.

Nico: What about his mom?

Ray: We don't know what happened to his mom.

Allie Underhill: And we don't care.

Me: Well they will never be loved by anyone now.

Eli: Outcasts.

Me: Yep.

Nico: What else has been happening here?

Allie Underhill: Well my enemy Megaria, Empress of Dread has returned and she wants me to join her again.

Me: WHOA! Lets see here.

I pulled up her history.

Megaria first appeared in Heart of Darkness Part 1, disguised as Piper Underhill, when Allie's father was trapped in the Darkness realm in the previous episode he tried to call his daughter on his cell phone. Only to find Megaria posing as his wife. Megaria posses a mask that allows her to make herself look like whoever she pleases. When she met Allie, Megaria decided to make her, her new protege, since she has much potential. At the same time, Alakshmi was scouring the Darkness Realm along with Razorkinder, in search of the Shield of Unity and the Choten's missing Bone Ghoul. Razorkinder betrayed his duelist to Megaria, who poses as her mother. Megaria makes Allie and Alaksmi duel each other for the position of her protege. When Allie defeated her, Megaria told her it was because Alakshmi was not suited to duel with Darkness but Fire creatures. At the end of the episode, Alakshmi stole Megaria's Cloak of Dark Illusion to give to the Choten along with the Shield of Unity and Impalicus.

In the episode Darkness on Edge of Town, Megaria disguises herself as Allie's mom in the Human World, in the hopes of making Allie her protege again.

In the episode Forest for The Trees it is revealed that she is allied with the Choten.

In Siege Megaria joins the Choten's "New Duel Masters" in attacking the Kaijudo Temple and faces off with her old enemy Master Jaha, and increases the curse she previously placed on her so that Jaha is left even older than she had been previously. However, Jaha then uses her Mana to reanimate her walking stick-all that remains of Megaria's brother whom Jaha previously faced-and has it attack Megaria, causing them both to be banished to the Creature Realm. Megaria later returns in the Vortex storyline, where the threat of the Vortex causes her to put aside her antagonism with the other civilizations to help deal with the threat, though she continues to taunt Allie and antagonize Sasha.

WE GASPED!

Me: Whoa man! She took on the form of your mother to get you to join her?

Allie Underhill: Yeah it's true.

Me: That is sick!

Nico: Where is she right now?

Allie Underhill: In the Shadow Civilization.

Me: Oh boy.

Starlight Glimmer: This is gonna be rough.

Eli: Yeah.

Nico: Any tips when we get to the Shadow Civilization?

Gabe: Just be careful. This place is a nightmare.

Me: We've been to Hell and back so it's nothing we can't handle.

Nico: Yep.

Me: Lets go.

I opened a portal and we went through and we were in the Shadow Civilization.

Me: WHOA!

We saw that it looked like a cave of evil!

Me: So this is the Shadow Civilization.

Nico: It sure is scary!

Eli: No kidding.

Rainbow Dash: It sure is.

Fluttershy: (Shaking in fright) It's horrifying!

Carol: It'll be okay Fluttershy.

Carol was comforting her.

Connor: Dino Thunder, Power Up!

HE TRANSFORMED AND WAS READY!

Jason: MERGER SEQUENCE! ENGAGE!

He merged with Kong!

Me: YEAH!

Eli: Lets get her.

We walked on and then we saw a figure. It was MEGARIA, EMPRESS OF DREAD!

Me: There she is!

Megaria: So you came Allie.

Allie Underhill: You are not my mother!

Megaria: And yet, you fell for my ruse so easily!

Me: Well we're not going to fall for the same trick.

Megafia: Who the hell do you think you are!?

Nico: Just a powerful superhero team passing through.

Me: And a bunch of people that you pissed the fuck off!

Lola: I'm getting changed into my jumpsuit.

She snapped her fingers and was in a green jumpsuit.

Me: Cool.

She then formed a sword of darkness.

Allie did some flips and moves and darkness swirled around her.

Allie: QUEEN KALIMA OF THE INFINITE DARK!

She summoned said creature.

Me: YEAH!

Queen Kalima: So you are still up to your old tricks again Megaria.

Megaria: So what?

Queen Kalima: Well we won't let you continue them.

Twilight Sparkle got out her Kuuga Weapon.

Twilight Sparkle: STAFF OF THE MAGIC OF SKYLANDS!

She fired blasts of magic and blasted Megaria all over.

Sunset Shimmer got out her Kuuga Weapon.

Sunset Shimmer: SWORD OF THE FLAMES OF SKYLANDS!

Rainbow Dash got out her Kuuga Weapon.

Rainbow Dash: WHIP OF THE THUNDERSTORM OF SKYLANDS!

She lashed her and electrocuted her with intense lightning.

Starlight Glimmer got out her Kuuga Weapon.

Starlight Glimmer: CLAYMORE OF THE UNDEAD OF SKYLANDS!

She swung the sword and fired skulls and bashed Megaria all over!

Nico: OH YEAH!

Lola then concentrated and groaned as she felt her bones melting

She turned into a slime and formed into a GALVANIC MECHAMORPH!

Lola Ferrington: OH YEAH! This is gonna be fun! Rex be ready for me.

She merged with him!

Rex Salazar: WHOA! Okay that feels weird!

He got an awesome suit on!

Rex: Sweet!

Allie Underhill: WOW! But wait how can she merge with him? He's not a machine?

Me: Actually because of an event that happened in his world he was made totally biomechanical.

Nico: Ugly and crazy story.

Gabe: Wow! We'll have to hear about it soon.

Rex formed a powerful sword and slashed Megaria all over.

Connor got out his Kuuga Weapon.

Connor: SPEAR OF TYRANNO MIGHT!

He fired waves of energy and blasted Megaria all over.

Eddy Got out his Kuuga Weapon.

Eddy: JAWBREAKER CANNON OF SKULLSMASHING!

He fired jawbreakers and bashed Megaria all over and smashed her head.

Jason got out his Kuuga Weapon

Jason Jenkins: SKULL ISLAND SWORD!

He slashed her all over the place.

Sydney got out her Kuuga weapon

Sydney: SCYTHE OF THE UNDERGROUND!

She slashed her all over.

Me: Oh yeah!

Horsea: Let's see if I can use a Kuuga Weapon

Horsea got out her Kuuga Weapon!

Horsea: INKBLASTER OF LOOK AT IT!

She fired waves of ink and blasted her all over!

Horsea: YAY!

Me: YEAH!

But then an energy blast hit Megaria and we turned and saw REGIMIND!

Me: WHOA! Regimind!

Nico: What's that doing here?

Me: I think I know.

Twilight Sparkle: Let me see.

She used her Telepathy.

Twilight Sparkle: (GASP) Star Swirl the Bearded's descendant! Comet Magic the Beautiful!

Me: I had a feeling it was gonna be her next!

Nico: Oh man! So since Star Swirl isn't here Twilight will be here on his behalf. He is one of her heroes after all.

Me: Yep.

Me and Twilight went to face her.

Me: Comet Magic, calm down! Lets talk!

All she did was try to attack both of our minds

But our minds were too strong for her.

Me: Nice try!

I fired waves of energy and blasted her all over.

Twilight fired magic blasts and smashed her all over.

She tried using Psybeam.

She fired and we dodged it and it hit Megaria.

Me: But this will be good.

I snapped my fingers and she reverted back and was a girl with brown hair, blue eyes, had Regimind in the middle of her forehead and elemental forces angel wings and had a yellow version of Star Swirl's cutie mark on her arm. Me and Twilight wrapped her in a blanket.

Comet Magic: (Groans) What happened?

Me: You're okay Comet. You were turned into a Regimind by Dark Gale.

Comet Magic: Twilight Sparkle? J.D.? (GASP) I remember!

She was in a magenta suit and injected and she turned into psychic energy and made some of the members kill each other and left.

FLASHBACK ENDS

Comet Magic: That was awful.

Me: I know. But we'll kill Dark Gale soon.

Maria and Rarity gave her awesome new clothes and an amazing magic sword.

Comet Magic: Wow I look awesome.

Maria: Can we talk later?

Comet Magic: I was gonna help you guys anyway.

Comet fired magic blasts and blasted Megaria all over.

Then laser blasts hit Megaria and we saw a girl with green hair and red eye and black clothes and angel wings and had a tiara with Upgrade on it.

Me: (GASP) Yulia Upgrade!

Yulia Upgrade: (Grunts) I got this J.D.!

She fired laser blasts and blasted Megaria.

Nico: WHOA! Upgrade's embodiment!

Lola Ferrington: Wow!

Rex: That is cool!

Yulia lost control, extends her arm, and punches Professor XXXL

POW!

She punched him in his face and knocked him into a rock!

SMASH!

Me: That's gonna leave a mark!

I fired the antidote beam and injected her.

Professor XXXL: (Dazed) Mommy read me the story of the snowcone that ate her mother!

Professor XXXL recovered and charged at her

Professor XXXL: WOW! What a punch!

He put his legs and arms and head in his shell and then bashed her down!

KRASMASH!

Me: Getting hit in the head with a turtle shell is like getting hit with a rock.

Comet Magic fired blasts of magic and blasted her all over.

Rex charged at her and slashed her and fired laser blasts.

He got out his Kuuga Weapon.

Rex: E.V.O. PURIFICATION BLADE!

He fired waves of energy and blasted her all over.

Horsea squirted more ink and blinded her.

Comet fired more magic blasts and blasted Yulia. The Antidote took effect and she was back to normal.

Yulia Upgrade: Oh man! What hit me?

Eli helped her up.

Eli: Ugly story.

Me: Lets finish this.

We fired waves of energy and blasted Megalia and knocked her out and teleported her to the M.O.E. Prison.

Me: That was awesome!

Comet Magic: Yeah it was!

Nico: What's your role in Sonya's team?

Comet Magic: I'm the chief psychic and mystic arts master of the team. I use my magic to battle or enemies.

Me: That is cool!

Eli: It sure is.

Comet Magic: Yep. Outside the team I own a magical mineral spa. I can make people look young and beautiful again and add many more years to their lives.

Me: Wow! That is cool! I definitely know lots of people that would like to use that.

Nico: Same here.

Comet Magic: Yeah it's cool.

Allie Underhill: That is cool.

Me: Yep.

I saw Allie sad.

Me: Allie?

Allie Underhill: I miss my mom. I wish she was here to see me again.

Nico: Well, if she was here, she'd be very proud of you

Me: I agree.

Allie Underhill: Thanks guys.

Me: You're welcome.

We later went back home.

Later we came back.

May: How did it go guys?

Me: Really awesome!

We told everyone what happened.

May: WHOA!

Star Swirl: Wow! And Comet it's so good that you are here with us.

Comet Magic: It's awesome to be here ancestor.

Nico: Next time, Stacey, General Schwarz, Flim Flam Brothers, Layla from the Winx Club, Zatch, Kiyo, and Ness will come

Me: Good idea.

Layla: Awesome!

Me: The Flim Flam Brothers were with us before. So this will be fun too.

Camie: Yep.

Later in Bikini Bottom we were heading to the Krusty Krab.

Leomon: (to Irina) Can we have some ice cream with the Krabby Patties?

Irina: We sure can.

We then heard the sounds of loud crying!

It was Pearl, crying. She heads towards the Krusty Krab!

Pearl: Daddy!

Mr. Krabs: [hears Pearl coming] Uh-oh. Everybody brace for impact! [a violent earthquake occurs, and everyone panics as Pearl enters the restaurant]

PEARL CAME IN CRYING HARD AND SHE WAS CRYING UP A MASSIVE FOUNTAIN!

Me: Pearl what's wrong!?

Qin: YEAH!

Mr. Krabs: Calm down, girl! [a wave of water from the tears busts the door of the Krusty Krab down, then the water comes breaking through the door and wipes out all the customers, dropping them to the floor.]

SpongeBob: Mr. Krabs, what's wrong with Pearl?

Mr. Krabs: I don't know lad! She seems really upset about something.

Me: Pearl what has you so upset?

Pearl: It's that jerk chef Guy Grazer! He ambushed me at the mall and made me eat chum!

WE GASPED!

Mr. Krabs: (SUPER ENRAGED EARRAPE SCREAM) GUUUUUUUUUUUUUUYYYYYYYYY GRAZZZZZZZZZZZZZZZEEEEEEEEEEEEERRRRRR!

Jamesdean5842: HOLY FART SACKS THAT WAS POWERFUL!

But then seconds later...

KROW SMASH WHAM BIFF WHAM WHOMP POW BASH SMACK!

GUY GRAZER SCREAMED IN HORRIBLE AGONY AS MR. KRABS WAS MERCILESSLY THRASHING HIM!

We got some krabby patties and ice cream.

Jeri: How about we just keep eating?

Me: Good idea.

We ate and had good food.

Mr. Krabs: IF I SEE YOU ANYWHERE NEAR ME DAUGHTER PEARL I WILL RIP YOUR LIMBS OFF AND EAT THEM WITH YOUR BRAIN! NOW LAY THERE AND DIE YOU PIECE OF DIRT BILGRAT!

He came back.

Blot: Can we mix ketchup with ice cream?

Me: EW!

Qin: Yuck!

Mr. Krabs: Sorry about that guys.

Me: You really made him cry like a baby.

Camie: Yeah.

Groove: Is Pearl gonna be okay?

Pearl: I'll be okay.

She had krabby patties with us.

Me: That pissant Guy Grazer! This is strike 2. He does this again and it's the Black Abyss.

Xenia: YEAH!

Camie: Jerk!

Robin Food: I actually do love Krabby Patties, believe it or not

Me: They sure are delicious.

Qin: Yep.

We had a great meal and later returned home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to

get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our final showdown with Tirek starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, Master Org, and he's come back from the dead again and he still wants revenge on us and he still wants to kill Cole. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone we're not going to like in the slightest: I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than our old enemy, Master Org, and he's come back from the dead again and he still wants revenge on us and he still wants to kill Cole.

EVERYONE GASPED!

Qin: WHAT THE?! ARE YOU FUCKING KIDDING ME?! THAT SON OF A BITCH WHO KILLED COLE'S PARENTS IS BACK AGAIN!

May: THAT ASSHOLE! THAT'S THE LAST FUCKING STRAW! HE'S DEAD WORSE THAN DEAD!

Me: That's for sure, if he's come back for Round 3, I'm up for it. And

I'm going to unleash all of my explosive fury on Master Org for all his crimes! It's payback time!

Cole: That's for sure, and for what he also did in killing my parents, he's not getting away with this!

?: He sure is going to pay! (HOWLS)

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, short white hair and white wolf ears on her head, yellow eyes, white angel wings and eleven massive and long white wolf tails, white clothes, the symbol of The Wolf Moon tattooed on her right shoulder and the crescent moon on her forehead, long white sleeveless trenchcoat with stars, moonlight, darkness, ice, phoenixes, and angels on the coattails, and on the back is the symbol of The Wolf Moon.

Lincoln: (GASPS) Adolpha Villalobos!

Me: (GASPS) Our favorite 11-Tailed Wolf Girl from Colorado is here! Alright!

Nico: Lincoln, J.D., you guys know her?

Lincoln: Indeed we do, Nico.

Me: Same here, everyone, this is Adolpha Villalobos, she's she's Lincoln's Guardian Angel from Colorado, but here's the thing: when she was a baby, she was abandoned by her parents in the woods and was raised by a pack of white wolves. As she grew older, she suddenly found out she'd been given incredible superhuman strength: in fact, she's as strong as 799,000,000,000,000,000,000,000,000,000 packs of wolves and men combined, and she'd been given incredible superhuman speed, and she's able to run as fast as 799,000,000,000,000,000,000,000,000,000 packs of wolves, but she also had gotten other incredible abilities when she was growing up among wolves: she can see in the dark when night falls, hence why her eyes turned yellow, she has razor sharp claws, and she has an incredible strong sense of smell and touch, and natural hunting instincts, and she also has incredible powers over the moon, darkness, moonlight, and ice, and she'd suddenly grown two white wolf ears on top of her head along with eleven massive and strong long white wolf tails. Lincoln found out about her, and he went to Colorado where she met her, and just like with Jeri Leos, Lincoln found her and helped her out and she regained her humanity, and he knew she wasn't going to abandon her pack, so he brought them with him along with Adolpha back to Michigan, and they felt right at home, and she developed a true love with Lincoln. Plus, one night, while out on a hunt, she ran into Lincoln, but he was in his Lincoln the Nocturnal form, and he explained every last detail, but that didn't change her love for him, in fact, it made it far more stronger than ever, and she taught him much in using the powers of the moon, darkness, moonlight, and ice, and she also trained him hard, and over time, Lincoln gained such incredible levels of superhuman strength and he became as strong as 799,000,000,000,000,000,000,000,000,000 packs of wolves and men combined along with incredible levels of incredible superhuman speed and he was now able to run as fast as 799,000,000,000,000,000,000,000,000,000 packs of wolves, plus it also enhanced his night vision, incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well. Lincoln gave her a beautiful white flower which he put on her hair and gave her a Wolf Moon tattoo, and to show her thanks, she kissed Lincoln on the lips while he was in his Lincoln the Nocturnal form under a full moon and their howls echoed in the night sky, and as a result, Lincoln promised that when he comes of age, he'll marry her along with the rest of his harem. She got along with Luna, Leni, Laney, and Lucy, but she really got along with Lana, and she even let Lana meet her wolf pack, and Lana was over the moon, and Adolpha's also kept Lori, Lynn, Lola, Lisa, and Luan, along with Chandler, Killjoy Huggins, and the rest of Lincoln's enemies in check, because one wrong move, and this wolf girl will definitely hunt you down on the next full moon.

Nico: WHOA!

Maria: Talk about the fiercest in the pack!

Adolpha Villalobos: I get called that a lot. And I heard everything, so it's true that Gerald Vexos was the one who made that wish on The

Black Star Dragon Balls?

Lincoln: You guessed it, and he did this all out of his desire for revenge for the death of my old enemy, Venn Vexos, who's his older brother.

Adolpha Villalobos: That son of a bitch, I always knew he was stupid and nothing but trash, but this is a whole new low even for him. I'm so looking forward to killing him tomorrow, along with Orochi and Da Ji, and he's joined them as well, and Da Ji freed Venn Vexos from Limbo and brought him back, and Da Ji, Kiyomori, Kyūbi, and Hundun rebelled against Morgana because the only person they're loyal to is Orochi.

Lincoln: I knew it, I knew Da Ji would turn against Morgana.

The previous group then came.

Brain: Can me, Pinky, Black Adam, Golden Glider, Kite Man, Mole Man, Jet, Magneto, Melter, Jack O Lantern and Ryugu Tamatebacco go with you guys?

Pinky: And I want some ice cream too!

BLAM!

Brain bashed him on the head with an anvil and flattened him into a pancake.

Pinky: (STUPID CRAZY LAUGHTER) NARF!

WHAT AN IDIOT!

Brain: Shut up Pinky.

Nico: And yes you can have as much ice cream as you want after we're done. You can all come with us.

Me: We better have Vypra have all the Orgs come too. We're going after Master Org next.

Camie: Yep.

Black Adam: Lets go kill that son of a bitch!

Me: Awesome! Me and Cole have a score to settle with him. (CRACKS KNUCKLES)

Runabout: Boss, which Gene Slammer do you think you'll meet next?

Nico: Silphymon next.

Me: COOL!

Qin: Awesome!

Lola: The DNA Digivolutions next.

Camie: Yep.

Me: Cole's mom and dad are gonna want some payback too.

Nico: Yep.

Suddenly, Lincoln pinned Adolpha Villalobos to the floor, and he kissed her on the lips and marked her by biting her on the right trapezius and fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the mark sealed up and Lincoln kissed the spot where bit her and helped her up, and she also had an Elemental Thunderbird Necklace of Eternal Love with white gems on the gold lightning bolts and white crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up.

Adolpha Villalobos: Well, that was definitely one way of saying it's good to see you again. (Rubs Lincoln's massive pecs) And I had no idea you had such an animalistic romantic side to you, Lincoln, and in addition to how much you've grown, from the 11-year-old little boy we've known into an 18-year-old giant 9'10" hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man, and you're still the same gentleman we all know, but of course, having an animalistic romantic side to you, that also really came as a huge surprise. I think my heart skipped a beat when you pinned me down and kissed me on the lips.

Lincoln had a blush on his face.

Lincoln: Sorry about that.

Nico and I snickered.

Cole: Anyways, now back to business: where's he at, Lincoln?

Lincoln: He's back in Turtle Cove, where it all began long ago.

Me: Figures.

Nico: And it's also where it'll end for him. Alright, team, let's go, this is the final time we ever have to deal with Master Org.

Lincoln: And this is where we avenge Cole's parents once again, and this time, he's never coming back from the dead.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figures were in the vision: it was none other than his old enemy, the abusive wife-beater, Alex Bergamot, he's escaped from prison and he wants revenge on Verena and Lincoln for throwing him in prison. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: Lincoln, please tell me that wasn't who I think we just saw.

Lincoln: I'm afraid so, J.D., and it's someone I hoped never to see again: the figure we saw was none other than my old enemy, the abusive wife-beater, Alex Bergamot, he's escaped from prison and he wants revenge on Verena and I for throwing him in prison.

Verena Bergamot: What the Hell?! Alex, you're gonna pay for this!

Penelope Ying Xiao: Let me and Linky take care of your stupid brother, Verena. This time, he's going to die here and now, that abusive bad-tempered wife beater!

Lincoln: Same here, I've had it up to hear with that abusive bad-tempered wife beater, now he's done!

Nico: Uh oh, The Ambassador of Ambassador of Tchang Zu, The Demon Sorcerer of Lightning and Master of The Lightning of The Thunderbird on that brute, this should be good. Alright, team, let's head on out, we're off to Turtle Cove to deal with Master Org once and for all.

Lincoln: And this time, he will never ever come back, and once we get done with him, you're next, Alex Bergamot!

Penelope Ying Xiao: You will never ever be forgiven for your crimes, you wife-beating abusive bad-tempered clod, this time, you're going to die a brutal death.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Turtle Cove to finally end Master Org once and for all, and once we get done with him, Penelope Ying Xiao and Lincoln are going to destroy Alex Bergamot who's broken out of prison to get revenge on Verena and Lincoln.

We were off to Turtle Cove.

We arrived.

Me: Here we are.

Taylor: Feels good to be back home.

Qin: Wow.

Lola: Yeah!

Nico: Yep.

Laney: Turtle Cove is so awesome.

Lola: It sure is.

Collette: It sure is awesome to be back home.

Kite Man: We should call Wolf for this

Me: Good idea.

We called him and he came.

Wolf: I'm here and ready.

Me: Awesome.

Then all the Orgs came!

Me: You all made it.

Charcoal Grill Org: Like we would miss this.

Bell Org: Yeah this will be awesome.

Ship Org: Aye mateys.

Nico: Cool!

Retinax: Master Org is going to pay for his crimes to the world and to us.

Toxica: That is for sure.

Mandilok: Yeah no kidding!

Me: I already have the city on alert to be evecuated. This is gonna get ugly really fast.

Zen-Aku: Good. Master Org is gonna pay.

Me: Especially for all the crimes he did.

I pulled out the Black Lion, Jaguar, Condor, Sawshark and Water Buffalo crystals.

Me: Especially to Animus.

I pocketed them.

?: You called for me?

We then saw what appeared to be Master Org.

Maria: Speak of the Devil!

Master Org: I heard you were looking for me. Here I am!

Me: (growls) I've been waiting a long time for this! (runs at him)

Nico began to be suspicious about Master Org being out in the open immediately

Me: Wait! (I stopped) This is a trick. I am not going to fall for this. You are not even here. Right!?

Bugly: This isn't even the real Master Org at all!

Me: It was just a trick!

But then he disappeared and in his place was ONIKAGE from episodes 35 and 36 of Wild Force!

This devious ninja Duke Org was sent by Master Org to prepare for his arrival by killing the Orgs he believed to have betrayed him. He was believed to be in service of Mandilok, but secretly caused Toxica's death and then betrayed Mandilok as he had him trapped for the Master Org to kill the traitorous Org General.

He fought the Wild Force Rangers with different abilities, most notably spawning shadow clones of his opponents. Any damage done to the Shadow Rangers was felt by the real Power Rangers, leaving them with few options to battle their opponents without harming themselves. When he went to kill the third traitor, Jindrax, Jindrax used the mirror he'd taken from the Nexus earlier (once used by Master Org to view events from afar, it had gone unused since the arrival of Mandilok, who didn't need it with his ability to create holographic screens) to reflect his shadow clone technique back at him. Onikage tried to hold off Shadow Onikage, who he would not be able to harm without harming himself. Taking advantage of this, Cole Evans destroys Shadow Onikage, who was busy attacking the real one, with the Falcon Summoner, which destroyed the original as well, causing the Shadow Rangers to harmlessly vanish. Before dying, Onikage compliments Cole on his ninja-like move.

Master Org resurrects Onikage who transports the Rangers to the Org Spirit World, but the Wildzords come on their own and form the Pegasus Megazord which destroys him

---

WE GASPED!

Me: ONIKAGE! I remember you! You were the devious Duke Org sent to help prepare for his Arrival by killing orgs that betrayed him!

Onikage: That's right!

Me: You put up one helluva fight. Also your Japanese counterpart made those awesome Shadow Gaorangers which was REALLY Cool!

Onikage: It sure was.

Me: Yep.

Onikage: Master Org, as we speak, is in the process of evolving into his true form. But he sent me to keep you all occupied.

Mole Man: Which is good. Now we won't be too bored

Me: He'll put up a better fight than he did before.

Nico: Yep.

Me: Also I wonder why Vypra never sent you to face us in our usual battles?

Cole: I was gonna ask the same thing.

Onikage: Better late than never. And speaking of the Shadow Rangers...

He summoned the Shadow Rangers as well as the Blood and Honey 2 versions of Pooh, Piglet, Tigger, and Owl.

Beastbox: I thought Tigger and Owl were eaten.

Onikage: Turns out Blood and Honey Pooh and Piglet told some white lies. And like Master Org, the 4 of them evolved into these to be more prepared for the Mascots!

Me: THAT SICK MOTHERFUCKING SON OF A BITCH!

Mascots: THESE ABOMINATIONS MUST DIE!

THE MASCOTS JUMPED THE BLOOD AND HONEY VERSIONS OF POOH, PIGLET, TIGGER AND OWL!

THEY SMASHED AND DESTROYED THEM BRUTALLY!

Poromon: YOU WANNA SEE SOMETHING SCARY?! Well (SHOWS THE TRAILER) HERE! LOOK AT IT! IT'S HORRIBLE ISN'T IT!?

Onikage SCREAMED IN FRIGHT!

Onikage: WHAT IS THAT HORRIBLE MOVIE!?

Manaphy: YOU LOOK AT IT!

Onikage: AWFUL MOVIE!

Hippowdon: YOU LOOK AT IT!

Onikage: GET THAT HORRIBLE MOVIE AWAY FROM ME!

Poliwag: YOU LOOK AT IT!

Onikage:: PLEASE MAKE IT STOP!

Horsea: LOOK AT IT!

Shadow Gaorangers: (SCREAMS LIKE A LITTLE GIRL!)

Tentacool: LOOK AT IT!

Jirachi: LOOK AT IT!

Mevya: LOOK AT IT!

Starmie: LOOK AT IT!

Mascots: WE WANT YOU TO FUCKING LOOK AT IT!

ONIKAGE SCREAMED IN FRIGHT!

Jamesdean5842: (LAUGHS) NEVER GETS OLD!

But then...

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

THEY ALL EXPLODED!

Nico: OH YEAH! Onikage and the Shadow Gaorangers, you all have failed this city!

Starmie: Thanks for including me!

Jamesdean5842: No problem. But that was really shocking too!

Magneto: I agree there too

Qin: I didn't see that coming!

Magneto: So, only Eeyore in the Blood and Honey universe was innocent!

Me: Yeah! That was crazy! But wait... WHAT THE FUCK!? THEY MADE A 2ND MOVIE!?

Sheila: OH MAN! THOSE FUCKING INGRATES! THEY WERE TOLD TO STOP AFTER ALL THAT!

Scavenger: Fine. We won't kill them. But they're still going to lose money!

Me: And serve a little jail time.

Qin: Yeah!

Sheila: I'll call this in after we're done.

Me: Good.

We then heard a lion roar!

Me: What the?

Jack O Lantern: Red Lion? Was that you?

Cole: No that wasn't.

Lincoln then had a premonition.

Lincoln: WHOA MAN! I saw who the Akuma is we're going to face. His name is Blazelion! The Hypothetical Akuma of Cole Evans and a ferocious and deadly lion of Fire and a dangerous lion of anger and rage. He was made because of Master Org killing his parents and he wants revenge on him and will make him pay.

WE GASPED!

Me: Oh man!

Cole: WHOA!

He showed a sketch of him and it was a lion made of pure fire!

Me: WHOA! That is an infernal lion.

Tayuya: Fuck, that's hot!

Me: No fucking shit! Before we face him, this...

I banished the spirits of the Blood and Honey versions of Pooh and friends to the Warp.

Qin: Good.

Me: They'll be back. But the mascots will face them again.

Poromon: And we'll get stronger too.

Camie: Yeah!

Ryugu Tamatebacco: Where did his roar come from?

Nico: That way!

Eli: Over there.

We flew and saw BLAZELION! He was roaring as he was looking for Master Org.

Me: Whoa!

Blazelion: So you all came.

Me: Wow! Cole you look amazing as a lion of fire. Blazing Lion. Blazelion. Good mix of words.

Burner Man: Is that you, Cole? You're almost as hot as me!

Blazelion: Yes it's me. Where is Master Org!?

Me: We called dibs on killing him!

Cole gave me the Lion Blaster.

Cole: Take him down.

Me: Okay.

Melter: Cole, you need to calm down!

Merrick: Remember how you guys freed me from Zen Aku? You need to fight for your humanity this time! (to Zen Aku) No offense

Zen-Aku: None taken.

Blazelion: And yes I do remember that. But it will not stop me!

Me: Then you leave us no choice.

I fired waves of water and drenched him.

Wolf blasted him with laser blasts all over.

Blazelion: My turn!

He fired waves of fire from his mouth and we absorbed it and I fired more water and drenched him and knocked him out.

Me: There!

Weather Vane: Hope you weren't jealous, Red Lion.

Cole knew that the Red Lion was mentioned.

Cole: He said no he wasn't.

Weather Vane: Good.

Me: Now to find that son of a bitch and kill him. (EYES GLOW RED) I've had enough of him to last a goddamn eternity!

Golden Glider: At least today is more action packed than usual

Nico: Yep. Lets go guys!

Eli: He's in the park 500 meters.

Me: Lets go guys! We're coming for you Master Org.

Nico: Entrance time!

We went at him.

Master Org was in his evolved form. But then the spirits of the wild zords came and swirled around him and then converged and then...

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and a Phoenix Cry was heard! We came out! And landed.

Me: Master Org! Long time no punch!

I glared at him with extreme hate and fury!

Master Org: I will kill you all!

Me: I would like to see you fucking try!

Beelzemon: Onikage wasn't kidding. You really have evolved into your final form.

Master Org: I figured I would use a form as powerful as I was feeling. Now, this time, I'll kill you all before I kill the Wild Zords.

Me: LIKE HELL YOU WILL!

Lincoln and the girls fired waves of energy and elements that took on the forms of the Wildzords of Power Rangers: Wild Force and they hit Master Org head on and exploded as they hit him.

Lincoln and his harem: Now, for the grand finale! This is where your tyranny ends here and now, Master Org! WILDZORD FINAL SMASH: WILDZORD MEGABLAST!

Lincoln and his harem fired a massive barrage of Ki blasts based on the Wildzords at Master Org and they exploded with incredible power as they hit him.

Then, Lincoln fired elemental blasts that formed into the Wildzords, and they charged at Master Org and they tore him apart limb from limb,

Me: Time for me to finish it.

I formed a huge energy blast in front of me.

Me: BIG BANG KAMEHAMEHA!

I FIRED A MASSIVE BLAST OF ENERGY AND MASTER ORG SCREAMED I PAIN!

BUT THEN MY STARDUST DIVINER KICKED IN AND SEPARATED MASTER ORG FROM VIKTOR ADLER!

He was freed! Master Org was defeated!

Wolf put his foot on the defeated Master Org's chest.

Wolf (points blaster at his head): Deja Vu all over again.

Viktor saw Cole's parents.

Viktor Adler: Richard?

Richard Evans was PISSED!

1m agoPOW!

Richard punched him.

Viktor Adler: (Weakly) OW! I should have known. Kill me. Get on with it.

I formed a ball of energy and aimed it at his head. But then I fired and I only hit the ground by him.

Me: You are not worth it.

I slapped the cuffs on him.

Me: Consider this my last act of mercy on you Adler. You deserve to rot in jail.

Elizabeth Evans: That is for sure!

Me: Yep.

Nico: In my immortal words, Viktor Adler, YOU HAVE FAILED THIS CITY!

We cheered wildly as we holstered our weapons and powered down.

Nico: It's finally over for you, Master Org, and this time, don't you ever come back!

Me: This is where you die once and for all, you psychotic monster!

Nico: And Viktor Adler is going to prison.

Lincoln: Now, we've truly avenged Cole's parents and got rid of Master Org forever. Now, there's one last thing to do and one last loose end to tie up: our old enemy, Alex Bergamot.

?: YOU FUCKING SHITS, I'M GONNA KILL YOU FOR RUINING MY LIFE AND THROWING ME IN JAIL!

Lincoln: (Catches the scent of blood) I knew there was no mistaking the scent of blood along with the B.O. from anywhere, you better get out here, Alex Bergamot, or I will force you out.

A disheveled figure in a prison jumpsuit came out, it was none other than Alex Bergamot.

Lincoln: You've got some nerve coming after us again, Alex, when are you ever going to learn?

Alex Bergamot: SHUT THE FUCK UP, ASSHOLE! YOU AND THAT STUPID SISTER OF MINE ARE BOTH DEAD AND SO IS THAT BITCH AND HER SISTER!

Penelope Ying Xiao: I honestly thought we'd never have to deal with you ever again after you got sent to prison last year, Alex. But, since you were born stupid, it was obvious you were never going to learn, and since your dad and Verena had already cut ties with you ever since your abusive nature towards Katy was exposed by Ali and Verena, there's no need for me to hold back, and I'm going to enjoy putting you down forever.

Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) We'd sent you to jail last year after you got disowned for good and thrown out into the streets, now it's time we bring your miserable life to an end for good!

Lincoln, Penelope Ying Xiao, Nico, and I went after Alex Bergamot, and we fired extremely powerful blasts of rainbow, white, and blue energy, crimson red, white, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Alex Bergamot, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Penelope Ying Xiao did the same by firing crimson red, white, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Penelope Ying Xiao, Nico, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was making Alex Bergamot even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Alex Bergamot, and we found ourselves in Heaven.

Then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Alex Bergamot.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Alex Bergamot's stomach and a cluster of white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln did one final powerful energy slash that hit Alex Bergamot hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Alex Bergamot was now on his last legs and he was really really mangled.

Then, Lincoln grabbed Alex Bergamot by the neck with his left hand and he sucked out all of his energy and his strength and abilities and made them his own, and he also sucked out his soul and drained his soul of energy as well and he sent him to The Black Abyss forever.

We cheered wildly as we holstered our weapons and powered down and Penelope Ying Xiao's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty large crimson red planets orbiting around her legs and twenty smaller crimson red planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized crimson red planets orbiting around her wrists and ankles, eleven massive and long crimson red wolf tails, and massive blue angel wings and four sets of large blue angel wings underneath her massive blue angel wings are permanent.

Penelope Ying Xiao: And this is goodbye and good riddance forever, I don't want to see your face ever again, Alex Bergamot. Thanks for helping me take down that pile of garbage, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Penelope.

Me and Nico: Our pleasure, Penelope.

Suddenly, Penelope Ying Xiao wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Gabrielle Ying Xiao's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Shadow Wisp, Golem, Phoenix, and Tchang Zu, Demon Sorcerer of Thunder flying in the air, and we saw a herd of Buffalo and many animals running across the field and the sudden appearance of lights shining down from Heaven and elemental forces behind them and we cheered wildly. Then, Lincoln and Penelope Ying Xiao sucked in and absorbed the elemental forces and they came back to us as the display vanished.

May: That's the last time that pile of garbage ever comes back to cause trouble!

Lincoln: I made sure of it. Alex had some nerve to escape from prison, but this time, he's never ever going to come back.

Eli: Sore loser.

Me: That guy was such a fucking jerk!

Nico: And what he did to his own wife proves he's stupid and he's also trash!

Me: You said it! So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

MYSTICAL MUSIC PLAYS

Suddenly, we saw a werewolf running through the skies as it left an awesome trail of darkness in the skies, and it howled as we saw a full moon shining in the skies.

Selene Arcangela: (GASPS) The werewolf...! The sign..., is it who I think it is?

Lincoln: It is, Selene, and that's the next of The Avatar of The Mythical Beasts we're meeting: Winter Werewolf, Avatar of The Werewolf.

Enya Phoenix: I knew it was her, and you guys are going to like hearing her story, Winter Werewolf, Avatar of The Werewolf, is Lincoln's Guardian Angel and she's known as The Werewolf Warrior of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Winter is a powerful master of the powers of blue wolf fire, light, darkness, ice, and the powers and rage of the werewolves. She lived during an age of darkness and she was said to have been raised by a clan of werewolves in the mountains of Western Europe, and over time, as she grew, she gained all of the incredible strengths and powers of the werewolves along with immortality, and she'd fought to defend her clan of werewolves from the hatred and fear wrought on by the paranoia that humans had towards werewolves, and many centuries later, there was one person that harbored a true love for everything, and that also really strengthened the love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of blue wolf fire, light, darkness, ice, and the powers and rage of the werewolves, and he also gained all of the incredible strengths and powers of the werewolves, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves and men combined along with incredible levels of incredible superhuman speed and he's able to run as fast as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves, plus it also enhanced his night vision, incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well, and she also found out Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him in his werewolf form on the muzzle and made out many times in his werewolf and he came back home all covered in kisses and his tails were wagging like crazy. Lincoln made her a powerful darkness greatsword and gave her a wolf moon tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Winter kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the fury of the werewolf.

Me: Whoa!

Nico: Uh oh!

Lincoln: Yep, if anyone angered her, she'd tear them apart. Plus, tomorrow's our big battle against Gerald and Venn Vexos along with Orochi and Da Ji and Lily's big day mission is also tomorrow.

Lily: That's right. We'll make sure Dark Carmeara dies forever.

Kengo, you and the rest of the team hang in there until tomorrow.

Me: Yep.

Hydrax: I didn't see that coming

Pyros: Me neither.

Stratos: Either way, Master Org is gone!

Me: I agree.

Nico: Yep. Viktor Adler is now in jail where he belongs.

Sheila: Good riddance.

Xenia: Yep.

Me: He had it coming ever since the year 2000.

Nico: That is for sure!

Lythos: Let's celebrate with ice cream!

Hydros: My favorite!

Nico: Yeah! And J.D. you did really amazingly well destroying Master Org. WOW! You really went all out.

Me: We all did! And I sense that we have had some special support in this too.

Nico: Who?

Me: The King Ohgers.

Nico: I have a feeling you're right. Great job today everyone!

Cole Evans: (To the viewers) Now we've officially seen the last of Master Org.

Nico: Good fucking riddance to bad rubbish.

Me: That's just one of the most evil villains of Power Rangers done. Venjix we'll deal with soon.

Lola: Yep.

Me: You guys go on ahead. I got to go tell Princess Shayla the good news that Master Org is gone.

Nico: Okay.

I teleported to Animarium.

We went to get some ice cream and had awesome treats.

We returned home, and Caleb Maxwell looked out into the skies as the sun set and night fell on the city again.

Caleb Maxwell: And so, another day ends. We now have all seven Black Star Dragon Balls back, and tomorrow, the battle to destroy Gerald and Venn Vexos and make him pay for using the Black Star Dragonballs and we're also going to destroy Orochi and Da Ji as well.

Then, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Cage Blunt, James Blunt, Captain Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, Abby Smith, Travis Tackett, Leela Salyers, Peace Salyers, and Cronus Chase entered into his room.

Casey Antonio: That's right.

Suddenly, Caleb heard his phone ring and he answered it.

Caleb Maxwell: Hello?

?: (French Accent) Caleb, it's Andre Delacroix. Listen, look outside and take a look at the moon.

Caleb did so, and he saw that the full moon was yellow, and he saw the outline of a werewolf.

Caleb Maxwell: (Gasps) The Werewolf Moon..., it can't be..!

Andre Delacroix: (French Accent) Yes. My old enemy, Jaune Garnier, is planning on resurrecting my family's old enemy from the 16th Century, Gilles Garnier, to get revenge on us.

Caleb Maxwell: Andre, stay at home until tomorrow, we'll be heading for your home in France to put an end to Jaune Garnier before he can bring back Gilles Garnier.

Caleb Maxwell hung up.

Cage Blunt: So, Jaune Garnier's at it again, huh?

Caleb Maxwell: He sure is. Hunter's not gonna like dealing with that werewolf again, but it needs to be done.

They went to bed.

We went to sleep. Viktor Adler was found guilty of murder and numerous other crimes. He was sentenced to spend eternity in the Neptune Prison and ordered to pay Cole and his family $999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 in damages and more.

Meanwhile over in Japan, Kengo and his team were getting ready for the arrival of us.

Kengo: This is gonna be awesome. I'm going to kick some butt.

Kanata Asumi: Yeah you sure are.

Kengo: Lets get ready! TRIGGER!

He transformed into Ultraman Trigger and went at the screen and it froze.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to France to meet up with Caleb Maxwell's old friend, Andre Delacroix, a renowned Werewolf Hunter and White Magician from France, but he has a family history that's really dark beginning in 1573 when a werewolf began stalking the remote villages of Eastern France specifically Dole and devoured women and children, and it's where his ancestor, Jacques Delacroix, a blacksmith from Paris and secret White Magician went there to capture the werewolf who was also responsible for the murder of his sister, Marie Delacroix. Jacques captured the werewolf who had the features of Gilles Garnier, a local hermit and poor hungry recluse, and he'd brought him back to Paris, and he began inflicting torture to help illicit a confession from the accused werewolf by using a whip studded with silver curved blades. Suddenly, when Jacques saw his eyes turn yellow, he saw it for himself: Gilles Garnier was the werewolf responsible for the murders of the women and children in Dole and for the murder of his sister, and doomed by the power of myth, Gilles Garnier was sentenced to death as Jacques Delacroix decapitated him with silver blade studded whip and had his body burned.

But, according to legend, word of Garnier's death spread throughout the hidden werewolf colonies in the mountains of France, and they swore they would destroy The Delacroix Bloodline for that, and it sparked the beginning of a dark war between The Delacroix Family and the werewolves of France, a conflict that raged for over 500 years. Now, 500 years later, Andre Delacroix, the last of his bloodline, has gotten word of a shocking plan that'll shake the foundations of Paris to its core: it appears that his old enemy, Jaune Garnier, descendant of the notorious werewolf, Gilles Garnier, is planning to bring his ancestor back from the dead and get his revenge on Paris, and he murdered Andre's parents to stop any intrusions from any werewolf hunters, and the ceremony is about to be done on the night of The Werewolf Moon. So, we're joining up with Andre Delacroix to help stop the resurrection and kill Jaune Garnier before his ritual is complete.

And we're going to meet the next of The Avatars of The Mythical Beasts, her name is Winter Werewolf, Avatar of The Werewolf, she's Lincoln's Guardian Angel and she's known as The Werewolf Warrior of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. At 1:21 AM, Me, Eli, Sienna Sigmar Heldenhammer, Laney, Hunter, Varie and Camie and Sunset Shimmer were on our balcony observatory looking for Sigmar's Comet. It's only going to come for 10 days and then we'll never see it again for 75,000 to 150,000 years.

Me: This is gonna be cool!

Eli: It sure is!

Sienna Sigmar Heldenhammer: You are gonna be in for a treat.

Varie: Yeah this will be awesome.

Camie: It sure will.

We looked and then we felt a massive energy increase.

Me: WHOA!

Eli: LOOK!

We saw something and then we saw it! We saw SIGMAR'S COMET!

Me: There it is!

Sienna Sigmar Heldenhammer: WOW! Sigmar's Comet! Right on Schedule!

Hunter: (German Accent) Mein gott! It's magnificent!

Varie: This is amazing!

Eli: It sure is! Wow! Everyone is not going to believe this!

It looked like an amazing 2-tailed fireball in the sky! And it was as bright as our sun!

Sienna Sigmar Heldenhammer: Wow! My birthright comet! As the Avatar of Sigmar this comet is my birthright too.

Me: This is amazing to see.

Laney: WOW! This is beautiful.

Laney then got to painting it and it was beautiful.

We got awesome pictures of it too.

Eli: Wow! This is so cool seeing this comet.

Me: It sure is. After 10 days we will never see this comet again for another 75,000 to 150,000 years.

Camie: We sure won't. But this is so amazing to see.

In the early morning hours of 3:24 AM, Lincoln had a dream: but, this one was a premonition to what's gonna happen during Nico's rescue the next day: apparently, his dream took him to Pueblo County, Colorado, and as he was flying, he found Gerald Vexos who was indeed hiding in Pueblo County, Colorado, and it proved what Adolpha told us yesterday: he's made an alliance with Orochi and Da Ji, and Da Ji freed Venn Vexos from Limbo and brought him back from the dead. Plus, it was revealed that Da Ji, Kiyomori Taira, Kyūbi, and Hundun rebelled against Morgana because the only person they're loyal to is Orochi. Lincoln woke up, but so did his harem and kids.

Lily the Mermaid: Linky, what's wrong?

Lincoln: I just had a premonition of what's going to happen tomorrow during Nico's rescue, and this premonition just proved what Adolpha told us yesterday: Gerald Vexos who was hiding out in Pueblo County, Colorado, has made an alliance with Orochi and Da Ji, and Da Ji freed Venn Vexos from Limbo and she brought him back from the dead, and that Da Ji, Kiyomori, Kyūbi, and Hundun rebelled against Morgana because the only person they're loyal to is Orochi.

Lincoln's harem gasped.

Selene Arcangela: Just as Adolpha said yesterday. So, Gerald and Venn are both going to make their final stand in Pueblo County, Colorado, and the same goes with Orochi and Da Ji.

Lincoln: Yep. Tomorrow, we're going into battle against those two asshole bastards, and not only are we going to destroy them, but that also includes destroying Orochi and Da Ji for good, and I know Morgana and her minions are now beyond pissed at Da Ji for her betrayal.

Lily the Mermaid: She's bound to send another one of her minions to kill Da Ji as revenge for her betrayal.

Catherine Fontaine: Morgana was really stupid resurrecting Da Ji, Kiyomori, Kyūbi, and Hundun, she'd been unaware of the fact their loyalties were only to Orochi, and Da Ji still viewed Morgana and her minions as weak humans, not realizing they're devils in human skin and pure black-hearted demons. Of course, as you said, Lily, Morgana and her minions are enraged at Da Ji's betrayal, and they'll no doubt send another of their resurrected minions to kill her as revenge.

Mollie: The second that happens, Lincoln will kill her puppet.

Lincoln: You know it.

Paige: We got to tell everyone of what you saw tomorrow.

Lincoln: Right, Paige. Tomorrow, everyone's gonna hear it, and no doubt about it, everyone's going to be ready for this huge battle.

Lincoln went back to sleep with his harem and kids. Then, morning came, and Lincoln and his harem and kids got up, brushed their

teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, my dream took me to Pueblo County, Colorado, and as I was flying, I found Gerald Vexos who was indeed hiding in Pueblo County, Colorado, and it proved what Adolpha told us yesterday: he's made an alliance with Orochi and Da Ji, and Da Ji freed Venn Vexos from Limbo and brought him back from the dead. Plus, it was revealed that Da Ji, Kiyomori Taira, Kyūbi, and Hundun rebelled against Morgana because the only person they're loyal to is Orochi.

WE GASPED!

Me: So, everything Adolpha said is true.

Nico: So, not only are we facing Gerald Vexos, but also, his older brother, that other shithead and the old enemy of Cadenza Cthugha, Venn Vexos, along with Orochi and Da Ji. This is gonna be one huge battle today.

Lincoln: Along with one huge battle against Dark Carmeara, and we're gonna make sure she never comes back again.

Eli: You got that right.

Me: We also got to watch it though, Gerald is now a cornered animal, same with Venn, even despite having the backing of The Serpent King.

Lincoln: That's right, Venn has always been a coward, the same with Gerald. We've destroyed Amy McKale, Gabriel Tinsley, Evil Anakin, Mrs. Florrence, Pain, the clone of Mia, and 2039 Joker and we reclaimed the Seven Black Star Dragon Balls, and we've stopped Kiyomori Taira and forced Orochi and Da Ji, along with Gerald Vexos and Venn Vexos to face us. Now, we'll make sure that The Vexos Brothers' reign of terror in Colorado and Michigan is brought to an end once and for all along with the dark shadow of The Serpent King.

Me: That's for sure.

Lori: We've dealt with Orochi and Da Ji before, this time, we'll do so again, and we'll make sure that lying fox never comes back again.

We finished up breakfast, and we headed to Pueblo County, Colorado, to hunt down my old enemy, Gerald Vexos and make him pay for using the Black Star Dragon Balls and destroy him along with his equally monstrous older brother and Lincoln's old enemy, Venn Vexos, who's been freed from Limbo by Da Ji, and we're also going to destroy Orochi and Da Ji as well and bring an end to this Serpent King nightmare once and for all.

Lily woke up to see Manaphy 2 staring at her

Manaphy 2: Morning Lily.

Lily: Oh morning Manaphy.

Manaphy 2: Time for breakfast.

Lily: Oh boy! Donut Pancake Day.

ZOOM!

She ran and got dressed and went to the table and we were having Donut pancakes. They were so awesome.

Lily was eating a lot of them.

Me: The Vexos Brothers are going to rue the day they messed with

us.

Camie: Yeah they are!

Me: But it's cool being here in Colorado.

Xenia: It sure is.

Nico: I'll say!

Qin: This is awesome.

Lily: I agree there.

Nico: Blizzard Wolffang, I want to thank you, Black Wolf, and your teams for coming

Blizzard Wolffang: No problem Nico. This is gonna be so awesome and fun.

Varie: It sure is.

Laney: I agree.

Nico: By the way Laney we saw the comet. That was so cool!

Me: It sure was.

Laney: Yeah that was awesome.

Me: Yep.

Adolpha Villalobos: I thought that was cool.

Me: Me too.

Nico: Adolpha, what do you like to do in your free time?

Adolpha Villalobos: I like to work at a wolf preserve and it's so awesome. I work and take care of wolves and they are my friends.

Camie: That is so cool!

Qin: It sure is.

Lola: Yeah.

Adolpha Villalobos: It sure is.

Nico: Does Yenaldooshi like to visit there?

Adolpha Villalobos: He does and it's cool.

Qin: Awesome and fun.

Camie: Cool.

Lola: Awesome.

Me: Yep.

Nico: Boy Yesterday was EXPLOSIVE!

Me: Boy no shit! We unleashed hell on Master Org!

Nico: And this time, no dead Wild Zords

Me: And we avenged Cole's parents.

Nico: Yep. And brought their killer Viktor Adler to justice. But J.D. that was really good judgement freeing Viktor and making Master Org pay and sending Adler to prison.

Me: Thanks. It sure was.

Qin: Yeah.

Me: All because of his petty jealousy that he killed his own best friend!

Laney: Yeah what a jerk!

Qin: YEAH!

Camie: He had it coming!

Me: Adler before becoming Master Org was human so I decided to strip him of his power before killing Master Org.

Nico: Good call. Not that I liked Viktor but he needed to be alive to face Justice.

Me: Yep. But that's one of the Rangers most evil enemies down.

Lola: Venjix will soon be dealt with.

Camie: Yeah!

Me: And now instead of being with Elizabeth Evans, he's in prison for eternity.

Qin: Yeah.

Me: That was one of the most explosive missions we've done.

Eddy: Who cares about Viktor? We finally killed Master Org!

Me: I agree. WOW! That's number 1 of America's Rangers Enemies own and... Let me see.

I counted.

Me: 26 to go.

Nico: Yep. Rita is gone to.

Me: Yeah. Astronema is in the M.O.E.

Qin: Yep.

Nico: Now lets see. Where are the Vexos Brothers?

Me: Those fools are here somewhere.

Nico: They caused enough shit for one week!

Me: That is for fucking sure!

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here in Pueblo County, Colorado, and just as we saw last night, we're going to hunt down and destroy Gerald and Venn Vexos along with Orochi and Da Ji.

Me: Just as you told us this morning.

The whole team was with us as well, along with The Masters of Evil and when they got the word that Venn Vexos was brought back by Da Ji, they immediately got their forces together and came to meet with us.

Me: Just as your dream told us.

Nico: I'm going to make that piece of shit pay for almost dooming the world!

Lincoln: Doing this out of revenge on us for what we did in killing his piece of shit older brother, Venn Vexos, he deserves to die, and since Venn Vexos is also back, both of those brothers will die together.

Suddenly, Lincoln had a premonition, and it's not good: it appears Morgana Midnight Sparkle and her minions have resurrected the rogue Knaaren, Reflux, along with the evil Tuffle parasite, Baby, who's still forever inside him thanks to Rayman's spell two years ago, and she's sent them to kill us along with Da Ji for her betrayal.

Lincoln: Are you kidding me?! Morgana, why you little...!

Me: Lincoln, what's wrong?

Lincoln: It's not good, it appears that Morgana Midnight Sparkle and her minions have resurrected the rogue Knaaren, Reflux, along with the evil Tuffle parasite, Baby, who's still forever inside him thanks to Rayman's spell two years ago, and she's sent them to kill us along with Da Ji for her betrayal.

Me: WHAT THE?!

Nico: SAY WHAT?!

Nico's mouth went wide open and his skeleton came out.

Qin: Oh shit, that's not good!

Nico put his skeleton back inside his body.

Nico: I hate when that happens. Lincoln, I hope you drain them both dry of energy and send them to The Black Abyss.

Lincoln: That's what I'm going to do, Nico.

Ed Cowart: So, now we got to stop Gerald and Venn Vexos along with Orochi and Da Ji and put an end to this whole chaos Gerald started.

Lori: What Gerald did almost doomed the entire world, he literally is the lowest of the low same with Venn, what a piece of trash!

Lincoln: Well, he and Gerald are both going to be put down like the monsters that they are, and I hadn't forgotten about last year. That piece of trash had a bomb strapped to him and tried to take us with him, now that he doesn't have a bomb strapped to him, we're free to tear him apart and not even worry about the threat of a bomb.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Gerald and Venn Vexos) AHA! There you are, you piles of trash! I just spotted Gerald and Venn Vexos, they're 20 yards away and Gerald's coming after us along with Venn Vexos and they're completely driven mad by rage. Plus, Orochi and Da Ji are already on the move along with the last of his army. (Sensed Reflux and the Tuffle parasite, Baby) And I just found Reflux along with the Tuffle parasite, Baby, heading right for us and Da Ji.

Nico: Let's tear them apart.

Lok heard a Pokemon cry.

Lok: Look here guys!

We saw a Starly!

Me: Cool! Starly!

Nico: Wow!

Me: Oh and the poor thing is hungry.

Lok gave it apples and food.

Starly: Thank you.

She ate them

Lok: Wanna come with me?

Starly: Sure!

Lok: Cool!

Me: You won't regret it!

Poromon: Awesome having a fellow bird.

Me: Yep.

Lola: LOOK!

We saw a REGIHIVE!

Me: WHOA! Regihive!

Nico: What's that doing here?

Me: I think I know.

Nico: Yep.

Hitch Trailblazer: Lets see.

He used his telepathy and gasped!

Hitch Trailblazer: (GASP!) That's my sister Alexandra Trailblazer!

Sheila: (GASP) Alex is here!? Oh man!

Sunny Starscout: I didn't know you had a sister Hitch.

Hitch Trailblazer: You never asked.

Me: Lets go help!

Me, Hitch and Sheila went to her.

Hitch Trailblazer: Alex it's me Hitch!

Sheila: And Sheila! Lets talk!

All she did was spit webbing

We dodged it and it got on Nico's face!

Nico: HEY!

Me: Looks like this one is gonna be tough.

Hitch Trailblazer: Lets help her.

I fired waves of energy and blasted her.

Hitch and Sheila fired leaf and web blasts and smashed her all over.

She roared.

I snapped my fingers and she reverted back and was a girl with green hair, brown eyes, Regihive in the middle of her forehead and had a green version of Hitch Trailblazer's cutie mark on her arm and had green butterfly wings.

We wrapped her in a blanket and brought her over to us.

Me: Wow. That was close.

Xenia: Yeah.

She woke up.

Alexandra Trailblazer: (Groans)

Hitch Trailblazer: Alex are you okay?

Sheila: Alex?

Alexandra Trailblazer: Hitch? Sheila? (GASP) It is you two!

She hugged them.

Hitch Trailblazer: I thought I would never see you again.

Sheila: Same here. Alex is one of my fellow police officers. We went to the police academy together and trained in law enforcement.

Hitch Trailblazer: Just like how I am the sheriff of Maretime Bay.

Me: Awesome! Alex we found you as a Regihive. You were turned into that by Dark Gale.

Alexandra Trailblazer: I remember!

She was in a light green suit and was injected and then she turned into bugs and turned into REGIHIVE! She busted out of there.

FLASHBACK ENDS

Alexandra Trailblazer: That was awful.

Me: Well we're going to kill Dark Gale soon.

Nico: Yeah.

Alexandra Trailblazer: Good. Also me and Hitch are both Animal Charmers. We can talk to animals.

Fluttershy: Oh that is so amazing.

Alexandra Trailblazer: (GASP) Fluttershy. Wow it's awesome to meet you. You are my hero.

Fluttershy: That is amazing that I have a hero.

Alexandra Trailblazer: It sure is.

Nico: What's your role in Sonya's team?

Alexandra Trailblazer: I am the Nature Charmer and Animal Charmer of the team and have nature and my animal friends take down my enemies. Outside the team I teach kids at schools how to love and care for all kinds of animals.

Me: Wow that is cool.

Hitch Trailblazer: It sure is.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her awesome new yellow and green clothes and she had an amazing jacket on.

Alexandra Trailblazer: Awesome! I look great.

Nico: Glad you like it.

Qin: Yep.

Me: Now we got 2 sickos to take down.

Nico: Lets go!

We took off into the air and we set out to destroy Gerald Vexos and make him pay for using the Black Star Dragon Balls, along with his resurrected older brother, Venn Vexos, along with Orochi and Da Ji and Reflux and the Tuffle parasite, Baby, and send them all to The Black Abyss!

We were flying in the air, and we spotted our targets: my old enemy, Gerald Vexos, and Lincoln's enemy, Gerald Vexos' older brother, Venn Vexos, and they were indeed heading for us in a fit of rage.

Lincoln: There you are, you pieces of crap!

Lincoln fired energy blasts and elemental blasts from his massive white angel wings and four sets of large white angel wings underneath his massive white angel wings at Gerald Vexos and Venn Vexos, and they hit them and exploded and Gerald Vexos and Venn Vexos screamed in insane rage as we landed, and when Gerald Vexos saw me and Venn Vexos saw Lincoln, they screamed in rage and they ran at us, but Lincoln and I punched those crap brothers hard in the face and sent them flying into a wall and left them with black eyes, they got back out, and they were pissed!

Me: I should've known that only a selfish and heartless lowlife like yourself would do something so absolutely fucking stupid like using The Black Star Dragon Balls, Gerald! You caused this whole Black Star Dragon Ball Doomsday scenario, have you no fucking shame?!

Gerald Vexos: FUCK YOU, ASSHOLE! IT'S ALL YOUR FAULT! ALL OF YOU! YOU MURDERED MY OLDER BROTHER, VENN!

Lincoln: News flash, idiot, your stupid brother abused the sister of my Guardian Angel and was a total misogynistic asshole to her, and he terrorized all of Royal Woods for years combined with the fact he also terrorized Colorado together with you. Like your older brother, you're also a disgusting piece of shit! Well, guess what, we stopped the Black Star Dragon Ball Doomsday and killed the seven villains who had them, and now, it's your turn to die.

Venn Vexos: YOU FUCKING PIECE OF SHIT! I'LL KILL YOU AND THOSE TWO BITCHES FOR KILLING ME!

POW!

I punched Venn in his face and knocked out all of his teeth!

Me: That's what you get for hurting Emily!

Nico: Now you two are going to pay for trying to destroy the Earth!

?: Not before we destroy all of you!

We then saw our two other prime targets: Orochi and Da Ji.

Lincoln: And of course, we also run into you and Orochi once again, Da Ji.

Suddenly, we saw Orochi's men heading straight for us, but then, we saw pink energy blasts heading for us, and we dodged them, and they hit the last of Orochi's men and they were hit hard, and they had bleeding scars.

Lincoln: Figures there's only one parasite who'd do this. Reflux, you better get out here, along with the parasite hiding inside you.

We then saw our secondary target: Reflux, the rogue Knaaren, and inside him was the Tuffle parasite, Baby, still bound by Rayman's spell two years ago.

Reflux: You..! You're going to pay for what you did in killing us!

Baby: If you hadn't gotten in our way, I would've gotten my revenge on those filthy Saiyans!

Sebastian Mendez: Oh! When are you ever going to shut up about that?!

Suddenly, Baby spotted the last person he hoped never to run into!

Baby: (GASPS) It...it can't be! No, not you!

Sebastian Mendez: That's right, I have returned, but no longer as the same madman from those nine years ago, but still that pissed off that you're now running loose again! I'm going to enjoy putting you in your place once again!

Suddenly, Lincoln fired a pink power leeching energy blast that surrounded Reflux and Baby who was still inside him, and Lincoln began sucking out and absorbing the Tuffle Parasite's Body manipulation, Regeneration, Ability to enter a body to control it and power it up, Ability to gain and alter a host's techniques, Ability to plant seeds while inside a host's body, Flight, Strong superhuman attributes, Ki Manipulation in many forms, Can unleash a massive and destructive wave of energy by screaming, Can gather energy from sources of hatred to form the Revenge Death Ball, Intelligence, and High Level Fighting skills, and Reflux's ability to fire energy orbs, ability to fire radiating energy waves across the floor, Spinning in a tornado of energy, ability to fire energy orbs, Summoning lightning strikes, Summoning energy shields, Ability to slam or swipe with giant fist, Spawning explosive mines, Energy blast while levitating, Large energy orbs while flying, and Spawning Hoodmongers, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Plus, he even sucked out their life force and souls, and as soon as he was done, he drained their souls of energy and banished them both to The Black Abyss.

Lincoln: And that is good riddance.

Suddenly, Lincoln fired liquid blasts that entered into Orochi's men and he quickly took control of them like puppets and he ordered them to attack Gerald and Venn Vexos brutally, and they had bleeding scars on them, and as soon as they were done, Lincoln fired purple energy blasts that hit them, and he devoured their souls as soon as they came out.

Orochi: (Echoing Demonic Voice) Finally, you are almost that close to earning the right to face me, now there is one last thing to do.

Da Ji: Lord Orochi, allow me to end this, these weaklings deserve to pay for killing you!

Da Ji charged at Lincoln and tried to attack him with her Spheres of Decay, only for Lincoln to disarm Da Ji of her Spheres of Decay which he made his own and sent her flying and she landed on the ground.

Lincoln: Sadly, that won't happen, Da Ji.

Suddenly, Da Ji screamed in agonizing pain as the phoenix tattoo of Lincoln's Phoenix Retribution Firestorm Vengeance Curse finally travelled again throughout her body, and this time, it hit her heart, and just as we saw, Lincoln's curse stripped Da Ji of all her dark powers, magic, and immortality and we assimilated them, and she burst into flames and turned to ashes, and her spirit was sent to The Black Abyss.

Orochi: (Demonic Echoing Voice) I allowed Da Ji to do as she saw fit, and she finally had her fun. (Smirks) Now, then, shall we finally end this, Lincoln Loud?

Lincoln: Let's end this once and for all, Orochi.

WARRIORS OROCHI 3 OST: THEME OF OROCHI X - FATAL MIX

Lincoln unholstered his massive Lincoln Loud's True Cosmic Eternal Harmony Universal Eternal United Friendship Almighty Universal Heavenly Cosmos True Eternal Celestial Cosmic Elemental Almighty Hinon True Immortal True Eternal Friendship Universal Cosmic Storm True Unbreakable Eternal Bonds and True Immortal Heroism Phoenix God Angel Greatsword of True Cosmic Eternal Harmony Universal Eternal United Friendship Almighty Universal

Heavenly Cosmos True Eternal Celestial Cosmic Elemental Almighty Hinon True Immortal True Eternal Friendship Universal Cosmic Storm True Unbreakable Eternal Bonds and True Immortal Heroism Phoenix God Angel Justice and went after Orochi, and they clashed as Lincoln's greatsword clashed with Orochi's scythe, and flames erupted.

Lincoln fired a massive beam of red demonic energy at Orochi, which he blocked with his scythe, and they continued to clash and it never seemed to stop, but as we saw, Lincoln was really giving it his all in this fight which was exactly what Orochi wanted. Then, Lincoln disarmed Orochi of his scythe, and then...!

SKEWER! SLASH!

LINCOLN RAN HIS MASSIVE GREATSWORD RIGHT THROUGH OROCHI'S CHEST!

Yinglong: He did it.

Me: He really did it.

Lincoln removed his greatsword from Orochi's chest.

Lincoln: Farewell, Orochi, may you finally return to your eternal slumber in Oblivion.

Orochi: (Echoing Demonic Voice) Yes..., it's over...at last.

Orochi fell to the ground, and then, the black flames of The Black Abyss consumed his body and he was sent to The Black Abyss, but he had a smile on his face: the look of eternal peace on his face, his wish that he'd longed for: defeated and slain by a strong warrior.

Lincoln swung his massive greatsword and cleaned the blood off, and after seeing what happened with Orochi and Da Ji getting slain by Lincoln, THAT REALLY, AND I MEAN, REALLY PISSED OFF GERALD AND VENN VEXOS SO BADLY, THEY FINALLY LOST THEIR EMPTY MINDS AND THEY LOST IT BIG TIME!

Me: Now you two are next!

Starly charged at them And blasted them with energy blasts!

Qin: Yeah!

Gerald Vexos: NO! NO! NO! DAMN IT! YOU...! YOU KILLED OROCHI AND DA JI, OUR LAST AND FINAL HOPE TO FINALLY GET RID OF YOU ALL!

Venn Vexos: THE SERPENT KING IS GONE FOREVER ALONG WITH DA JI! YOU ASSHOLES! WHY DO YOU ALWAYS HAVE TO GET IN THE WAY OF EVIL'S GLORIOUS REIGN!

Taigong Wang: You were both foolish enough to place your hopes in Orochi and Da Ji from the very beginning. It's true Da Ji brought you back, Venn Vexos, after you were murdered by Morgana Midnight Sparkle who was absolutely insane, but her fate was decided long ago along with Orochi's.

Yinglong: Lincoln made absolutely sure that Orochi, my former demonic self, finally got his eternal rest in The Black Abyss.

Fu Xi: And we cannot forgive you for almost condemning the world to doomsday, the punishment you will receive is just like what befell your brother last year, Gerald Vexos.

Nu Wa: Be glad though, you two are both going to die together. After all, it wouldn't be fair if you died separately.

THIS REALLY MADE GERALD AND VENN VEXOS' BLOOD BOIL BADLY!

Cage Blunt: Oh man! What the Mystics have said to them has really made their blood boil!

Shennong: But, what they said is true, what Gerald did almost doomed the world, and for that, he must be punished.

Travis Tackett: Just like what happened with Orochi.

Me: Only their punishment is one that's going to result in divine punishment!

Lincoln: That's right, you've committed the darkest crime ever when you used The Black Star Dragon Balls, Gerald, and you almost doomed the Earth, and for that, you must pay the price for that! And as for you, Venn, you're also going to suffer the same fate as your younger brother, so be ready for that as well!

THAT MADE GERALD AND VENN VEXOS MEGA ENRAGED, AND THEY WERE FOAMING AT THE MOUTH AND SCREAMING EXPLETIVES AND THRASHING LIKE WILD BEASTS! THEY'VE OFFICIALLY LOST THEIR MARBLES, AND ARE NOW OUT FOR ONE THING: REVENGE!

Nico: They've finally lost it big time! Alright! (FLIPS BOTH MIDDLE FINGERS AT THE VEXOS BROTHERS) AND SCREW YOU AND FUCK YOU BOTH, SHITHEADS!

Gerald Vexos and Venn Vexos: (ENRAGED FUCKED-UP SCREAMS) THAT'S IT, WE'RE GONNA FUCK YOU ALL UP! YOU HEAR US?! WE'LL DESTROY ALL OF YOU ASSHOLES, WE DON'T CARE HOW POWERFUL, IMMORTAL, AND INVINCIBLE YOU ALL ARE, NO ONE FUCKS US OVER AND LIVES! WE'LL DESTROY EVERY LAST FUCKING LOSER ON THIS ENTIRE SHIT PLANET!

POW! POW!

I PUNCHED GERALD VEXOS HARD IN THE FACE AND LINCOLN PUNCHED VENN VEXOS HARD IN THE FACE AS WELL AND LEFT THEM WITH BLEEDING NOSES AND BLACK EYES!

Lincoln and Me: Because of what you did in threatening to destroy the planet, you two disgusting piles of garbage are both dead meat!

Me: And what you just said signed your death warrants!

Qin: That is for sure!

Xenia: YEAH!

Tyler Bowman got out his Gaia Memory.

Tyler Bowman: Time for justice to show no mercy!

TYLER BOWMAN! HITCH TRAILBLAZER!

Tyler and Hitch: FURY OF THE LAW BLAST!

They fired waves of enegry and blasted them both.

Shope got out her Gaia Memory.

Shope: You have forfeited your lives the very moment you used the Black Star Dragonballs!

SHOPE! KARA!

Shope and Kara: DI-GATA RUNE BLAST!

They fired waves of lightning and fire and blasted them both!

Kevin got out his Gaia Memory.

Kevin: YOU ARE PATHETIC!

KEVIN! SETH!

Kevin and Seth: DI-GATA FURY BURST!

They fired lightning and water blasts and blasted them both.

Roach got out his Gaia Memory.

Roach: Time for some pain!

ROACH! MELOSA!

Roach and Melosa: DI-GATA DARK SHOT!

They fired waves of darkness and energy and blasted them both all over.

Sakura Haruno: Time for master and student to smash you!

SAKURA HARUNO! LADY TSUNADE!

Sakura and Tsunade: SMASHING CHERRY BLOSSOM KICK OF

PAIN!

They jumped and kicked them both and smashed them all over.

Adolpha Villalobos: Okay, guys, you did enough to her. Now, it's my turn, and I've had it up to hear with you for the last time, Gerald and Venn Vexos!

Suddenly, Adolpha Villalobos' yellow eyes turned neon yellow and she was surrounded by a pure white, white, and blue energy aura with stars, aura energy, white and blue heavenly flames, light, darkness, moonlight, ice, wolves, phoenixes, and angels, she unholstered her massive greatsword, and as she approached Gerald Vexos and Venn Vexos, she left pure white, white, and blue energy, stars, aura energy, white and blue heavenly flames, light, darkness, moonlight, ice, wolves, phoenixes, and angels with every step.

Adolpha Villalobos: I always knew that as always you two were nothing more than disgusting piles of garbage, trash, and sewage, and you're both still incredibly stupid as ever. But, what you did, Gerald, crossed a serious line. Because of you, you almost caused the Earth to be destroyed in a year when you used The Black Star Dragon Balls, and I hadn't forgotten about what you did to Emily Cthugha in the past, Venn! You both are worse than garbage, trash, and sewage combined, and now, I'm going to see to it you both get your divine judgement and get sent to your deaths here and now!

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF ADOLPHA VILLALOBOS WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE ANGEL, AND RAINBOW FIRE 11-TAILED WOLF, AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW FIRE PHOENIX, RAINBOW FIRE ANGEL, AND RAINBOW FIRE 11-TAILED WOLF WENT BACK TO EARTH AND ADOLPHA VILLALOBOS GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF GERALD VEXOS AND VENN VEXOS EVEN MORE TO NO FUCKING END! NOW, THE BATTLE TO FINALLY DESTROY GERALD VEXOS AND VENN VEXOS WAS ON!

Lincoln, Adolpha Villalobos, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I and all of us went after Gerald Vexos and Venn Vexos, and we fired extremely powerful blasts of rainbow, white, and blue energy, pure white, white, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Sylphs, Animals, and Mythological Animals at Gerald Vexos and Venn Vexos and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Adolpha Villalobos did the same by firing pure white, white, and blue energy slashes from her gold plated claws and her massive greatsword, and Lincoln, Adolpha Villalobos, Nico, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was really really making Gerald Vexos and Venn Vexos even more angrier and even more insane than ever, if that was even possible.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Gerald Vexos and Venn Vexos, and we found ourselves in Heaven.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is it, Gerald and Venn Vexos, this is where your rampaging madness ends here and now.

Then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Gerald Vexos and Venn Vexos.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomachs of Gerald Vexos and Venn Vexos and a cluster of rainbow, white and blue heavenly flames exploded out behind them, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where your miserable lives ends here and now!

Lincoln did one final powerful energy slash that hit Gerald and Venn Vexos hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Gerald Vexos and Venn Vexos were on their last legs and they were really really mangled.

Venn Vexos: YOU...! YOU...! YOU THINK YOU YOU ALL WON?! NOW, WHAT?! YOU EXPECT ME TO BEG LIKE A DOG?!

Gerald Vexos: FUCK YOU! FUCK YOU ALL! I HOPE YOU ALL DIE HORRIBLY!

Then, having had enough of the garbage and sewage that came out of their mouths, Lincoln grabbed Venn Vexos by the neck with his left hand and I grabbed Gerald Vexos by the neck with my left hand.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You never understood the concept of life whatsoever, Venn, all you ever cared about was yourself along with causing pain and suffering to Emily along with causing terror and chaos in Royal Woods and Colorado, and you had a twisted black heart. You belittle life and have nothing but cruelty in your twisted black heart, and you've caused all sorts of pain and suffering.

Me: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Phoenix Vampire Werewolf Demon Dragon Mermaid January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) That's right, you both deserved to have your lives ruined by your own actions, and now, this is where you both die once and for all!

Lincoln threw Venn Vexos into the sky and I also threw Gerald

Vexos into the sky as well, and then, we planted our massive greatswords into the ground, and we both cupped our hands together, and a white and blue ball of energy formed in our hands. Suddenly, red energy began being pulled out of Gerald and Venn Vexos and the energy flowed into the white and blue balls of energy in our hands, and they were growing even stronger than ever: it was the many sins that they'd committed in the past.

Me and Lincoln: THIS IS WHERE YOU BOTH DIE HERE AND NOW, GERALD AND VENN VEXOS! NOW, GOODBYE AND GOOD RIDDANCE FOREVER! HEAVENLY JUDGEMENT KAMEHAMEHA!

Lincoln and I fired massive white and blue Kamehameha energy waves that then hit Gerald and Venn Vexos and they couldn't even fight back against it, and it launched them even further into the skies and they wound up in deep space, and then...!

KKKKKKKKRRRRRRRAAAAAAAAABBBBBBBBBBOOOOOOOOOOOOM

THE MASSIVE WHITE AND BLUE ENERGY WAVES EXPLODED WITH MASSIVELY INCREDIBLE POWER AND GERALD VEXOS AND VENN VEXOS WERE SUDDENLY BEING CONSUMED BY THE HEAVENLY FLAMES!

Gerald Vexos and Venn Vexos: NO! NO! THIS CAN'T BE THE END! DAMN YOU, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (LETS OUT THE LAST ENRAGED SCREAMS OF INSANITY BEFORE THEY ARE FULLY CONSUMED BY THE FLAMES OF HEAVEN)

GERALD VEXOS AND VENN VEXOS WERE DESTROYED FOREVER AND THEIR WICKED SOULS WERE BOTH SENT TO THE BLACK ABYSS, AND BACK ON EARTH, WE SAW HEAVENLY LIGHTS SHINING DOWN ON EARTH AS AN ANGELIC CHOIR SANG!

Goku: Whoa, what power!

Vegeta: Impressive.

Gohan: They did it.

King Kai: (Telepathically) They did it! THEY DID IT! Take that, you rotten monsters!

We cheered wildly as we holstered our weapons and powered down and Adolpha Villalobos new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty large white and dark blue planets orbiting around her legs and twenty smaller white and dark blue planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized white and dark blue planets orbiting around her wrists and ankles, eleven massive and long white wolf tails, larger white wolf ears, and massive white angel wings and four sets of large white angel wings underneath her massive white angel wings are permanent.

Adolpha Villalobos: It's finally over, I never want to see your ugly faces ever again, you piles of trash.

Lincoln: Now, we are finally rid of that piece of trash, Venn Vexos, along with his younger brother, Gerald Vexos.

Me: They both deserved it big time, and I was so pissed off that Gerald had the utter stupidity to use The Black Star Dragon Balls.

Nico: In the end, his plan to destroy the Earth as revenge on us for killing Venn Vexos was foiled, and both he and Venn Vexos wound up getting The Black Abyss forever.

Eli: Along with Orochi, Da Ji, Reflux and that Tuffle parasite, Joker, the clone of Mia, Evil Anakin, Amy McKale, Pain, Mrs. Florrence, and Gabriel Tinsley.

Qin: You got that right.

Nico Good riddance to those jerks.

Me: For all the shit they put us through these last seven days.

Nico: Yeah! Nice job Starly.

Starly: Thanks! Get any beer?

Poromon: YAY! Here you go.

He gave her one.

Starly: Thanks!

She drank it.

Barney Gumble: Welcome to the beer drinking club! (BELCH)

Starly: Ahh. (BARNEY GUMBLE BELCH)

She was drunk.

Poliwag: Sing the ABC's!

Starly: (BELCHING AND SINGING) ABCDGAJFKSMFSKCKKDSJNVKSSC!

WE LAUGHED HYSTERICALLY!

Nico: Alex, is it okay if I ask how you met Sheila?

Alexandra Trailblazer: Oh sure. I met Sheila when we went to Summer Camp and we became amazing camp buddies there.

Sheila: It's true and it was awesome.

Nico: Wow that is awesome.

Me: It sure is.

Alexandra Trailblazer: Yep. We made a pact to go to Law Enforcement together. But I also had special interests. I wanted to find out what happened to the magic of Equestria.

Me: That we figured out.

I told her everything about Opaline and how she did it and why and more and she was shocked!

Alexandra Trailblazer: That's awful!

Me: It was.

Nico: We need to find a way to tell the difference between May's Manaphy and Lily's Manaphy

Lily: Way ahead of you. I put this on her head.

Lily put a flower headband on her head.

Manaphy: Hey that is cute.

Manaphy 2: It sure is! I like it.

Eddy: I would've thought of a bow

Ed: I would have used belly button lint.

Eddy: Shut up Ed.

Ed: Pull my finger Eddy. (LOUD FART)

Eddy: But a flower headband will work too.

Lily: Thanks.

Camie: I like it.

Me: Same here.

Qin: Yeah. (LOUD FART) Oops sorry.

Camie: Too many donuts?

Qin: Yeah.

Nico: Blizzard Wolffang, what do you like to do in your free time?

Blizzard Wolffang: Well like Adolpha, I work at a Wolf preserve and I help take care of the wolves.

Adolpha: That is awesome.

Lola: Yeah!

Buffy: You guys wanna help me in Sunnydale later?

Me: Sure Buffy. Vampires running amok?

Buffy: Yep. Lots of them.

Me: We'll gladly help.

Nico: They have no idea who they are fucking with!

Camie: YEAH!

Blade: We're gonna kill some vampires.

Me: Yep and it will give me an opportunity to test this.

I pulled out a big bomb device.

Nico: What's that?

Me: An Ultraviolet Light Flashbang Megabomb. Releases a massive flash of ultraviolet light with the intensity of 600 suns over a radius of 500 miles.

Nico: WHOA! That is amazing!

Camie: It sure is!

Poromon got some garlic

Me: Better make sure I have enough.

I pulled out my vampire hunting supplies.

I had holy water, garlic bombs, silver nitrate grenades, silver stakes, EDTA Auto injectors and more.

Horsea got out a machine gun

Horsea: Silver bullet machine gun.

Poliwag got out a ray gun.

Poliwag: Ultraviolet light sun beam blaster.

Manaphy got out a grenade launcher.

Manaphy: Ultraviolet Grenade launcher

Nico: Whoa! You guys are prepared.

Me: Those vampires are all gonna be toast.

Maria: Horsea, where did you get that?!

Horsea: Found it in our armory. Why?

Maria: Oh. Just be careful with that.

Horsea: Don't worry. I will

Maria: Good.

Ace Ukiyo: Boy you guys are ready to kill Vampires up the ass.

Xenia: Yep.

Lana: I'll say!

Lana was eating lots of garlic.

Lana: (EATING) (GULP) (LOUD BELCH)

Lana burped and some vampires hidden smelled the garlic and then...

MASSIVE BLOODY AND NASTY EXPLOSIONS!

Me: WHOA! Nice one Lana!

Poromon: Lana, save some for the vampires later!

Me: (LAUGHS) Lana wants to make sure they smell her garlic breath belches.

WE LAUGHED!

Me: At least she killed some vampires in the area.

Nico: Nice start.

Poliwag: But still! Don't waste them all!

Laney: Don't worry Poliwag, we have an infinite supply of garlic.

Poliwag: Okay.

Me: At least Lana wants to be prepared.

Lana: Handyman's code. Always be ready.

Me: Good thinking.

Lola: Yep.

Natasha Hernandez: Yeah no kidding. Hey Luan. What did the child vampire say before going to bed?

Luan: I don't know. What did the child vampire say before going to bed?

Natasha Hernandez: She said "Turn on the dark mummy, I'm scared of the light."

WE LAUGHED HYSTERICALLY!

Horsea: That was funny!

Me: It sure was!

Nico: (LAUGHS) Good one Natasha!

Qin: (LAUGHS) Yeah!

Nico: Vampire jokes are just as funny as cheese jokes.

Me: Yep. Now it's time for the Anothers.

Nico: And they are?

Eli concentrated.

Eli: WHOA! We got Black Wolf (The Flight Before Christmas), Lily, Chili Pepper Malgam, Decimax, Alpha Phantom Fraime, Lego Barty Crouch Jr. and Gargoyle (2023 Miraculous Ladybug)

Me: Ooh okay then.

Nico: There they are!

We saw Another Chili Pepper Malgam, Decimax, Alpha Phantom Fraime, Lego Barty Crouch Jr. and Gargoyle (2023 Miraculous Ladybug)!

Me: Whoa!

Qin: A Chili Pepper Malgam!? Whoa!

Decimax: Yeah we have some new monsters from Kamen Rider Gotchard join us.

Me: Cool!

Another Chili Pepper Malgam: (In a girls voice) And it's fun.

They merged and reverted back and were the gene-slammers of Illusion Gate, Vampire Orchis, Raging Cloudian and Amazon of the Seas!

Nico: (GASP) Vamula Dracula, Orla Orchis, Stormy Cloudia and Ayla Amazonia!

Stormy Cloudia: Awesome to see you again Nico..

Nico: Same here.

Me: WHOA! The gene-slammers of Illusion Gate, Vampire Orchis, Raging Cloudian and Amazon of the Seas! Wait. Illusion Gate and Raging Cloudian aren't monsters?

Vamula Dracula: (Transylvanian Accent) Yeah it's complex isn't it.

Me: Yeah no kidding. By the way is the Another Lily and Black Wolf friendly or hostile?

Ayla Amazonia: The Another Black Wolf is friendly but the Another Lily is hostile.

Me: Uh oh.

Lily: I wonder who it is.

Me: We'll find out soon.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Nico: Awesome.

Maria: And now, we wait

Me: Yep.

But then...

BLANG!

LILY GOT HIT ON THE HEAD WITH AN ANVIL!

Lily: OUCH! (DAZED) Mommy read me the story of the bunny! (BLUBBERS) Oh man! That hurt!

Me: You okay?

Lily: Yeah.

Me: Okay who is the wiseass!?

Nico: Don't tell me it's another prankster!

Me: We'll find out!

We saw ANOTHER LILY AND BLACK WOLF!

Me: There they are!

Another Black Wolf: (In a girls voice) GEEZ! That must've hurt!

She reverted back and was the gene-slammer of Gagaga Girl!

Nico: Gianna Gagaga!

Gagaga Girl: (GASP) Sister!

Gianna Gagaga: Hey sis!

They hugged.

Gagaga Girl: Awesome to see you.

Gianna Gagaga: You too.

Me: Wow! This makes the second gene-slammer related to a duel monster. That is cool!

Gianna Gagaga: It sure is. And also I am one that is always hungry like the wolf.

Luna: Love that song dude!

Black Wolf: Love someone with an appetite like mine.

Me: Yeah!

Nico: And your friend?

Another Lily: Isn't it obvious? I am someone here for revenge on my humiliation!

She reverted back and it was a girl with red hair and green eyes and had brown and pink clothes.

Lily: (GASP) Janice Lululai!

Janice Lululai: You ruined my life Lily!

Lily: You brought that on yourself.

Me: You know her Lily?

Lily: Unfortunately yes I do. I busted her mother for selling secrets to enemy terrorist groups overseas.

Sheila: I remember that! The FBI had her mother under surveilance over the last few months and we arrested her and sentenced her to death for treason.

Me: WHOA MAN!

Nico: I remember seeing that on the news! That was huge!

Xenia: Yeah.

Kaito (gets out Go Busters gear): Did Swartz promise you anything?

Zocks (gets out Gokaiger gear): Because we can grant it instead

Kaito and Zocks got Megaforce and Super Megaforce weapons.

Me: And obviously from Swartz, for Janice, revenge.

Gianna Gagaga: That's right. And he didn't promise me anything actually.

Me: Oh. Okay.

Nico: The only place Janice is going to is prison.

Sougo (gets out Beast Morphers Ridewatch): You're not touching Lily!

Geiz (gets out Super Megaforce Ridewatch): Not if we have anything to say about it!

Sougo got RedBeastMorpherArmor while Geiz got SuoerMegaforceRedArmor

Me: That is for sure!

Lincoln: Lets separate you first.

We did so and tied up Janice and gagged her.

Me: There.

Lola: Now for the fun.

Nico: (Gets out Black Wolf's Ridewatch) I'm Hungry Like the Wolf!

May: (Gets out Decimax's ridewatch) Time to unleash the sound!

Maria: (Gets out Lego Barty Crouch Jr.'s Ridewatch) I FUCKING HATE SLYTHERINS!

Adolpha: (Gets out Chili Pepper Malgam's ridewatch) Time for some Chili Pepper Heat!

They used the powers of Black Wolf (The Flight Before Christmas), Lily, Chili Pepper Malgam, Decimax, Alpha Phantom Fraime, Lego Barty Crouch Jr. and Gargoyle (2023 Miraculous Ladybug) and blasted the Anothers.

Then Cyber Peacock, Hunter (Dino Charge), Balrog, Power Ring, En and Samara Morgan came.

Me: WHOA!

Nico: Nice team Cyber Peacock!

Cyber Peacock: Thanks Nico.

Ring Man: My team is next! Awesome!

Nico: Looking forward to it!

?: Me too!

Then Silphymon came!

Me: WHOA! Silphymon.

Nico: Cool!

Silphymon: (In a girls voice) Lets make this a fun one.

Nico: Jiadha Silphy! Wow!

She reverted back and was a girl with red hair and red eyes and had red clothes and pink angel wings and she had Silphymon in the middle of her forehead and on her skirt and shirt and she had a flower sword in her hand.

Jiadha Silphy: Good to see you Nico. I got this.

She did amazing moves.

Jiadha Silphy: (ECHOING) STATIC FORCE!

She fired a powerful red energy blast and it hit the Anothers and blasted them and I caught the ridewatches and purified them.

Me: YEAH!

Nico: You're going to jail for a long time

Lily: That is for sure. Hope you like eating sawdust gruel and chumdogs.

WE LAUGHED!

We sent her to the Neptune Prison.

Jiadha Silphy: That bitch had it coming.

Lily: I'll say. Ouch.

Lana: Here Lily.

Lana gave her some ice.

Adolpha: Do you have a favorite memory of Nico?

Jiadha Silphy: I sure do. Where me and Nico went to my family's greenhouse and we had a great picnic with all my friends of nature.

I'm an animal and plant charmer and everything in nature and in the animals and bugs are all my friends.

Nico: Yep.

Me: Wow! That is cool.

Jiadha Silphy: It sure is.

Nico: Yeah.

Nico and Jiadha hugged.

Nico: I've missed you.

Jiadha Silphy: Same here.

Me: Cool.

We went back home.

Jacques captured the werewolf who had the features of Gilles Garnier, a local hermit and poor hungry recluse, and he'd brought him back to Paris, and he began inflicting torture to help illicit a confession from the accused werewolf by using a whip studded with silver curved blades. Suddenly, when Jacques saw his eyes turn yellow, he saw it for himself: Gilles Garnier was the werewolf responsible for the murders of the women and children in Dole and for the murder of his sister, and doomed by the power of myth, Gilles Garnier was sentenced to death as Jacques Delacroix decapitated him with silver blade studded whip and had his body burned.

But, according to legend, word of Garnier's death spread throughout the hidden werewolf colonies in the mountains of France, and they swore they would destroy The Delacroix Bloodline for that, and it sparked the beginning of a dark war between The Delacroix Family and the werewolves of France, a conflict that raged for over 500 years. Now, 500 years later, Andre Delacroix, the last of his bloodline, has gotten word of a shocking plan that'll shake the foundations of Paris to its core: it appears that his old enemy, Jaune Garnier, the descendant of the notorious werewolf, Gilles Garnier, is planning to bring his ancestor back from the dead and get his revenge on Paris, and he murdered Andre's parents to stop any intrusions from any werewolf hunters, and the ceremony is about to be done on the night of The Werewolf Moon. So, we're joining up with Andre Delacroix to help stop the resurrection and kill Jaune Garnier before his ritual is complete.

Lincoln: Ah, we're here in France, and I know what we're going to do here, not only am I going to rescue the one-hundred seven girls here, but we're going to meet up with an old friend of Caleb Maxwell's.

Nico: An old friend of yours? Who is he, Caleb?

Caleb Maxwell: His name is Andre Delacroix, he's a renowned Werewolf Hunter and White Magician from France, but he has a dark family history going back over 500 years ago beginning in 1573 when reports were coming in of a werewolf stalking the remote villages of Eastern France specifically Dole and devoured women and children, and it's where his ancestor, Jacques Delacroix, a blacksmith from Paris and secret White Magician went there to capture the werewolf who was also responsible for the murder of his sister, Marie Delacroix. Jacques captured the werewolf, and when he looked closely at it, he saw it had the features of Gilles Garnier, a local hermit and poor hungry recluse, and he brought him back to Paris on the accusation of being a werewolf, and he began inflicting torture to help illicit a confession from the accused werewolf by using a whip studded with silver curved blades. Suddenly, when Jacques saw his eyes turn yellow, he indeed saw it for himself: Gilles Garnier was the werewolf responsible for the brutal murders of the women and children in Dole and for the murder of his sister.

Me: My God!

Caleb Maxwell: Yep, it was gruesome, and as a result, doomed by the power of myth, Gilles Garnier was sentenced to death as Jacques Delacroix decapitated him with his silver blade studded whip and had his body burned.

Nico: Damn.

Caleb Maxwell: But, the story doesn't end there, according to legend, word of Gilles Garnier's death spread throughout the hidden werewolf colonies in the mountains of France, and they'd sworn they would destroy The Delacroix Bloodline for that, and it sparked the beginning of a dark war between The Delacroix Family and the werewolves of France, a conflict that raged for over 500 years.

Eli: Like with The Vampire-Lycan War and the first Vampire-Werewolf War.

Caleb Maxwell: Something like that, but it was one family bloodline against colonies of werewolves. Last night, I got a call from Andre who told me of the situation, it appears that his old enemy, Jaune Garnier, the descendant of the notorious 16th Century werewolf, Gilles Garnier, is planning to bring his ancestor back from the dead and get his revenge on France, and he'd murdered Andre's parents to stop any intrusions from any werewolf hunters, and the ceremony is about to be done on the night of The Werewolf Moon. So, we're joining up with Andre Delacroix to help stop the resurrection and kill Jaune Garnier before his ritual is complete.

Lincoln: He can't do this alone, like you said, it's one family bloodline against colonies of werewolves, and Andre being the last of his line won't stand a chance against them, so he needs help from us.

Suddenly, we saw two werewolves coming at us, but then, they were slain by slashes from a silver blade studded whip.

?: (French Accent) Sorry for that, but I wasn't about to let those werewolves attack.

Suddenly, we saw a tall 6'11" male with long light brown hair, super-strong muscular body, blue eyes, tanned skin, he was dressed in a black short-sleeved shirt, black pants, black knee-high boots, black gloves with silver armor on the finger joints and silver claws on the fingers, long white trenchcoat with red inlay and red collar with red embroideries on the cuffs and coattails and red cross on the back, and in his right hand is a massive 8'5" silver whip with curved silver blades built into the whip and silver bladed head at the end of the whip, long midnight black handle, and silver blade-shaped pommel with red tassel: it was Andre Delacroix, renowned Werewolf Hunter and White Magician and descendant of Jacques Delacroix.

Caleb Maxwell: Andre, glad you made it.

Andre Delacroix: (French Accent) It wasn't easy though, but I'm glad you all could get here as soon as possible, and I'm sure you've heard the whole thing, right?

Blizzard Wolffang: We have.

Cage Blunt: We got to find Garnier and fast before the resurrection takes place.

Lincoln: But, first, we got to take care of the werewolves, and I know just what to do.

Suddenly, Lincoln let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his entire body was covered in thick brown fur and his massive pecs and ten-pack abs were covered in tan fur, his deep sapphire blue eyes and rainbow iris of his Third Eye remain the same, but the pupils turned into slits, his fangs grew longer and his rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's nose and he grew a wolf snout and sturdy tan-colored muzzle, his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings remained the same, his eleven massive and long white wolf tails and large white wolf ears turned brown, his long wild white hair turned brown with white streaks and became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned dark blue, and he let out a loud howl as he turned into Lincoln The Nocturnal!

Lincoln: (HOWLS AND BEATS HIS CHEST LIKE A GORILLA)!

Travis Tackett: Andre, you better not even think about trying to hurt Lincoln, or else you're gonna be dealing with his siblings and harem.

Lincoln's siblings and harem cracked their knuckles to make Andre Delacroix get the message.

Caleb Maxwell: Anyways, now we got to find Jaune Garnier and stop him before he resurrects Gilles Garnier. But, where could he be?

Andre Delacroix: (French Accent) There is only one place where Jaune could be at. I remembered that after Garnier was exposed as a werewolf in 1574, he was taken to Lyon, France, where he was executed by having his head cut off and his body burned.

Lincoln: (Beastly Voice) Then, we got to head to Lyon, France and fast.

James Blunt: It won't be easy though, I found out all of the werewolf colonies are there for this very moment. So, you've got quite a bloody feast to look forward to, Lincoln.

Suddenly, we saw a werewolf running through the skies as it left an awesome trail of darkness in the skies, and it howled as we saw a full moon shining in the skies, and then, it landed, and it turned into a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, short brown hair with large brown wolf ears and brown wolf tail, yellow eyes, massive black angel wings, white short-sleeved blouse with a dark blue wolf print on it and on her forehead, the Wolf Moon tattoo on her right arm, dark blue sleeveless crop top, dark blue skirt, dark blue knee-high high-heeled boots with butterfly buckles, long white sleeveless trenchcoat with stars, darkness, moonlight, ice, werewolves, phoenixes, and angels on the coattails, and on the back is the Werewolf, she has a darkness greatsword, and with her are the one-hundred seven girls.

Lincoln: (Beastly Voice) (GASPS) Winter Werewolf, Avatar of The Werewolf.

Winter Werewolf: That's right, and I got the girls away from Jaune Garnier and the werewolf colonies. They've already started the resurrection, and it won't be long before Gilles Garnier comes back.

Jack Howard: We got to hurry.

Caleb Maxwell: We got to deal with the colonies of werewolves first before we go after Jaune Garnier, Jack. Andre, how many werewolf colonies are with Jaune Garnier?

Andre Delacroix: (French Accent) According to Mom and Dad's journal that they kept locked away in their desk, there are 500,000,000,000,000,000 werewolf colonies in the mountains of France, and the numbers of werewolves there are over...!

Lincoln: (Beastly Voice) 500,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 werewolves.

WE GASPED AT THE SHEER NUMBERS OF WEREWOLVES THERE!

Roxy Drake: There's no way we can get rid of them.

Lincoln: (Beastly Voice) That's where I come in, I'm going to absorb them, and the only way to get them to me is to lure them out. (Cracks Knuckles) Time for me to really let the beast out.

We took to the air while Lincoln continued on foot, and as soon as he got near, he let out a bellowing and loud howl, and to the 500,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 werewolves there, it sounded like a challenge as they growled and charged out.

Lincoln: (Beastly Voice) Heh, alright, bring it on!

THEN, LINCOLN RAN AT THE 500,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 WEREWOLVES AND HE TORE THEM DOWN AS HE THRASHED THEM INTO THE GROUND WITH HIS MASSIVE AND INCREDIBLE GODLY SUPERHUMAN STRENGTH AND SLASHED AT THEM WITH HIS GOLD-ARMORED DRAGON CLAWS, AND THEN, HE TURNED THE TIPS OF HIS TAILS INTO CELL'S STINGERS, AND HE STABBED THEM INTO THE WEREWOLVES' CHESTS, AND ONE BY ONE, HE BEGAN ABSORBING THEM AND ASSIMILATING ALL OF THEIR POWERS AND ABILITIES, AND HIS ABNORMALLY MASSIVE AND POWERFUL UPPER AND LOWER BODY MUSCLES BULGED EVEN MORE AND VEINS FORMED ON HIS BODY, AND HIS MASSIVE WHITE ANGEL WINGS AND FOUR OTHER SETS OF LARGE WHITE ANGEL WINGS UNDERNEATH HIS MASSIVE WHITE ANGEL WINGS SPREAD OUT AND HIS HALO GLOWED, AND HE BEGAN GROWING EVEN MORE STRONGER!

Lincoln: (GROWLS) (Beastly Voice) Oh man, now this feels really good!

FINALLY, WHEN LINCOLN WAS DONE AND THE STINGERS CHANGED BACK, HE DRAINED THE SOULS OF THE WEREWOLVES OF ALL THEIR ENERGY AND HE IMPRISONED THEM IN HIS MASSIVE WHITE ANGEL WINGS!

Lincoln: (Beastly Voice) Alright, guys, you can come down now.

We came down.

Caleb Maxwell: That takes care of the werewolf colonies. And then, there was one.

Andre Delacroix: (French Accent) Only one remains: Jaune Garnier.

Suddenly, we heard a massive and loud roar, and we rushed over immediately, and then, we saw the skeleton of a 16th Century werewolf reanimate, and it regrew its skin, muscles, flesh, and fur, and in its place was a massive 12'5" hulking werewolf along with a

6'11" male with black clothes, but had the features of a werewolf: yellow eyes and claws on his fingers along with hair on his jawline and chest.

Caleb Maxwell: We're too late, Gilles Garnier has returned from the dead.

Andre Delacroix: (French Accent) That may be true, but we've come this far, Caleb, we cannot turn back. JAUNE GARNIER!

Jaune Garnier turned and saw us.

Jaune Garnier: (French Accent) Andre Delacroix and Team Loud Phoenix Storm?! Damn it! But, it's all too late, Gilles Garnier, my ancestor, has returned, and now, I shall take revenge on all of France for his death.

Suddenly, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers and he stabbed them into the chests of Jaune Garnier and Gilles Garnier and he began absorbing them and he and all of us assimilated their werewolf powers and abilities, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, when Lincoln was done and the stingers changed back, nothing was left of Jaune Garnier and Gilles Garnier and he also drained their souls of their energy and banished them to The Black Abyss forever. We cheered as we holstered our weapons and powered down.

Lincoln: (Beastly Voice) And that is the end. (HOWLS IN VICTORY AND BEATS HIS CHEST LIKE A GORILLA)

Andre Delacroix: (French Accent) Finally, after 500 years, it's all over.

Caleb Maxwell: We'll make sure your parents get a proper burial after what Jaune did.

Lincoln: (Beastly Voice) You bet, they will be remembered for what they've done to defend France and the world. (To Winter Werewolf) And it's so good to see you again, Winter.

Winter Werewolf: You too, Lincoln, it's been seven years since we last met.

Suddenly, Winter Werewolf had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When

Winter Werewolf was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his muzzle and he was literally in Heaven.

Lincoln: (Beastly Voice) (In Heaven) That's...something I've not...forgotten.

Nico and I snickered.

Winter Werewolf: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Winter Werewolf and hugged her, and Winter Werewolf is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him and even in his werewolf form, he's also even more taller, more handsome, buffer, hunkier, and much more muscular, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: (Beastly Voice) It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Winter Werewolf: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Winter Werewolf, Avatar of The Werewolf, she's Lincoln's Guardian Angel and she's known as The Werewolf Warrior of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Winter is a powerful master of the powers of blue wolf fire, light, darkness, ice, and the powers and rage of the werewolves. She lived during an age of darkness and she was said to have been raised by a clan of werewolves in the mountains of Western Europe, and over time, as she grew, she gained all of the incredible strengths and powers of the werewolves along with immortality, and she'd fought to defend her clan of werewolves from the hatred and fear wrought on by the paranoia that humans had towards werewolves, and many centuries later, there was one person that harbored a true love for everything, and that also really strengthened the love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of blue wolf fire, light, darkness, ice, and the powers and rage of the werewolves, and he also gained all of the incredible strengths and powers of the werewolves, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves and men combined along with incredible levels of incredible superhuman speed and he's able to run as fast as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves, plus it also enhanced his night vision, incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well, and she also found out Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him in his werewolf form on the muzzle and made out many times in his werewolf and he came back home all covered in kisses and his tails were wagging like crazy. Lincoln made her a powerful darkness greatsword and gave her a wolf moon tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Winter kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the fury of the werewolf.

Nico: Lincoln already told us that he already gave you the Wolf Moon tattoo.

Me: But, I have a feeling he's going to mark you.

Lincoln: (Beastly Voice) That way, no idiot tries anything on her, and now that you're here, Winter.

Lincoln with his massive muscular arms still wrapped around Winter Werewolf leaned his head down to the right side of Winter Werewolf's trapezius, and he slowly bit her and he fed on her blood, and his rainbow, white, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large white feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Winter Werewolf: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Winter Werewolf with dark blue gems on the gold lightning bolts and dark blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Winter Werewolf: (Surprised) Lincoln, are these...?!

Lincoln: (Beastly Voice) Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Winter Werewolf.

Winter Werewolf had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Winter Werewolf's waist, and he leaned down to her face and kissed her on the lips, and with Winter Werewolf's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Winter Werewolf had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Winter Werewolf: (In Heaven) My God. Oh, Lincoln, the one-hundred seven girls I rescued are...

Travis Tackett: And that's our cue to go.

We left for The World Tree Estate leaving Lincoln, Nicole, and his harem. Then, they went up to the one-hundred seven girls, and when Lincoln saw them, his nose was gushing out blood when he saw them and he immediately recognized them. Lincoln made one-hundred six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Admi: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, one-hundred seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Renee Ghostblade/Spectre, Zoey Mysticscepter/Battle Mage, Corina Nenfighter/Nen Master, Ade, Admi, Alice, Anchor, Anis, Anne, Aria, Bay, Belorta, Biscuit, Blanc, Brid, Centi, Cocoa, Crow, Crown, D, Delta, Diesel, Dolla, Dorothy, Drake, Elegg, Emilia, Emma, Epinel, Ether, Eunhwa, Exia, Folkwang, Frima, Guillotine, Guilty, Harran, Helm, IDoll Flower, IDoll Ocean, IDoll Sun, Isabel, Jackal, Julia, Laplace, Leona, Liter, Ludmilla, Maiden, Marciana, Mary, Mast, Maxwell, Mica, Mihara, Milk, Miranda, Modernia, Moran, N102, Naga, Neon, Nero, Neve, Nihilister, Noah, Noir, Noise, Novel, Pepper, Poli, Privaty, Product 08, Product 12, Product 23, Quency, Quiry, Rapi, Rapunzel, Red Hood, Rei, Rosanna, Rupee, Sakura, Scarlet, Shifty, Signal, Sin, Snow White, Soda, Soldier EG, Soldier FA, Soldier OW, Soline, Sugar, Syuen, Tia, Tove, Trony, Vesti, Viper, Volume, Yan, Yulha, Yuni, Eve, and Lily Artemis II with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies. Lincoln, Nicole, and his harem returned home.

Maria: J.D. told us everything that happened, you really tore apart a ton of werewolves and absorbed them.

Lincoln: (Beastly Voice) You guessed it.

They also saw the werewolves imprisoned as stars in his massive white angel wings and four sets of large white angel wings underneath his massive white angel wings.

Nico: It was a really gory fight, Lincoln tore right through them and he smashed them into the dirt and he absorbed all of them.

Me: Even I was stunned, but I know that you never ever want to mess with Lincoln, because if that happens, he will let the beast out!

Lincoln: (Beastly Voice) Many werewolves and vampires and many other supernatural creatures know it, but they refuse to listen, so I have to remind them all of who's in charge. Well, then let me change back.

But, before he could, Winter Werewolf stopped him by placing her hands on his massive pecs.

Winter Werewolf: I don't think so. In fact, you're going to spend the whole entire day as Lincoln the Nocturnal.

Lily: What the? But, Winter, you know today's my big day mission, and I don't want Kengo and the team to panic!

Lincoln: (Beastly Voice) They already knew I was a werewolf when I was turned seven years ago and when I got turned into a vampire at the same time as well, Lily, and they already know of my Lincoln the Nocturnal form, so they're cool with it.

Eli: And you may get the chance to rip Dark Carmeara to pieces as well.

Lincoln: (Beastly Voice) Just what I was about to say. I've had it up to hear with that monster, she's going to pay for every last one of her crimes.

Me: You bet she will.

After Lincoln and all of us got rid of Jaune Garnier and Gilles Garnier and sent them to The Black Abyss, we were training intensely in the gym, doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Winter Werewolf saw Lincoln doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Winter Werewolf: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, he also got one awesome tan, and he's also doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: (Beastly Voice) Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Winter, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Winter Werewolf: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Winter Werewolf: I knew it was only a matter of time before he told

everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, James Blunt got out a video.

James Blunt: Now, I've got another video to show you guys, this was around the time I took Caleb in after he returned from the dead, and he saved me from doing something really horrific yet again, but that moment also deepened the bond we both formed ever since he stayed with me.

James Blunt put the video in and it played on the big screen, and we saw James Blunt and Caleb Maxwell working on a car in the yard in his house in West Virginia.

Past James Blunt: Sheesh, this is one really messy job. Who can cause a car's engine to die out on him?

Past Caleb Maxwell: Clearly, someone with no respect for automobiles and looks for an excuse to tear up the road. Seriously, they're just asking to get stopped by the police.

James Blunt and Caleb continued working on the car to get it up and running, but then, they saw a gang heading for them.

Past Caleb Maxwell: Oh no, not them.

Past James Blunt: Not those hoodlums again.

The thugs parked in front and got off the bikes.

Past James Blunt: What do you want?

Then, the leader of the gang got out a gun and aimed it at Caleb Maxwell, and when Caleb saw the pin, he got furious.

Past Caleb Maxwell: You son of a...! Mr. Blunt, those guys are assassins hired by The Syndicate to kill me on the orders of Drake!

Thug Leader: What the?! KILL HIM!

The thugs' leader fired, but the bullet hit James Blunt in the shoulder as he got in front of Caleb Maxwell to protect him, but that was a big mistake.

Past James Blunt: You...! (Deep brown eyes turn blood red and his fangs grew) You just made a fatal mistake!

Thugs: WHAT THE HELL?!

James Blunt let the vampire in him take over as his eyes became a solid blood red and he ran at the leader and he tore at his throat out with his claws and he bit him on the neck and drained him dry of blood, and then, he proceeded to slaughter the rest of the thugs, and as Caleb saw the mess around him, that horrified him.

Past Caleb Maxwell: Mr. Blunt!

Suddenly, James Blunt turned to face Caleb Maxwell as his menacing solid blood red eyes glared right at Caleb Maxwell, but then, the blood red sclera of James Blunt's eyes changed back to white and his eyes were still red, but he was back to his normal self.

Past James Blunt: Caleb, I...

But, before he could say anything, Caleb Maxwell ran at James Blunt and hugged his waist tight.

Past Caleb Maxwell: Mr. Blunt..., please just don't do this again. I don't want to see you to get hurt just to protect me, what you did..., it reminded me of how I saved your son and Travis from Drake, and I paid the price for it with my life eight years ago. So..., please...!

But, before Caleb could say more, James Blunt hugged Caleb Maxwell as a means of comforting him, and they stayed that way for a little more than an hour before they separated.

Past James Blunt: I'm sorry you had to see that, Caleb. Now, what do we do with the bodies?

Past Caleb Maxwell: We need to burn them, all of them.

Caleb Maxwell and James Blunt took the bodies into an abandoned field and doused all of them with gasoline, then Caleb Maxwell took out a lighter, and he threw it, and the bodies were set ablaze, and they were all reduced to ashes, and then, they went inside.

Past Caleb Maxwell: I'm not letting that piece of crap get away with this.

Past James Blunt: I got this from the leader.

James Blunt had the thugs' phone in hand, and Caleb searched the contacts and then found Drake's number. He then dialed it.

The scene transitioned to New York, and Drake Maxwell saw the contact number on his phone and answered it.

Past Drake Maxwell: Carlos, there you are, is the job...?

Past Caleb Maxwell: Guess again, shithead.

Drake Maxwell's blood ran cold, but his temper ran red hot!

Past Drake Maxwell: WHAT?! HOW THE?!

Past Caleb Maxwell: That's not important right now. How dare you send some lowlife thugs after me to try and kill me again, I would've thought your bloodlust was quenched after you killed me during The Hallowshade Bloodbath eight years ago, but I can guess Dad's scum-sucking relatives heard the news about me returning from the dead, and they blabbed to you about it, fucking blabbermouths, the lot of them!

Past Drake Maxwell: (ENRAGED SCREAM) THIS ISN'T OVER, CALEB! I WILL FIND YOU AND I WILL KILL YOU AGAIN!

Past Caleb Maxwell: Piss off, shit for brains! You can't kill what's already dead, and if you so much as pull another idea out of your ass and send another one of your braindead thugs to kill me, I won't be showing you any mercy! I'll come back to New York and hunt you and Dad down like the filthy fucking animals that you both are along with every last Syndicate lowlife thug and all of Dad's scum-sucking relatives, and if they so much as hurt one hair on Allie and Mom, I will make sure all of your heads are mounted on top of The Empire State Building and every last skyscraper in the city.

Past Drake Maxwell: (ENRAGED SCREAM) SCREW YOU! FUCK YOU!

Past Caleb Maxwell: Yeah, fuck you too, asshole!

Caleb Maxwell hung up and slammed the phone on the receiver.

Past James Blunt: (Snickers) (Smirks) Well, well, well, that was pretty colorful of you.

Past Caleb Maxwell: To be honest, I wanted nothing to do with Drake again after I found out his and Dad's secret when I was 18, but no matter what, I just can't escape his dark shadow. If I regain all my memories, I will do just as I'd promised: I will hunt Drake and Dad down like the filthy fucking animals that you both are along with every last Syndicate lowlife thug and all of Dad's scum-sucking relatives, and if they so much as hurt one hair on Allie and Mom, I will make sure all their heads are mounted on top of The Empire State Building and every last skyscraper in the city.

The video ended.

Me: Yikes, talk about a really brutal threat, and how were able to get James to snap back with just that?

Caleb Maxwell: I know, but somehow, I found it to be the only way to do so, and I wasn't lying with what I said: seeing James get shot like that as he got in front of me brought back that memory of me pushing Cage and Travis out of the way.

James Blunt: I scared Caleb that badly because of what he saw, but he managed to snap me out of it, and he knew that Drake's thugs couldn't be allowed to live, so he came up with the idea of dousing them with gasoline and setting them on fire, and I was impressed that he told Drake off like that.

Me: He was pretty pissed off.

Nico: Especially with the language that was used, yeesh.

Lincoln: I guess it proved just how much Caleb hated Drake for what happened.

Allie Maxwell: Even I was stunned when we heard it from James who called us about that incident.

Marlene Maxwell: I knew Drake was scum, but I never expected him to be absolute trash as to hire thugs to kill Caleb again, he truly is the worst.

Caleb Maxwell: Too true, Mom.

We got a shower, and then, Lincoln, Universe 666 Tazma Grimm, Simulator Vidro, Mei Lin, and Zerlina Lewis are heading for Sirena Beach.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 666 Tazma Grimm, Simulator Vidro, Mei Lin, and Zerlina Lewis are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Universe 666 Tazma Grimm, Simulator Vidro, Mei Lin, and Zerlina Lewis all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all.

Zerlina Lewis: Wow, so this is Sirena Beach, it sure is beautiful.

Lincoln: It sure is, Zerlina, and it's perfect for our first date, shall we?

Lincoln, Universe 666 Tazma Grimm, Simulator Vidro, Mei Lin, and Zerlina Lewis dived into the waters, and they began swimming, and they also saw the marine life that lived there, then, they went back to the beach, and the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an amazing volleyball game, and they went into a workout area Lincoln created, and Universe 666 Tazma Grimm, Simulator Vidro, Mei Lin, and Zerlina Lewis got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Mei Lin: (Swooning) So manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Universe 666 Tazma Grimm, Simulator Vidro, Mei Lin, and Zerlina Lewis and hugged them in their abnormally massive and powerful muscular arms, and Universe 666 Tazma Grimm, Simulator Vidro, Mei Lin, and Zerlina Lewis placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Universe 666 Tazma Grimm, Simulator Vidro, Mei Lin, and Zerlina Lewis and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Tazma Grimm, Simulator Vidro, Mei Lin, and Zerlina Lewis on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Universe 666 Tazma Grimm, Simulator Vidro, Mei Lin, and Zerlina Lewis are in your harem, Linky.

Universe 666 Tazma Grimm, Simulator Vidro, Mei Lin, and Zerlina Lewis showed the marks Lincoln made on the right sides of their necks.

Jenna: You guys had no trouble at all.

Mei Lin: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: Sand Kingdom for another round.

Me: Nice.

Nico: Who wants to come with?

Sam: Me and Kim this time.

Me: And I'll go too.

Gusty the Great: And me too.

Maria: Same here.

Nico: Okay. Lets go.

We went in and the simulator activated and we were in Sand Kingdom.

Me: We're here.

Nico: Nice.

Nicole: Well you guys are gonna be shocked about the baddie you're going to face. Vypra called and said that it's someone who you haven't faced in a while.

Nico: That could be anyone.

?: OH I beg to differ!

Me: That voice! I haven't heard that one in a long time. Been a while Skeletor!

We looked and saw our old enemy SKELETOR!

Nico: Skeletor!

Skeletor: You fools must be wondering why I'm here.

Nico: Well… yes.

Me: Yes.

Skeletor: I'm here because Anti Monitor doesn't seem to think me as important. And all because He Man isn't a Core Member. Preposterous! I'm sure to change his mind and get a promotion once I kill you all!

Sam Simpson: Someone has a bruised ego!

Me: You're still pissed because I took your face 10 years ago.

Skeletor: That's right! I'm surprised you still remember that!

Me: An elephant never forgets. This time I'm going to finish you.

Nico: Count us in as well!

I unsheathed my sword.

Me: Time for some unfinished business.

He sent his Havoc Staff at me and I SLASHED IT AND DESTROYED IT!

Me: Nice try!

He unsheathed his sword and I jumped and clashed with him and sparks flew all over.

CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG!

Kim: Why do I get the feeling that this is a warmup for me?

Kim kicked Skeletor and bashed him down.

I clashed with him more and he got his 2 swords ready and we clashed more and sparks flew all over and I kicked him all over.

I punched him.

Me: Take that!

Skeletor: What happened to you J.D.? You've gotten stronger and more powerful since we fought the last time.

Me: That's because I have gotten stronger and more powerful. Faster, stronger, deadlier and more formidable.

Nico: And at least you still got your swords!

Skeletor: Still won't help!

I kicked him down!

But then a massive energy blast hit Skeletor and blasted him down.

Me: What the!?

We saw REGIGIGAS!

Me: Regigigas!

Nico: Holy!

Gusty the Great: I wonder.

She used Telepathy and saw that it was her descendant!

Gusty: It's Autumn Gusty the Great! She's my descendant!

Nico: Oh man!

Me: You guys help her! I'll hold him off!

Nico: Okay. Lets go Gusty!

Nico and Gusty went over.

Gusty the Great: Autumn Gusty it's me your ancestor!

All she did was raise her fist

They dodged a punch and Nico and Gusty kicked Regigigas.

Nico: This is gonna be tough.

Gusty the Great: It sure is.

She grabbed Nico.

But Nico kicked her down.

Nico: Time to revert her back.

Nico snapped his fingers and she was a girl with green hair and red streaks and had blue eyes and Regigigas on her forehead and had green and purple wings and had a multicolor version of Gusty's cutie mark on her arm.

Nico and Gusty wrapped her in a blanket.

I kicked Skeletor all over.

She woke up.

Autumn Gusty: (Groans) Huh? Ancestor? Ancestor oh wow.

Nico: You were turned into a Regigigas by Dark Gale.

Autumn Gusty: Oh man I remember!

She was in a white suit and injected and she busted out and turned into Regigigas and busted out.

FLASHBACK ENDS

Autumn Gusty: It was awful.

Maria: Lets get you new clothes.

Maria gave Autumn new pink awesome clothes.

Autumn Gusty: I look awesome.

Maria: You sure do.

I kicked Skeletor.

Me: Time to finish you.

Nico: (gets out Black Wolf and Jareth's Ridewatches) We can do magic too! And let's add some wolf power

Nico activated them and fired waves of energy and blasted him.

We fired waves of energy and blasted Skeletor all over.

Autumn Gusty: Shall we do it Ancestor?

Gusty the Great: Lets do it.

Autumn Gusty and Gusty: WIND GUST FURY BLAST!

They fired waves of energy and wind and blasted Skeletor and smashed him all over.

Me: Now for this too.

I stabbed Skeletor right in his chest!

SHEEN!

I then sucked out all of his power as Skeletor and he was turning back to Keldor. He was back to normal and Skeletor was destroyed.

I sent Skeletor to the Black Abyss.

Me: That's it.

Keldor: So you have me beat.

Me: I have plans for you Keldor. You have honor and Skeletor didn't. Now as punishment for your crimes against Eternia you are condemned to eternal servitude in the M.O.E.

Keldor: Meh.

Nico: Deal with it.

I teleported him to the M.O.E. HQ

Nico:...what just happened?

Me: I stripped Keldor of his powers as Skeletor and reverted him back to what he was before. Keldor has more honor than Skeletor. I sent him to the M.O.E.

Nico: Oh I see where this is going now. Good work.

Me: Thanks.

I then got a call on my phone.

Me: Oh excuse me. (Answers) Hello?

Vypra: J.D. it's Vypra. Keldor is with us. His former teammates are happy to see him.

Me: That's good. He fought us as Skeletor during the Odyssey adventure and we beat him. I destroyed Skeletor and turned him back into Keldor and he is now in your servitude.

Vypra: Good. He will make a good addition. Thank you.

Me: No problem.

She hung up.

Nico: What's your role in Sonya's team?

Autumn Gusty: I am the wind sword and leaf dancer of the team and I use the wind and the leaves to confuse my enemies. Also I have the the powers of all the elements.

Nico: Cool!

Autumn Gusty: And outside the team I am a historian and teach lots of people about the history of my ancestor.

Nico: That is awesome.

Maria: It sure is.

Autumn Gusty: Yep.

Nico: Awesome!

We left the simulator and everyone cheered for us.

At sunset, we were at Sunnydale.

Qinlong Chen: Here we are in Sunnydale

Me: Yep. Okay you vampire fuckers. Come and get us.

I prepped the Megabomb.

We locked and loaded our weapons.

Horsea got her gun ready.

Me: Bomb is armed and ready. I have the detonator with me.

Nico: Good.

Horsea turned…only to see a cat

Horsea: Oh just a cat.

Fluttershy picked it up and cuddled it.

Me: It's quiet. Too quiet.

I sensed something behind me and then...

BANG!

I blasted a man's head and he exploded into ashes and fire.

Nico: Vampire!

We then saw NUMEROUS VAMPIRES COMING!

Heidi Coors: There they are!

Me: You obviously do not know WHO YOU ARE FUCKING WITH!

I activated an Ultraviolet Flashbang bomb and then it released a massive flash of light and incinerated them!

They were toast!

I then took auto injectors and stabbed them into numerous vampires and they screamed. They inflated and then...

KRASQUELCH!

THEY EXPLODED AND SPLATTERED BLOOD AND GUTS ALL OVER! THEY INCINERATED TOO!

Reflector: Have some of this!

He blasted them with light.

I stabbed numerous vampires with stakes and incinerated them.

Laney and the mascots sprayed the vampires with garlic!

THEY EXPLODED ALL OVER!

Lana: (LOUD NASTY GARLIC FART!)

She made the vampires explode.

Nico: YEAH!

Me: Now for the grand finale!

First Aid: Which is?

Me: This.

I pulled out the remote for the bomb.

NUMEROUS VAMPIRES CAME!

Me: RISE AND SHINE!

I pressed the button and then...

FLASH! WHOOSH!

A MASSIVE FLASH OF LIGHT BLASTED OUT AND INCINERATED ALL THE VAMPIRES IN A MASSIVE AREA AND THEY WERE ALL BURNED TO CINDERS! THEY WERE ALL DEAD! ALL THE VAMPIRES IN A 500 MILE RADIUS WERE TOAST!

New Wave was walking back and saw the flash of light and it was intense!

New Wave: WHOA! What was that!?

Back with us we were standing victorious.

Me: Take that!

Qin: WHOA! Holy crap!

Camie: These vampires are dead!

Varie: Whoa no kidding!

Lola: WOW! That was intense!

Poromon: No kidding!

Buffy: WOW! That Ultraviolet Megabomb was awesome!

Qin: It sure was!

We counted how many there were that were torched.

Me: Holy crap! We killed 823,239,434,946,766,456,999,999,999 vampires.

Nico: WOW! What a record!

Lola: YEAH!

Konan: Yeah no kidding! What a battle.

Camie: Yeah.

Ashi: We killed a lot of vampires

Me: Holy fuck! That was awesome.

Camie: Yeah!

Laney: Yeah!

Lily: I don't know why but I feel like killing Squidward.

Squidward: Why?

Lily: I don't know. I just do.

Camie: Uh oh.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: (Beastly Voice) We don't have long before Lily's big day starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on

their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Dark Carmeara, she's back from the dead and causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: So, you're finally on the move, Dark Carmeara.

Eli: It's time.

Lincoln: (Beastly Voice) That it is, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: (Beastly Voice) Everyone, we've got a huge emergency, and the time has arrived: I just had a vision and I saw who it was that we're going to confront today: it was Dark Carmeara, she's back from the dead and causing havoc.

WE GASPED!

Lily: I knew it.

Maria: Looks like she's pissed off that we destroyed her and sent her to The Warp, and now, she's out for blood. Alright, then, if that's how she wants play it.

Lemon Hearts: Then, let's get after her and take her down once and for all.

Lincoln: (Beastly Voice) Right. This is where I'm going to settle my unfinished business with that witch and take her down for good.

Nico: At least, Carmeara was freed from that monster inside her. Now, that the monster in her is out in the open, we don't have to hold back. Alright, team, let's go, Dark Carmeara's time is up!

Lincoln: (Beastly Voice) Her crimes have gone unpunished for too long, this is where it all ends for her.

The previous group came.

Girder: Can me, Touch & Go, Plastique, Firebrand, Steam Smythe, Hydrax, Pyros, Hydros, Stratos and Lythos go with you guys?

Mr. Touch: And do I smell garlic?

Me: Yes you smell Garlic. We were killing lots of vampires.

Mr. Go: Oh wow! New Wave came back saying she saw a flash of light.

Lola: Yeah.

Nico: And yes you all can come with.

Plastique: You guys are all covered in soot.

Me: Oh thanks.

We dusted ourselves off and I cleaned up the ashes.

Disk Wars Magneto: Nico, which Gene Slammer do you think you'll meet next?

Nico: Shakkoumon next.

Qin: Nice!

Me: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, Kevin the Sea Cucumber, and another of Bikini Bottom's jerks, and he's come back from the dead and he's out for revenge on SpongeBob and The Neptune Crusaders. When we saw it, we knew it meant trouble.

Lincoln, Lily, and The Neptune Crusaders: What the?!

Me: Lincoln, please tell me that wasn't who I think we just saw.

Lincoln: (Beastly Voice) I'm afraid so, J.D., and it's someone I hoped never to see again: to our anger, the figure was none other than our old enemy, Kevin the Sea Cucumber, and another of Bikini Bottom's jerks, and he's come back from the dead and he's out for revenge on SpongeBob and The Neptune Crusaders.

Lily and The Neptune Crusaders: THAT SEA CUCUMBER JERK'S BACK FROM THE WARP AND HE'S OUT FOR REVENGE ON US AGAIN?! WHO DOES HE THINK HE IS?!

Lincoln: (Beastly Voice) I have a better idea for his punishment: he's going to be condemned to eternal servitude in The M.O.E., and if he tries anything on SpongeBob, he's gonna be stung really bad by King Jellyfish, Big Lenny, The Giant Jellyfish, Queen Jellyfish, and The Monster Jellyfish.

Maria: Yes! That's perfect! And we always laughed our butts off whenever he got stung by a jellyfish, but it serves him right, especially when he imposes WAY TOO MANY tests on SpongeBob just to be admitted to his club, and even if SpongeBob succeeds, he still refuses and he added more tests, but the worst was that prank he pulled with the Queen Jellyfish just to scare SpongeBob. He's going to get electrocuted by a huge group of jellyfish for this!

Nico: Lincoln, I hope you also know how to summon jellyfish if that jerk tries anything. Alright, team, let's go, we're off to Japan.

Lincoln: (Beastly Voice) Dark Carmeara, your time is finally up, this is where we settle our unfinished business.

Lily: And you better be ready for a well-deserved zapping, Kevin the Sea Cucumber. Kengo, you guys hang in there, we're coming.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Japan to help Kengo and the team destroy Dark Carmeara for good and take down Kevin the Sea Cucumber and throw him to The M.O.E.

We were off to Japan

We arrived.

Me: Here we are.

Camie: Japan.

Lola: Yeah.

Plastique: We should call Ebon.

Me: Good idea.

Ebon then came.

Ebon: Hey guys.

Me: Glad you could make it Ivan.

Qin: Yep.

Ebon: Wouldn't miss it.

Slugslinger: Wanna make a portal to where the Trigger team is?

Ebon made a portal.

Ebon: There you go.

Kengo saw us from it.

Kengo: Hey guys! You made it!

We stepped through the portal.

Me: Sorry to step in here like this.

Camie: Yeah.

Kengo: That was quite an entrance.

Me: Like stepping through one of Dr. Strange's portals.

Qin: It sure is.

Hydrax: We want to thank you for handling Constantine Frog

Kengo: It was no problem. That was fun.

Camie: Yeah it sure was.

Lola: Yeah!

Crash Man: Kengo, do you like using multiple elements?

Kengo: I sure do.

Me: Awesome and cool.

Qin: Yeah.

Kengo: We heard you stopped the Earth from being destroyed.

Hydros: We sure did!

Me: Because someone used the Black Star Dragonballs. We had to get them back in 1 year or else boom.

Qin: It's true.

Nico: After that we formed a pact.

We showed the Black Star Dragonballs made into necklaces around out necks. I had the 4 Star Ball around my neck. Nico had the 1 Star Ball, Brittney had the 6 Star Ball, Lincoln ahd the 3 Star Ball, Eli had the 5 Star Ball, Vince had the 7 Star Ball and Varie had the 2 Star Ball.

Nico: We swore NEVER to use the Black Star Dragonballs EVER and keep them around our necks.

Vegeta: So we can keep an eye on them

Nico: That's right.

Kengo: Very good idea.

Qin: Yeah.

Me: The Black Star Dragonballs are too dangerous to be uesd. We're not going all over the galaxy again to do that again.

Kengo: All over the Galaxy?!

Me: Yeah. Instead of scattering all over the Earth like the regular Dragonballs do, The Black Star Dragonballs scatter all over the galaxy.

Nico: Finding them all over the was like trying to look for 7 needles in a haystack that's over 100,000 lightyears wide with over 100,000,000,000+ Stars, planets and more. Making it almost completely impossible to find them. We had to get them back in 1 year or else the entire planet would explode.

Me: But with the technology we have it only took 7 days.

Kengo: At least it wasn't across different dimensions.

Me: That's true. That would be a helluva lot harder.

Xenia: No kidding.

Qin: I agree.

Laney: Yeah.

DANCE OF THE SUGAR PLUM FAIRY PLAYS

Poromon came out in a fairy costume with 1 bottle of beer.

Poromon: (to the Ultraman Trigger team) Hello there! I'm the beer fairy! Come to give you guys 1 bottle of beer!

Yondu: You'll get one under your pillow if you're good!

Kengo: Poromon looks so cute like that.

Yuna Shizuma: He sure does! Poromon looks so cute.

Me: Yeah it's part of our Ambassador Mission tradition as we call it.

Camie: Yep.

Kengo: I could go for one.

Poromon: Yay!

Kengo drank it.

Lythos: Don't finish it in one drink. It's just one for today

Kengo: Don't worry I won't. Besides it's good.

Me: Yeah.

Kengo: I don't get drunk that easily.

Me: Wow.

Kengo: What planets did you have to go get the Black Star Dragonballs?

Me: We went to Tatooine, Krypton, Mustafar, Namek, Cholganna, Dagobah and Mon Calamari.

Nico: Yep.

Me: Too bad we didn't battle a certain bloodthirsty bunch of characters from a certain movie.

Kengo: Wait you mean...

Me: And cue mascot craziness in 3...2...1...

Poromon: WE'RE TALKING ABOUT THIS MOVIE! (shows trailer close to Kengo's face) HERE! LOOK AT IT! IT'S UGLY, ISN'T IT?!

Kengo: IS THAT BLOOD AND HONEY!? THAT IS HORRIBLE!

Manaphy: (shows trailer close to Kanata's face) YOU LOOK AT IT!

Kanata: THAT MOVIE IS HORRIBLE!

Poliwag: (shows trailer close to Carmeara's face) YOU LOOK AT IT!

Carmeara: GET THAT FUCKING AWAY FROM ME!

Horsea: (shows trailer close to Yuna Shizuma's face) LOOK AT IT!

Yuna: (SCREAMS IN FRIGHT) (CRYING)

Jirachi: (shows trailer close to Akito's face) LOOK AT IT!

Akito: HOLY CRAP!

Tentacool: (shows trailer close to Tesshin's face) LOOK AT IT!

Tesshin: THAT IS HORRIBLE!

Mevya: (shows trailer close to Himari's face) LOOK AT IT!

Himari: OH MY GOD!

Mascots: LOOK AT IT! LOOK AT IT! LOOK AT IT! WE WANT ALL OF YOU... TO FUCKING LOOK AT IT!

THEY SCREAMED IN FRIGHT!

RD Luna: Sorry about this, dudes!

Me: OH FOR FUCKS SAKE!

I calmed them down.

Yuna was crying!

Kengo: Man I remember seeing the lawsuit you guys did! That was crazy!

Stratos: You think the Pooh, Piglet, Owl, and Tigger of that world are bad?! Imagine what Roo, Kanga, and Rabbit look like!

Me: Yeah. That was awful. We found out that they made a 2nd movie despite their order to stop!

Qin: YEAH!

Lola: Stupid ingrates!

Ratso: Luckily, they're spending a week in jail now

Me: Yeah we just arrested them earlier.

Kengo: Why didn't you give them the black gates?

Me: Because they are innocent people and our code prohibits us from killing the innocent.

Nico: Yeah.

Kengo: Oh good call.

Me: So the best action we had was Blu's idea, a lawsuit.

Blu: It's true.

Pyros: It's best if we don't find out what Roo, Kanga, and Rabbit look like in that world

Me: I agree.

Kengo: Thank goodness.

Lola: Yeah.

Camie: I agree.

But then Lincoln had a premonition.

Lincoln: WHOA! Lily is not going to like this! I just had a premonition. We're going to face Lily's 2nd Akuma, Aurawhirl. The 2nd Hypothetical Akuma of Lily Loud and she is a tornado made of pure glowing water and has intense water powers. She was made because of Squidward chasing away SpongeBob by calling him idiot boy and she vowed to rip that stupid big nosed loser talentless artist to shreds and eat him as calamari stew.

WE GASPED!

Lincoln showed us a sketch of her and we saw that it was a glowing water tornado.

Larry Koopa: This one has no solid form!

Me: Nope.

Lily then growled and was madder than hell! She turned red as a beet and then glared at Squidward and tooted like a steamwhistle!

TTTTTTTTTTOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Lily: (SUPER ENRAGED EARRAPE SCREAM!)
SSSSSSSQQQQQQUUUUUUUIIIIIIIIIIIIIIIIIIIIIIIIIIIIDDDDDDDDDWAAAA

LILY JUMPED SQUIDWARD AND MERCILESSLY THRASHED HIM INTO PULP!

SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH! POW POW POW POW POW POW POW POW WHAM WHAM WHAM WHAM WHAM WHAM WHAM WHAM!

SHE REALLY THRASHED AND PULVERIZED HIM IN A FEROCIOUS FIGHT CLOUD!

Me and Lincoln grabbed her!

Me: LILY WHAT THE HELL GIRL!?

Nico: Lily, calm down! This is the Squidward from that world, not this one!

Lily: I WILL KILL THIS MONSTER!

Me: WHOA WHOA WHOA! Lily what the hell! It's the one from your Akuma's world.

Squidward spit up blood and teeth. Squidward looked like he was mauled by a thousand sea bears.

Squidward groaned in pain and more.

Me: Holy fuck! Squidward she really thrashed you!

Squidward: I swear I put that behind me!

Me: We know you did!

Mr. Krabs: That stinking bilge rat!

Lily then broke down crying.

Lily: (CRYING) I'M SO SORRY!

Lincoln comforted her.

Lincoln: It's okay Lily. It's okay.

Kengo: Why did she go crazy like that?

Me: We had a little incident happen where SpongeBob was chased out of Bikini Bottom and everyone called him an idiot boy and it pissed off Lily so bad that she threatened Squidward's life.

Squidward: You think that's what happened in the Akuma's world?

Me: That's what Lincoln's premonition said.

Nico: And Lincoln as never been wrong about all that.

Lily cried hard.

Me: That incident really hurt Lily. She loves SpongeBob like a second father and it hurt her bad.

SpongeBob: Aww Lily I'm so touched.

Steam Smythe: Where is she?

Eli: (Concentrates) I sense her in the park.

Ebon: I'll get us there.

He opened a portal.

Nico: Gotta love those portals.

We went through it and we were at the park and we saw Lily's Akuma, AURAWHIRL!

Me: WHOA!

Qin: WOW!

Aurawhirl: So you all came.

Me: Whoa! Lily you look amazing as a tornado of glowing water.

Aurawhirl: I sure do. (See's our Squidward) WHOA Man what happened to your Squidward?

Me: Lily smashed his face in hard in a fit of rage.

Aurawhirl: Same incident with me?

Me: Mm-hmm.

Nico: Wait. You know that's not the Squidward you're looking for?

Aurawhirl: Yeah I sure do. This one is more good and redeemed. The one I am looking for is worse than him. Like the one we all hated before.

Me: Wow. Wait.

I ran fast and grabbed someone.

Me: This him?

2nd Squidward: YOU STUPID UGLY MORONS!

Aurawhirl: That's him!

Nico: (to Lily) This one you can maul!

Lily: LET ME AT HIM!

LILY JUMPED THE 2ND SQUIDWARD AND MERCILESSLY THRASHED HIM INTO PULP!

SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH! POW POW POW POW POW POW POW POW WHAM WHAM WHAM WHAM WHAM WHAM WHAM WHAM! SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH! POW

POW POW POW POW POW POW POW WHAM WHAM WHAM WHAM WHAM WHAM WHAM WHAM!

SHE REALLY THRASHED AND PULVERIZED HIM IN A FEROCIOUS FIGHT CLOUD!

SHE WAS REALLY KICKING HIS BUTT!

Ebon: (to Aurawhirl) While that's going on, I suppose asking you to calm down won't do much?

Aurawhirl: I'm afraid so. But seeing your version of me beating up my version of Squidward is very entertaining.

Me: Therapeutic too.

Aurawhirl: Indeed.

Mr. Krabs: This version of Squidward is going to the Krusty Krab and as punishment he is gonna work for 24 Hours non-stop for the rest of his miserable life.

Camie: Good call Mr. Krabs.

Aurawhirl: I like that punishment Mr. Krabs.

Ebon: Lets settle this.

He fired darkness blasts.

I fired ice blasts and froze her.

Ebon charged at her And blasted her all over with darkness.

Eli: YEAH!

Qin: Take that!

She broke out.

Aurawhirl: My turn!

She fired glowing water and we dodged it.

I fired waves of ice and froze her more.

Me: There.

Lily was still thrashing the 2nd Squidward ferociously like the Vengeance Express kids on the Ed's.

Lily was stlll beating up the 2nd Squidward!

SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH! POW POW POW POW POW POW POW POW WHAM WHAM WHAM WHAM WHAM WHAM WHAM WHAM! SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH! POW POW POW POW POW POW POW POW WHAM WHAM WHAM WHAM WHAM WHAM WHAM WHAM!

SHE WAS REALLY SMASHING HIS BRAINS OUT!

Me: HOLY CRAP!

Qin: WOW! What a brutal fight!

King Dedede: You all done yet?

Me: Give her a few more minutes.

French Narrator: (French Accent) 2 Hours Later...

She stopped.

Nico: WHEW!

Lily: Man that felt really good. (Panting)

We gave her some water.

Me: You done now?

Lily: Yeah I'm done.

Me: Wow! What a brutal fight.

Firebrand: Good. Because we're only halfway done

Lola: Yeah.

The 2nd Squidward was brutally beaten up like he was beaten up by a bunch of sea bears and sea Rhinoceroes.

Qin: Wow!

Me: Holy crap. Hold on a sec. Mr. Krabs, SpongeBob, Squidward? Care to come with me for a sec?

Mr. Krabs: Sure lad.

We took the second Squidward to the Krusty Krab and chained him up and he was now the Krusty Krab's prisoner for eternity as cashier. Squidwad was promoted to Assistant manager.

We came back.

Nico: There we go.

Horsea: Yay!

Me: Okay now for the fun part.

Maria: The usual battles.

Nico: Yep.

Horsea jumped into Maria's arms

Maria: Here we go.

She called it in.

Then Lady Shiva, Samon Shakekisutanchin, Wrecking Crew, Hank Scorpio, Whiger, New Wave, Black Manta, Killer Croc, Grodd and Cluemaster came.

Nico: Lady Shiva, Samon Shakekisutanchin, Wrecking Crew, Hank Scorpio, Whiger, New Wave, Black Manta, Killer Croc, Grodd and Cluemaster.

Wrecker: Good god! Squidward what happened to you?

Me: Lily went apeshit on him because of mistaken identity.

Wrecker: Oops.

Nico: But on the bright side, he got a promition

Shiva: That's good news.

Samon Shakekisutanchin: It sure is.

Hank Scorpio: You'll have to tell us about it in the battles.

Me: Yeah/

Whiger: We heard you kill the Vexos brothers.

Nco: We sure did.

Wrecker: (to Lok) You should take care of that Starly.

Thunderball: Make sure to give her plenty of beer.

Lok: I will and she loves it.

Me: Yep.

?: That is cool!

A figure came and it was WOLFGANG AMADEUS GRILLER From episode 15 of Turbo!

Griller uses his conducting stick to control cars and make them fly everywhere and presents himself like a salesman. Despite being an apparently famous musician, he decides to affiliate with Divatox and her crew.

Griller arrives on the Subcraft shortly after her latest detonator plot is foiled and introduces himself only to be irritated when Elgar mistakes him for Harley Poe. He offers his services and Divatox gladly accepts, sending him to Angel Grove to destroy the Turbo Rangers with his special abilities.

He assaults the planet and causes havoc in the city by bringing the cars to life using his music and assaulting the city. When the Rangers arrive, he takes them down and pins them under cars but they summon the Turbo R.A.M. and blast Griller.

Although this causes the magical cars to disappear, Griller survives so Divatox orders the firing of the torpedoes but Rygog and Elgar are polishing them.

Enraged, she sends them down to help the monster with Piranhatrons but the Blue Senturion arrives when the villains get the upper-hand. He confronts Griller with the fact that he is violating Code #41028; playing loud music but the monster refuses so they destroy him with the combination of Tommy's Auto Blaster and the Senturion Synergizer. Their combined blasts are too much for Wolfgang Amadeus Griller who falls flat on his back and explodes

---

TJ: Wolfgang Amadeus Griller!

Griller: Been a while rangers!

Me: I remember you! Divatox sent you to kill the rangers by bringing cars to life to turn them and the people into roadkill!

Griller: Good memory. That's right.

Nico: Yep.

Griller: You guys think I should start my own band?

Luna: You would be great at it dude.

Griller: YEAH!

Nico: Lets get it on!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!

We got the battles underway.

Kim: You got that right! But all in all it was really fun and adventurous.

Bonnie Terrez: Yeah that was fun and cool.

Noir Wendoma: I agree. By the way did you guys see the comet last night?

Shiva: We sure did! That is so cool that Sigmar's Comet is here.

Rarity: It sure is amazing darlings. We all were in awe that it's here.

Sapphire Ocean: Laney showed us amazing pictures of it too.

Sweetie Belle: Seeing Sigmar's Comet like this is really cool!

Gill Grunt: That is for sure.

Shiva: Wow! And we're not going to see it again for another 75,000 to 150,000 years after 10 days. Lets do it!

KIM POSSIBLE! DYNAMO MAN!

Kim: And here is my book.

It was called Kim Possible and the Evils of the Warmonger Aliens.

Kim: (Reads Verse) "The Spy Kim Possible was up against a deadly force from the stars and she was not going to let them take our planet and she was going to make them pay."

They fired waves of water, ice and jewels and smashed them down.

They fired waves of magic and energy and smashed them down.

Lok Lambert, Ginny Weasley, Mia Addison, Tsukasa Kadoya, Luigi, Mario, Daisy, Applejack, Apple Star, Apple Bloom, Earth Skylanders, Slugslinger and Triggerhappy VS Wrecking Crew, Bulldozer Org, Breacher, Jackster, Puffin, Duck Kong, Shoveltron and Bonecrusher (Theme including Ginny) - Lincoln's rescue in France.

The Wrecking Crew was next.

Piledriver (to Lok): We heard Lincoln's rescue was in France.

Bulldozer: How was it?

Lok: It was awesome and cool. They met up with Andre Delacroix, a renowned Werewolf Hunter and White Magician from France, but he has a dark family history going back over 500 years ago back to 1573 when reports came in of a werewolf stalking the remote villages of Eastern France specifically Dole and devoured women and children, and it's where his ancestor, Jacques Delacroix, a blacksmith from Paris and secret White Magician went there to capture the werewolf who was also responsible for the murder of his sister, Marie Delacroix. Jacques captured the werewolf who had the features of Gilles Garnier, a local hermit and poor hungry recluse, and he'd brought him back to Paris, and he began inflicting torture to help illicit a confession from the accused werewolf by using a whip studded with silver curved blades. Suddenly, when Jacques saw his eyes turn yellow, he saw it for himself: Gilles Garnier was the werewolf responsible for the murders of the women and children in Dole and for the murder of his sister, and doomed by the power of myth, Gilles Garnier was sentenced to death as Jacques Delacroix decapitated him with silver blade studded whip and had his body burned.

Thunderball: That is brutal!

Ginny: (British Accent) It sure was scary and crazy.

Mia Addison: And the battle erupted into a massive massacre. Lincoln ripped apart 500,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 werewolves there!

Thunderball: WHOA MAN! That is a massive slaughterfest!

Applejack: Boy no kidding! That was more brutal than a Texas Meat Factory on overdrive!

Apple Star: Boy it sure was!

Apple Bloom: That was a really bloody and fun battle.

Flashwing: It sure was.

Wrecker: WOW! That was a huge killfest. Lets do it!

Ebon: We'll see about that.

Then the spirits of the Trigger Ultraman team came and swirled around her and then converged and then...

Lily: Let me, Maria, and Lemon Hearts transform with you guys

Scott Truman: You got it, Lily.

RPM Rangers: RPM, Get in Gear!

Wataru: Kivat!

Kivat: Alright! Kivatte Go!

With that cry, a red belt with three slots for whistle looking devices on either side materializes on Wataru's waist while he catches Kivat in his right hand with mouth open.

Kivat: Gabu!

Wataru then lets Kivat bite his left hand, and as a strange and unnerving whistling sound starts to play, Wataru starts to gain a strange stained glass pattern to him.

Wataru: Henshin!

With that, Wataru places Kivat upside down on the center of the belt, causing a sound wave to emerge that morphs Wataru into his Rider form, a generally black suit save a red muscle-looking chestpiece flanked by silver armor, almost like the collar of a cloak, and some silver armor on his leg, that is mysteriously chained, as are his shoulder pads for some reason, and a head with large yellow eyes, red accent pieces, and a silver fang-looking mouthpiece over top of it, only the face is grayed out slightly.

Keisuke: (Putting on a belt with a red orb and gold and black accouterments on it before pulling out a golden knuckle like device) My turn.

With that, Keisuke presses the indicators on the end of the knuckle device, activating it.

Ixa Knuckle: Ready.

Keisuke: (As some sort of danger signal sounds) Henshin.

With that cry, Keisuke inserts the knuckle into the left side of his belt.

Ixa Knuckle: Fist, On!

Now a golden half cross symbol appears over the red orb before spinning off of it to form a golden projection of Keisuke's suit before forming on him, revealing the overall white knight-designed armor with a black undersuit gold and blue accents, particularly a golden half cross on the face which splits open revealing large red eyes, and materializing a gun with a comically large magazine in his hand.

Scott Truman: GET IN GEAR! RPM RED!

Maria: That's right. And as for you, Kevin the Sea Cucumber, you've got some nerve coming back from The Warp, and if I could, I would kill you on the spot once again, but let me tell you this, by the time we're done with you, you're gonna wish you were dead!

With the chains on Wataru's shoulder armor shattered, they open up, letting a stream of energy bats fly out, just as Tatsulot, the golden wyvern, attaches to Kiva's raised right arm.

Tatsulot: Henshin!

At that cry, the energy bats start attacking Kevin as they fly back around to Wataru, breaking the chains on his left leg, revealing a strange demonic looking wing structure, which is right away turned into golden armor, with the rough pattern of it becoming Wataru's chest armor as golden armor adorns the rest of his body, even giving his helmet a golden crown aesthetic to it as his eyes turn red. Then with a flick of the arm, a flame spreads down Kiva's back, turning into a cape and completing his transformation.

Suddenly, the bell of judgement rang in her meaning her time was finally up! Then, the spirits of all those she'd killed appeared and grabbed her.

Spirits: Guilty!

The spirits found her guilty, and then, the kanji Black Abyss 黒深淵 appeared on her forehead, and she was being consumed by the black flames of The Black Abyss and she began to fade away: she was finally being erased by The Black Abyss!

Dark Carmeara: NO! NO! THIS ISN'T HOW IT WAS SUPPOSED TO END! DAMN YOU, KENGO! DAMN YOU, LINCOLN LOUD! DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (LETS OUT ONE LAST SCREAM BEFORE SHE FINALLY FADES AWAY FOREVER)

GOOD RIDDANCE, YOU MONSTROUS BITCH, AND DON'T YOU DARE COME BACK, YOU VIOLENT MONSTER OF CHAOS!

Everyone cheered as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, eleven massive and long blonde wolf tails, longer yellow horn, 28th Century backpacks, large gold halos with four large orbiting gold rings on each corner behind the heads, large fifteen colored planets orbiting around the legs and fifteen smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers like rings, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and four sets of larger colored angel wings underneath the massive colored angel wings of Lily, Maria, and Lemon Hearts are permanent.

Kengo: Good riddance, Dark Carmeara. I don't want to see your face ever again.

Nico: That monster has lived long enough. Dark Carmeara you have failed this universe!

Lincoln: (Beastly Voice) At long last, my unfinished business with Dark Carmeara is finally done.

Me: Now, she's finally gone forever. Now, for one last piece of business.

We turned to the barrier Lincoln put up, and inside it was our next target: Kevin the Sea Cucumber who was still punching the force field like an idiot and getting electrocuted!

Lincoln: (Beastly Voice) Yep, and our last bit of business before we head home is none other than Kevin the Sea Cucumber.

Lincoln put the barrier down, and we saw Kevin the Sea Cucumber and he was absolutely BEYOND ENRAGED AND HE WAS SNARLING AND GROWLING LIKE A SAVAGE ANIMAL!

Kevin the Sea Cucumber: THAT'S IT! I'M GOING TO MAKE YOU ALL PAY!

Lincoln formed a massive and indestructible diamond barrier infused with rainbow, white, and blue energy that protected all of us from Kevin the Sea Cucumber who tried to destroy the barrier with his already bloody fists, but it didn't work, and his fists wound up getting bloody and his bones shattered.

Lily: Seriously?! You're still at it again?! Well, I shouldn't be surprised to know you're still the same dumb stupid moron from long ago.

Maria: And after everything you've done to SpongeBob by coming up with more tests to keep him from joining The Jellyspotters and you also wanted to see him running home crying like a baby after getting stung by a jellyfish, it just proves you're still a jerk.

Lemon Hearts: But, don't worry, you're going to be sent to someone who's heard all about you, and she's got all kinds of punishments in store for you.

Suddenly, the eyes of Lily, Maria, and Lemon Hearts turned neon aqua blue and neon dark purple, and they were surrounded by colored and white and blue energy auras with stars, aura energy, white and blue heavenly flames, water, ocean waves, magic, lemons, hearts, Alicorns, sea creatures, mermaids, phoenixes, and angels, they unholstered their massive greatswords, and as they approached Kevin the Sea Cucumber, they left colored, white, and blue energy, aura energy, white and blue heavenly flames, stars, water, ocean waves, magic, lemons, hearts, Alicorns, sea creatures, mermaids, phoenixes, and angels with every step.

Lily: Even after all this time, you're still nothing more than an absolute jerk to SpongeBob, and I would've thought you'd learn your lesson after you got electrocuted many times by the jellyfish, betrayed by the Jellyspotters, and of course, killed by Lars three years ago and sent to The Warp.

Lemon Hearts: But, it looks like we were wrong, instead, you became far more worse than ever, and it seems you're never going to learn your lesson.

Maria: It seems like we're going to have to teach you that lesson again, only this time, we're going to up the pain factor times infinity, and by the time we're done with you, you're gonna wish you stayed in The Warp forever!

Lincoln, Lily, Maria, Lemon Hearts, Nico, and I and the rest of us went after Dark Lynn, and we fired extremely powerful blasts of rainbow, white, and blue energy, rainbow, aqua blue, white and blue energy, aqua blue, white, and blue energy, yellow and blue, white, and blue energy, aura energy, white and blue heavenly flames, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Sylphs, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Kevin the Sea Cucumber and they exploded with incredible power as they hit him

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Lily, Maria, and Lemon Hearts also did the same by firing colored, white, and blue energy slashes from their massive greatswords and gold-plated dragon claws, and he, Lily, Maria, Lemon Hearts, Nico, and I and the rest of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was making Kevin the Sea Cucumber even more angrier than ever, if that was even possible!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a dark blue vortex flared up behind him, and he charged at Kevin the Sea Cucumber, and he proceeded to brutally smash him into the ground with his massive brute superhuman strength, slashed him with his gold-armored dragon claws, and fired blasts of dark blue wolf fire, darkness, moonlight, and ice at him, and it was brutal.

LINCOLN'S REALLY UNLEASHED THE WOLF!

Luna: I was afraid of this, when the wolf inside our bro is unleashed, you better stay clear because he'll cause some major damage!

Eli: Unreal!

When Lincoln was done, Kevin the Sea Cucumber was brutally mangled and had claw marks on his body and he also had jellyfish stings on him.

Kengo: Yikes! Lincoln wasn't kidding when he said he can do some major damage!

Kevin the Sea Cucumber: YOU! YOU! I'm not done yet!

Ebon (to Kevin): Time to end this!

Olga Orromov fired lightning.

Ebon summoned Hellyfish, Big Lenny, King Jellyfish and all our jellyfish and then...

NASTY SUPER ZAPS!

KEVIN SCREAMED IN EXCRUCIATING PAIN!

HE WAS ZAPPED ALL OVER!

Ed: Zappity zap zap!

HE WAS BURNED ALL OVER AND SWOLLEN ALL OVER!

All of us: WAH WAH WAAAAAAA!

Kevin: WILL YOU SHUT THE FUCK UP!

Me and Ebon punched him all over and knocked him down.

Then, Lincoln swung his massive greatsword and fired a dark blue energy straitjacket and dark blue energy chains that tied up Kevin the Sea Cucumber.

Everyone cheered as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, eleven massive and long blonde wolf tails, longer yellow horn, 28th Century backpacks, large gold halos with four large orbiting gold rings on each corner behind the heads, large fifteen colored planets orbiting around the legs and fifteen smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers like rings, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and four sets of larger colored angel wings underneath the massive colored angel wings of Lily, Maria, and Lemon Hearts are permanent.

Lily, Maria, and Lemon Hearts: Have fun with eternal servitude in The M.O.E., shrimp!

Suddenly, Lemon Hearts wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Lemon Hearts' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, and Demon flying in the air, and we saw a herd of Buffalo and many animals running across the field and lemon trees growing around them and elemental forces behind them and we cheered wildly. Then, Lincoln and Lemon Hearts sucked in and absorbed the elemental forces and the display vanished.

Lincoln: (Beastly Voice) I was surprised that sea cucumber jerk joined up with Dark Carmeara, but it ended the same: Dark Carmeara is gone forever and my unfinished business with her is done.

Me: You said it! So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

MYSTICAL MUSIC PLAYS

Suddenly, we saw a nine-tailed running through the skies as it left an awesome trail of flames in the skies.

Selene Arcangela: (GASPS) The nine-tailed fox...! The sign..., is it who I think it is?

Lincoln: It is, Selene, and that's the next of The Avatar of The Mythical Beasts we're meeting: Katie Kitsune, Avatar of The Nine-Tailed Fox.

Enya Phoenix: I knew it was her, and you guys are going to like hearing her story, Katie Kitsune, Avatar of The Nine-Tailed Fox, is Lincoln's Guardian Angel and she's known as The Nine-Tailed Fox Strategist of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Katie is a powerful master of the powers of fire, flames, fox fire, and shapeshifting, and she's also incredibly cunning and an incredibly strategist who studied in the arts of war. She lived during an age of darkness and she was said to have been raised by a clan of kitsunes in the forests of Japan, and over time, as she grew, she gained all of the incredible strengths and powers of the nine-tailed fox along with immortality, and she'd fought to defend her family from the hatred and fear wrought on by the paranoia that humans had towards her clan, and many centuries later, there was one person that harbored a true love for everything, and that also really strengthened the love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of fire, flames, fox fire, shapeshifting, and the powers of the nine-tailed fox, and he also gained all of the incredible strengths and powers of the nine-tailed fox, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 nine-tailed foxes and men combined along with incredible levels of incredible superhuman intelligence and he's as smart as 999,000,000,000,000,000,000,000,000,000,000 nine-tailed foxes, and she also helped him improve his strategizing and cunning, plus it also enhanced his incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well, and she also found out Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him in his werewolf form on the muzzle and made out many times in his werewolf and he came back home all covered in kisses and his tails were wagging like crazy. Lincoln made her a powerful fire greatsword and gave her a flower to put in her hair, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Katie kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the fury of the nine-tailed fox.

Me: Whoa!

Nico: Uh oh!

Lincoln: (Beastly Voice) Yep, if anyone angered her, she'd burn them alive.

We returned home, and we helped Kengo and his team settle in.

Then, as the sun set and night fell on the city, Minuette and the rest of Lincoln's harem were heading to bed after an awesome mission and party to celebrate the end of Lily's big day mission.

Lily the Mermaid: That was a really awesome mission!

Girl Jordan: You said it, plus, Linky put an end to Dark Carmeara and ended his unfinished business with her.

Selene Arcangela: That's for sure! She deserved it, and what Lincoln did in tearing that jerk of a sea cucumber down, he really unleashed the wolf on that jerk.

?: (Beastly Voice) Glad you all enjoyed the show.

Suddenly, the girls entered into Lincoln's room, and they saw Lincoln as Lincoln the Nocturnal lying on his super extra-extra-extra-extra large bed fit for his expanding harem and he was only in a pair of large red underwear, and when they all saw Lincoln, his harem had massive atomic red blushes on their faces, hearts in their eyes, and their noses were really gushing upon seeing their hotter, sexier hulking hunk of a future husband.

Lincoln: (Seductive Beastly Voice) Like what you see, ladies?

Winter Werewolf: (In Heaven) Oh yeah. (Thinking) Oh God, he's become even more sexier and seductive whenever he turns into his werewolf form, and I'd seen him in his underwear before we trained him hard, and now...! Oh man! What a hunk!

Lincoln made clones of himself and they walked up to his harem and they wrapped their abnormally massive and powerful muscular arms around their waists, which took them by surprise and brought an atomic red blush to their faces as their chests pressed against the massive pecs of Lincoln and his clones and their stomachs pressed against their ten-pack abs, which'd brought an atomic red blush to the faces of Lincoln and his clones, and they shared a deep passionate and romantic kiss as the girls placed their hands on the massive pecs of Lincoln and his clones.

Lily the Mermaid: (In Heaven) Uh oh, I can tell you're an even more happier mood after getting rid of Dark Carmeara, and you're in for a wild night with us.

Lincoln: (Seductive Beastly Voice) You guessed it, Lily. Alright, ladies, hope you're all ready for one...wild...night.

Lincoln's harem went inside Lincoln's room and used one of his eleven massive and long wolf tails to close the door and the barrier came on.

Haruki knocked Meltdown to the ground

Meltdown: YOU!

Haruki kicked him and knocked him out.

Haruki: What do you guys want to do now?

Leni: We could totes talk.

But then we came back.

Me: That's it for them.

Horsea: I'm so proud of you, Maria!

Maria: Thanks Horsea! That was awesome!

New Wave: Dark Carmeara will never bother the real deal ever again.

Black Manta: No, she won't

Me: Good fucking riddance.

Killer Croc (to the Ultraman Z team): You guys helped too.

Haruki: We sure did.

Me: We owe you guys big time.

Kengo: See you in 7 days.

Haruki: We'll be waiting.

Haruki and Kengo gave each other a high five.

Grodd: What now?

Cluemaster: Isn't it obvious? We celebrate!

Nico: You got that right. Great job today everyone!

Lily: (To the viewers) This was awesome and fun and cool!

Qin: Yeah!

We went back home and went to Lynn's Table and had a good meal.

Alright, and for tomorrow, the match-up is for Lucille Ying Xiao, Ambassador of Tso Lan, Demon Sorcerer of The Moon and Master of The Darkness of The Shadow Wisp, and she and Lincoln are going to destroy the evil dream version of J.D. who's come back from The Black Gates to get revenge again.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Beverly Hills, and we're going to take down more of Sam, Clover, and Alex's enemies: Felicity Fences, Salty Schooner, Eugene, Margie, Mia Hansen, Myra Sokolov, Cyril Hearsay, and Boogie Gus, and when Lincoln hears everything they've done to Sam, Clover, and Alex, HE'S GONNA SNAP AND GO INFINITE-TIMES BALLISTIC AND TRASH FELICITY FENCES, SALTY SCHOONER, EUGENE, MARGIE, MIA HANSEN, MYRA SOKOLOV, CYRIL HEARSAY, AND BOOGIE GUS! But, while Salty Schooner, Eugene, Margie, Mia Hansen, Myra Sokolov, Cyril Hearsay, and Boogie Gus are going to be sent to The M.O.E., as for Felicity Fences, since she's a completely crazy and unhinged spoiled brat, she'll be going to The Xaikora Prison for Spoiled Brats, but there's a special wing set up for her: a wing set up for spoiled brats who are utterly insane and completely crazy, and she'll bound in a rainbow, white, and blue energy straitjacket and chained to the wall of her doorless windowless cell surrounded by eternal darkness, and she's going to get a special curse meant for a spoiled brat like her who's completely crazy.

And we're going to meet the next of The Avatars of The Mythical Beasts, her name is Katie Kitsune, Avatar of The Nine-Tailed Fox, she's Lincoln's Guardian Angel and she's known as The Nine-Tailed Fox Strategist of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Katie is a powerful master of the powers of fire, flames, fox fire, and shapeshifting, and she's also incredibly cunning and an incredibly strategist who studied in the arts of war. She lived during an age of darkness and she was said to have been raised by a clan of kitsunes in the forests of Japan, and over time, as she grew, she gained all of the incredible strengths and powers of the nine-tailed fox along with immortality, and she'd fought to defend her family from the hatred and fear wrought on by the paranoia that humans had towards her clan, and many centuries later, there was one person that harbored a true love for everything, and that also really strengthened the love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of fire, flames, fox fire, shapeshifting, and the powers of the nine-tailed fox, and he also gained all of the incredible strengths and powers of the nine-tailed fox, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 nine-tailed foxes and men combined along with incredible levels of incredible superhuman intelligence and he's as smart as 999,000,000,000,000,000,000,000,000,000,000 nine-tailed foxes, and she also helped him improve his strategizing and cunning, plus it also enhanced his incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well, and she also found out Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him in his werewolf form on the muzzle and made out many times in his werewolf and he came back home all covered in kisses and his tails were wagging like crazy. Lincoln made her a powerful fire greatsword and gave her a flower to put in her hair, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Katie kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting

Lincoln, they'd face the fury of the nine-tailed fox.

Next up is Kim Possible's day to shine and we're going to battle Warmonga and Warhok and make them pay.

see you all next time.

SPIES VS WARMONGERING ALIENS

Kim Possible's day to shine

In the early morning hours at 12:20 AM, Lincoln had a dream, and he saw three figures hiding out and living on the streets of Vienna, Austria. But, there were no ordinary three figures, they were Mandy Loud, daughter of Lincoln's future wife, Medusa (TGAoBaM). Emily Loud, daughter of Lincoln's future wife, Euryale (TGAoBaM). and Scarlet Loud, daughter of Lincoln's future wife, Stheno (TGAoBaM). Lincoln woke up from the dream, but he wasn't the only one, Medusa (TGAoBaM), Euryale (TGAoBaM), Stheno (TGAoBaM), Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We all did, Lincoln.

Medusa (TGAoBaM): And it also means that we found out where our kids are at.

Me: They're at Vienna, Austria.

Nico: Oh god, no! that's not good at all.

Lincoln: I know right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: We're on it, Lincoln.

As we were about to go to Vienna, Austria, to rescue Mandy Loud, Scarlet Loud, and Emily Loud, then suddenly, there was a knock at the door.

Stheno (TGAoBaM): (Groans and went to the door) Who would that be in the middle of the night? We have an importing mission to do.

Stheno (TGAoBaM) opened the door and a tall humanoid wasp who has black and green bulky body, purple bug eyes, yellow antennae, purple dragonfly wings, four arms; two large arms and two small arms, and a long black and yellow striped abdomen. He wields his Staff of Nature. And a black humanoid spider who has four red eyes, two pincer mandibles, and large body with four skinny arms and two skinny legs. He wears purple and yellow armor. He wields his Saw Blade-Like Blaster. They were Wasp Strike and Alec Widows.

Wasp Strike: Ah, The Gordon Sisters. It's in honor to meet you all.

Euryale (TGAoBaM): How do you know who we are? How are you?

Wasp Strike: I'm Wasp Strike, Wielder of the Life Element.

Alec Widows: Call me, Alec Widows, Wielder of the Undead Element. (Maniacal Laughter)

Medusa (TGAoBaM): What's with the maniacal laughter?

Alec Widows: I thought something funny. Anyway, do these young kids belong to you three?

The three kids whore with Wasp Strike and Alec Widows, was a 12 years old Human-Gordon hybrid who has fair skin with green scaly markings, blue eyes, and long brown and white hair with green stripes. She wears tan tank top with gray jacket with green dots, green pants with flowers and snakes, and brown sandals. A 13 years old Human-Gordon hybrid who has fair skin with reddish scaly markings, red eyes, and short black and white with yellow and red stripes. she wears spiked collar and bracelets, red crop top with black skull, black ripped pants, and gray boots. And a 11 years old Human-Gordon hybrid who has fair with yellowish scaly markings, cyan eyes, and long platinum blonde hair in a twin-tails. She wears white shirt with yellow snake, white skirt with a snake-like belt, and brown sandals. They were Mandy Loud, Scarlet Loud, and Emily Loud.

When Medusa (TGAoBaM), Stheno (TGAoBaM), and Euryale (TGAoBam) saw them, they were stunned.

Medusa (TGAoBaM): (Stunned) How is that possible?

Wasp Strike: Me and Alec Widows found them in Vienna, Austria.

Medusa (TGAoBaM), Stheno (TGAoBaM), and Euryale (TGAoBaM) ran up to Mandy Loud, Scarlet Loud, and Emily Loud, they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Me: Thanks, Wasp Strike and Alec Widows.

Alec Widows: Anytime, J.D.

Wasp Strike: (to Lincoln) Do you have something to say to the girls?

Lincoln: Of course. (to Mandy Loud, Scarlet Loud, and Emily Loud) There's something you should know, Medusa, Stheno, Euryale, your mothers are one of my many future wives.

Mandy Loud, Scarlet Loud, and Emily Loud: Does that mean...you're our father.

Lincoln: (smiled) What else I wouldn't be?

That filled Mandy Loud, Scarlet Loud, and Emily Loud with joy, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Then, Lincoln told everyone what happened, and he then introduced Mandy Loud, Scarlet Loud, and Emily Loud to the rest of his siblings, who are now their aunts. We were proud of what Lincoln, Wasp Strike, and Alec Widows did in reuniting Medusa (TGAoBaM), Stheno (TGAoBaM), and Euryale (TGAoBam) with their kids, and Mandy Loud, Scarlet Loud, and Emily Loud now has a loving, strong, brave, and caring father in their life. As well as Wasp Strike and Alec Widows join the Team Loud Phoenix Storm as new members of the Ultimate Elementals Heroes. We went back to sleep.

At 2:18 AM, I was asleep and I had an amazing dream. I was flying over Manehatten and it was as busy as ever and more. But then I saw Vinyl Scratch's cutie mark floating around me and it lead me to Rarity's shop in Manehatten, Rarity For You and it was right underneath it.

Me: So Vinyl is underneath Rarity's shop in Manehatten.

I then woke up.

I sat up.

Varie: What's wrong?

Me: I had a dream. I know where Vinyl Scratch of Sunny's world is.

Varie: Really? Wow.

Me: Yeah. I'll tell everyone at breakfast. I'm gonna get a drink.

I went to get a drink.

Me: (Gulping Water)

I went back to sleep.

In the early morning hours of 3:24 AM, Lincoln had a dream: but, this one was a premonition to what's gonna happen during his rescue the next day: apparently, his dream took him to Beverly Hills, and as he was flying, he spotted more of Sam, Clover, and Alex's old enemies: Felicity Fences, Salty Schooner, Eugene, Margie, Mia Hansen, Myra Sokolov, Cyril Hearsay, and Boogie Gus, and it appears they'd been freed from prison by six males, six of them whom Caleb Maxwell knew from New York before he died: the leader had midnight black hair, pale skin, ice blue eyes, long blue coat with ice crystals on the coattails, blue vest, white dress shirt, black pants, black knee-high boots, and he had an ice-themed wolf greatsword in his right hand and levitating blue orb with icicles around it, the second guy had dark brown hair, tanned skin, orange eyes, long orange coat with flames on the coattails, orange vest, white dress shirt, black pants, black knee-high boots, and he had a fire-themed wolf greatsword in his right hand and levitating orange orb with flames around it, the third guy had dark brown hair, tanned skin, green eyes, long green coat with winds on the coattails, green vest, white dress shirt, black pants, black knee-high boots, and he had a wind-themed wolf greatsword in his right hand and levitating green orb with winds around it, the fourth guy had brown hair, tanned skin, purple eyes, long purple coat with lightning bolts on the coattails, purple vest, white dress shirt, black pants, black knee-high boots, and he had a lightning-themed wolf greatsword in his right hand and levitating purple orb with lightning bolts around it, the fifth guy had light brown hair, tanned skin, yellow eyes, long white coat with lights on the coattails, white vest, white dress shirt, black pants, black knee-high boots, and he had a light-themed wolf greatsword in his right hand and levitating white orb with lights around it, and the sixth guy had black hair, tanned skin, dark purple eyes, long black coat with darkness on the coattails, black vest, white dress shirt, black pants, black knee-high boots, and he had a darkness-themed wolf greatsword in his right hand and levitating dark purple orb with darkness around it. Lincoln woke up, but so did his harem and kids.

Lily the Mermaid: Linky, what's wrong?

Lincoln: I just had a premonition of what's going to happen tomorrow during my rescue, and this concerns some old enemies of you, Clover, and Alex, Sam.

Lincoln's harem gasped.

Selene Arcangela: It's been a while since any of your old enemies had been seen, girls.

Clover: What the?

Alex: But, how on...?

Sam: Was someone involved in it?

Lincoln: Afraid so, there were six of them, and they're six people whom Caleb Maxwell isn't going to like seeing again.

Lily the Mermaid: If he finds out, he's gonna be angry.

Girl Jordan: You said it.

Paige: We got to tell everyone of what you saw tomorrow.

Lincoln: Right, Paige. Tomorrow, everyone's gonna hear it, and no doubt about it, everyone's going to be pissed including Caleb.

Lincoln went back to sleep with his harem and kids. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, my dream took me to Beverly Hills, and as I was flying, I spotted more of Sam, Clover, and Alex's old enemies: Felicity Fences, Salty Schooner, Eugene, Margie, Mia Hansen, Myra Sokolov, Cyril Hearsay, and Boogie Gus, and it appears they'd been freed from prison by six males.

WE GASPED!

Me: What?!

Nico: Oh man! Did you find out who freed them, Lincoln?

Lincoln: Yes, I did, and these six are some old enemies Caleb knew back in New York before he died: the leader had midnight black hair, pale skin, ice blue eyes, long blue coat with ice crystals on the coattails, blue vest, white dress shirt, black pants, black knee-high boots, and he had an ice-themed wolf greatsword in his right hand and levitating blue orb with icicles around it, the second guy had dark brown hair, tanned skin, orange eyes, long orange coat with flames on the coattails, orange vest, white dress shirt, black pants, black knee-high boots, and he had a fire-themed wolf greatsword in his right hand and levitating orange orb with flames around it, the third guy had dark brown hair, tanned skin, green eyes, long green coat with winds on the coattails, green vest, white dress shirt, black pants, black knee-high boots, and he had a wind-themed wolf greatsword in his right hand and levitating green orb with winds around it, the fourth guy had brown hair, tanned skin, purple eyes, long purple coat with lightning bolts on the coattails, purple vest, white dress shirt, black pants, black knee-high boots, and he had a lightning-themed wolf greatsword in his right hand and levitating purple orb with lightning bolts around it, the fifth guy had light brown hair, tanned skin, yellow eyes, long white coat with lights on the coattails, white vest, white dress shirt, black pants, black knee-high boots, and he had a light-themed wolf greatsword in his right hand and levitating white orb with lights around it, and the sixth guy had black hair, tanned skin, dark purple eyes, long black coat with darkness on the coattails, black vest, white dress shirt, black pants, black knee-high boots, and he had a darkness-themed wolf greatsword in his right hand and levitating dark purple orb with darkness around it.

Caleb Maxwell: (GASPS) Lincoln, those six whom you're talking about, I know who they are. They're none other than Adrian Zane, Gonzales Ignacio, Tyler Zepherin, Leonard Tolvar, Gabriel Melchior, and Darius Braeden, they are six of the worst people I've ever met. They are the descendants of the first vampire hunters, but eventually, they'd given into the darkness that dwelled within their hearts and souls by the time they were born as they were truly born evil.

WE GASPED IN HORROR!

Eli: Oh man! Can you tell us all about them, Caleb, that way, we can get an understanding of whom we're dealing with?

Caleb Maxwell: Of course, but I got to warn you: their stories are not for the faint of heart, and the aftereffect of them giving into darkness caused me to hate them as much as I hated Drake and Dad's lowlife relatives, and all those linked to The Syndicate.

Caleb Maxwell got out the photos of Adrian Zane, Gonzales Ignacio, Tyler Zepherin, Leonard Tolvar, Gabriel Melchior, and Darius Braeden, and they matched the figures Lincoln saw in his dream last night.

Caleb Maxwell: The first guy with midnight black hair, pale skin, ice blue eyes, long blue coat with ice crystals on the coattails, blue vest, white dress shirt, black pants, black knee-high boots, and he had an ice-themed wolf greatsword in his right hand and levitating blue orb with icicles around is Adrian Zane, he's the leader of the vampire hunters and he uses the powers of ice, but he wasn't born pure of heart, his ancestor from 16th Century Europe got into practicing the dark arts and witchcraft, and with this dark gift in hand, he caused havoc throughout Europe until he was captured by The Holy Roman Empire and tried for witchcraft, and afterwards, he was sentenced to death as he was burned at the stake. Adrian started off good and became a police detective and found out the truth about his bloodline after his parents were killed, but after a fierce battle against a dangerous ancient vampire from Europe, he returned to New York, but he forever gave into the darkness that dwelled within him, and he descended into evil as he caused havoc on everyone who stood in his path.

Me: Damn, I hate this guy already.

Caleb Maxwell: The second guy with dark brown hair, tanned skin, orange eyes, long orange coat with flames on the coattails, orange vest, white dress shirt, black pants, black knee-high boots, and he had a fire-themed wolf greatsword in his right hand and levitating orange orb with flames around it is Gonzales Ignacio, he's the second-in-command of the vampire hunters and he uses the power of fire, but like Adrian, he too wasn't born pure of heart, his family had got into crime in order to survive and get rich, and he wasn't a good academic student either, he was stupid and he hung around the gangs and became a delinquent causing trouble on the streets, smoking and drinking in public, and being an all-around nuisance. He tried to put his old ways aside, but when Adrian returned forever given into darkness, he eventually went back to his criminal ways and he also graduated to murder by causing havoc on the city.

Nico: He's gonna be trouble.

Caleb Maxwell: The third guy with dark brown hair, tanned skin, green eyes, long green coat with winds on the coattails, green vest, white dress shirt, black pants, black knee-high boots, and he had a wind-themed wolf greatsword in his right hand and levitating green orb with winds around it is Tyler Zepherin, he's the third member of the vampire hunters and he uses the power of wind, and he too wasn't born pure of heart, he's a career criminal involved in drug trafficking and weapons trafficking, and he also did contract killings for the Mafia gangs. He tried to put his old ways aside, but when Adrian returned forever given into darkness, he eventually went back to his criminal ways and also helped Adrian in causing havoc.

May: What a bastard.

Caleb Maxwell: The fourth guy with brown hair, tanned skin, purple eyes, long purple coat with lightning bolts on the coattails, purple vest, white dress shirt, black pants, black knee-high boots, and he had a lightning-themed wolf greatsword in his right hand and levitating purple orb with lightning bolts around it is Leonard Tolvar, he's the fourth member of the vampire hunters and he uses the power of lightning, and he too wasn't born pure of heart, he's a career criminal involved in car jacking, drug trafficking, and weapons trafficking. He tried to put his old ways aside, but when Adrian returned forever given into darkness, he eventually went back to his criminal ways and also helped Adrian in causing havoc.

Qin: Disgusting.

Caleb Maxwell: The fifth guy with light brown hair, tanned skin, yellow eyes, long white coat with lights on the coattails, white vest, white dress shirt, black pants, black knee-high boots, and he had a light-themed wolf greatsword in his right hand and levitating white orb with lights around it is Gabriel Melchior, he's the fifth of the vampire hunters and he uses the power of light, and he too wasn't born pure of heart, he's a murderer who drags anyone he finds on the streets into a church and kills them and hangs them by a cross and writes blasphemous messages on the church with the blood of his victims, he was a sacrilegious blasphemous killer. He tried to put his old ways aside, but when Adrian returned forever given into darkness, he eventually went back to his ways and also helped Adrian in causing havoc.

Bakugo: That's just really wrong on so many levels!

Caleb Maxwell: And the sixth guy with black hair, tanned skin, dark purple eyes, long black coat with darkness on the coattails, black vest, white dress shirt, black pants, black knee-high boots, and he had a darkness-themed wolf greatsword in his right hand and levitating dark purple orb with darkness around it is Darius Braeden, he's the last of the vampire hunters and he uses the power of darkness, and he too wasn't born pure of heart, he's a murderer who's gotten into black magic and rumored to have done many dark magic spells that caused some unexplained deaths over the years. He tried to put his old ways aside, but when Adrian returned forever given into darkness, he'd eventually went back to his ways and also helped Adrian in causing havoc.

Lincoln: Oh man! These guys are absolutely the worst of the worst!

Cage Blunt: And they had been on the list of enemies the council's been wanting to kill for years, and your dream confirmed it, Lincoln. Now, we got to wait until tomorrow to kill them, and we'll make all of them pay for what they did. Hmm, hey, does Sabrina Succubi still know how to make that protein drink that had the muscle growth serums, virility and testosterone booster serums, and bull growth hormones and Alpha Male Booster cocktail in it? Travis, Dad, and I intend to give those six jerks the scare of their lives tomorrow.

Sabrina Succubi got out three bottles of blood and mixed in the protein drink that had the muscle growth serums, virility and testosterone booster serums, and bull growth hormones and Alpha Male Booster cocktail, and they glowed a neon pink.

Sabrina Succubi: Here you go, fellas.

Cage Blunt, Travis Tackett, and James Blunt took the bottles and drank all of the contents.

Travis Tackett: Whoa, now that was good!

Suddenly, James Blunt felt his body become hotter as white hot heat coursed through his body, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body as he let out a deep growl and his energy aura flared up extremely.

James Blunt: That felt really incredible, now I'm ready for those jerks.

Lincoln: And Cage and Travis are going to feel the effects of Sarah's cocktail...right...now!

Suddenly, Cage Blunt felt his body become hotter as white hot heat coursed through his body, and his black coat vanish, and what took its place were long white trenchcoat coattails over his butt with blood red fur trim on the coattails with stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, demons, phoenixes, and angels on the coattails, and his dark brown hair going down to the upper part of his back changed back to brown with blood red phoenix fire ombre streaks on the back.

Then, his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body as he let out a deep growl and his energy aura flared up extremely and he felt the strain taking place on his shirt due to the extreme muscle growth as the sleeves began to tear up and his shirt became almost like a crop top, and then...!

RIP!

Cage Blunt's shirt ripped off completely, and then, a gold chest harness appeared on him with large gold circular chestplate with a phoenix on it and surrounded by smaller blood red gems and square blood red gems on the gold straps with a kanji on the back straps that said, "Cage Blunt, Powerful Vampire, Loving Son, Loving Boyfriend, and Hard Working Detective", and tattooed on his wider and muscular back is a blood red cross with a vampire bat in the center of the cross surrounded by a phoenix and angel and a blood red kanji with crescent moons in between the kanji below the cross that said, "Cage Blunt, Pureblood Vampire and Member of The New York Police Department's Nightshift, Friend of Captain Don Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, Abby Smith, Leela Salyers, Cronus Chase, Caleb Maxwell, and Hunter Drake Michaelson, Blood Brother of Travis Tackett, Loving Boyfriend of Peace Salyers, Pursuer of Justice, Devoted Cop, Slayer and Killer of Mafia Gangs and Crime Lords, Loving Son of James Blunt and

Suddenly, Travis Tackett felt his body become hotter as white hot heat coursed through his body, and his black coat vanish, and what took its place were long white trenchcoat coattails over his butt with blood red fur trim on the coattails with stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, demons, phoenixes, and angels on the coattails.

Then, his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body as he let out a deep growl and his energy aura flared up extremely and he felt the strain taking place on his shirt due to the extreme muscle growth as the sleeves began to tear up and his shirt became almost like a crop top, and then...!

RIP!

Travis Tackett's shirt ripped off completely, and then, a gold chest harness appeared on him with large gold circular chestplate with a phoenix on it and surrounded by smaller blood red gems and square blood red gems on the gold straps with a kanji on the back straps that said, "Travis Tackett, Powerful Vampire, Loving Son, and Loving Boyfriend", and tattooed on his wider and muscular back is a blood red cross with a vampire bat in the center of the cross surrounded by a phoenix and angel and a blood red kanji with crescent moons in between the kanji below the cross that said, "Travis Tackett, Vampire and Blood Brother of Cage Blunt, Rock Music Lover, Loving Son of Mr. Tackett, Friend of Captain Don

Cage Blunt: Ugh, oh man, it felt like I got hit by a train.

Lincoln: Yep, but take a look.

Cage and Travis saw what happened, and they were stunned, and when Leela saw Travis and Peace saw Cage, they both had atomic red blushes on their faces and their noses were gushing out blood.

Peace Salyers and Leela Salyers: (In Heaven) Oh...man...!

Travis Tackett: (Smirks) Looks like that special drink Sarah made did more than that to us, it also got Leela drooling even more.

Cage Blunt: Same with Peace.

Maria: Well, who can really blame them? You two were already attractive before the transformations, and now, they won't be able to keep their hands off you.

Roxy Drake: (To Sabrina Succubi) Mind making more for Jack, Casey, and Carter?

Lincoln: Roxy, what are you up to?

Roxy Drake: Nothing. Anyways, let's finish up breakfast and head on out.

We finished up breakfast, and we headed out.

Kim woke up to see Hisuian Arcanine staring at her

Hisuian Arcanine: Morning Kim. Time for breakfast.

Kim: Oh boy!

She went and got dressed and went to the table. She was eating nacho cheese omelettes.

She was really hungry.

Tea Rhodes: I like to study all about fish at the Aquarium and learn more about them. As a blue ringed octopus gene-slammer I get along great with all kinds of fish.

Me: She's the gene-slammer of the most venomous octopus in the world.

Nico: That's right.

Tea Rhodes: Yep. I have a powerful poison that is 100,000 times more powerful than cyanide.

Lola: Geez!

Nico: Yep.

Maria: Keep in mind cyanide pills are for suicide.

Tea Rhodes: Noted.

Me: Yep.

Tea Rhodes: All it takes is one bite from me.

Qin: Yikes.

Lola: Yep.

Me: Wow! Yesterday was awesome!

Lily: I'll say! I can't believe I went ballistic on Squidward like that!

Maria: Thanks Horsea. It was awesome and fun.

Camie: It sure was.

Lily: I still can't believe I went ballistic on Squidward!

Nico: Don't forget Kevin.

Me: Yeah that was funny. It was funny zapping him all over.

Lola: (LAUGHS) It sure was.

Maria: Our jellyfish friends really stung him bad.

Luan: That was one that Stings! (LAUGHS) Get it?

WE LAUGHED!

Rita: Oh that is really loving of you sweetie. And we're so proud of you.

Lily: Thanks mom. It was awesome.

We arrived.

Nico: This is it, right?

Rarity: It most certainly is.

We arrived at Rarity for You.

Me: Rarity for You. Wow nice place.

Rarity opened it and we went in and it was a nice store.

Me: Wow nice place.

Carol: So many amazing dresses and clothes. I can't wait to try them on.

Me: Boy these dresses and clothes are beautiful.

Qin: They sure are.

Lola: I'll say!

Leni: These are so totes amazing.

Nico: Don't forget why we're here.

Me: Right. Now lets see.

I remembered everything in my dream and then I went behind the counter.

Me: Pardon me Rarity. I'm sorry to be back here behind the counter.

Rarity: No worries darling.

I felt around the floor and then I pressed a button on the floor tile.

Me: Paydirt!

The counter slid back and revealed stairs.

Rarity: I never saw that in the store blueprints.

Nico: Wow! A secret staircase.

Maria: I wonder...

Nico: Lets head down.

I used an energy ball as a flashlight.

We went down.

Me: Boy it sure is creepy. Looks like no one has been down in here for years.

Camie: No kidding.

Eli: I sense something down here though.

Lola: Wow.

Then my sword began to react to something.

Me: My sword is reacting to something.

I unsheathed it and saw the jewel for Vinyl Scratch's element glowing.

Nico: Let's clean this up first.

Me: Good idea.

We cleaned it up and more.

Me: There.

Laney: Hey look!

We saw a big door with Vinyl Scratch's cutie mark on it.

Me: This must be it.

Nico: I knew we'd find it if we cleaned this up

Me: Lets see.

I pressed the button on the door and then it opened and then lasers and music played.

BLOOD RAVE FROM BLADE PLAYS!

Me: Funky.

Nico: Stay focused.

Vinyl Scratch: Nice song.

Me: Sounds like the perfect vampire hunting song.

Camie: Yeah.

Nico: Perfect for hunting those that have no idea WHO THEY ARE FUCKING WITH!

Me: YEAH!

We went in and it was full of lasers and funky equipment.

Me: Wow!

Twilight Sparkle: I'm amazed this place is still working.

Me: Me too.

We looked around.

Me: There!

In a glass crystal coffin was VINYL SCRATCH G5!

Vinyl Scratch: It's me! From 1,000 years hence.

Me: Radical.

Nico knocked on it.

Me: Hmm.

Then the spirit of harmony contacted me and my eyes glowed.

Me: (GASP) Vinyl the spirit contacted me. You have to open this coffin.

Vinyl Scratch: Me!? Oh man. Okay.

Vinyl then touched it and then it glowed and unleashed a massive flash of power and magic and then it made Manehatten more amazing and awesome and then made all the spots Vinyl knows awesome and amazing too.

Me: WHOA! What power!

Vinyl Scratch G5 awoke.

Vinyl Scratch G5: (Groans) What hit me dudes?

Nico: Hi.

Vinyl Scratch G5: Nico, Everyone, Everypony? You're all here.

Me: We have quite a story to tell you.

Vinyl Scratch G5: What happened?

Me: You were asleep for over 1,000 years.

We told her everything that happened because of Opaline and more.

Vinyl Scratch G5: (GASP) Opaline did all this! Oh man!

Nico: But she's gone for good now.

Me: That's right.

Vinyl Scratch: Yeah good riddance to that.

Vinyl Scratch G5: I have a lot to catch up on. But I'm so glad to see you all.

Me: We are too.

Qin: Yeah.

We went back upstairs and Carol tried on some beautiful dresses. Same with May. Carol had an amazing Princess Luna dress on and she looked absolutely radiant. May had a Daybreaker dress on and looked golden as the sun.

We bought many clothes at the store.

Later we went to Bridlewood.

Later we were in Bridlewood.

Nico: Here we are in Bridlewood now

But then...

KRASPLAT!

NICO GOT HIT IN THE FACE WITH A PIE!

Me: What the?

Nico: HEY! OKAY WHO IS THE WISEASS!?

We saw all the ponies of Bridlewood in the middle of a HUGE FOODFIGHT!

Me: WHOA! This is one helluva foodfight!

We then saw Misty running.

Me: Misty?

Misty is running in a panic through the Bridlewood forest, feeling scared as she dodges an incoming cake, which is being tossed around for some reason, she quickly dodges and flips as many as she can while trying to avoid the incoming food, which some are old or rotten.

Then three unicorns came up from behind a bush with mischievous smiles as Misty stopped with a gasp,

Unicorn 1: "Give it up, Misty! There's no escape!"

He levitated four more pieces of food while his two friends beside him held up their own.

Me: UH OH!

Misty grew nervous as she backed away a bit before she turned and gasped as she saw Onyx and Dapple appear behind her with smirks of their own while levitating more food and tossing it at her.

Misty quickly dodged the incoming food while having close calls as she ran, but then gasped as she saw many ponies surrounding her, preparing their food with sinister smiles as they were about to toss them at her.

Me: Come on guys! Lets help her!

Nico: Right!

And then, before Misty got hit by any food, two ponies and all of us front-flipped over to her, they were Izzy and Sunset and us,

Izzy Moonbow: "Misty! Get down!"

We jumped out and tackled Misty to the ground before the unicorns tossed their food, but missed as they hit each other.

I threw a bunch of pots of tomatoes and bashed them.

Sunset Shimmer: "Izzy, provide cover fire!"

Izzy Moonbow: "You got it!"

She grabbed some food and started throwing some food with a wicked smile as the unicorns were hit by them, a unicorn mare grabbed Dapple to block an incoming pie, which she gave a relieved smile, but then she was hit with another pie to the face.

Me: MAN What a foodfight!

Misty then kept trotting as Sunset and Izzy and us ran beside her.

Izzy Moonbow: "Yay! Don't you just love Friday Night Food Fights?!"

Me: Friday Night Food Fights? Never heard of it.

Sunset Shimmer: "I'll say this Izzy, I find it weird at first, but this is kinda fun!"

Me: It sure is Sunset!

Sunset Shimmer: And let me guess, you want the run down again?

Misty Brightdawn: "Yes, please!"

Me: How about you fill ALL of us in?

Izzy Moonbow: Good idea!

Just then, some foals, including Peach Fizz, and a couple more unicorns, appeared with more food?

Izzy Moonbow: "Whoa! Look out!"

She grabbed Misty, they danced the tango again while Sunset dodged as many as she could,

Izzy Moonbow: "All the weeks' food that's old and rotten…" (They dodged and danced) "Gets saved up…" (They ducked again) "And put to good use…"

Izzy then leaned Misty back from incoming food as Misty got nervous

Izzy Moonbow: "In the best, unicorn tradition!"

She twirled Misty around, which caused her to spin and land in a bush while Sunset and Izzy jumped in after her.

Sunset Shimmer: "Which is kinda gross, but has to use them somehow,"

Me: WHOA! This is awesome!

Poromon got out beer to sell as ammunition

Poromon: Beer! Get your beer for ammunition here!

Unicorn 2: I'll take some Poromon!

He gave Poromon cash and Poromon gave him rotten beer.

Poromon: Beer that was left unopened and it rotten.

Me: I got to admit Izzy, this is an awesome foodfight!

I threw a rotten watermelon and it hit a unicorn on her head.

SPLAT!

Nico: Nice one!

I formed a catapult and flung lots of tomatoes and splattered numerous unicorns.

Misty was panting from the rush

Misty Brightdawn: "I'm not sure about this, guys."

She was not sure if she liked this game as Sunset and Izzy looked up.

Misty Brightdawn: "Isn't there someplace I can just watch?"

Both Sunset and Izzy's eyes widened as they saw the unicorns advancing towards them with mischief smirks and rotten foods ready to through.

Me: Uh oh! HIT THE DECK!

We ducked as they threw!

I threw rotten pies and smashed them!

Sunset Shimmer: "Uh, yeah, Izzy, Is there a safe house for Misty here?

Me: I was about to ask the same thing.

Izzy Moonbow: "The Tea House! Home-sies is safe-sies! Quick, Misty! Make a break for it! Sunset, protect her! I'll cover you two!

Sunset Shimmer: Okay, good luck!

We went with them.

Izzy Moonbow: "Thanks! Oh, yeah? Take that!"

She tossed some food at the unicorns to the face, while a rotten pizza hit a stallion in the mouth

Izzy Moonbow: "And that! And—"

She was cut off when Onyx, Dapple, and a unicorn mare came out of hiding with smirks as they levitated some pies.

UH OH!

Izzy's eyes widened in panic as she screamed when the pies hit her as she was buried in a pile before she climbed out of it!

Izzy Moonbow: "Or maybe I'll get covered... in pies!"

She laughed at her joke

Izzy Moonbow: "Pies! Get it?"

SPLAT!

A pie hit her in the face and some more hit her.

Me: WHOA! What a battle! This is more like a Food War.

Sunset and Misty and all of us kept running and dodging through the path as the spoiled foods were being thrown at them while Sunset brought out her magic shield to cover their rear.

I used a magic shield to cover the front.

Snset Shimmer: "Trust me, this is a new level of a food fight and weird traditions to show, Misty! Messy, but fun!"

Me: I'll say!

Nico: NO KIDDING!

We ducked.

Misty Brightdawn: "I can see that!"

Nico: Did you sell that beer on purpose?

Poromon: It's rotten beer. Believe it or not, beer actually does go bad!

Me: He's right on that!

Nico: Oh. YUCK! I didn't know beer can go rotten.

Me: Me neither.

We dodged some more food while seeing the Crystal Tea Room ahead, which caused her to gasp joyfully in relief with sparkles in her eyes,

Misty Brightdawn: "We're almost there!"

Me: YEAH!

Sunset Shimmer: "Good, because more incoming!"

We moved Misty aside from an incoming food while we kept dodging them as we made it to the tea room, where they saw Alphabittle cleaning a teacup as they quickly shut the door.

Sunset Shimmer: "Phew, that was close. This reminds me of the time with that snowball fight I had while protecting Pinkie's baked treat she made for Rarity."

Me: I remember that! That was awesome!

Misty Brightdawn: "Really? Wow."

She looked out the door nervously before she saw the food fighting still going on as rotten food splattered on the door, which she quickly closed.

Misty Brightdawn: "Dad! Quick! It's not safe! We got to get out of here! This food fight has gotta stop!"

Me: Yeah have you looked outside? It's like World War II Foodfight

Style out there!

Nico: I'll say!

Sunset Shimmer: Yeah!

Alphabittle: "You mean to tell me you don't like Friday Night Food Fights?"

Sunset Shimmer: "Yeah, that's exactly what she's saying."

Me: Well actually this is the first time we've seen you guys do something like this. It's really cool.

Nico: It's the first time we saw you guys do a food fight of this magnitude.

Alphabittle: You guys are the first humans to see what it's like.

Me: Yeah and then some.

Alphabittle: "Hah! Oh, you sure changed your tune, Misty. Very well, then. If that's what you want, I will put an end to all this food-flinging nonsense.

Misty then got really worried when her father went out

Misty Brightdawn: "No, Dad, wait! Don't go out there!

Sunset Shimmer: Looks like Alphabittle is in for a messy outcome

Lucy Loud: I'll be sure to say something nice for his funeral.

Me: Guys don't scare Misty like that.

Misty Brightdawn: That's what I'm worried about.

Outside, Alphabittle waved a white flag as he gave a stern look

Alphabittle: "Listen up, ponies! From this day forth, I declare a ceasefire! Lay down your old lasagna, your rotten bananas—

But then the unicorns gave each other smirks, which Alphabittle saw as he went wide eyes before a rotten food hit him in the eye

Alphabittle: "Ugh!"

He growled but then he got hit by food.

And then another hit his other eye and a rotten banana landed on his mouth as more rotten food piled on him, which made Misty and Sunset gasped in shock as they watched from behind the door.

WE GASPED!

Sunset Shimmer: Wow, those ponies are naughty.

We were surprised by what she saw as the unicorns kept throwing rotten food at Alphabittle.

Alphabittle managed to get his hoof free as he was inside the mountain of rotten food, which made Misty gasp.

Misty Brightdawn: "Nooooo! No!"

She ran to her father and started digging him out Sunset came up behind her in surprise and us too.

Misty Brightdawn: "He was only trying to end this battle!" (Gets her father's head out, who looked dazed) "This can't be happening! Why?! Oh, why, oh, why, oh, why?!"

Me: Uh Misty don't you think you're overreacting? He's not dead.

Sunset tapped her hoof on Misty's shoulder, which got the unicorn's attention

Sunset Shimmer: "Yeah. Um, Misty. That's a little bit overboard. And he's not dead, he's playing around."

Misty Brightdawn: "Wait, what?"

Misty then turned to her father, who shook out of his fake face as he looked surprised.

Alphabittle: "Hang on. Are you telling me you... you don't remember?"

Me: Huh?

Nico: (Confused) What?

Sunset Shimmer: "What are you talking about, Alphabittle? Misty is still new to the traditions."

Me: Yeah ever since we defeated Opaline she is still new to all this.

Me and Sunset reminded him, since Misty was raised by Opaline, she is still learning about Bridlewood's traditions as Misty nodded in agreement.

Alphabittle: "Oh, right. Well, allow me to refresh that memory.

FLASHBACK.

A few years ago, Alphabittle was feeding his young daughter Misty some food while holding a spoon for her.

Alphabittle: "The Pegasus soars through the air! It's coming into land! Ooh!"

He moved the spoon around and brought it close to Filly Misty, who got her mouth open as Alphabittle boop Misty on the nose, getting some food on it. Filly Misty looked at her nose for a bit before she smiled widely.

Young Misty: Yaaay!

Alphabittle responded with a smile as he moved the spoon around his daughter, who gave a challenged smirk as she focused on the spoon before she tried to catch it, but it flicks out of her father's hoof.

Alphabittle: "Whoop!" (Laughs)

Young Misty: "Whoo-hoo!"

The spoon flew around as it hit a unicorn mare, who was eating a salad, on the head, which caused her stallion friend to laugh at her, which caused her to get irritated as she threw her salad piece at him, but he ducked before he got hit.

(Show a little Heart Song)

(Izzy)

It's the place where love and friendship starts

It's for me, yeah, it's for you, yeah, it's for everycritter

The salad piece hit an elder stallion, he glared at the mare, who flinched frightened as did her stallion friend the elderly eye twitched before he gave a smirk and lifted a piece of food as he hit the stallion with it.

Don't be aloof, pick up your hoof and play your part

Just show a little heart

The mare and stallion gave smirks as they picked up more food and threw some at the elder, which everypony joined in as the food fight then started, which Alphabittle saw in surprise before he heard his daughter giggle as he turned to her with a smile as Filly Misty giggled and waved her hooves in excitement.

(Izzy)

If you're feelin' what I'm feelin', then get up and show me

'Cause today's not the day for bein' lonely

Alphabittle was then hit to the face with some food as Filly Misty was hit to the face as well as a watermelon hit the bow as Filly Misty gave a giggle of joy again as Alphabittle joined in as he grabbed the watermelon piece and threw it at the pony who threw it, joining in on the fun.

End of Flashback.

After explaining the backstory, Sunset, and Misty were surprised by what Alphabittle just explained to them, while Misty was most shocked as her right eye twitched.

WE WERE SHOCKED TOO! MISTY STARTED THIS BACK THEN!

Me: WHOA!

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out!

Sunset Shimmer: "Wow, now that's a shock and a surprising discovery origin of this backstory."

Me: No kidding!

Alphabittle: "Yes, it most certainly is, Sunset and everyone. My daughter started all this."

Me: That is amazing!

Nico put his skeleton back.

Me: Nico you got to stop doing that or else your skeleton is gonna catch flies.

Nico: Sorry.

Misty Brightdawn: Hang on. Are you telling us I started this tradition back when I was a filly?

Alphabittle: Yes, that's— Oof!"

He got hit by more food!

He was cut off when more rotten food was thrown at him as he fell to the floor.

Nico: MAN DOWN!

Misty gasped as her father fell to the floor while Sunset was surprised by that as she looked around

Sunset Shimmer: "Okay, we weren't ready, ponies!"

Me: YEAH!

She gave a sigh before she turned to Misty, who twitched a bit as she looked down at her father.

Me: Uh oh.

Misty Tredwell: "Uh, Misty? Are you okay?"

Misty then gave a fierce expression.

Misty Brightdawn: "That's it!"

This surprised Sunset and all of us from Misty's sudden change of attitude.

Misty Brightdawn: "If I started this, I can finish it, too!"

She stomped her foot on a pie and placed some marks on her cheeks while tying her head in a headband

COMMANDO MISTY WAS UNLEASHED!

Misty Brightdawn: "Sunset! Everyone! Can you cover me!?"

Me: You got it!

Sunset was startled by Misty's raised tone as she gave an uncertain look

Sunset Shimmer: "Um, yes?"

Me: Lets go kick some butt! (GUNS CLICK!)

Nico: It's buttkicking time! (GUNS CLICK!)

Misty Brightdawn: "Good! Then charge!"

She gave a roar and charged at the ponies.

Sunset Shimmer: "Looks like messing with family can bring out the warrior side of Misty."

Me: Yep.

Sunset Shimmer: "Better remember not to get on her bad side."

Me: Noted.

We went after her.

(Show a little Heart Song Continues)

(Izzy)

It's the place where love and friendship starts

It's for me, yeah, it's for you, yeah, it's for everycritter

All of us looked at Sunset and Misty in surprise at Misty's sudden courage they all gave challenging smirks as Misty rolled to a pile as Sunset followed in pursuit. We fired waves of food all over the place.

Don't be aloof, pick up your hoof and play your part

Just show a little heart

Misty and Sunset and us then stood up and held up some pies, which surprised the unciorns as they were hit to the face while a couple more came behind them, they were about to throw their food at them but Misty turned her head and saw them as she gave a smirk, which she grabs Sunset and us and duck down to avoid the pies, which surprised the all of us by that as Misty stood up and threw two pies at the surprised unicorns like shurikens, hitting them both in the head.

Sunset Shimmer: "Whoa! I did not see that coming

We were surprised by Misty's surprised skills as Izzy appeared from her pile as she looked at Misty in awe as Misty trotted off.

Sunset Shimmer: "Are you seeing this, Izzy?"

Izzy Moonbow: "I sure am,"

She gave a proud and tearful smile at Misty as she ate some popcorn that she had on her while she and Sunset watched before Sunset quickly followed Misty.

Me: Wow! Misty is really tearing them apart.

If you're feelin' what I'm feelin', then get up and show me

'Cause today's not the day for bein' lonely

Oh, oh, I'm spreadin' the love...

The unicorns then levitated some more food as they tossed them at Misty and Sunset, which they quickly ducked behind the cover. Sunset noticed some rotten eggs as she gave a smirk and gave some to Misty.

Sunset Shimmer: "Let's crack those eggs open."

Misty Brightdawn: "You read my mind."

We tossed our rotten eggs up, and levitated them in our magic, and started hitting the unicorns with them as most of them hit Dapple in the mane.

Dapple: Eww! Rotten eggs? My mane's gonna smell for weeks!

Misty Brightdawn: "Revenge is sweet!"

She levitated some gelatins with whipped cream and sprinkles on them.

She turned to all of us.

Misty Brightdawm: "Might want to take cover, guys. It's about to get really messy

Me: Right!

Sunset Shimmer: "Okay, if you say so,"

We got to cover before Misty twirled around and threw the gelatins at the unicorns, which they tried to find for cover but they weren't fast enough as they were hit by her.

Sunset Shimmer: "Wow, I've never seen this side of Misty before. She's good."

Me: Whoa! She is unstoppable!

Lincoln: That's one of my future wives!

We were in awe at Misty's warrior skills.

(Izzy)

...You better follow your heart, it ain't gonna wait

Love, I'm gonna shout it

Love, I'm gonna shout it

Misty then grabbed some grapes and put them in her mouth as she stood up and started spitting them out and hitting the unicorns as they all ran for cover but they were all hit.

Misty Brightdawn: "Nopony messes with my dad!"

She meant that seriously as Alphabittle was behind her as he wiped some rotten food off him and gave his daughter a proud smile.

(Izzy)

Ain't no doubt about it

Love's in the air, let's shout it

Whoo!

Misty then stomped on some ketchup, which hit a couple of unicorns, and threw some pizza like a frisbee as it landed on a foal's mouth before Misty gave a smirk and levitated a bowl full of honey and covered a mare in it.

Don't try to hide now, no, don't run from fate

Love's in the air and, ooh, it's smelling great

Don't be afraid, it's not too late for a new start

Just show a little heart

Misty then tossed some jawbreakers at Onyx and Dapple, which they tripped and crashed from losing their balance. Misty then brought out two loaves of bread and gave a fierce look as she started whacking some ponies with them, and then suddenly, she brought out a cannon she strapped herself with as she pulled as some pretzels all shot out at a unicorn more as she tried to dodge them.

Misty then used her magic to move some spaghetti at a couple of mares as they were tied together and fell on their rumps.

Misty Brightdawn:"Pasta la vista, pony!"

We all watched and looked in awe at what Misty was doing.

Sunset Shimmer: Wow, who knew that Misty had that warrior spirit in her after seeing her father get piled with rotten food.

Nico: Wow! No kidding!

Rarity: Misty is really talented!

Pinkie Pie: You bet she is!

Sunset Shimmer: And she's good with the puns. I don't think we've ever seen this side of her before.

Me: YEAH!

Nico: WOW! Me neither!

Izzy Moonbow: We sure haven't! I can't even be-izzle at this amazing thing Misty is doing!

Izzy cheered with a wide smile and sparkles in her eyes.

Sunset Shimmer: "Well, I guess when her friends and family are endangered, she steps up for sure."

Twilight Sparkle: That is true determination there.

Izzy Moonbow: "You think she might need some help?"

SPLAT!

A unicorn was than hit with a big cake as she hit a tree next to them.

Sunset Shimmer: "Nah, I think she got this."

Me: Yeah I think shes got this under control.

We continued to watch Misty mop the floors with the unicorns.

Misty then stood as many unicorns around her were down before a few more came behind her, and she saw their shadows as she turned to them.

Unicorn 1: "How'd you like an extra big helping of... this?!"

He and three unicorns levitated a ton of rotten food and threw it at her.

Me: Uh oh!

Misty then gasped at the incoming rotten food before she closed her eyes and focused her magic on her horn.

(Izzy)

If you're feelin' what I'm feelin', then get up and show me

'Cause today's not the day for bein' lonely

The rotten food then stopped in mid-air as Misty strained a bit as the unicorns' jaws dropped in shock at what they saw. Misty gave a determined look as she reeled back and stomped her hoof as she gave a shout as she tossed the food back at the unicorns, which they were all hit by them and were knocked to the ground while feeling dazed.

After the whole food slaughtering was down, Sunset and Izzy walked up to Misty.

Me: HOLY SHIT!

Izzy Moonbow: "Misty, you were amazing! Food fight champion!"

Me: Boy Misty you were incredible!

Qin: You beat all of them all by yourself!

Lola: WOW! That was so awesome!

Poromon was licking the remnants of the food

Me: WOW! Misty you were incredible! Well done!

Lincoln gave her a kiss.

Sunset Shimmer: "I'll say! You took food fighting to a whole new level! You are one tough warrior! Went up against the impossible!"

Me: Boy I'll say!

Lincoln: Yeah!

Nico: I haven't seen anyone do that since Erica went up against an army of Batlings!

Misty Brightdawn: Thanks. But what about all this food?"

She gestured to the pile of rotten food with the unicorns in it from her attacks.

Me: Man what a mess!

Sunset Shimmer: "Yeah, this is a total mess, Izzy."

We were knowing that this was a complete mess alright from the food fighting.

Izzy Moonbow: "What, that? Aww, the forest will have that for lunch. See? All that musty old food was only ever good for one thing – mulch."

The rotten apple was absorbed into the ground and some newly sprouted plants were growing as Sunset And Misty and all of us looked surprised by this.

Izzy Moonbow: "It helps grow Bridlewood, enrich the soil, and keep the forest alive."

Me: Wow! That is an awesome way to fertilize the ground and make Bridlewood awesome.

Sunset Shimmer: "Wow! Now that's a nice way to have a food fight with a purpose and an interesting idea that I know Rainbow and Pinkie would approve of."

Rainbow Dash: Boy you bet we agree Sunset!

Pinkie Pie: This is one of the best things EVER!

Me: Yeah it is!

Poliwag ate some remnants too

Me: I don't think you guys would want to eat all that. It's bad.

Poliwag: Oh. Sorry.

Alphabittle came.

Alphabittle: A prize for the food fight victor!"

Misty turned to him with a smile as she saw him levitate a two-stack rainbow cake with strawberries and butterflies on it.

Me: Boy that looks like an awesome cake.

Alphabittle: "It sure is. Thanks for avenging me."

Misty kept smiling with sparkles in her eyes as Sunset and Izzy wrapped their hooves around her.

Izzy Moonbow and Sunset Shimmer: "Friday Night Food Fight battle champ!"

Izzy Moonbow: "That's sure a side of you we've never seen."

I got out a portable table and sat the cake on it.

Sunset Shimmer: "I'll say. You are full of surprises, Misty. Way more than what you claim to be."

Lincoln: You got that right.

Me: Wow!

Horsea tried to eat some while we weren't looking.

Maria: Horsea don't even think about it.

Me: Horsea all this food is rotten.

Lana was eating it.

Lana: It's not that bad guys.

Me: Well to Lana it's good.

WE LAUGHED!

Me: That was really fun.

We had some of Misty's cake and it was tasty.

Me: Mmm! Good cake.

Nico: It sure is.

We then went back to Maretime Bay.

We arrived in Maretime Bay.

Manaphy: I didn't even get to try any!

May: It was all rotten Manaphy.

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here in Maretime Bay, but I've got bad news that none of us are going to like in the slightest: it appears that Archibald Snatcher has come back from the dead, and he wants revenge on us.

WE GASPED!

Me: WHAT THE?!

Nico: That monster's back from The Warp?! (GROWLS) This has Morgana Midnight Sparkle behind it! THAT CHEESE HATING MONSTER!

Lincoln: Without a doubt, that she-demon just doesn't know when to quit, and before you charge out after him, Nico, I've got a better plan for him: we're going to throw him in the M.O.E. Prison, but he'll also have a deadly curse on him that'll kill him in a year's time and banish him to The Black Abyss.

Me: Perfect.

Eli: That's really awesome!

Nico: Oh, alright. But, if he tries anything, I'm gonna shove a wheel of cheese down his throat and see him explode like a balloon!

Suddenly, Lincoln had a premonition, and it's not good: it appears Morgana Midnight Sparkle and her minions have resurrected Hajun and Kronos from Record of Ragnarok, and they've also summoned Zerofuku, Typhon, Adamas, Shiva, Poseidon, Heracles, Beelzebub, Apollo, Susano'o no Mikoto Odin, Loki, and Zeus from Record of Ragnarok, and sent them after us.

Lincoln: Are you kidding me?! Morgana, why you little...!

Me: Lincoln, what's wrong?

Lincoln: It's not good, it appears that Morgana Midnight Sparkle and her minions have resurrected Hajun and Kronos from Record of Ragnarok, and they've also summoned Zerofuku, Typhon, Adamas, Shiva, Poseidon, Heracles, Beelzebub, Apollo, Susano'o no Mikoto Odin, Loki, and Zeus from Record of Ragnarok, and sent them after us.

Me: WHAT THE?!

Nico: SAY WHAT?!

Nico's mouth went wide open and his skeleton came out.

Qin: Oh shit, that's not good!

Nico put his skeleton back inside his body.

Nico: I hate when that happens.

Suddenly, Aphrodite appeared.

Aphrodite (Record of Ragnarok): I was indeed afraid of this, and unlike the Gods you all know, the Gods from my world have one objective: to win Ragnarok and destroy Humanity.

WE GASPED!

Nico: That's not good! Lincoln, you need to stop them!

Lincoln: That's what I'm going to do.

Suddenly, the rest of the team arrived thanks to Lincoln's message.

Ed Cowart: We got here as fast as we could.

Lori: I literally thought we were done with Archibald Snatcher, but Morgana had some nerve to bring him back from the dead, she's gonna regret this!

Adriana Westbrook: Yep. Oh, Lincoln, look who we captured.

Adriana Westbrook summoned a scroll, and out came a couple of figures tied up: they were Shiva, Rudra, Vishnu, Brahma, Indra, Varuna, Agni, Shumbha, and Nishumbha from Records of Ragnarok.

Aphrodite (Record of Ragnarok): (GASPS) Shiva, Rudra, Vishnu, Brahma, Indra, Varuna, Agni, Shumbha, and Nishumbha, Morgana must've sent them.

Cage Blunt: Nope, this was the work of Adrian and his goons.

Lincoln: Adrian's trying to get rid of us, so we won't go after him, eh? We'll see about that.

Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's Stingers and he stabbed them into the chests of Shiva, Rudra, Vishnu, Brahma, Indra, Varuna, Agni, Shumbha, and Nishumbha and he began absorbing them, and he and all of us assimilated Shiva's Combat expertise, Dancing proficiency, Rhythmic combat, Hard skull, Enhanced charisma, Supernatural strength, Supernatural durability, Supernatural speed, Supernatural agility, Supernatural endurance, Supernatural stamina, Supernatural dexterity, Supernatural reflexes, Supernatural precision, Biological immortality, Flame manipulation, Flame generation, Self-combustion, Pyrokinetic cutting, Heat resistance, Manmade weapons immunity, Azur-pyrokinesis, Heartbeat amplification, Statistics amplification, and Planet destruction, Rudra's Combat expertise, Unarmed combat proficiency, Enhanced charisma, Four arms, Dancing skills, Supernatural agility, Supernatural balance, Supernatural durability, Supernatural jumping, Supernatural strength, Supernatural speed, Supernatural reflexes, Supernatural stamina, Supernatural endurance, Supernatural senses, and Biological immortality, Vishnu's Combat expertise, Fear instilment, Supernatural agility, Supernatural balance, Supernatural durability, Supernatural jumping, Supernatural strength, Supernatural speed, Supernatural reflexes, Supernatural stamina, Supernatural endurance, Supernatural senses, Biological immortality, and Preservation skill, Brahma's Combat expertise, Fear instilment, Supernatural agility, Supernatural balance, Supernatural durability, Supernatural jumping, Supernatural strength, Supernatural speed, Supernatural reflexes, Supernatural stamina, Supernatural endurance, Supernatural senses, and Biological immortality, Indra's Combat expertise, Fear instilment, Supernatural agility, Supernatural balance, Supernatural durability, Supernatural jumping, Supernatural strength, Supernatural speed, Supernatural reflexes, Supernatural stamina, Supernatural endurance, Supernatural senses, Biological immortality, Atmokinesis, and Electrokinesis, Varuna's Combat expertise, Fear instilment, Supernatural agility, Supernatural balance, Supernatural durability, Supernatural jumping, Supernatural strength, Supernatural speed, Supernatural reflexes, Supernatural stamina, Supernatural endurance, Supernatural senses, Biological immortality, and Hydrokinesis, Agni's Combat expertise, Fear instilment, Supernatural agility, Supernatural balance, Supernatural durability, Supernatural jumping, Supernatural strength, Supernatural speed, Supernatural reflexes, Supernatural stamina, Supernatural endurance, Supernatural senses, Biological immortality, and Pyrokinesis, Shumbha's Combat expertise, Fear instilment, Supernatural agility, Supernatural balance, Supernatural durability, Supernatural jumping, Supernatural strength, Supernatural speed, Supernatural reflexes, Supernatural stamina, Supernatural endurance, Supernatural senses, Biological immortality, and Six arms, and Nishumbha's Combat expertise, Fear instilment, Supernatural agility, Supernatural balance, Supernatural durability, Supernatural jumping, Supernatural strength, Supernatural speed, Supernatural reflexes, Supernatural stamina, Supernatural endurance, Supernatural senses, Biological immortality, and Six arms, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of Shiva, Rudra, Vishnu, Brahma, Indra, Varuna, Agni, Shumbha, and Nishumbha except for their clothes, and he drained their souls of their energy and imprisoned them in special cards and locked them away in a gold box he'd created.

Lincoln: This'll keep them contained until I can decide what to do with them, but after everything you told me about them, Aphrodite, I can't let the Gods of your world get away with this.

Suddenly, we heard six screams of rage in the distance.

Caleb Maxwell: And we just pissed off Adrian and his murderous cronies. (YELLS OUT LOUD) That's what you get for all the havoc and Hell you raised in the city, you bastards from Hell! Screw you six! I bet your parents are rolling in their graves with the embarrassment you're bringing to their names!

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Archibald Snatcher) AHA! There you are, you cheese hating varmint! I just spotted Archibald Snatcher, he's 20 yards away, and he's coming after us in a fit of rage! (Sensed Hajun, Kronos, Zerofuku, Typhon, Adamas, Shiva, Poseidon, Heracles, Beelzebub, Apollo, Susano'o no Mikoto Odin, Loki, and Zeus from Record of Ragnarok) And I just spotted Morgana's puppets.

Nico: Let's tear them apart.

Applejack heard a Pokemon cry.

Applejack: Look here.

She picked up an apple. But just as she was about to take a bite out of it she saw that it was an Applin!

Applejack: What in tarnation!?

Me: Hey an Applin.

Nico: Cool!

Applejack: An Apple Pokemon. How amazing.

Me: And the poor thing is hungry.

We gave it some food.

Applin: You almost ate me!

Applejack: I'm awful sorry about that. You looked like a good apple.

Applin: Yeah I get that all the time.

Applejack: Wanna come with me?

Applin: Sure!

Apple Bloom: Cool! My sister now has a mascot!

Me: That makes Twilight and friends of the Core 310 done for mascots.

Qin: Yep.

But then a Solrock came.

Me: Cool! A Solrock.

Nico: What's that doing here?

Me: Must be one of Dark Gale's gene-slammers.

Izzy Moonbow: Let me see.

She used Telepathy and gasped.

Izzy Moonbow: YAY! It's my sister Holly Solar Sundog!

Donkey Kong: Whoa! Holly is here!? Wow!

Me: WHOA! Lets go help her.

Me, Izzy and Donkey Kong went to help her.

Izzy Moonbow: Holly it's me Izzy!

Nico: Be careful!

She fired a blast of fire and we dodged it.

Me: Looks like we're going to have to calm her down.

I fired waves of water and drenched her.

Donkey Kong fired coconuts and bashed her all over.

BONK BONK BONK BONK BONK BONK!

Patrick: DAHAHAHA! THAT GUY GOT HIT IN THE HEAD WITH 6 COCONUTS!

Izzy fired water blasts and drenched her.

Donkey Kong: Take that!

Then I snapped my fingers and she reverted back and was a girl with blond hair, purple eyes, had Solrock in the middle of her forehead and had yellow angel wings and had a pink version of Izzy's cutie mark onher arm.

I wrapped a blanket around her and we brought her to a bench.

Me: There.

Nico: Wow.

She groaned as she woke up.

She woke up.

Izzy Moonbow: Holly?

Donkey Kong: You okay?

Holly Solar Sundog: Izzy? Donkey Kong? (GASP) It is you!

She hugged them both.

Izzy Moonbow: We're so happy to see you sis.

Holly Solar Sundog: I am happy to see you too sis. And Donkey Kong wow you are looking great.

Donkey Kong: Thanks Holly.

Me: You were turned into a Solrock by Dark Gale.

Holly Solar Sundog: (GASP) That was awful.

* * *

She was in an orange body suit. Then she was injected and her body bursted into flames and turned into a mini sun and then turned into Solrock. Then she busted out.

FLASHBACK ENDS

Holly Solar Sundog: It was awful.

Me: I know. But we're going to kill Dark Gale soon.

Nico: How did you meet Donkey Kong?

Holly Solar Sundog: I helped him battle King K-Rool in one of his games. I believe it was Donkey Kong Country 2.

Nicole: That's one of my favorite.

Diddy Kong: That was fun but she became an honorary member of the DK Crew after that.

Me: That is cool!

Izzy Moonbow: It sure is. Also Holly is who I learned all of my skills in crafting from. She taught me all I know about it.

Me: That is amazing Izzy.

Nico: It sure is.

Qin: Yeah.

Me: That is awesome.

Nico: What's your role in Sonya's team?

Holly Solar Sundog: Well I'm the sun master and pyromancer and taiyoumancer of the team and I use the powers of the sun and fire to burn and blind my enemies.

Me: Wow! Under the cover of a flash of light or burn from a blast of fire.

Holly Solar Sundog: That's right. It's fun.

Nico: Yeah.

Holly Solar Sundog: Yep. But outside the team I like to work on amazing fountains.

Izzy Moonbow: She makes these.

Izzy pulled out a catalog and it showed amazing and well made fountains.

Me: Wow those are beautiful and amazing.

Lola: They sure are.

Laney: Those fountains are amazing and incredible works of art.

Holly Solar Sundog: Thanks.

Horsea: I want to swim in one!

Maria: (LAUGHS) I don't think those are for swimming.

Camie: Those are beautiful though.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her awesome new purple and blue clothes and an amazing yellow scythe.

Holly Solar Sundog: Wow I look absolutely amazing!

Me: You sure do.

Nico: Now we got to go after a cheese hating monster.

Eli: Yep.

Nico: Shall we?

Me: Lets shall.

We took off into the air and we set out to take down Archibald Snatcher and throw him in The M.O.E. prison and destroy Hajun, Kronos, Zerofuku, Typhon, Adamas, Shiva, Poseidon, Heracles, Beelzebub, Apollo, Susano'o no Mikoto, Odin, Loki, and Zeus from Record of Ragnarok and send them to The Black Abyss.

We were flying in the air, and we spotted our target: Archibald Snatcher, and he was really out for our heads!

Lincoln: There you are, you rotten monster.

Lincoln fired energy blasts and elemental blasts from his massive white angel wings and four sets of large white angel wings underneath his massive white angel wings at Archibald Snatcher, and they hit him and exploded and Archibald Snatcher screamed in insane rage as we landed. Then, Nico went all out APESHIT ON HIM AS HE PROCEEDED TO TRASH ARCHIBALD SNATCHER

HARD BY PUNCHING HIM IN THE FACE BREAKING HIS NOSE AND GIVING HIM TWO EYES, AND HE EVEN BROKE HIS ARMS!

Lincoln: What the?!

Lincoln and I grabbed Nico and pried him off, only for us to kick Archibald Snatcher hard and sent him flying into a tree, he got back out, but boy, was he beyond angry!

Me: You've got some nerve coming back, Archibald Snatcher.

Nico: YOU CHEESE HATING ROTTEN MONSTER! I OUGHT TO STUFF A WHEEL OF CHEESE DOWN YOUR THROAT!

Lincoln: (GRUNTS AND HOLDING NICO BACK) Nico, hold it! Remember the plan!

Then, Lincoln made one of his eleven massive and long white wolf tails form into a fist, and then...!

POW!

HIS TAIL PUNCHED ARCHIBALD SNATCHER IN THE FACE AND HE GOT A BLACK EYE AND SPLIT LIP! THAT REALLY MADE HIM ANGRY!

Lincoln: Hmph, rotten bastard.

Cierra Cheese Sandwich: Yikes! Okay, guys, you've had your fun.

Catharina Cheese: She's right, now it's our turn.

Catarina Gruyere: And we're gonna make this monster pay!

Suddenly, the blue, green, and yellow eyes of Cierra Cheese Sandwich, Catharina Cheese, and Catarina Gruyere turned neon blue, green, and yellow, and they were surrounded by yellow, white, and blue energy auras with stars, aura energy, white and blue heavenly flames, cheese, magic, Alicorns, phoenixes, and angels, they unholstered their swords, and as they approached Archibald Snatcher, they left yellow, white, and blue energy, stars, aura energy, white and blue heavenly flames, magic, cheese, Alicorns, phoenixes, and angels with every step.

Cierra Cheese Sandwich: You truly are the worst of the worst, Archibald Snatcher.

Catharina Cheese: You caused so much harm and so much suffering to too many people all because of your stupid mentality.

Catarina Gruyere: You should've stayed dead long ago, but thanks to Adrian Zane and his monstrous allies, that went out the window, and now, we'll make sure you stay in prison forever!

Suddenly, Cierra Cheese Sandwich, Catharina Cheese, and Catarina Gruyere were surrounded by massive vortexes of yellow, white, and blue energy with stars, aura energy, white and blue heavenly flames, and cheese surrounding the vortexes, there are Alicorns, phoenixes, and angels flying around the vortexes, and in the vortexes are blue, green, and orange phoenixes with blood red eyes glaring at Archibald Snatcher: the blood red eyes of eternal death and eternal judgement, and we saw heavenly lights shining down on the vortexes.

Me: WHOA!

Nico: UH OH! NOW, THINGS ARE REALLY GOING TO GET REALLY CHEESY!

Lincoln: That monster's already going to get what he deserves, he needs to pay for the pain and suffering that he's caused!

Archibald Snatcher screamed in fright, since he knew he was allergic to cheese, he wasn't able to attack.

Sebastian Mendez: An adverse allergic reaction to cheese, I pity you for it...NOT! I do hope someone does stuff a cheese wheel down your throat, I hope to see you writhe in agony and hurl your guts and blood out before you die a truly horrendous death! (LAUGHING DEMONICALLY)

WE TURNED GREEN IN THE FACE AND WE RAN TO THE TRASH CANS AND HURLED OUR GUTS OUT!

Me: OH MY GOD! NICO, SEBASTIAN'S SADISTIC NATURE IS JUST AS DISGUSTING AS EVER! GROSS!

Nico: I know.

Qin: Nico, if we don't do something about Sebastian's sadism, everyone's going to hurl their guts out like crazy! This is way worse than when Lincoln ate The Harvester's guts and brains on your rescue last year!

Lincoln: Oh great, thanks to Sebastian, we just lost our breakfast. I'm gonna make a huge breakfast buffet for all of us when we take care of that monster.

Buster Bunny: I was hoping not to say it, but you, with that stunt of yours left us no choice.

The Tiny Toons and The Looney Tunes: THANKS A LOT, YOU BLOODTHIRSTY PSYCHOPATH! YOU MADE US LOSE OUR BREAKFAST!

Sebastian Mendez: (TURNS HIS HEAD 180 DEGREES AND HISSES LIKE A SNAKE)

Buster Bunny, his friends, and The Looney Tunes freaked out and did extreme takes and wild takes, and they ran to the trash cans and barfed!

Ace Bunny: Ugh, seriously?!

Lexi Bunny: You're just way too crazy!

Poromon: You're absolutely unbelievable!

Mascots: You're completely unpredictable! I ought to tie your limbs in a knot, wind you up, and...!

Lincoln: Okay, you asked for it. (CRACKS KNUCKLES)

Archibald Snatcher: (SHRIEKS)

Sebastian Mendez: (DEMONIC SHRIEK)

Mascots and Ed: WHAT A PEST!

Edd: That's disgusting!

Mascots and Ed: MAKE HIM STOP!

Then, as the vortexes fade, Cierra Cheese Sandwich, Catharina Cheese, and Catarina Gruyere emerge, but they were changed forever.

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF ARCHIBALD SNATCHER EVEN MORE TO NO FUCKING END! NOW, THE BATTLE TO FINALLY DESTROY ARCHIBALD SNATCHER WAS ON!

Lincoln, Cierra Cheese Sandwich, Catharina Cheese, Catarina Gruyere, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I and all of us went after Archibald Snatcher, and we fired extremely powerful blasts of rainbow, white, and blue energy, yellow, white, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Sylphs, Animals, and Mythological Animals at Archibald Snatcher and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cierra Cheese Sandwich, Catharina Cheese, and Catarina Gruyere did the same by firing yellow, white, and blue energy slashes from their gold plated claws and massive greatswords, and Lincoln, Cierra Cheese Sandwich, Catharina Cheese, Catarina Gruyere, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was really really making Archibald Snatcher even more angrier and even more insane than ever, if that was even possible.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Archibald Snatcher, and we found ourselves in Heaven.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is it, Archibald Snatcher, this is where your rampaging madness ends here and now.

Then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Archibald Snatcher.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness,

Then, Lincoln charged and smashed his rainbow energy infused left fist into Archibald Snatcher's stomach and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where your miserable life ends here and now!

Lincoln attacked him with two powerful energy slashes, and then...!

Lincoln did one final powerful energy slash that hit Archibald Snatcher hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Archibald Snatcher was on his last legs and he was really really mangled.

Lincoln fired a rainbow, white, and blue energy blast that turned into a straitjacket and tied up Archibald Snatcher so he couldn't escape!

Lincoln beamed Archibald Snatcher to The M.O.E Prison where he'll stay there forever, but if he dared to act out, Lincoln had a lethal curse put on him, and if he acts out, it's off to The Black Abyss for him for good.

Everyone cheered as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, eleven massive and long golden yellow wolf tails, longer Cheese Sandwich tail, 28th Century backpacks, large gold halos with four large orbiting gold rings on each corner behind the heads, large twenty colored planets orbiting around the legs and twenty smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers like rings, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and four sets of larger colored angel wings underneath the massive colored angel wings of Cierra Cheese Sandwich, Catharina Cheese, and Catarina Gruyere are permanent.

Nico: That'll teach you, you rotten cheese hating monster!

Suddenly, we heard six screams of rage in the distance, and then, we saw six tornadoes of ice, fire, wind, lightning, light, and darkness erupt out of nowhere, and as they disappeared, there standing in their place were Adrian Zane, Gonzales Ignacio, Tyler Zepherin, Leonard Tolvar, Gabriel Melchior, and Darius Braeden, the fallen vampire hunters and the monsters who terrorized New York.

Caleb Maxwell: (Growls) Adrian Zane, Gonzales Ignacio, Tyler Zepherin, Leonard Tolvar, Gabriel Melchior, and Darius Braeden, the fallen vampire hunters and the monsters who terrorized New York. I should've known we'd get you six so angry and furious, you'd come crawling out of the darkness to get revenge on us.

Adrian Zane: SHUT THE FUCK UP! You ruined all of our chances to get rid of all of you!

Gonzales Ignacio: Now, we'll have to do this the hard way!

Tyler Zepherin: You have all gotten in our way for the final time!

Leonard Tolvar: Now, you will all die!

Gabriel Melchior: And all of Earth will mourn your deaths!

Darius Braeden: And Anti-Monitor will praise us when we deliver him your heads!

Caleb Maxwell shot him in the right shoulder, and he also did the same to Gonzales Ignacio, Tyler Zepherin, Leonard Tolvar, Gabriel Melchior, and Darius Braeden shooting them in the right shoulder too.

Caleb Maxwell: We've already got enough on our plates such as dealing with Felicity Fences, Salty Schooner, Eugene, Margie, Mia Hansen, Myra Sokolov, Cyril Hearsay, and Boogie Gus whom you all freed from prison. But, don't worry, tomorrow, we'll personally deal with you and your goons, Adrian. Now, slither back to the East Bronx where you came from. Now, or the next shot I fire will be in your right eyes.

Adrian Zane, Gonzales Ignacio, Tyler Zepherin, Leonard Tolvar, Gabriel Melchior, and Darius Braeden let out roars of rage and disappeared in tornadoes of ice, fire, wind, lightning, light, and darkness.

Nico: Those assholes, so they were trying to gain Anti-Monitor's favor by killing us?!

Lincoln: I'm that close to killing them, but I'll wait until tomorrow to do just that.

Me: Same here, I've never met six disgusting piles of garbage and sewage all at once!

Cage Blunt: Even The Big Claw Gang were disgusted by them.

Jack Howard: And more than once, they've tried to get rid of them for good.

Roxy Drake: But, they always escape.

Cuffs Lane: Well, they have supernatural powers and all they have are weapons.

Jazz Jackson: Tomorrow, we'll invite them over to settle the score with Adrian and his minions.

Casey Antonio: Inviting The Big Claw Gang over to help us on one of Lincoln's rescues? That's a little crazy.

Caleb Maxwell: No, it's perfect. I've had more than enough of Adrian and his bloodthirsty minions for one day, so what better way to take them down and out forever is at the hands of both Team Loud Phoenix Storm and The Big Claw Gang.

Lincoln: Yep.

Lincoln snapped his fingers and made a huge breakfast buffet table appear in front of us, and we ate everything and we let out a loud massive belch.

Nico: Ah, now that was really good. Thanks, Lincoln.

Lincoln: You're welcome. That'll make up for what Sebastian did in making us barf like that.

WHAM!

QIN HIT HIM HARD IN THE HEAD WITH A MALLET AND FOUND HIMSELF BURIED IN THE GROUND! THEN, HE ROSE FROM THE GROUND LIKE A ZOMBIE!

Eli: That's for making us barf like that, you twisted sadist!

Nico: No one messes with cheese. NO ONE.

Me: That is for goddamn sure!

Qin: YEAH!

Camie: Yeah no kidding!

Nico: Nice job Applin!

Applin: Thanks Nico! Got any beer?

Poromon: YAY! Here you go!

He gave Applin beer and she drank it.

Applin: (GULPING) Ahh. (BARNEY GUMBLE BELCH)

Barney: Welcome to the drunk party! (BELCH)

She was drunk.

Poliwag: Sing the ABC's!

Applin: (BELCHING AND SINGING) AEDNDMDNSFSNSMFSNDJVMNSKGO!

WE LAUGHED HYSTERICALLY!

I snapped my fingers and she was back to normal.

Horsea: And here's some apple juice!

She drank it.

Manaphy: Do you like it?

Applin: I sure do! So good.

Camie: Awesome!

Qin: Yeah!

Varie: Yep.

Nico: Oh, Ring Man. What do you like to do in your free time?

Ring Man: I like making my own rings for jewelry stores and more and they are awesome.

Nico: Cool!

Qin: Yeah!

Green Lantern: Does that include your own Lantern Rings too?

Ring Man: I... don't know.

Green Lantern: Oh.

Saeko: Oh, me, Shizuka, Saya, and Rei have an announcement later

Qin: What is it?

Saya: You'll see soon.

Qin: Okay.

Nico: I know what it is. But just to be sure, I'll wait until later

Me: Okay.

LOUD FART!

Ed farted

Ed: Sorry!

Eddy: Nice one Lumpy!

Qin: Funny!

Lola: Yeah.

Lana: That was funny.

Camie: Yep.

Meg: Let me guess. You 4 are part alien?

Rei: No way!

Me: That would be cool though.

Saeko: That's not it though.

Camie: Yeah they will reveal it shortly.

Meg: Good guess.

Me: Nice try though.

Saya: Yeah.

Ed: Pull my finger Eddy.

Eddy: Shut up Ed.

Horsea: We'll just need to be patient

Nico: Yeah.

Lola: Okay.

Eli: Okay. Oh how is the 2nd Squidward handling his punishment?

Mr. Krabs: Want me to be honest?

Me: Yes.

Mr. Krabs: Every time he is a jerk he gets a sailor paddling.

Nico: Ooh ouch.

He showed a paddle covered in blood.

Mr. Krabs: See?

Me: JEEZ!

Qin: Man that jerk is not gonna have anything to sit down with.

Mr. Krabs: But Lincoln's curse is giving the Krusty Krab more money than ever.

Camie: Cool!

Lola: Boy that is awesome.

Poromon: It sure is.

Qin: Yep.

Xenia: Nice.

Lincoln: My curse was a good idea

Me: Yep.

Qin: I agree.

Lola: Yeah.

Me: Good. Now for the fun part of the battle.

Nico: The Anothers.

Qin: Yep.

Nico: Which are?

Eli: (Concentrates) Cyber Peacock, Kim Possible, Hunter (Dino Charge), Balrog, Power Ring, En and Samara Morgan.

WE GASPED!

Nico: WHOA! So Ring Man, Tea Rhodes, Amara Thatcher, Edith Johannessen, Luna Anderson and Carly Morgan are up.

Kim: Wow! And another me? That is crazy.

Eli: But I sense the Anothers minus Cyber Peacock and Kim are 1 person.

Me: Cool!

Nico: THERE THEY ARE!

Out came Another Hunter (Dino Charge), Balrog, Power Ring, En and Samara Morgan!

Me: Whoa!

Qin: This will be fun.

Camie: Yep.

Another Hunter: (In a girls voice) Yeah it will.

They merged and reverted back and it was the gene-slammer of LaMoon!

Nico: Serena Serenity!

Me: The LaMoon Gene-slammer!

Serena Serenity: Yep.

Me: By the way are the Another Cyber Peacock and Kim friendly or hostile?

Serena Serenity: Friendly and you will love the delicious aroma from Another Cyber Peacock.

Me: Ooh!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER

AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and we caught the Wonder Ride Books.

Me: YEAH!

Maria: Time for backup. (TURNS DIAL) WOLFFANG FURY 6!

She summoned Black Wolf (The Flight Before Christmas), Chili Pepper Malgam, Decimax, Alpha Phantom Fraime, Lego Barty Crouch Jr. and Gargoyle (2023 Miraculous Ladybug)!

Nico: And now, we wait.

Qin: Yep.

Carly Morgan: Yeah.

Nico: Any minute now.

Then we smelled a REALLY DELICIOUS SMELL!

Me: (Sniffs) Oh boy! What is that delicious smell?

Mr. Krabs: Wait that smells like...

SpongeBob: (DROOLS) Krabby Patties!

Nico: WHERE?!

Me: I think there!

We saw Another Cyber Peacock and Kim!

Me: There they are!

Nico: Yeah!

Another Cyber Peacock: (In a girls voice) And it's gonna be a delicious one.

She reverted back and it was the Embodiment of the Krabby Patty Dopant!

Me: (GASP) Katie Krabby Patty!

Mr. Krabs: (GASP) THE GODDESS OF KRABBY PATTIES! She has returned!

Lily: THE Goddess of Krabby Patties!?

SpongeBob: THE Prodigal goddess has returned!

Nico: Say what?

Me: Katie is a legend in the Krusty Krab. She is known as the Goddess of Krabby Patties and makes THOUSANDS of kinds of Krabby Patties.

Mr. Krabs: After Jim left, I hired her and she made the Krusty Krab fun and awesome.

Nico: Really?

Me: Yeah she is a legend.

Lily: Wow! It's an honor to meet a legend!

SpongeBob: Same here!

Katie Krabby Patty: You too Lily and SpongeBob. I am honored to share my secrets with all of you.

Mr. Krabs: Would you like to rejoin us Katie?

Katie Krabby Patty: It would be an honor Mr. Krabs.

Me: Awesome. And she makes Krabby Patties with the grace and beauty of a peacock.

Cyber Peacock: That is so awesome and cool and amazing. Just like me.

Nico: Wow no kidding.

Lola: Yep.

Nico: And your friend?

LOUD BELCH AND FART!

Another Kim: Oops pardon me.

She reverted back and it was a younger version of Kim.

Kim: (GASP) Amanda!

She ran and hugged her and then as she hugged her...

LOUD LONG NASTY HUGE FART!

Amanda Possible: Ahhhh! That is better.

Kim: This is my little sister Amanda Possible.

Me: Whoa the famous Eating Champion? I heard she ate 600 cans full of baked beans.

Nico: WHOA MAN! That is impressive!

Qin: YEAH!

Lola: WOW! That is crazy!

Me: GEEZ! Poromon you and the mascots have to get all that gas out of her.

Poromon: You got it!

LOUD NASTY LONG HUGE FART!

Ed: WHO STEPPED ON A DUCK!

Amanda Possible: Sorry!

Kaito: (gets out Megaranger gear) Did Swartz promise you anything?

Zocks: (gets out Gingaman gear) Because we can grant it instead.

Kaito and Zocks got Lost Galaxy and In Space Weapons.

Katie Krabby Patty: No he didn't. Because I gave him the Nasty Patty and poisoned him.

Me: EW! That must've tasted like puke!

Qin: No kidding!

Katie Krabby Patty: Yeah we ran after he was choking on it.

Lola: Nice one!

Nico: YEAH!

Sougo (gets out In Space Ridewatch): After this, we're getting those farts out

Geiz (gets out Lost Galaxy Ridewatch): The mascots will help with that.

Sougo got InSpaceRed while Geiz got LostGalaxyRedArmor

Me: Good idea.

Qin: Yeah!

Amanda Impossible: Yeah.

Nico: Lets separate you first.

Lincoln: Good idea.

We did so.

Nico: (gets out Cyber Peacock's Ridewatch) Hope Ben doesn't freak out about this…

May: (Gets out Balrog's Ridewatch) YOU! SHALL NOT! PASSSS!

Maria: (Gets out En's ridewatch) ANGEL RINGS!

Tea Rhodes: (Gets out Hunter's Ridewatch) Lets hunt.

They used the power of Cyber Peacock, Hunter (Dino Charge), Balrog, Power Ring, En and Samara Morgan and blasted the Anothers.

Then Dark Mantis, Big Bad Wolf, Giant Rex, Cutler Beckett, Polar Bear (Zig and Sharko) and Dancing Water came.

Me: WHOA!

Nico: Nice team Dark Mantis.

Dark Mantis: Thanks Nico.

Clown Man: My team's next! (GOOFY LAUGHTER)

Me: Yep it sure is!

Qin: YEAH!

?: (ECHOING) JUSTICE BEAM!

2 energy beams blasted the Anothers and I caught the ridewatches and purified them.

Me: WHOA!

Nico: Who did that!?

Out came Shakkoumon!

Me: WHOA! Shakkoumon!

Shakkoumon: (In a girls voice) That was fun.

Nico: Jadha Shakkou!? Wow!

She reverted back and was a girl with yellow hair, yellow eyes, yellow clothes and had green angel wings and had Shakkoumon in the middle of her forehead and on her skirt and shirt and had a green sword in her hand.

Jadha Shakkou: That was so awesome and cool.

Me: It sure was.

Nico: Nice job!

Jadha Shakkou: Yeah it was! Thanks!

Me: Do you have a favorite memory of Nico?

Jadha Shakkou: I sure do. When I showed Nico my ancestral heritage in the Jomon Period.

Me: WHOA! That was back over 16,000 years ago.

Lola: Yeah that is amazing that you have ancestral ties to the Jomon.

Nicole: It sure is. I'm impressed.

Jadha Shakkou: Thanks. It sure is cool.

Nico: Yep.

Nico and Jadha hugged.

Nico: I've missed you.

Jadha Shakkou: Same here.

We went back home. This was an eventful rescue.

We had Amanda laying down on the sofa and the mascots were bouncing on her tummy and loud farts were heard.

But, when Lincoln hears everything they've done to Sam, Clover, and Alex, HE'S GONNA SNAP AND GO INFINITE-TIMES BALLISTIC AND TRASH FELICITY FENCES, SALTY SCHOONER, EUGENE, MARGIE, MIA HANSEN, MYRA SOKOLOV, CYRIL HEARSAY, AND BOOGIE GUS! But, while Salty Schooner, Eugene, Margie, Mia Hansen, Myra Sokolov, Cyril Hearsay, and Boogie Gus are going to be sent to The M.O.E., as for Felicity Fences, since she's a completely crazy and unhinged spoiled brat, she'll be going to The Xaikora Prison for Spoiled Brats, but there's a special wing set up for her: a wing set up for spoiled brats who are utterly insane and completely crazy, and she'll bound in a rainbow, white, and blue energy straitjacket and chained to the wall of her doorless windowless cell surrounded by eternal darkness, and she's going to get a special curse meant for a spoiled brat like her who's completely crazy.

Lincoln: Ah, we're here in Beverly Hills, and I know what we're going to do here, not only am I going to rescue the twenty-two girls here, but we're going to take down more of Sam, Clover, and Alex's enemies: Felicity Fences, Salty Schooner, Eugene, Margie, Mia Hansen, Myra Sokolov, Cyril Hearsay, and Boogie Gus.

Me: Just like you saw in your dream.

Sam: But, you're not going to like hearing about them one bit.

Sam, Clover, and Alex proceeded to tell Lincoln everything to every last detail about Felicity Fences, Salty Schooner, Eugene, Margie, Mia Hansen, Myra Sokolov, Cyril Hearsay, and Boogie Gus and that also included how Salty Schooner, Eugene, Margie, and Cyril Hearsay hurt Sam, Clover, and Alex, and as soon as they were done, Lincoln had a really angry glare in his eyes, and he clenched his hands so tight, he drew blood from his palms and drops of them fell to the floor and sizzled. Then, we saw his body turn red with rage, and then...!

TRAIN WHISTLE!

STEAM LITERALLY EXPLODED OUT OF LINCOLN'S NORMAL EARS AND LARGE WHITE WOLF EARS ON HIS HEAD!

Lincoln: They...did...(MEGA ENRAGED SCREAM) WHAT?!

Me and Nico: UH OH!

Lincoln: Those rotten heartless selfish bastards think they can get away with hurting my future wives like that again?! (WOLF ROARS) That is absolutely unforgiveable! I am gonna tear those assholes to FUCKING PIECES FOR THIS! THEY'RE GONNA REGRET HURTING YOU THREE LIKE THAT!

Ring Man: WHAT THE?!

Luna: Oh no, it's too late, dudes!

Anna Anyanova: You said it, Luna. LINCOLN'S GONNA APESHIT AND TRASH FELICITY FENCES, SALTY SCHOONER, EUGENE, MARGIE, MIA HANSEN, MYRA SOKOLOV, CYRIL HEARSAY, AND BOOGIE GUS!

Laney: This is gonna get ugly just like the time Lincoln trashed Sam's evil ex-boyfriend, James, who used her for his own evil plans!

Suddenly, Lincoln let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his entire body was covered in thick brown fur and his massive pecs and ten-pack abs were covered in tan fur, his deep sapphire blue eyes and rainbow iris of his Third Eye remain the same, but the pupils turned into slits, his fangs grew longer and his rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's nose and he grew a wolf snout and sturdy tan-colored muzzle, his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings remained the same, his eleven massive and long white wolf tails and large white wolf ears turned brown, his long wild white hair turned brown with white streaks and became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned dark blue, and he let out a loud howl as he turned into Lincoln The Nocturnal!

Lincoln: (HOWLS AND BEATS HIS CHEST LIKE A GORILLA)!

Me: OH GOD! NOW, THEY'VE REALLY DONE IT! THOSE DIRTBAGS ARE GONNA BE BURIED SIX FEET UNDER!

Lincoln: (Beastly Voice) None of them are leaving here without a few scratches! Let's go!

Cage Blunt: This is gonna get ugly.

Travis Tackett: Big time ugly.

James Blunt: Well, I'm looking forward to seeing what kind of damage Lincoln's going to do to them.

WE GASPED!

Nico: You better not be serious, James Blunt.

Me: I think he is, Nico. Before you and your family came to Michigan, we saw the damage Lincoln can do when he goes werewolf on them. (SHUDDERS) It's horrific.

We headed on out.

Suddenly, we saw a nine-tailed fox running through the skies as it left an awesome trail of flames in the skies, and then, it landed, and it turned into a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, short red hair with large red wolf tails ears and nine massive red fox tails, red eyes, massive red angel wings, white short-sleeved blouse with a nine-tailed fox on it and on her forehead, red sleeveless crop top, red skirt, red knee-high high-heeled boots with butterfly buckles, long white sleeveless trenchcoat with stars, fire, flames, nine-tailed foxes, phoenixes, and angels on the coattails, and on the back is the nine-tailed fox, she has a fire greatsword, and with her are the twenty-two girls.

Lincoln: (Beastly Voice) (GASPS) Katie Kitsune, Avatar of The Nine-Tailed Fox.

Katie Kitsune: That's right, and I got the girls away from Felicity Fences, Salty Schooner, Eugene, Margie, Mia Hansen, Myra Sokolov, Cyril Hearsay, and Boogie Gus.

?: YOU SPIES ARE GOING TO PAY FOR THROWING US ALL IN PRISON!

We then saw our targets, Felicity Fences, Salty Schooner, Eugene, Margie, Mia Hansen, Myra Sokolov, Cyril Hearsay, and Boogie Gus, heading right for Sam, Clover, and Alex.

Lincoln: (Beastly Voice) (GROWLS) Right on time, you dirtbags. NOW, IT'S HIGH TIME FOR YOU TO PAY FOR ALL OF YOUR TRANSGRESSIONS! (HOWLS)

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a dark blue vortex flared up behind him, and he charged at Felicity Fences, Salty Schooner, Eugene, Margie, Mia Hansen, Myra Sokolov, Cyril Hearsay, and Boogie Gus, and he proceeded to brutally smash them into the ground with his massive brute superhuman strength, slashed them with his gold-armored dragon claws and greatsword, and fired blasts of dark blue wolf fire, darkness, moonlight, and ice at them, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON THEM! HE WAS REALLY GOING APESHIT ON THEIR HIDES!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

RIPS! HOING! SHRILL GIRL SCREAMS!

LINCOLN ALSO GAVE FELICITY FENCES, SALTY SCHOONER, EUGENE, MARGIE, MIA HANSEN, MYRA SOKOLOV, CYRIL HEARSAY, AND BOOGIE GUS IRREVERSABLE SUPER QUADRUPLE MEGA WEDGIES!

May: OH! AND HE ALSO RESORTED TO THAT! EUGH!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL! IRREVERSABLE SUPER QUADRUPLE MEGA WEDGIES!

Cage Blunt: See what you lot have done?

Travis Tackett: You went too far and messed with his future wives like that, I don't blame him for going apeshit on you dirtbags!

James Blunt: Be glad he's not gonna kill you all!

We saw Felicity Fences, Salty Schooner, Eugene, Margie, Mia Hansen, Myra Sokolov, Cyril Hearsay, and Boogie Gus shaking and begging for mercy.

Felicity Fences, Salty Schooner, Eugene, Margie, Mia Hansen, Myra Sokolov, Cyril Hearsay, and Boogie Gus: PLEASE! WE BEG YOU! HAVE MERCY! FORGIVE US!

Lincoln: (Beastly Voice) If Christ above forgives you for your atrocious actions, will I, The Eye of Dread and Scorn, henceforth forgive you?!

LINCOLN SHOT THEM AN EXTREMELY DEATHLY GLARE AND THAT GLARE MADE FELICITY FENCES, SALTY SCHOONER, EUGENE, MARGIE, MIA HANSEN, MYRA SOKOLOV, CYRIL HEARSAY, AND BOOGIE GUS SO SCARED, THEY SCREAMED IN FRIGHT AND PISSED THEIR PANTS IN HORROR!

Felicity Fences, Salty Schooner, Eugene, Margie, Mia Hansen, Myra Sokolov, Cyril Hearsay, and Boogie Gus: (BLOODCURDLING

SCREAMS)

Me: HOLY...DAMN!

Nico: (GASPS) OH! OH GOD, THEY REALLY DID IT, THEY TRIED TO BEG FOR MERCY, BUT LINCOLN SHOT THEM DOWN WITH THAT AND A DEATHLY GLARE AT THEM TOO!

Eli: They are done for!

Lori: And it's already going viral!

We saw on Lori's phone that the video of the fight was going viral and it was getting tons of likes from everyone, and comments such as, "YOU SHOW EM, LINCOLN! OY FUCKERS, YOU MESSED WITH HIS FUTURE WIVES, YOU JUST BOUGHT YOURSELVES A ONE-WAY TRAIN RIDE TO THE NINE CIRCLES OF HELL!", "TAKE THAT, FUCKERS!", "YOU SELFISH EVIL JERKS DESERVED TO GET BEATEN DOWN BY LINCOLN! SCREW YOU ALL!"

Alya: Oh man, it's gone viral in a huge way!

Luan: Oh man, and everyone is also sending threats at Felicity Fences, Salty Schooner, Eugene, Margie, Mia Hansen, Myra Sokolov, Cyril Hearsay, and Boogie Gus, and they're also really explicit!

We saw the explicit threats, and they were too graphic to even say!

Me: Wow. I didn't think they'd also put that kind of language in the posts as well.

Nico: Man, they really are going all out to say those threats to those dirtbags!

Suddenly, Lincoln swung his massive greatsword and fired dark blue energy blasts that turned into dark blue energy straitjacket and dark blue energy chains that tied up Felicity Fences, Salty Schooner, Eugene, Margie, Mia Hansen, Myra Sokolov, Cyril Hearsay, and Boogie Gus, and Lincoln opened up a portal that led to The M.O.E.'s HQ, and he lifted Salty Schooner, Eugene, Margie, Mia Hansen, Myra Sokolov, Cyril Hearsay, and Boogie Gus up with his tails and threw them inside and once they were through the portal and inside The M.O.E, the portal closed.

But, as for Felicity Fences, because she was a completely crazy and unhinged spoiled brat, Lincoln had her beamed to The Xaikora Prison for Spoiled Brats, but she was sent to a special wing set up for her: a wing set up for spoiled brats who are utterly insane and completely crazy, and she was bound in a rainbow, white, and blue energy straitjacket and chained to the wall of her doorless windowless cell surrounded by eternal darkness, and Lincoln put a special curse on her, and it was meant for a spoiled brat like her who's completely crazy. We cheered as we holstered our weapons and powered down.

Lincoln: (Beastly Voice) And that is the end. (ROARS AND HOWLS IN VICTORY)

Suddenly, Lincoln was hugged by Sam who wrapped her arms around his waist and Clover hugged his right arm and Alex hugged his right arm, and then, while Clover and Alex kissed him on the cheeks, Sam kissed Lincoln on the lips, and then,...!

LINCOLN'S BODY TURNED ATOMIC RED LIKE A THERMOMETER RISING, AND THEN,...!

TRAIN WHISTLE!

RED STEAM WHISTLED OUT OF HIS LARGE BROWN WOLF EARS, AND HE HAD AN IN HEAVEN LOOK IN HIS EYES AND A GOOFY SMILE ON HIS FACE!

Lincoln: (Beastly Voice) (In Heaven) So...awesome!

Lincoln changed back.

NICO AND I ALMOST BUSTED A GUT LAUGHING, AND LORI TOOK A PHOTO ON HER PHONE!

Lori: That's literally going in the photo album.

Nico: But, at least, Salty Schooner, Eugene, Margie, Mia Hansen, Myra Sokolov, Cyril Hearsay, and Boogie Gus are in The M.O.E.

Me: And that unhinged insane brat, Felicity Fences, is in The Xaikora Prison forever.

Lincoln: Where she belongs. (To Katie Kitsune) And it's so good to see you again, Katie.

Katie Kitsune: You too, Lincoln, it's been seven years since we last met.

Suddenly, Katie Kitsune had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Katie Kitsune was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered.

Katie Kitsune: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Katie Kitsune and hugged her, and Katie Kitsune is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him and even in his werewolf form, he's also even more taller, more handsome, buffer, hunkier, and much more muscular, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Winter Werewolf: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Katie Kitsune, Avatar of The Nine-Tailed Fox, she's Lincoln's Guardian Angel and she's known as The Nine-Tailed Fox Strategist of The Avatars of The Mythical

Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Katie is a powerful master of the powers of fire, flames, fox fire, and shapeshifting, and she's also incredibly cunning and an incredibly strategist who studied in the arts of war. She lived during an age of darkness and she was said to have been raised by a clan of kitsunes in the forests of Japan, and over time, as she grew, she gained all of the incredible strengths and powers of the nine-tailed fox along with immortality, and she'd fought to defend her family from the hatred and fear wrought on by the paranoia that humans had towards her clan, and many centuries later, there was one person that harbored a true love for everything, and that also really strengthened the love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of fire, flames, fox fire, shapeshifting, and the powers of the nine-tailed fox, and he also gained all of the incredible strengths and powers of the nine-tailed fox, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 nine-tailed foxes and men combined along with incredible levels of incredible superhuman intelligence and he's as smart as 999,000,000,000,000,000,000,000,000,000,000 nine-tailed foxes, and she also helped him improve his strategizing and cunning, plus it also enhanced his incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well, and she also found out Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him in his werewolf form on the muzzle and made out many times in his werewolf and he came back home all covered in kisses and his tails were wagging like crazy. Lincoln made her a powerful fire greatsword and gave her a flower to put in her hair, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Katie kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting

Lincoln, they'd face the fury of the nine-tailed fox.

Nico: If we have any espionage missions, you'd be perfect for that.

Me: Shapeshifting into someone else and get the drop on them, that'd be awesome.

Lincoln: Almost like in a spy movie, but in real life, and now that you're here, Katie.

Lincoln with his massive muscular arms still wrapped around Katie Kitsune leaned his head down to the right side of Katie Kitsune's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large white feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Katie Kitsune: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Katie Kitsune with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Katie Kitsune: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives,

Katie Kitsune.

Katie Kitsune had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Katie Kitsune's waist, and he leaned down to her face and kissed her on the lips, and with Katie Kitsune's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Katie Kitsune had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Katie Kitsune: (In Heaven) My God.

Then, we went up to the twenty-two girls, and when Lincoln saw them, he immediately recognized them. The twenty-two girls are Acht, Celica A. Lincoln: It's been a long while since we ran into any of your old friends from your world. Are you girls okay?

Acht: Yes, we're okay, thanks to you.

Acht: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made twenty-one clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Acht: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, twenty-two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Acht, Celica A. Mercury, Chachakaka, Ciel Sulfur, Djeeta, Nu-13, Kajun Faycott, Kiiro Hikagami, Kokonoe Mercury, Kuon Glamred Stroheim, Linhua, Meifang Lapislazuli, Narmaya, Simulator Nine the Phantom, Platinum the Trinity, Raquel Alucard, Saya Terumi, Shiori Kirihito, Trinity Glassfille, Tweyen, White Justice, and Ringo Akagi A.K.A. Zwei with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies. We returned home to the World Tree Estate, and everyone was shocked to find out the villains we went after were more of Sam, Clover, and Alex's enemies: Felicity Fences, Salty Schooner, Eugene, Margie, Mia Hansen, Myra Sokolov, Cyril Hearsay, and Boogie Gus.

But, when Lincoln showed what happened with Sam, Clover, and Alex telling him about Felicity Fences, Salty Schooner, Eugene, Margie, Mia Hansen, Myra Sokolov, Cyril Hearsay, and Boogie Gus, but when he found out about the harm they all did to them and when they saw him go apeshit on them and all of us trashing them and sending Salty Schooner, Eugene, Margie, Mia Hansen, Myra Sokolov, Cyril Hearsay, and Boogie Gus to The M.O.E. and Felicity Fences to The Xaikora Prison, everyone cheered wildly and they ran to us and hugged us and Lincoln's harem kissed him. Lincoln and Katie Kitsune have a lot of catching up to do, now that she was back in town.

Maria: We saw Lori's video of the fight! Damn, Lincoln, you really tore them apart, it was just like what you did to Sam's evil scumbag ex-boyfriend, James, last year!

Lincoln: But, for those dirtbags, I wound up turning into Lincoln the Nocturnal and really tore them all apart.

Nico: It was brutal! So brutal!

Me: Even I was stunned at what Lincoln did. (Shudders) But, it was pretty ugly!

Lola: Everyone's still talking about what Lincoln did to those dirtbags!

We also got responses from The Masters of Evil cheering Lincoln on and cursing those dirtbags!

Qin: And The M.O.E. heard it. Ooh, you even got some thumbs-up and cheers from The Big Claw Gang.

Roxy Drake: I knew Dad and the others saw it. Uh oh, and Caleb, don't freak out about this, but...!

We then saw Thomas A.K.A. Panther, Carla Drake A.K.A. Carla Claw, Chester, Nick Price A.K.A. Crowe, Sarah Parker A.K.A. Hex, Chett A.K.A. Shroud, Sally Gamble, Jessie Jean A.K.A. Patch, Mad Cat Max, Nekome, Ichiro, and Claw Dane Drake of The Big Claw Gang come out of their new rooms in The World Tree Estate.

Caleb Maxwell: What the?! Roxy, did you and the others...?!

Cage Blunt: We had a meeting the other day, and we had them move in with us. We couldn't tell you because of..., well, your past history with them like getting punched in the stomach by Panther and Shroud long ago and that time you got pissed off and tried to kill them, only to get taken home by them.

Panther then wrapped his left arm around Caleb's neck and shoulders and gave him a noogie.

Panther: Besides, this was all your little sis's and your mom's doing, looks like we're gonna be roommates.

Marlene Maxwell: Panther, you didn't have to mention that. I knew Caleb was gonna get pissed off, but I met them before, and they looked like good people and Allie wanted to help them, and I did have to keep them hidden before Caleb came back.

Allie Maxwell: I know, it wasn't easy hiding them in my room, Mom. Chett couldn't stand it since I had my room painted in pink, and I wasn't gonna take the risk of hiding them in Caleb's room, that's the forbidden zone. (Shudders) If he found them there, he'd freak and get Cage and the NYPD here at once!

Cage Blunt, Jack Howard, Casey Antonio, Carter Kenrick, Captain Whitten, Roxy Drake, Cuffs Lane, Jazz Jackson, Abby Smith, and Vessie Harris: Call the cops? You know your brother better than that, Allie.

Allie Maxwell: Oh right, I forgot, he'd start shooting like crazy!

Caleb Maxwell: Are you kidding? I know I'm feared by all criminals, but you know that if I started shooting like crazy, you and I both know that Mom would chew me out for that! She hates it when any sort of action results in the house getting wrecked, and like Mom said, she had that fire in her heart when she was in her teens, and anyone who pissed her off was going to get burned.

We laughed.

After Lincoln and all of us trashed Felicity Fences, Salty Schooner, Eugene, Margie, Mia Hansen, Myra Sokolov, Cyril Hearsay, and Boogie Gus and sent Felicity Fences to The Xaikora Prison and Salty Schooner, Eugene, Margie, Mia Hansen, Myra Sokolov, Cyril Hearsay, and Boogie Gus to The M.O.E., we were training intensely in the gym, doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Katie Kitsune saw Lincoln doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Katie Kitsune: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, he also got one awesome tan, and he's also doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: (Beastly Voice) Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Katie, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Katie Kitsune: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Katie Kitsune: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, Carla Claw got out a video.

Nico: Hmm, what's this video about, Carla?

Carla Claw: This video was from a week after Caleb's second infiltration at The Spotted Leopard, and in this one, Panther really proved himself to be a really tough guy when he saved me from Caleb who tried to kill me and him both.

Carla Claw put the video in and it played on the big screen, and we saw Carla Claw and Panther on the rooftops at night in New York a week after Caleb Maxwell's second infiltration at The Spotted Leopard.

Past Carla Claw: Now, that was quite another night: dodging cops as always.

Past Panther: You got that right, and we especially dodged that cop, Blunt.

Suddenly, they dodged an incoming gunshot, and they saw who it was that did it: Caleb Maxwell and he was really out for blood.

Past Carla Claw: YOU!

Past Caleb Maxwell: DIE!

Caleb Maxwell tried to attack her with a blade that came out of his gun in his right hand, but then!

POW!

CARLA CLAW PUNCHED HIM HARD IN THE FACE! THEN...!

WHAM!

CARLA CLAW KNEE-KICKED CALEB MAXWELL HARD IN THE STOMACH AND HE FELL DOWN TO THE FLOOR!

Past Panther: (Chuckles) Damn! You really kicked his ass hard, babe.

Past Carla Claw: Well, someone had to teach Caleb a lesson. I know Allie may have said that he's still a good person, but I don't think that's the case anymore. Drake ruined his life, and now, he's turned into an undead vengeance-obsessed murderous monster.

Past Panther: Man, Nekome's training is really paying off for you.

Caleb Maxwell scraped his claws on the ground in pure anger and hate!

Past Caleb Maxwell: (GROWLS) Damn it...! Damn it...! You just don't know when to just give up and let me kill you both! It's all your fault, it's all your damn fault!

Caleb Maxwell got up, and he was now absolutely out of his mind as we saw the sclera of his eyes turn deep blood red and his blood red eyes glowed!

Past Caleb Maxwell: (DEMONIC VOICE) YOU ASSHOLES! DIE! DIE! DIE! (LAUGHING DEMONICALLY)

Past Carla Claw: Huh (Looks behind her) (Gasps) Crap!

THEN...!

CALEB MAXWELL SLAMMED HIS TWIN GUNS DOWN, BUT INSTEAD OF ON CARLA CLAW'S HEAD, THE TWIN GUNS HIT PANTHER'S HEAD AND WE SAW THAT HIS MASK WAS OFF, AND WE SAW HIS FACE FOR THE FIRST TIME: HE HAD LONG WILD BLACK HAIR GOING DOWN TO THE UPPER PART OF HIS BACK, BROWN EYES, BLACK MUZZLE, AND BROWN FUR!

Maria: So, that's what you look like without your mask, eh?

Panther: (Smirks) The very face Carla fell head over heels with.

Past Caleb Maxwell: WHAT THE?!

Caleb's deep blood red sclera turned back to white upon seeing what happened, and the rest of The Big Claw Gang arrived.

Past Carla Claw: Panther!

Past Panther: Caleb Maxwell! I don't care if you hate us and the rest of The Big Claw Gang, that's all up to you! You can keep trying to kill us and continue on your murderous rampage against your own brother, your Dad, and the rest of The Syndicate, and keep acting like the demon you've become! But, do not even think that you can get away with trying to break your little sister's heart and stomp all over her efforts!

We then saw blood running down from Panther's forehead as he continued glaring at Caleb Maxwell.

Past Panther: Your sister made a vow to help us despite that you just want us all dead, she willingly became a friend of ours and she didn't join the gang. And even if it means putting a monster like you in your place: you, her own older brother whom she always respected years ago, I'll do just that! We can forgive most of your horrendous actions towards us because you became messed up thanks to your lowlife brother, but what you just did with trying to kill my girl, that's crossing a serious line!

WE GASPED!

Me: Oh man, Caleb, you just opened The Gates of Hell with what you did!

Caleb Maxwell: Don't remind me.

Carla Claw: You did deserve it though, Caleb, you did go completely mad once again.

Past Caleb Maxwell: YOU! You think you're so fucking tough, are you?! You..., you're just a piece of gutter trash...! And this is how you want to waste your final breaths!

Panther punched Caleb Maxwell in the face!

Past Panther: I'm putting an end to this once and for all, you may be Allie's older brother and a victim of Drake's madness and lust for power eight years ago, but you've become a monster born of hatred and madness, and I'm not going to let you run free any longer!

Past Caleb Maxwell: You're an idiot, you've always been an idiot, how I'll delight watching all of you die by my hand! (LAUGHING DEMONICALLY)

Past Sally Gamble: (British Accent) Sorry, Allie, but it looks like your brother's already gone on over to the darkness forever.

Past Mad Cat Max: You psychotic little...!

But, then...!

POW!

PANTHER SPED UP AND HE PUNCHED CALEB MAXWELL HARD IN THE STOMACH AS HE CLOSED HIS EYES BRIEFLY IN PAIN AND OPENED THEM AGAIN FOR BLOOD TEARS TO COME POURING OUT! AND THEN, HE WENT FLYING AS HE LET OUT A LOUD HORRIFIC SCREAM AND CRASHED INTO A WALL!

Past Caleb Maxwell: YOU! YOU BASTARDS!

Then, Patch threw two knives which hit Caleb Maxwell in the stomach and forced him to his knees in pain!

Past Caleb Maxwell: (SCREAMS) (BELCHES OUT BLOOD)

The Big Claw Gang walked up to Caleb Maxwell.

Past Carla Claw: Now, we're gonna take the knives out of you, and when we do, you better not try anything on us. Got it?

Past Caleb Maxwell: (GROWLS) Fine.

Carla Claw grabbed the knives, and then...!

SHEEN! SCREAMS!

CARLA CLAW RIPPED THE KNIVES OUT OF CALEB MAXWELL'S STOMACH AND HE LET OUT THE MOST BLOODCURDLING SCREAM AND A BLACK MIST OF DARKNESS CAME OUT, AND TO OUR HORROR: IT HAD THE FACE OF SEBASTIAN FROM WHEN HE FELL INTO MADNESS DUE TO CHASE YOUNG'S DARK SIDE!

Past Hex: What the Hell was that?!

Then, his stomach healed.

Past Caleb Maxwell: Why didn't you just leave me to die? You should've just...let me bleed to death.

Past Carla Claw: After what we just saw, I think it's clear someone wanted you to suffer a fate far worse than Hell after you came back. Guys, let's get him back home, and don't you dare tie him up, he's already in a state of depression.

Panther, Carla Claw, Crowe, Shroud, Hex, Mad Cat Max, Patch, Sally Gamble, and Nekome got Caleb Maxwell in Crowe's car, and they drove back to the house. Panther then went outside and knocked on the door. Then, Allie Maxwell opened the door.

Past Allie Maxwell: Panther, everyone, what the heck are you...?

Past Carla Claw: You might want to see for yourself, Allie.

Allie Maxwell saw Caleb Maxwell in a really depressed mood, and she noticed Panther's forehead was bleeding.

Past Allie Maxwell: Whoa! Okay, what did my brother do this time?

They explained everything.

Past Allie Maxwell: Wait, what?! Oh God, Caleb. Panther, Carla and I will treat your forehead, Chett, you and Nick take Caleb back to his room, and Chett, don't you dare do anything to piss my brother off.

Shroud and Crowe got Caleb Maxwell in his room while Allie Maxwell and Carla Claw treated Panther's forehead wound.

Past Allie Maxwell: I didn't expect you to get a forehead wound like that, and you really had the balls to say all that to Caleb and piss him off like that.

Past Carla Claw: Even I was stunned myself, but damn, Panther really told your brother off like that. If it was Drake who did that, it would've ended with us getting rid of that pile of garbage.

Past Panther: True, but if we did that, we'd deny Caleb his revenge and that'll piss him off even more.

Past Allie Maxwell: True, but as it stands, his obsession with trying to get revenge on Drake for killing him eight years ago has gone out of control, but what you did freed him from whoever wanted to turn him into that monster. And there.

Allie Maxwell finished cleaning and putting a bandage on Panther's head.

Past Carla Claw: Nice one. (Smirks) Ooh, and Allie, you should reward him for taking your brother down.

Allie Maxwell kissed Panther on the cheek as the video ended.

Nico: Damn, that was one really brutal fight! And I can't believe it, so after Caleb came back, he wound up getting infected by...?!

Qin: By Sebastian? From nine years ago?! THAT PIECE OF TRASH! HAD WE'D KNOWN HE DID THIS TO CALEB, WE WOULD'VE TORN HIM TO SHREDS FOR THAT LONG AGO!

Lincoln: I can't believe that because of Sebastian's poisonous darkness, Caleb tried to kill Carla like that. I can also guess Roxy was pissed off at him for that too.

Roxy Drake: I was, but I cooled myself down and had rationalized it was Drake's doing that made him messed up and insane.

Cage Blunt: Allie told us everything about what happened that night too.

Carla Claw: Plus, after Allie got done with treating Panther, we unfortunately ran to Caleb's room and we saw him cutting himself like crazy with a knife and writing on the walls in his own blood, "It's all Drake's fault" all over. Panther got the knife out of his hands and he broke down and cried once more, and Panther lifted him up and laid him down on his bed.

Panther: Allie was horrified at what Caleb did to himself, and that only hardened her resolve to stop Drake. But, seeing Caleb like that, it really made all of us that angrier at Drake even more, and if we ever ran into him, we'll make Drake feel the same pain as his brother.

Shroud: And we saw her brother in the very light she saw him in: a kind soul driven to darkness by the madness of Drake. But, that didn't dull our hate towards Drake, he made too many enemies and too many victims have suffered at his hands.

Lincoln: That's true.

Eli: But, we saw how messed up Caleb became thanks to Drake's cruelty, and it wasn't just from the shooting death from eight years ago, but it was the brunt from years of cruelty and physical abuse Caleb had to endure from that pile of garbage.

Roxy Drake: And we also swore if we ever saw him, we'll alert Caleb and send him to kill that piece of trash.

We got a shower, and then, Lincoln, Suri Polomare, Miranda, Dottie, Georgia, and Ms. Gina Galiano are heading for Laverra Beach.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Suri Polomare, Miranda, Dottie, Georgia, and Ms. Gina Galiano are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Suri Polomare, Miranda, Dottie, Georgia, and Ms. Gina Galiano all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all. Plus, Lincoln found out about Suri Polomare's dark side that made her like that, and he removed it and sent it to The Black Abyss forever, and even Rarity was stunned to find out about that.

Miranda: Wow, so this is Laverra Beach, it sure is beautiful.

Lincoln: It sure is, Miranda, and it's perfect for our first date, shall we?

Lincoln, Suri Polomare, Miranda, Dottie, Georgia, and Ms. Gina Galiano dived into the waters, and they began swimming, and they also saw the marine life that lived there, then, they went back to the beach, and the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an amazing volleyball game, and they went into a workout area Lincoln created, and Suri Polomare, Miranda, Dottie, Georgia, and Ms. Gina Galiano got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Miranda: (Swooning) So manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Suri Polomare, Miranda, Dottie, Georgia, and Ms. Gina Galiano and hugged them in their abnormally massive and powerful muscular arms, and Suri Polomare, Miranda, Dottie, Georgia, and Ms. Gina Galiano placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Suri Polomare, Miranda, Dottie, Georgia, and Ms. Gina Galiano and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and

the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Laverra Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Suri Polomare, Miranda, Dottie, Georgia, and Ms. Gina Galiano on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Suri Polomare, Miranda, Dottie, Georgia, and Ms. Gina Galiano are in your harem, Linky.

Suri Polomare, Miranda, Dottie, Georgia, and Ms. Gina Galiano showed the marks Lincoln made on the right sides of their necks.

Rarity: I was still stunned when you told me all about Suri having a Dark Side in her, Linky. That explained her rotten behavior and hatred towards me in the past.

Ronnie Anne: Plus, I was also surprised to find out Miranda, Dottie, Georgia, and Ms. Galiano are going to be in your harem, same with Nikki, Casey, Sameer, and Laird.

Jenna: You guys had no trouble at all.

Miranda: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Ocellus, Ink Rose and Lola Ferrington's 3rd Mission.

Me: Anyone else want to go with Ink Rose, Lola, and Ocellus? Besides Stacey, General Schwarz, Flim Flam Brothers, Layla from the Winx Club, Zatch, Kiyo, and Ness?

Mummy: I'll go.

Maxxine: So will I. Why do I get the feeling this is a warmup for tomorrow?

Me: I think it will be fun. Anyone else?

Sunny Starscout: Me and my friends will go.

Me: Okay Sunny.

Nico: Okay lets go.

We were off.

We arrived.

Ray: Hey guys!

Ocellus: Guys, you already met the Flim Flam Brothers but meet Stacey, General Schwarz, Layla from the Winx Club, Zatch, Kiyo, and Ness

Stacey: Pleasure to meet you. I'm Stacey, Dark Ranger of the Zenkaigers.

Me: He has 48+ Years of Rangers turned dark. It's cool.

Stacey: It sure is.

General Schwarz: I'm General Schwarz.

Layla: I'm Layla, Princess of Andros.

Zatch: I'm Zatch.

Kiyo: And I'm Kiyo.

Ness: And the name is Ness.

Allie Underhill: Awesome to meet you all.

Sunny Starscout: I'm Sunny Starscout, Legacy of Twilight Sparkle and the Princess of Unity and Peace.

Pipp Petals: I'm Pipp Petals, Legacy of Rarity.

Zipp Storm: I'm Zipp Storm, Legacy of Rainbow Dash.

Hitch Trailblazer: I'm Hitch Trailblazer, Legacy of Fluttershy

Izzy Moonbow: I'm Izzy Moonbow, Legacy of Pinkie Pie.

Misty Brightdawn: I'm Misty Brightdawn, Legacy of Sunset Shimmer.

Comet (MLP): I'm Comet, Legacy of Starlight Glimmer.

Sprout Cloverleaf: And I'm Sprout Cloverleaf, Legacy of Applejack

Gabe: Wow it's an honor.

Sunny Starscout: Same here.

Mummy: I'm Mummy. I'm a Thep Khufan from the planet Anur Khufos.

Maxxine: And I'm Maxxine Stennson.

Allie Underhill: Pleasure to meet you all.

Zatch: I'm actually a Mamodo.

Allie Underhill: What is a Mamodo?

Me: They are little people from the Demon World.

Kiyo: It's a really crazy and amazing story. My father sent me Zatch as an amazing birthday present.

Me: The Mamodos have amazing power.

He showed the book of spells.

Me: These spells are all of Zatch's powers.

Allie Underhill: Wow that is amazing.

Nico: It sure is.

Zatch: Yeah it's cool.

Kiyo: And we're amazing partners.

Me: Yep.

Eli: Yep.

Gabe: That is really cool.

Me: I agree.

Ray: What about Ness?

Layla: Ness is from the 1995 game series Earthbound.

Ness: It's true and the powers we have there are cool.

Allie Underhill: Wow! That is amazing.

Me: Yep.

Allie Underhill: Wow! That is cool!

Me: It sure is.

Ray: Ocellus, tell us more about yourself

Ocellus: Sure. I'm a Changeling. I can shapeshift.

Allie Underhill: Really?

Ocellus: Yep.

In flashes of green fire she turned into Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Pinkie Pie, Fluttershy and many others.

Gabe: WOW! That was cool!

Me: It's a nearly perfect camouflage. She can turn into anyone or anything.

Ocellus: It's true. I wasn't always like this though. I used to be a love-sucking parasitic monster.

She turned into what she was before and that was a black insectoid pony creature.

Me: The Changelings act very much like insects.

Ray: That doesn't look too bad

Me: Well appearances can be deceiving.

Ocellus: Yeah. I was a bad guy before. That was before the Changelings turned into good people.

Me: The Changelings acted more like parasitic bloodsucking mosquitoes. Except they fed on love. It made them stronger and dangerous. Like how we absorb negative energy and convert it into positive energy to make us stronger, they fed on love like parasitic leaches and they convert it into hatred and it makes them stronger. They lived under the rule of a monster named Queen Chrysalis.

I went over her history and everything she did and it was horrible.

When I was done they were shocked!

Ray: WHOA MAN! That is horrible!

Eli: Yeah it was.

Ray: But I still don't think this appearance looks too bad

Ocellus: That's because before I was a black parasitic creature that fed on love. Now here I am as a changed good creature.

Sunny Starscout: Yeah and you have Trixie Lulamoon and Starlight Glimmer to thank for that.

Me: It's a long story.

Ray: You're right. But I'm glad that you are changed.

Ocellus: Me too.

Nico: So, Anything new going on?

Allie Underhill: Oh I found this.

She went into a room and came back with someone wrapped head to toe in bandages.

Me: WHOA! Looks like someone got mummified!

Mummy: This is definitely something I would have done.

I cut the bandages open and it was Alakshmi Verma!

Allie Underhill: Alakshmi Verma!

Me: Oh man! You know her?

Ray: She was one of the Choten's men before we redeemed her.

Nico: You okay?

Alakshmi Verma: (Laos Accent) A girl used bandages and wrapped me up like this.

Me: That must've been the Embodiment of Snare-Oh.

Alakshmi Verma: Thank you for getting me out though.

We cut the bandages and got her out.

Alakshmi Verma: Oh wow! You're the famous Team Loud Phoenix Storm. I've heard so much about you all.

Me: Pleasure to meet you.

Allie Underhill: Also we're going after Heller.

Me: What can you tell us about him?

Ray: Well he is a thug.

He told us about him.

The notorious thug Heller had been slowly making smaller scores – until he ended up accidentally stealing one of the Choten's gauntlets! Armed with Choten technology, Heller had enough natural talent to use his new found power to force a Light civilization creature named Shaw K'Naw to do his thieving for him. This grungy third has already robbed several jewelry stores... downtown San Campion had better watch out!

He first appears using a stolen tech gauntlet. With it, he controls Shaw K'Naw and uses it to steal jewelry, but is defeated and sent to jail. While in his cell, Heller is confronted by The Choten who asks him whether he would like to work for him. Heller agrees.

Later he ambushes Master Kimora and later, the kids (alongside Alakshmi and Fingers) but is later defeated by Ray.

We were shocked.

Me: Wait a second! I remember him! He was a criminal that I was after for years! He was a notorious jewel robber that I tried to find for 5 years.

Ray: The search ends now then

Me: Yep. This guy is a bad guy I have a score to settle with.

Gabe: He must be over in the Nature Civilization.

Me: Then lets get moving.

Maria: Yeah! And also Alakshmi you would be perfect for the Redemption Squad.

Alakshmi Verma: I would like that Maria. And it's good to see you and Carol again.

Maria: Same here.

Allie Underhill: Wow Carol I love your dress.

She was in a beautiful moon dress and it had stars and night all over.

Carol: Thanks. Bought it on the rescue with Nico.

Nico: Oh right. I forgot about that.

Me: Lets go.

We went to the Nature Civilization.

We arrived.

Me: WOW!

Zatch: Look at all this!

Me: Wow! When we were here before it was a giant tree a fraction the size of the World Tree Estate. But this is a more widely covering forest.

Eli: It sure is!

Nico: This is amazing!

Eli: It sure is. I sense him in there!

We saw a clearing.

Me: He's in there.

Nico: Lets get going!

We were off.

We flew and we landed and saw HELLER!

Me: Heller!

Heller turned and saw me.

Heller: Well well well. J.D. Knudson.

Me: Been a long time.

Nico drew his gun.

Nico: Hands where we can see them!

Heller: Okay.

He fired leaf blasts and we dodged the blasts.

Me: Why do they always have to do it the hard way.

I teleported and kicked him in the face and punched him in his nose and kicked him in the stomach and knocked him down.

He got up.

Me: Top this!

I did spins and flips.

Me: BOLSHACK DRAGON!

I summoned BOLSHACK DRAGON!

Nico: OH YEAH!

Heller did flips and moves.

Heller: STONESAUR!

He summoned STONESAUR!

Nico: COOL!

Heller: Not for you!

Bolshack Dragon fired missiles and lasers and blasted Stonesaur and destroyed it!

I kicked and slashed him.

I unsheathed the Sword of Fiery Cataclysm and fired blades of fire and blasted him.

Stacey: DARK CHANGE!

He transformed!

Stacey: Dark Power, Stacaesar! ステイシーザー

HE WAS READY!

Stacey: DARK NINJA STEEL!

He summoned dark clones of the Ninja Steel team!

Heller: How did you get that sword!?

Me: I got it from a place called None of Your Fucking Business!

Sunny Starscout got out her Kuuga Weapon.

Sunny Starscout: SWORD OF CRYSTAL FRIENDSHIP!

She fired waves of rainbow energy and blasted him.

Zipp Storm got out her Kuuga Weapon!

Zipp Storm: SWORD OF SPEEDING THUNDER!

She fired blasts of rainbow lightning and blasted him.

Pipp got out her Kuuga weapon.

Pipp Petals: SCYTHE OF THE JEWELS OF BEAUTY!

She swung it and fired waves of rainbow energy and blasted him.

Hitch Trailblazer got out his Kuuga Weapon.

Hitch Trailblazer: THE SWORD OF NATURE'S CHARM!

He fired waves of nature and leaves nd blasted him all over.

Misty Brightdawn got out her Kuuga Weapon.

Misty Brightdawn: SWORD OF HOPE'S REDEMPTION!

She fired waves of energy and blasted him.

Comet got out his Kuuga Weapon.

Comet (MLP): THE SWORD OF STELLAR AURORA!

He fired waves of stars and aurora and blasted him all over.

Sprout Cloverleaf got out his Kuuga Weapon.

Sprout: THE SWORD OF APPLES OF REDEMPTION!

He fired waves of apples and blasted him.

Layla got out her Kuuga Weapon.

Layla: THE OCEAN SWORD OF ANDROS!

She fired waves of water and drenched him all over.

Stacey summoned clones of the Abarangers.

Me: Awesome! Lets see how he likes this too.

I used the Abarangers gear and got the quill.

I drew a bunch of meteors and they flew and bashed Heller all over.

Nico: NICE!

The Dark Ninningers and Abarangers kicked and bashed Heller all over the place.

Zatch and Kiyo got out their Kuuga weapon.

Zatch and Kiyo: THE SWORD OF THE THUNDER EAGLE!

Zatch and Kiyo fired waves of lightning and electrocuted him all over.

Eli: Take this! DRAGON OF THE DARKNESS FLAME! 炎殺黒龍波

Eli fired a blast of pitch black fire as hot as the sun and it formed into a deadly dragon and it hit Heller and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Heller was badly burned all over the place!

Me: YEAH! Nice one bro!

Ness got out his Kuuga Weapon.

Ness: SWORD OF THE EARTHBOUND ELEMENTS!

He fired waves of fire, light, lightning and ice and blasted him all over.

Eli: Time for some furious flames of the Underworld! SWORD OF THE DARKNESS FLAME! 邪王炎殺剣

He formed a sword of pitch black fire.

Me: Lets show some teamwork. Ray you are gonna like this.

Me and Eli: (ECHOING) RAGING INFERNO UNDERWORLD DRAGON BLAST! 炎殺黒龍波超弾動閃煌斬

Me and Eli fired massive vortexes of intensely hot fire and light and a pitch black fire and the blasts combined and formed into a deadly blast and then the blast hit Heller and exploded!

EXTREMELY MASSIVE AND INCREDIBLE FIERY EXPLOSION OF INTENSE FIRE AND POWER!

Nico: WHOA! HOLY SHIT!

Allie Underhill: WOW! That was awesome!

Nico: Wanna join in?

Ray: SURE! Nico?

Nico: Lets do it!

Nico formed a Vanishing Ball!

Nico: VANISHING BALL!

Ray: FIRE BLADESTORM!

Nico and Ray: VANISHING FIREBLADE BALL!

They fired the blasts and blasted Heller all over!

Nico: YEAH!

Then a Lunatone came.

Me: Cool! Lunatone!

Nico: What's that doing here?

Me: I think I know.

Misty Brightdawn: Let me see.

She used her Telepathy and then gasped!

Misty Brightdawn: D-d-d-d Dawn Venus Brightdawn! She's my older sister!

Me: Oh man! Nico you hold him off. Me and Misty got this.

Nico: Okay!

Me and Misty went to face it.

Misty Brightdawn: Dawn it's me! Misty!

All she did was use Confusion.

We dodged it.

It hit Heller and made him confused.

Me: Looks like we're gonna have to face her.

I fired waves of energy and blasted her.

Misty fired waves of energy and blasted her too.

Me: Here we go.

I snapped my fingers and she reverted back and was a girl with green and blue hair and had green eyes and had Lunatone in the middle of her forehead and had green angel wings and on her arm was a green version of Misty's cutie mark.

I wrapped her in a blanket.

Dawn Venus Brightdawn: (Groans) What hit me?

Misty Brightdawn: Dawn?

She saw Misty.

Dawn Venus Brightdawn: Misty? (Gasp) Misty! You're okay!

Se hugged her.

Misty Brightdawn: I'm so happy to see you.

Dawn Venus Brightdawn: Me too Misty. Thank the stars you are safe.

Me: You were turned into a Lunatone by Dark Gale.

She gasped and had a memory flashback.

She was in a silver suit and was injected. She turned into moonlight and turned into Lunatone and busted out.

FLASHBACK ENDS

Dawn Venus Brightdawn: I remember and it was awful.

Nico: You'll have to tell us your role in Sonya's team later.

Maria: Lets get you some clothes first.

Maria gave her awesome new green and blue clothes and a moon staff.

Dawn Venus Brightdawn: Boy I look awesome.

Me: You sure do.

Then bandages came and wrapped Heller up and he was wrapped up like a mummy.

Me: WHOA!

Mummy: That didn't come from me!

We saw a girl with purple hair and red eyes and black clothes and wings and had a tiara with Snare-Oh on it.

Me: (GASP) Kirara Khufu XLI!

Nico: WHOA!

Me: She is the Embodiment of Snare-Oh and also is the descendant of Pharaoh Khufu.

Nico: WHOA! That is cool!

Eli: Wow! That was back 4,400 years ago!

Me: That's right.

Kirara Khufu XLI: (Grunts) That's right! Good to see you (Grunts) Again J.D..

Me: Same here Kirara.

Kirara lost control. Mummy tried hurling bandages at her but she flattens herself to deflect them back.

Mummy: Whoa! She is tough like me.

Me: She sure is.

I fired waves of fire and burned her bandages.

I fired the antidote rate and injected her.

Me: There.

Maxxine blasted her with energy.

Mummy charged at her and knocked her down.

Maxxine got out her Kuuga Weapon.

Maxxine: SWORD OF THE EGYPT PRIDE!

She slashed her all over.

Nico: She is really tough!

Mummy: Now you know how Ben and Gwen and Max had a hard time with me.

Nico: Yeah no kidding.

Dawn Venus Brightdawn: Allow me.

She fired a blast of energy and blasted her down.

The antidote took effect and she was back to normal. Her eyes were neon purple.

Kirara Khufu: (Groans) What hit me?

Eli and Allie helped her up.

Me: Long story. Lets finish this.

We fired energy waves and blasted Heller and knocked him out.

I slapped the cuffs on him.

Me: You're under arrest Heller.

Nico: YEAH!

Me: That was awesome!

Dawn Venus Brightdawn: It sure was. Where are Haiku and Carly?

Me: They are back at the estate.

Dawn Venus Brightdawn: Oh. It'll be good to see them again.

Me: How did you meet them?

Dawn Venus Brightdawn: I met Haiku in her Morticians Club meeting and she was dealing with some bullies. I stepped in and smashed their faces in.

Me: Cool!

Dawn Venus Brightdawn: And I met Carly when she was a Dark Signer. I helped her battle Rex Goodwin and it was awesome.

Me: Wow! That was cool.

Eli: It sure is.

Nico: Yeah. What's your role in Sonya's Team?

Dawn Venus Brightdawn: I am the Lunarmancer of the team and I use the moonlight and darkness to blind my enemies so we can take them down in darkness.

Me: Clever sneak attack.

Eli: It sure is.

Dawn Venus Brightdawn: Yeah and outside the team I make tea of many kinds.

Me: Nice.

Dawn Venus Brightdawn: But I was also trying to get my sister Misty out of Opaline's castle and take Opaline down.

Me: Well we beat you to the punch on that. We killed Opaline in the Kamchatka Peninsula in Russia and helped free Misty from her and more.

Dawn Venus Brightdawn: Wow! I missed out on so much.

Me: Well we have a lot to tell you.

* * *

We later returned home.

May: Hey guys! How did it go?

Me: Really epic.

We told everyone what went down.

May: WHOA! That is cool!

Carly Atlas: I'll say! And Dawn it's awesome to have you back.

Dawn Venus Brightdawn: Good to be back Carly. I missed you and Haiku.

Haiku: Same ehre.

Nico: Next time, Missy Rodgers, UA Iron Man, Jason James, and Maria's fellow Meta Breed members should come with

Missy Rodgers: Good idea!

Qin: Yeah!

Me: That will be fun.

Jason James: It sure will.

* * *

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Saya, Saeko, Shizuka and Rei came.

Rei: We have good news.

Ben: Lemme guess. You 4 are pregnant?

Saya: How did you know?

Ben: I saw it coming a mile away.

Me: Really?

Saeko: That's right!

WE CHEERED FOR THEM AND LINCOLN HUGGED THEM AND HE WAS ECSTATIC!

Me: Congratulations girls!

Saya: Thanks!

Nico: After everything you went through you more than earned it!

Nico: We definitely know what's coming for my next rescue.

Me: A Baby Shower.

Laney: Yep.

Rainbow Dash: And we'll have it at Saya's house.

Saya Takagi: Good idea Rainbow!

Pinkie Pie: It'll be an amazing party!

Qin: It sure will.

Alexandra Valerios: What are their genders?

Nico: Alex we don't know yet.

Me: We'll have to go to the doctor and find out.

Camie: After the main mission.

G1 Tantrum: You 4 take it easy in the meantime

Rei: Okay.

Rainbow Dash: Pickle and Barley! FRONT AND CENTER!

ZOOM!

They came.

Pickle and Barley Barrel: REPORTING FOR DUTY CAPTAIN RAINBOW DASH!

Rainbow Dash: Rei, Saeko, Saya and Shizuka are all pregnant and your task is to look out for them the time they are pregnant. Can you do that?

Pickle Barrel: YES MA'AM!

Barley Barrel: You can count on us!

Rainbow Dash: That's my pupils!

G1 Hot Spot: They're your pupils alright.

Poromon: We would love to hop on your bellies. But I'm afraid we're busy with someone else right now!

They were bouncing on Amanda Possible's belly.

LOUD FARTS!

Me: Wow! That's a lot of gas.

Amanda Possible: Yeah I still have gas. But this is fun.

Mevya: Saeko, I have a multiple choice question regarding your bellies.

Saeko: What are they?

Mevya: Can I hop on them, hug them, kiss them, or fall asleep on them?

Golden Queen: Funny. Only one of those you can't do

Nico: And that's Hop on them. You can do the rest but not hop on them.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our surprise, the figures were none other than Warmonga and Warhok, two of Kim Possible's old enemies, they're back and causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: Uh oh!

Eli: A new villain's come out?

Lincoln: Yep, but it's someone whom Kim is very familiar with.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone you're not going to like hearing, Kim: I just had a vision and I saw who it was that we're going to confront today: are you familiar with two people by the names of Warmonga and Warhok?

Kim Possible: Warmonga and Warhok?! Oh man! Not those two, and you're not going to like her one bit, Warmonga is a warmongering princess and Warhok is the leader of the Lorwardian invasion and Warmonga's hot-tempered compatriot.

WE GASPED!

Shanan: Oh God, I know their race all too well, The Lorwardians are a war-like race of warriors and practice at single combat apparently with goals of interplanetary conquest, and Lorwardia is the head of a galactic empire of conquered planets.

Sebastian Mendez: What the Hell?! If they think they're going to conquer Earth, they're mistaken! I will send their entire race straight to Hell for this insolence!

Lincoln: Gross! He's talking like he's a warlord out for destruction!

Nico: Hold on a sec, I've got an idea, we'll take down Warmonga and send her to The M.O.E., but her race will face the consequences for their warmongering conquests, and you'll be the one to administer the punishment to them, Lincoln, not you, Sebastian. If we let you do as you please, you're bound to go crazy!

Caleb Maxwell: Wait a second, now I remember him all too well. A year after I came back from the dead, a black shadow appeared and I got infected by its darkness, and it amplified the demon blood that was still in my veins and I became even more violent than ever. Panther's attack on me in the video we saw drove the darkness out of me and that was how I wound up...! (POINTS HIS FINGER ANGRILY AT SEBASTIAN) IT WAS YOU! You drove me into that pit of Hell, you turned me into that monster The Big Claw Gang saw me as! I know it was Drake's fault for turning me into a vengeful vigilante, but you, you tried to turn me into a murderous monster! I was so fucking blind to it! (To Panther, Carla Claw, Chester, Crowe, Hex, Shroud, Sally Gamble, Patch, Mad Cat Max, and Nekome) Can you guys forgive me?

Carla Claw: I think we'd already forgiven you when we saw that darkness you got infected with exit out of you thanks to Panther, Caleb.

?: That bloodsoaked fucker went way too far trying to turn you into a monster all those years ago!

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, short green hair, green eyes, green angel wings, green clothes, the symbol of The Kamen Rider W team on her forehead, skirt, vest, and pendant, and the symbols of NEVER on her right arm, long white sleeveless trenchcoat with stars, elemental forces, phoenixes, and angels on the coattails, and on the back is the symbol of The Kamen Rider W team, and she has Prismbicker in her hand.

Lincoln: (GASPS) Lana Hitomi W, Embodiment, Avatar, and Queen Goddess of The Kamen Rider W Team.

Shotaro: Lana's here, I knew it was her!

Nuju: Lincoln, Shotaro, you know her?

Lincoln: Indeed I do, Nuju.

Shotaro: And so do I and the team, everyone, this is Lana Hitomi W, Embodiment, Avatar, and Queen Goddess of The Kamen Rider W Team, she's Lincoln's Guardian Angel from Japan, and she's a deadly powerful master of good and a master of all the powers of the Gaia Memories and the powers of the Dopants. She is also a master of all the powers of Dopants we never faced or have seen before and she is a deadly force of nature. She is more powerful than all the Dopants and W Riders combined times 750,000,000,000,000,000,000,000 and she is a deadly force of nature and also she hates Jun Kazu with a vengeance and she vowed to make that monster pay big time. She moved to Michigan, and she really trained Lincoln with mastering the powers of the Gaia

Memories, and she even taught him how to master all of the powers of the Dopants, and she also taught him all about law enforcement and how to use guns and blasters and the sword. Lincoln made her a Kamen Rider W-themed necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a vengeance and vowed to throw them all in jail.

Nico: (GASPS) Whoa! No way, so that's how you know all about law enforcement and how to use guns and blasters and the sword?!

Me: So, that explains how you helped out the police in taking down some of the most dangerous crooks and criminals in Royal Woods these past few years after I moved in. That's awesome!

Lincoln: You guessed it, and I've helped the police track down many criminals all over Michigan and all over the world since then.

Lana Hitomi W: Yep, and if we ever see Jun Kazu again, he will die horribly for his crimes!

The previous group came.

Killer Croc: Can me, Lady Shiva, Samon Shakekisutanchin, Wrecking Crew, Hank Scorpio, Whiger, New Wave, Black Manta, Grodd and Cluemaster go with you guys?

Piledriver: Someone's pregnant, right?

Me: Yep.

Rei, Saeko, Saya and Shizuka pointed to themselves.

Piledriver: Hey congratulations Girls!

Lincoln: After everything they went through they deserve a family with me.

Me: Yep.

Nico: And yes you all can come with us.

Lola: We're going after Warmonga and Warhok next.

Nico: Kim what can you and Ron tell us about them both?

Kim: Well they are dangerous monsters that tried to take over the world.

Ron: Yeah they are dangerous and awful

She went over their history.

WARHOK

Warhok is a giant male green-skinned alien from the planet Lorwardia, a warrior standing somewhere around 10 to 12 feet tall. What is known about his backstory before his debut was not detailed much. He and his "battlemate" Warmonga battled side by side. It is implied that he is also a hunter and has a trophy collection as he and Warmonga went on their first hunt for a creature called a Thorgoggle on the moon of Parfa, from which Warmonga kept its spine as a trophy.

He appears when he kidnaps Kim Possible and Dr. Drakken and transported them onto his ship, after hearing about Warmonga's misadventures on Earth thanks to the two. Preparing for revenge, Warhok and Warmonga commanded an invasion force to conquer the seemingly primitive Earth. Warhok is finally defeated when Ron Stoppable manage to tap into his dormant Mystical Monkey Powers and defeat him and Warmonga in single combat; throwing them headlong into their crashing spacecraft just before it explodes. His ultimate fate was never confirmed, even though it is intimated that he was killed with Warmonga.

It is unknown if he ever figured out or surmised that Ron may have been The Great Blue that Warmonga had been looking for before they both were defeated.

WARMONGA

Warmonga is a giant female green-skinned alien from the planet

Lorwardia, a warrior woman standing somewhere around 8 to 10 feet tall. What is known about her backstory before her debut was not detailed much. What is known is she was victorious in a battle against thirteen moons of a planet called Jingos. She and Warhok battled side by side. It is implied that she is also a hunter and has a trophy collection as she and Warhok went on their first hunt for a creature called a Thorgoggle on the moon of Parfa. Warhok gave her its spine.

She journeyed to Earth shortly before the episode "Mad Dogs and Aliens" and broke Dr. Drakken out of prison after an intercepted broadcast of his earlier performance on American Starmaker; this broadcast lead her to believe that Drakken was "The Great Blue One": a legendary figure from her planet's mythology whom, it was prophesied, would lead her people to conquer the universe; a leader to whom she would pledge her allegiance and her arsenal of advanced weaponry. Without any other point of reference to work from, she comes to this conclusion through the part of the prophecy that stated the Great Blue would contact her people from "beyond the stars".

Excited at the prospect of being able to access advanced Lorwardian technology, Drakken agrees to join forces with Warmonga. The alien proves too much for either Kim or Shego to handle alone; however, working together, they manage to gain the upper hand.

She eventually leaves Earth after Ron, Wade and the Tweebs fabricated a new "Great Blue One", out of their school mascot costume, and convince her that Drakken is not the person that she has been looking for. On the monitor, it appears that both Pep Puppies' mascot outfits, are now blue.

She reappears later in "Graduation", where she returned with her battlemate named Warhok, commanding an invasion force to conquer the seemingly primitive Earth. Warmonga is finally defeated when Ron Stoppable managed to tap into his dormant Mystical Monkey Powers and defeat her and Warhok in single combat; throwing them headlong into their crashing spacecraft just before it explodes. She can be heard screaming "Frackle!" Her ultimate fate was never confirmed, though it is intimated that she was killed along with Warhok.

It is unknown if she ever figured out or surmised that Ron might have been The Great Blue that she had been looking for before she and Warhok were defeated.

When she was done we were shocked and horrified!

Qin: OH MAN!

Xenia: That is awful!

Lola: Yeah! Warmonga is going to the M.O.E.

Lana: But Warhok is getting the Black Abyss.

Camie: Yeah!

Nico: But actually they will both have the same fate and that is in the M.O.E. Prison.

Qin: Okay then.

Me: Master Vegeta did the Saiyans have problems with the Lorwardians before?

Vegeta: As a matter of fact we did. The Lorwardians always put up a huge and very valiant fight. It always ended in a stalemate.

Nico: That is amazing Vegeta.

Vegeta: It sure is Bokrua.

Me: So this is another race that the Saiyans are familiar with.

Nico: Yep.

Threatpack: Nico, which Gene Slammer do you think you'll meet next?

Nico: Paildramon next.

Qin: Cool!

Lola: Yeah!

Suddenly, Lincoln pinned Lana Hitomi W to the floor, and he kissed her on the lips and marked her by biting her on the right trapezius and fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the mark sealed up and Lincoln kissed the spot where bit her and helped her up, and she also had an Elemental Thunderbird Necklace of Eternal Love with green gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up.

Lana Hitomi W: Well, that was definitely one way of saying it's good to see you again. (Rubs Lincoln's massive pecs) And I had no idea you had such an animalistic romantic side to you, Lincoln, and in addition to how much you've grown, from the 11-year-old little boy we've known into an 18-year-old giant 9'10" hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man, and you're still the same gentleman we all know, but of course, having an animalistic romantic side to you, that also really came as a huge surprise. I think my heart skipped a beat when you pinned me down and kissed me on the lips.

Lincoln had a blush on his face.

Lincoln: Sorry about that.

Nico and I snickered.

Kim Possible: Anyways, back to business. Where's Warmonga and Warhok at, Lincoln?

Lincoln: They're at Middleton.

Me: We haven't been to Middleton in a long while.

Nico: Same here, but it'll be good to see it again. Alright, team, let's go, we got to stop Warmonga and Warhok.

Lincoln: And end the Lorwardian invasion of Earth. (Hears Caleb Maxwell's roar of anger and the screams of Sebastian) And we better take care of Warmonga and Warhok and fast before Caleb goes after Sebastian in a fit of rage.

Qin: Yikes!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was none other than the evil dream version of me, he's come back from The Black Gates and he still wants revenge on us and still desires to destroy the Earth. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: Lincoln, please tell me that wasn't who I think we just saw.

Lincoln: I'm afraid so, J.D., and it's someone I hoped never to see again: the figure we saw was the evil dream version of you, he's come back from The Black Gates and he still wants revenge on us and still desires to destroy the Earth.

WE GASPED!

Lucille Ying Xiao: That is not good! We need to destroy him once again!

Lincoln: He's still got the effects of the Lust Dust Svetlana Succubus sprayed on him last year, and that'll mean he'll still be too distracted by her, and that'll allow me to absorb him again, and this time, I'm gonna banish him to The Black Abyss forever.

Nico: Oh right, I forgot about that, but that monster needs to go forever. Alright, team, let's go, we're off to Middleton to stop the Lorwardian Invasion!

Lincoln: Their warmongering conquests end here and now, and once we get done with Warmonga and Warhok, you're next, evil dream version of J.D.

Lucille Ying Xiao: You will never ever be forgiven for tormenting J.D., and now, you will pay the price for what you've done!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Middleton to take down Warmonga and Warhok, send them to The M.O.E., and stop the Lorwardian Invasion of Earth, and once we got done with them, Lincoln and Lucille Ying Xiao are going to destroy the evil dream version of me and send Warmonga and Warhok to the M.O.E.

We were off.

We arrived.

Me: Here we are.

Samon Shakekisutanchin: We should call Shiva.

Thunderball: She's already here.

Shiva: Kim, I assure you that me being here right away is a coincidence.

Nico: Yeah.

Kim: Okay then.

Qin: Awesome.

Ron: First, let's introduce you guys to Bueno Nacho.

Bulldozer: Bueno Nacho?

Blaster Tron: Scanning info on Bueno Nacho.

He scanned it.

Blaster Tron: Scan complete. Nacho Restaurant Establishment.

Nico: Cool!

Qin: Nice.

Ron: Lets go.

We followed Ron.

Hank Scorpio: Is the food good here?

Ron: Yep. You haven't been to Middleton until you've tried Bueno Nacho

Me: Looking forward to it.

But then we felt a huge earthquake!

Me: WHOA!

Xenia: EARTHQUAKE!

Camie: GEEZ!

Nico: Weird!

It stopped.

Me: Whoa. That was strong.

I looked and saw that the epicenter was not far from us. It was 100 yards southeast of us.

Me: Whoa we're almost right on top of the epicenter.

Lola: Yeah!

Lana: I think the next Akuma is here.

Nico: Yeah! We'll have to see what that Akuma is later.

We continued on.

We arrived.

Ron: Here we are.

Me: Wow! It's Mexican Food restaurant.

Lola: Awesome!

We went in and got lots of awesome nachos.

The nachos were really cheesy and it was awesome.

Strike Man: Time to take a bite

Me: (Eating) Mmm!

Nico: Crispy and cheesy.

Me: (Eating) Delicious!

Laney: The salsa and cheese are delicious.

Varie: They sure are.

Lola: Yeah.

Ryu: This is very tasty.

New Wave: It sure is.

Me: I agree.

Laney: (Eating) Mmm!

Ron: These are my favorites.

Qin: Awesome!

Kim: It's good food too.

Camie: it sure is.

Amanda Possible: Yep. And also I am the queen of beans and nachos. Look.

She pointed to a photo of her.

Amanda Possible: I hold the record for eating the largest pile of nachos ever. I ate a huge pile of nachos called the Mount Reapernacho Challenge. It's a huge pile of nachos covered in nacho cheese sauce, jalapeños, salsa, Ghost Pepper and Carolina Reaper hot sauce, sour cream, refried beans and guacamole.

Me: WHOA! Those are some really nuclear hot nachos.

Lola: I'll say!

Quake Woman: Did you also eat here?

Amanda Possible: Many times!

Nico: Wow.

Kim Possible: Amanda has a HUGE appetite for spicy food.

Me: Now that is a true spicy food lover.

Lynn: I like the way she thinks.

Cluemaster: How's the gas?

Amanda Possible: Better now.

Me: Good.

Qin: Cool.

Lola: That is good.

Poromon: Thanks to us!

Me: Yep.

Then Lincoln had a premonition!

Lincoln: WHOA! This is a volcanically hot one. I saw the Akuma we're going to face. Her name is Inferno Volcanocheer. The Hypothetical Akuma of Kim Possible and a cheerleader that has the intense power to make volcanoes erupt with cheerleading. She has the powers of lava, fire and earth. She was made because of Bonnie getting Kim falsely expelled and vowed to make her pay.

WE GASPED!

He showed a sketch of her and she looked like a cheerleader and had wings made of lava and made a volcano erupt!

Me: WHOA! She is one dangerous cheerleader.

Nico: And she was made because of her world's version of Bonnie getting her expelled!? That is really crossing the line!

Bonnie: I can't believe I would do that!

Long Haul: Good thing we made ours better.

Me: Yeah no kidding. We're gonna have to have a VERY SERIOUS talk with Bonnie's mother and siblings after we face her.

Camie: Good idea.

Qin: Yeah.

Eli: I sense that she is where that earthquake struck.

Me: Lets go then.

Nico: Right!

We paid for the food and we were off.

Grodd: How can she cause that earthquake?

Lynn: She has powers over the earth like me. Her cheerleading can make volcanoes erupt and cause earthquakes.

Grodd: Very cool.

We saw her.

Me: There!

We landed.

Me: WHOA! Inferno Volcanocheer.

She spun and then a NEW VOLCANO FORMED AND ERUPTED!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

Me: WOW! What a performance of earthshattering power!

Nico: Yeah!

Inferno Volcanocheer: Glad you liked it.

Blast Off: Kim? Is that you?

Inferno Volcanocheer: Yes it's still me. But where is Bonnie?

Me: The one with us is redeemed. But the one you want is...

I looked around.

Me: AHA!

ZOOM!

I ran fast and grabbed a figure and it was EVIL BONNIE!

Me: Here she is!

Evil Bonnie: (LAUGHING MANIACALLY) YOU LOSE POSSIBLE! I HATE YOU!

Black Manta: Par for the course!

Me: Go fucking nuts.

Inferno Volcanocheer: Gladly!

She grabbed Evil Bonnie and threw her into a volcano and she was instantly incinerated.

Me: Good riddance! Feel better?

Inferno Volcanocheer: Much better. Thank you.

Shiva: We still have to fight, don't we?

Inferno Volcanocheer: Yeah we do.

Amanda Possible: I'm sorry you got hurt by her.

Inferno Volcanocheer knelt down and put her hand on her shoulder.

Inferno Volcanocheer: What she did was unforgivable Amanda. If you see Queen Bee jerks like that kick their butts really hard.

Amanda Possible: With pleasure.

Me: Good advice.

Inferno Volcanocheer: Yeah. Lets dance.

I fired waves of water and drenched her all over.

Shiva charged at her and kicked her.

She got up.

Inferno Volcanocheer: My turn!

She spun and flipped and then NUMEROUS CRYSTAL SPEARS GREW FAST IN AN EARTHQUAKE AND WENT AT US!

We jumped!

Me: WHOA! That was cool!

Nico: Crystal Spears!?

Me: Crystals and minerals are made from the earth.

Nico: Good point.

Shego: Just like old times!

Kim Possible: it sure is!

Kim and Shego fired waves of energy and blasted Inferno Volcanocheer and knocked her out.

Me: Awesome!

Camie: That was cool!

Nico: Yeah!

Me: Now we need to go give Bonnie's mother a piece of our minds.

Finn: At least there won't be anymore earthquakes

Me: Thank goodness.

Bonnie: My house is this way.

We followed Bonnie.

Me: We never were told about what happened that lead you to coming to us Bonnie.

Bonnie: Oh right. I should tell you what happened.

She went over what happened in part 3 of chapter 519.

* * *

However after the battle with Drakken ended things were not right over in the town of Middleton in Missouri. Kim's rival in her old school on the cheerleading squad Bonnie Rockwaller was now the most hated kid in the school. Lets just say that after the battle with Warmonga, karma bit her in the butt really hard. She was 1 credit short and was sent to attend summer school while everyone else partied. But the torment didn't stop there. It was discovered that she cheated in everything to get her way and she was demoted all the way back to her freshman year in school. If you all thought that was bad, this was even worse. After this happened Bonnie's mother disowned her and she was forced to live out on the streets because no one would take care of her. Her mother actually despises her with a grudge because of her smug, greedy and narcissistic nature and her sisters hate her too because they said that Bonnie brings nothing but shame to the Rockwaller name. She was also expelled from her school. So now she lives on the streets and knew that there was only one person to blame for all her misfortunes: KIM POSSIBLE.

* * *

When it was done we were shocked!

Qin: OH MAN!

Lola: Yeah!

Me: Boy Karma really bit you hard.

Qin: YEAH!

Camie: Brutal!

Whiger: Geez!

Me: I know. I'm sorry Bonnie.

Bonnie: (Sniffles) My life was ruined.

Amanda held her hand in comfort.

Amanda Possible: You are not that person anymore Bonnie. You are a good girl now.

Bonnie smiled.

Me: Your sister has a heart of gold Kim.

Kim Possible: She sure does.

We arrived at the Rockwaller mansion.

Me: Wow! Bonnie your house is amazing.

Bonnie: It sure is.

Eddy whacked the door with a shovel

WHAM WHAM WHAM WHAM WHAM WHAM WHAM WHAM WHAM!

DING DONG! AIR HORN! DING DONG! DING DONG DING DONG!

Luan: That is one way to Shovel the door! (LAUGHS) Get it?

WE LAUGHED!

Me: (LAUGHS) Good one Luan!

Eddy: (LAUGHS) Yeah!

Connie Rockwaller answered.

Connie Rockwaller: Yes?

Bonnie: Hello Connie.

Connie Rockwaller: Oh it's you. "Sister." The shameful brat returns.

Me: We need to have a little talk with you and your mother.

Connie Rockwaller: (Sighs) Okay come on in.

We went in.

Me: Boy this is a nice place.

Connie Rockwaller: Thank you.

We saw Mrs. Rockwaller on the sofa with Lonnie.

Connie Rockwaller: Mom we have unwanted company.

We came in with Bonnie.

Me: Mrs. Rockwaller, we need to talk about Bonnie here. Now guys NO VIOLENCE!

Nico: Okay okay fine.

Mrs. Rockwaller: So what brings the famous Team Loud Phoenix Storm here?

Me: Firstly we are here on a mission. Warmonga and Warhok are here causing trouble. Second we need to resolve an issue that happened back in 2019. And that issue involves Bonnie here.

Mevya was still eating nachos

Mevya: I ordered nachos to go.

Me: That's fine.

Mrs. Rockwaller: Why is Bonnie here?

Me: We're here to help her. Also you need to stop treating Bonnie like dirt.

Star Butterfly: She has come a long way in the redemption squad and the M.O.E. She is my archenemy too.

Bonnie: That's right. Mom I am a grown woman now and I have changed a lot. I was a rotten narcissistic brat that cheated in everything. I did all that to make you happy mom. I am sorry. You never made me happy.

Mrs. Rockwaller: Because every time I see Bonnie she reminds me of her dad.

Me: Why? Wait Bonnie you never talked to us about your father.

Bonnie: It's something I don't like talking about.

Poromon: He was bad, wasn't he?

Bonnie: No he wasn't. He was a good man and loved all of us. Mom divorced him because she wanted to move on.

Me: He didn't take that very well did he?

Bonnie: No he didn't. I'm sorry.

Me: It's okay. Mrs. Rockwaller, your daughter has done all sorts of good things and has turned her life around in a good way for the better.

Laney: Yeah. She and Kim buried the hatchet and are now good friends.

Lana: And she redeemed herself.

Diamond Tiara: Mrs. Rockwaller, this abuse to your daughter Bonnie has to stop. I know what you are going through because I come from a rich family too. My mother treated me badly before I realized that having all the money in the world never brings me any happiness. I learned that money can't buy you everything like power, happiness, friendship, love and a good education. I vowed to turn my life around the right way and turn into a good person. Your daughter Bonnie has been doing the same thing because she wants to change into a better person and not someone that you want her to be.

Bonnie: That's right mom. I want to be a good person and learn how to do things the right way. I am helping Team Loud Phoenix Storm by saving the world alongside Kim and Ron and everyone, becoming someone that I want to be for the greater good of humanity and become a much better person instead of squandering my resources to cheat and lie and steal and show my superiority by being evil. There is no love and friendship in it. Look, mom I'm so sorry I did all that. But it was 5 years ago. I've changed since then and I have so many good friends and you got to stop living in the past and spoiling people like my sisters rotten.

Me: So what do you say?

Horsea slowly got her gun out in case things turned bad

Mrs. Rockwaller and Connie and Lonnie were shocked to see that Bonnie learned so many things over the years and has used words wise beyond her years. Same with Diamond Tiara.

Then they broke down crying.

Mrs. Rockwaller: (Crying) Oh Bonnie! I've been such a terrible mother to you! I've treated you as nothing but dirt and looked down upon you! Everything you said is all true. I'm so disgusted with myself about everything I did and I made you feel so stupid! I'm so sorry Bonnie!

Bonnie: Mom I've learned that it's best to forgive and forget. And just so you know, I forgive you. I forgive you, Connie and Lonnie.

Connie Rockwaller: Oh Bonnie we're so sorry we have done all we did to you.

Lonnie Rockwaller: Yeah. You have really changed in a good way and we're so proud of you.

Mrs. Rockwaller and her sisters hugged Bonnie.

They were crying.

Horsea still was getting out her gun.

Maria: Horsea that's not needed.

Horsea: Sorry.

We were happy that they reconciled and buried the hatchet.

We were happy that the Rockwaller family was back together.

Later we were heading out.

Mrs. Rockwaller: Be careful Bonnie. Show those monsters what for.

Bonnie: I will mom.

Eli: Warmonga and Warhok are 1,000 yards south heading to City Hall.

Wendy Koopa: How are we gonna face them and their army?

Drakken: With a little help!

We saw Drakken along with all of Kim's friends and enemies except for Duff Killigan.

Me: WHOA! Talk about having reinforcements!

Eli: Yeah!

Nico: Perfect timing guys!

Drakken: Thanks.

Felix Renton: You helped all of us, Kim. Time we return the favor.

Monkey Fist: Besides, this is our city too.

Wrecker: And you guys don't want it destroyed, huh?

Kim: No we don't.

Qin: Yeah!

Me: Come on guys! Lets go tear them apart!

Dusk: Entrance time!

We went at them.

Warmonga and Warhok and their army were marching. But then the spirits of war appeared and swirled around them and then converged and then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and fireballs rained down and blasted the army and then a phoenix cry was heard. We landed.

Me: Warmonga and Warhok!

Warmonga: Team Loud Phoenix Storm!

Warhok: So we meet at last.

Me: This is the first time we're meeting, Warmonga and Warhok.

Nico: Though this may be our first time meeting, my race has known about the Lorwardian Race for many years.

Warmonga saw the entire Saiyan race here.

Warmonga: The entire Saiyan race? Here? I thought that Frieza...!

Lincoln: Yes, Frieza wiped them out and destroyed Planet Vegeta, but after The War Against The Doomsday 23 three years ago, they were all brought back and Nico has set them on the path of redemption to undo the damage done unto their honor by Frieza's hands. But, there are three Saiyans who are already beyond redemption: Turles, Raditz, and Nappa, and we'd sworn that if we ever run into them, they will be sentenced to death.

Suddenly, we saw some figures heading straight for us: they were vampires sent by Adrian Zane and his bloodthirsty minions. Lincoln fired a Stardust Diviner blast at them and they were incinerated into ashes.

Nico: Nice try.

Shiva: (to Kim) One of us should face Warmonga. The other should face Warhok.

Kim: Me and you can face Warmonga.

Me: And me and Nico face Warhok.

Warmonga: After we're done here, maybe you can be our maids. Won't that be wonderful?

Me: Maybe in the next life.

Camie: YEAH!

I teleported and punched Warhok in his face and kicked him into a car and it exploded!

SMASH!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOMMMMM!

Warmonga: (charges at Kim and Shiva) WARMONGA!

Shiva and Kim then punched her in her face and bashed her down.

Qin: Take this!

She fired waves of fire and blasted her.

Camie fired aurora blasts and blasted her.

Himiko fired lightning blasts and blasted Warhok as he came out of the explosion.

Hisuian Arcanine charged at them and blasted them with fire.

Hisuian Arcanine: YEAH TAKE THAT!

Lady Shiva charged at them and kicked them both.

Bonnie Rockwaller: Lets dance!

Lady Shiva and Bonnie: FURY OF THE FLAME BLAST!

They fired waves of fire and blasted them both.

Monkey Fist jumped on Warhok's back and punched him in the back of the head all over.

Samon Shakekisutanchin charged at them and blasted Warmonga and Warhok all over with fish.

Cat: Lets get them Dog!

Dog: HI HO DIGGETTY!

Samon and CatDog: FURY OF CATS FISHBLAST!

They fired waves of fish and bones and blasted them both.

Lincoln, Lucille Ying Xiao, Nico, and I went after the evil dream version of me, and we fired extremely powerful blasts of rainbow, white, and blue energy, crimson red, white, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at the evil dream version of me, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Lucille Ying Xiao did the same by firing crimson red, white, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Lucille Ying Xiao, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was making the evil dream version of me even more angrier than ever.

Then, he got so pissed off and angry, we saw massive black fallen angel wings grow and sprout of his wider muscular back and his power suddenly spiked up astronomically due to his hatred.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit the evil dream version of me, and we found ourselves in Heaven.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomach of the evil dream version of me and a cluster of white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Then, Lincoln sucked him into his body and absorbed him, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Good riddance forever!

We cheered wildly as we holstered our weapons and powered down and Lucille Ying Xiao's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty large crimson red planets orbiting around her legs and twenty smaller crimson red planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized crimson red planets orbiting around her wrists and ankles, eleven massive and long crimson red wolf tails, and massive black angel wings and four sets of large black angel wings underneath her massive black angel wings are permanent.

Lucille Ying Xiao: And this is goodbye and good riddance forever, I don't want to see your face ever again, evil dream version of J.D. Thanks for helping me take down that demon, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Lucille.

Me and Nico: Our pleasure, Lucille.

Suddenly, Lucille Ying Xiao wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Gabrielle Ying Xiao's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Shadow Wisp, Golem, Phoenix, and Tso Lan, Demon Sorcerer of The Moon flying in the air, and we saw a herd of Buffalo and many animals running across the field and the sudden appearance of lights shining down from Heaven and elemental forces behind them and we cheered wildly. Then, Lincoln and Lucille Ying Xiao sucked in and absorbed the elemental forces and they came back to us as the display vanished.

May: That's the last time that monster ever comes back!

Suddenly, Lincoln's rainbow energy aura flared up extremely and we felt he was continuously growing even stronger.

Me: Whoa! What's happening?!

Lincoln 2: (Through Lincoln's crest) Don't be alarmed, guys. This is the effect of Lincoln still sucking out the extremely massive muscle mass, extremely massive superhuman strength, virility, and testosterone from the evil dream version of J.D.

Lincoln 3: (Through Lincoln's crest) When we saw him sprout out massive fallen angel wings and his power spiked up astronomically, we knew it wasn't going to be easy. So, once the bastard was in his body, Lincoln's body reacted and had tentacles latched onto that monster's pecs, arms, legs, traps, back, and crotch, and they're sucking out every last bit of strength, muscle, virility, testosterone, and power from him and giving it all to Lincoln.

Lincoln 4: (Through Lincoln's crest) It'll take five weeks for your evil dream version to be completely drained of every last bit of strength, muscle, virility, testosterone, and power, and then, he'll be sent to The Black Abyss.

Nico: It's gonna be a long five weeks.

Me: True, but we'll soon be rid of him by then. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

MYSTICAL MUSIC PLAYS

Suddenly, we saw a naiad swimming in the skies and it left an amazing wave of water, and it rained.

Selene Arcangela: (GASPS) The naiad...! The sign..., is it who I think it is?

Lincoln: It is, Selene, and that's the next of The Avatar of The Mythical Beasts we're meeting: Natalie Naiad, Avatar of The Naiad.

Enya Phoenix: I knew it was her, and you guys are going to like hearing her story, Natalie Naiad, Avatar of The Naiad, is Lincoln's Guardian Angel and she's known as The Water Naiad Beauty of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Natalie is a powerful master of the powers of fresh water, fountains, wells, springs, streams, and brooks of fresh water, and she's also known for her beauty. She lived during an age of light and she was said to have been raised by naiads in the springs of Greece, and over time, as she grew, she gained all of the incredible strengths and powers of the naiads along with immortality, and she'd fought to defend her family from the hatred and fear wrought on by the paranoia that humans had towards her clan, and many centuries later, there was one person that harbored a true love for everything, and that also really strengthened the love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of fresh water, fountains, wells, springs, streams, and brooks of fresh water, and the powers of the naiads, and he also gained all of the incredible strengths and powers of the naiads, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 naiads and men combined, and she also knew of his divine singing and he also knew how to sing the songs of the mermaid, and it also made her love for him even stronger than ever, and she also found out Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy. Lincoln made her a powerful water greatsword and gave her a flower to put in her hair, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Katie kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the tidal waves of the naiads.

Me: Whoa!

Varie: I know all about the naiads from Mom, they're the nymphs of flowing water such as springs, rivers, fountains, and lakes in Greek mythology, The Naiads, appropriately in their strong relation to freshwater, are represented as beautiful, lighthearted, and beneficent.

Nico: That's really incredible that you also have a Naiad as a Guardian Angel, Lincoln.

Lily the Mermaid: And they've gotten along with mermaids for many centuries.

INSTIGATOR: Was it just like old times?

Kim: It sure was.

Tchang Zu: Glad to hear it.

Metal Sonic: Warmonga and Warhok will be good additions.

Leap Frog: Let's celebrate at Bueno Nacho.

Gramma Stuffum: I'll add some of my own food to the mix

Nico: Good idea. Wow! That was intense. But great job today everyone.

Bonnie: Thanks Nico.

Me: That was fun.

Kim: (To the Viewers) Aliens and warmongers beware because we will come for you.

Me: That is for sure.

We went to Bueno Nacho for nachos and more and had a great meal.

We returned home, and Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Cage Blunt, James Blunt, Captain Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, Abby Smith, Travis Tackett, Leela Salyers, Peace Salyers, and Cronus Chase, and Thomas A.K.A. Panther, Carla Drake A.K.A. Carla Claw, Chester, Nick Price A.K.A. Crowe, Sarah Parker A.K.A. Hex, Chett A.K.A.

Shroud, Sally Gamble, Jessie Jean A.K.A. Patch, Mad Cat Max, Nekome, Ichiro, and Claw Dane Drake of The Big Claw Gang looked out into the skies as the sun set and night fell on the city again.

Caleb Maxwell: And so, another day ends. But, tomorrow's the big day: we're going after Adrian Zane, Gonzales Ignacio, Tyler Zepherin, Leonard Tolvar, Gabriel Melchior, and Darius Braeden, and we'll get rid of them for good.

Cage Blunt: They've now got nowhere left to run, soon, they're going to die for good.

James Blunt: If anyone deserves to die, it's those piles of garbage.

Caleb Maxwell: Too true, James.

They went to bed.

REVENGE OF THE QUARTZER

The Quartzer are back for revenge

In the early morning hours at 12:20 AM, Lincoln had a dream, and he saw two figures hiding out and living on the streets of Helen, Georgia. But, there were no ordinary three figures, they were Lilith Loud, daughter of Lincoln's future wife, Blackfire. and Sweetie Snacktime-Loud, daughter of Lincoln's future wife, Suzy Snacktime. Lincoln woke up from the dream, but he wasn't the only one, Blackfire, Suzy Snacktime, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We all did, Lincoln.

Suzy Snacktime: And it also means that we found out where our kids are at.

Me: There at Helen, Georgia.

Nico: Oh god, no! that's not good at all.

Lincoln: I know right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: we're on it, Lincoln.

as we whore about to go to Helen, Georgia, to rescue Lilith Loud and Sweetie Snacktime-Loud, then suddenly, there was a knock at the door.

Blackfire: (Groans and went to the door) Who would that be in the middle of the night? We have an importing mission to do.

blackfire opened the door and saw a jester clown-like young man who has a stylized sun-shaped hairstyle, white eyes, with a tan-ish side of his face curving over the other color half and overlapping the nose, and the other half being amber, a lanky body with long limbs and large, opposable five-fingered hands. He wears a yellow shirt adorned with two buttons, yellow pants with maroon stripes, and a faint maroon gradient can be seen on his body just above the fabric sash of his waist frills. Both his neck and waist frills are maroon with a yellow stripe. He also wears orange elf-like shoes with a star symbol on the outer part of the shoes and a moon symbol in the inner part. A jester clown-like young man who has a head bearing the likeness of a crescent moon and the right-sided half of his face and mouth have been colored black, making the crescent moon half of his face more notablem, a lanky body with long limbs and large, opposable five-fingered hands. He wears a silver and black shirt with two buttons located on his chest. His arm sleeves are silver and gradient to blue towards his forearms, and blue hands and fingertips. A blue sleeping cap patterned with bright yellow stars, and the end of the cap is decorated with a golden bell. puffy blue pants accented by yellow stars. His waist frills are maroon and gold, orange elf-like shoes with moon and star symbols on them, and maroon ribbons and gold bells on his wrists. They were Sunny Side-Up and Moondrop Nightfall.

Sunny Side-Up: Hello, new friends! You're all sure up late! Are we having a slumber party?

Blackfire: If only. How are you guys?

Sunny Side-Up: We're the sun and moon brothers. I'm Sunny Side-Up, wielder of the Light Element.

Moondrop Nightfall: I'm Moondrop Nightfall, wielder of the Dark Element. do these young kids belong to you two?

The two kids whore with Sunny Side-Up and Moondrop Nightfall, was a 16 years old human-Tamaranean hybrid who has pale skin, gray eyes, long waist-length black hair with white stripe. She wears a purple crop top with black jacket, purple fingerless gloves, black shorts, netted leggings, and black boots. And a 12 years old human-animatronic hybrid who has white metal skin, cyan heart-shaped eyes, and dark pink and white metallic hair styled in a ponytail. she wears a pink dress, white gloves, white stockings, and pink mary jane flats with built-in wheels. They were Lilith Loud and Sweetie Snacktime-Loud.

When Blackfire and Suzy Snacktime saw them, they were stunned.

Suzy Snacktime: (Stunned) How is that possible?

Moondrop Nightfall: Me and Sunny Side-Up found them in Helen, Georgia.

Blackfire and Suzy Snacktime ran up to Lilith Loud and Sweetie Snacktime-Loud, they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Me: Thanks, Sunny Side-Up and Moondrop Nightfall.

Sunny Side-Up: Anything for a fellow hero.

Moondrop Nightfall: (to Lincoln) Do you have something to say to the girls?

Lincoln: Of course. (to Lilith Loud and Sweetie Snacktime-Loud) There's something you should know, Blackfire, Suzy, your mothers are one of my many future wives.

Lilith Loud and Sweetie Snacktime-Loud: Does that mean...you're our father.

Lincoln: (smiled) What else I wouldn't be?

That filled Lilith Loud and Sweetie Snacktime-Loud with joy, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Then, Lincoln told everyone what happened, and he then introduced Lilith Loud and Sweetie Snacktime-Loud to the rest of his siblings, who are now their aunts. We were proud of what Lincoln, Sunny Side-Up, and Moondrop Nightfall did in reuniting Blackfire and Suzy Snacktime with their kids, and Lilith Loud and Sweetie Snacktime-Loud now has a loving, strong, brave, and caring father in their life. As well as Sunny Side-Up and Moondrop Nightfall join the Team

Loud Phoenix Storm as new members of the Ultimate Elementals Heroes. we went back to sleep

---

In the early morning hours of 3:24 AM, Lincoln had an interesting dream: it took him to the ruins of Equestria from Sunny Starscout's world.

Lincoln: Whoa, I'm here in the ruins of Equestria from Sunny Starscout's world. I wonder why.

Suddenly, Lincoln saw the sun and the moon in the skies.

Lincoln: (GASPS) The Sun and The Moon? That's...!

Then, The Spirit of Harmony appeared along with me.

Me: Lincoln? You're having the same dream too?

Lincoln: I am, and the sun and moon in the sky, this means Princess Celestia and Princess Luna from Sunny Starscout's world are here.

Spirit of Harmony: Yes, follow me.

Lincoln and I followed The Spirit of Harmony, and it took us to a very familiar place: the castle where Princess Celestia and Princess Luna lived, The Ruins of the Castle of The Two Sisters, and we went underneath the castle, and there we found two crystal coffins: a white coffin with Princess Celestia's cutie mark on it and midnight blue coffin with Princess Luna's cutie mark on it.

Me: We found them!

Lincoln: Now, we know where they are, we have to tell everyone tomorrow.

Lincoln woke up, but so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln explained to his harem.

Twilight Sparkle: (GASPS) You and J.D. found Princess Celestia and Princess Luna from Sunny Starscout's world?!

Rarity: And they were underneath the castle where Princess Celestia and Princess Luna lived in. That is amazing!

Vinyl Scratch: When it's Princess Celestia and Princess Luna's time to shine, we'll head there at once.

Lincoln: Right, Vinyl.

Paige: We got to tell everyone of what you saw tomorrow.

Lincoln: Right, Paige. Tomorrow, everyone's gonna hear it, and no doubt about it, everyone's going to be surprised.

Lincoln went back to sleep with his harem and kids. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, my dream took me to the ruins of Equestria from Sunny Starscout's world, and I was flying, I saw the sun and the moon in the sky. Then, The Spirit of Harmony appeared along with J.D., and we found out the sun and the moon in the sky were Princess Celestia and Princess Luna from Sunny Starscout's world.

Nico: Wait, you guys found them? Whoa!

Me: Yep, we followed The Spirit of Harmony, and it took us to a very familiar place: the castle where Princess Celestia and Princess Luna lived, and we went underneath the castle, and there we found two crystal coffins: a white coffin with Princess Celestia's cutie mark on it and midnight blue coffin with Princess Luna's cutie mark on it.

WE GASPED!

May: No way! We've got to head there when it's time for Princess Celestia and Princess Luna to shine.

?: But, we now know where they are.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long black hair, purple eyes, black clothes, purple and black angel wings, the Dark Kanji on her forehead, long white sleeveless trenchcoat with stars, darkness, illusions, dark dragons, dark lightning, phoenixes, and angels on the coattails, and on the back is Castle of Dark Illusions, and she has a dark sword in hand.

Lincoln: (GASPS) Odalia Kuro, Gene-Slammer of Castle of Dark Illusions.

Mira Michaels: The second Gene-Slammer of Castle of Dark Illusions, alright!

Nico: Lincoln, you and Mira know her?

Lincoln: Indeed we do, Nico.

Nicholette Torrington: And so do we, everyone, this is Odalia Kuro, and just like Mira Michaels, she is the Gene-Slammer of Castle of Dark Illusions, she's Lincoln's Guardian Angel from Michigan and she's a powerful master of darkness, dark dragons, and lightning, and just like Mira Michaels, she knows how to bring the nightmares of all of his enemies to life as she has a powerful form of umbrakinesis that has the ability to make her target's worst nightmares come to life, and she taught Lincoln how to master darkness, dark dragons, and lightning, and she taught him how to wield her powerful form of umbrakinesis.

Me: I remember her all too well. (GULPS) She made the nightmares of Lincoln's enemies and that also included Lori, Lynn, Lola, Lisa, and Luan come true, and they pissed their pants in horror and fright and stayed in their rooms for a month.

Nico: Damn. So, Mira isn't the only one who knows how to bring fear to Lincoln's enemies to life.

Lincoln: And that earned Mira Michaels and Odalia Kuro the moniker: The Nightmare Dark Queens of Michigan, any who mess with them or hurt me will have their worst nightmares come to life, and none of them will ever sleep again.

DEMONIC LAUGHTER AND LIGHTNING CRASHES!

THE MASCOTS SCREAM IN FRIGHT AND RUN AROUND THE ROOM LIKE HEADLESS CHICKENS!

Maria: (Shudders) Making someone's worst nightmares come to life, that's something I'd wish on the absolute scum of the Earth.

Luna: You'll wish you hadn't when you see The Nightmare Dark Queens in action, dude.

Laney: Even Lucy and her friends were impressed by the dark power Odalia has.

Brittney: I was also stunned by that rare form of umbrakinesis Odalia has, and to find out she taught Lincoln how to use that as well, I was awestruck.

Lincoln: Yep, and no one dared to anger her, not unless they want to be cursed to an eternal sleepless nightmare.

Eli: I don't think anyone would want that!

Me: That's why no one dared to anger her.

Nico: Or hurt Lincoln, because if that happens, they'll never sleep ever again.

Suddenly, Lincoln pinned Odalia Kuro to the floor, and he kissed her on the lips and marked her by biting her on the right trapezius and fed on her blood, and his already flared up rainbow energy aura with elemental forces and mythological animals had flared up even more extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the mark sealed up and Lincoln kissed the spot where bit her and helped her up, and she also had an Elemental Thunderbird Necklace of Eternal Love with purple gems on the gold lightning bolts and purple crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up.

Odalia Kuro: Well, that was definitely one way of saying it's good to see you again. (Rubs Lincoln's massive pecs) And I had no idea you had such an animalistic romantic side to you, Lincoln, and in addition to how much you've grown, from the 11-year-old little boy we've known into an 18-year-old giant 9'10" hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man, and you're still the same gentleman we all know, but of course, having an animalistic romantic side to you, that also really came as a huge surprise. I think my heart skipped a beat when you pinned me down and kissed me on the lips.

Lincoln had a blush on his face.

Lincoln: Sorry about that.

Nico and I snickered.

Me and Nico: Lincoln, you sly wolf.

Lincoln: (Blush on his face) Guys. Anyways, let's finish up and head for Saya's mansion to have the baby shower for Rei, Shizuka, Saeko, and Saya.

We finished up breakfast, and we headed out for Saya's mansion to have the baby shower for Rei Miyamoto, Shizuka Marikawa, Saeko

Busujima, and Saya Takegi, after everything they went through because of Shido, they earned the right to start a family, but we felt the fun was about to be ruined by that familiar face, and we were going to be in for one final battle with the most hated monster in the world.

Maxxine woke up to see Diancie staring at her.

Diancie: Morning Maxxine! Time for breakfast.

Maxxine: Oh boy!

She went and got dressed and went to the table. We were having waffles and eggs for breakfast.

Me: Boy this is so awesome.

Qin: It sure is!

I went to get some punch.

Yuriko Takagi: J.D. it's gonna be so good to be a grandmother for me.

Me: It sure is Yuriko. After everything you all went through, you more than earned the right to have Saya and friends start a family.

Yuriko Takagi: I agree there too. (Voice Breaking) I'm so happy for Saya and friends.

Me: We are too.

Lincoln: I am excited as well.

Nico: Same here.

Me: It sure is.

Lynn: Yeah.

Kim Possible: That was a fun day for me yesterday.

Kim: I barely beat Warmonga the first time

Me: They sure put up one helluva fight for you the first time I'll give you that.

Qin: Yeah.

Kim: That was tough.

Bonnie: And as a bonus victory, you guys got me to reconcile with my family.

Me: That is for sure there. That was a good thing.

Diamond Tiara: After how long?

Me: 5 years.

Horsea: I had my gun with me the whole time!

Maria: Horsea calm down. Besides we got her mom to realize her wrongdoings.

Nico: Yeah.

Qin: Well either way we had fun. And that nacho restaurant was awesome.

Ron: Glad you guys liked it.

Me: Yep.

Rei Miyamoto: This is a great party.

We went over.

Me: We're so happy for you and the girls Rei.

Ron: See. I told you Bueno Nacho was awesome!

Me: And you were right Ron.

Nico: Yep.

Saya: Yeah. Sorry we couldn't be with you guys.

Me: It's okay Saya. But we told you all about what happened.

Saeko: Yeah that is for sure.

Gatomon kissed Rei's belly

Gatomon: I can't wait to meet your babies.

Rei: Me too Gatomon.

Qin: We are all excited.

Marina: We all can't wait.

Sharko: You said it.

But then Zig came and grabbed Marina and laughed.

Lana: DON'T EVEN THINK ABOUT IT!

SMASH!

Lana smashed Zig with a stop sign and sent him flying!

Saya: Nice one Lana!

Lana: Thanks.

Sharko: Good job.

Me: Got to admire Zig's tenacity.

Jirachi cuddled with Saeko's belly.

Jirachi: Boy your babies are gonna be so cute.

Me: That is true.

Yuriko: I'm just so happy for my daughter.

Me: We are too Yuriko.

Yuriko: My son in law is going to be a great father.

Me: He already is.

Sunset Shimmer: Yeah he sure is.

Lincoln: (Has a bad premonition) You've got to be kidding me! Okay, gang, we're in for a huge battle for this rescue, we're here in Saya's mansion for the baby shower for Rei Miyamoto, Shizuka Marikawa, Saeko Busujima, and Saya Takegi, but I'm afraid the party's about to be interrupted: it appears our old enemy and the most hated monster in the world, Koichi Shido, has returned from the dead and he still wants revenge on us for killing him.

WE GASPED!

Me: WHAT THE FUCK?! SHIDO'S BACK?!

Nico: That evil psychopathic Nazi son of a bitch!

Shizuka Marikawa: I can't believe it, Shido's back again for more?! Doesn't he know when to quit!

Rei Miyamoto: Unfortunately not!

Saeko Busujima: He's like a plague that never stops!

Saya Takegi: He still makes us sick to no end!

Ace Ukiyo: What did he do that pissed all of you off?

Lincoln explained Shido's history, and when he told those who hadn't joined that Shido was the one responsible for unleashing the virus that swept over the world where Shizuka, Rei, Saeko, Saya, and Takeshi and the others came from like wildfire and killing 95% of the entire human race, and how he brainwashed a bunch of people and turned them into his own Nazi Empire, that really REALLY pissed everyone off!

Kengo: That piece of shit!

Lincoln: My words exactly, Kengo. (RAINBOW ENERGY AURA FLARES UP EVEN MORE) That's the last fucking straw, I will end you once more, and this time, you're never coming back! Koichi Shido!

Kengo: Whoa! I've never seen Lincoln that pissed off at Shido.

Vegeta: He's not the only one. Bokrua despised Shido just as much as he despises Frieza, and wants nothing more than to destroy him and make him pay for what he did, and from what Lincoln told you, Shido's basically nothing more than The Devil in human skin.

Nico: And Rei Miyamoto, Shizuka Marikawa, Saeko Busujima, and Saya Takegi along with Takeshi and the others went through Hell because of that fucking son of a bitch.

Me: We all hate Shido for what he did, but to you and Lincoln, it's personal.

Nico: Without a doubt. Lincoln, when you get Shido on his last legs, let's both end him together.

Lincoln: You got it, Nico.

Ed Cowart: That fucking son of a bitch has got some goddamn nerve coming back from the dead to get revenge again!

Lori: Shido's nothing more than a Nazi who unleashed that virus and killed 95% of the entire human race where Shizuka and the other came from, and what he also did in brainwashing a bunch of people and turned them into his own Nazi Empire, he deserves nothing short of death and banishment to The Black Abyss forever.

Lincoln: And Nico and I are going to personally send him there for good, Lori. Now, let's get going and hunt down that bastard! (Deep Sapphire Eyes turn blood red with slit pupils) Shido, your time's up, you fucking Nazi son of a bitch!

Nico: That's what I like to hear! And did Morgana...?

Lincoln: Nope. Not this time, so we're free to hunt down Shido and kill him.

Nico: Great!

Me: Lets get ready.

We snapped our fingers and we were in our normal clothes.

Me: There we go.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Shido) AHA! There you are, you son of a bitch! I just spotted Shido, he's 750 yards away, and he's out to kill everyone in the entire world!

Nico: Now, he's gone too fucking far! Let's go and tear his ass apart and make sure he stays dead and gone forever!

Kole heard a Pokemon cry.

Kole: Look here!

We saw a Carbink!

Me: Cool! Carbink!

Carbink: Yep.

Diancie: Awesome! I know a lot of Carbink myself.

Me: Cool! And the poor thing is hungry.

We gave it apples and food.

Carbink: Thank you.

Kole heard a Pokemon cry.

Kole: Look here!

We saw a Carbink!

Me: Cool! Carbink!

Carbink: Yep.

Diancie: Awesome! I know a lot of Carbink myself.

Me: Cool! And the poor thing is hungry.

We gave it apples and food.

Carbink: Thank you.

She was eating them.

Kole: Want to come with us?

Carbink: I would like that.

Me: Awesome.

But then...

ZOOM!

A figure swooped in and Pulled NICO'S PANTS DOWN!

Nico: Huh? HEY!

Nico pulled them back up.

Nico: WHO THE HELL DID THAT?!

Me: Look!

We saw Latias!

Me: Cool! Latias!

Nico: Wait. That pulled my pants down? It's not that small

Me: No but it has amazing speed.

Qin: Yeah.

Lola: Yeah it sure does.

Princess Luna: Lets see here.

Princess Luna used Telepathy and gasped.

Princess Luna: Dusk Eclipse!?

Princess Celestia: What!? Dusk is a Latias!?

Nico: Wait to see if it's aggresive or playful

Me: I think playful.

Ash: Yeah Latias was mischievous when we first met.

Camie: Wow.

Me: Lets go help her then.

Me and Princess Luna went to face her.

Princess Luna: Dusk it's me Luna!

All Latias did was kiss Ash

SMOOCH!

Serena: HEY! (GROWLS)

Latias laughed.

Ash: That was deja-vu.

Pikachu: Pika.

Serena: Okay that was deja-vu.

Me: Wow I didn't even see her move.

Princess Luna: Dusk was always a mischief maker.

Me: Being a Latias really enhanced that.

I flew after her.

Me: Okay lets see how fast you are.

She flew away and I flew after her.

Me: Wow she is fast.

ZOOM! ZOOM! ZOOM!

We flew all over.

Nico: Oh, you wanna play that game, huh?!

Qin: WOW! She is fast!

I caught up with her and grabbed her.

Me: Gotcha!

I snapped my fingers and she reverted back and was a girl with orange and black hair and blue eyes and had Latias in the middle of her forehead and had orange wings and an orange version of Princess Luna's tail and had a Lunar Eclipse cutie mark on her arm.

I wrapped her in a blanket and I landed and we brought her to a bench.

She woke up.

Princess Luna: Dusk?

Dusk Eclipse: Luna? (Gasp) Luna you're here.

She hugged her.

Princess Luna: Thank goodness you're okay.

Me: Yeah you were turned into a Latias by Dark Gale.

Dusk Eclipse: Whoa I remember.

She was in a blue suit and injected. Then she turned into LATIAS! She pulled down the pants fo all the members of Dark Gale and flew out of there.

FLASHBACK ENDS

Dusk Eclipse: It was crazy.

Me: But at least you pantsed all the Dark Gale members.

Camie: That is funny.

Nico: What's your role in Sonya's team?

Dusk Eclipse: I'm the Moon and Sun master of the team. I use the powers of the moon to blast my enemies.

Me: Nice.

Dusk Eclipse: Yeah and outside the team I am the Dreamwalker. I can walk in dreams.

Natilee: Just like me and dad.

Me: Yeah I can walk in dreams like your sister Luna can.

Natilee: It's true.

Luna: Wanna join us in that job like old times?

Dusk Eclipse: I would be honored sister.

Rarity: First lets get you some new clothes darling.

The fashion brigade gave her orange and black clothes and an amazing moon sword.

Dusk Eclipse: Wow I look amazing.

Nico: You sure do.

Me: Yep.

Vegeta: Bokrua do you have a bunch of words to say to Shido during the fight?

Nico: Some I'll say because of his crimes. Others I'll say just to piss him off

Vegeta: Good enough for me.

Me: Me too.

We took off into the air and we set out for one final showdown with the most hated monster in the world, Koichi Shido, and this time, Lincoln and Nico along with all of us are going to make sure that fucking son of a bitch stays dead and gone forever when they banish him to The Black Abyss!

We were flying in the air, and we spotted our target: Koichi Shido, and he was firing energy blasts at people trying to kill them as they were running to get to safety, and he was laughing malevolently!

Lincoln: You Nazi son of a bitch! Still trying to destroy the human race again?! That's the last straw!

Lincoln fired energy blasts and elemental blasts from his massive white angel wings and four sets of large white angel wings underneath his massive white angel wings at Shido, and they hit him and exploded and Shido screamed in rage as we landed, and when he saw me and Lincoln again, that pissed Shido off even more, and he tried to punch us, but we both punched Shido in the face and sent him flying into a wall, he got back out, but now, he was beyond pissed!

Nico: You've got some fucking nerve showing your ugly face again, Shido!

Lincoln: The world's now a much better place ever since we got rid of you and undid the damage you dealt unto the world, but to find out Anti-Monitor brought you back, now that's going too far! This time, we're getting rid of you once and for all, and you're never ever coming back!

Shido: You! You insolent piles of trash! HOW DARE YOU TALK DOWN TO ME! YOU LOWLIVES, I WILL KILL YOU! ALL OF YOU!

Caleb Maxwell raised his guns, and then,...!

We were amazed by the transformations of Odalia Kuro, Natalia Nightmare, Allie Zeras, Ashley Zeras, and Nikita Nightmare, and when Lincoln and I saw them, we had atomic red blushes on our faces, hearts in our eyes, and our noses were gushing out blood. But, when Shido saw it, he fired bullets at them to kill them all while he had a psychotic grin on his face, but Lincoln grabbed them, and the girls fired energy blasts, darkness, and light at Shido which hit him and he got burned, and that pissed him off even more.

Lincoln: (Smirks) Why don't we show him nightmares that are infinitely worse than the zombies that were created by that accursed virus of his.

Nico: Oh, this is gonna be good.

Lincoln, Odalia Kuro, Natalia Nightmare, Allie Zeras, Ashley Zeras, and Nikita Nightmare stood against Shido and flared up dark energy auras.

Lincoln, Odalia Kuro, Natalia Nightmare, Allie Zeras, Ashley Zeras, and Nikita Nightmare: Your sick twisted madness ends here and now, Shido! UNHOLY NIGHTMARE OF ILLUSIONS!

Lincoln, Odalia Kuro, Natalia Nightmare, Allie Zeras, Ashley Zeras, and Nikita Nightmare fired waves of incredibly powerful darkness and they hit Shido, and he was sent into a hellish dark realm. When he opened his eyes, he found himself in the same world Brian spaced out into when he ate those hallucinatory mushrooms, and what he saw...WAS TOO SHOCKING FOR WORDS!

IT WAS A COMPLETE AND TOTAL NIGHTMARE WORLD OF UNSPEAKABLE HORROR AND MADNESS, AND EVERYONE WERE MONSTERS AND ABOMINATIONS FROM HELL! SHIDO TRIED TO RUN FOR HIS LIFE, BUT NO MATTER WHERE HE RAN, HE JUST RAN INTO OTHER NIGHTMARE ABOMINATIONS ALL OVER THE CITY, AND THEN, HE RAN INTO LINCOLN AND NICO, BUT THEN, THEY TRANSFORM INTO HORRIFIC DEMONIC VERSIONS OF CHERNABOG AND THEY SENT DEMONS, DEVILS, EVIL SPIRITS, AND MONSTERS AT SHIDO, AND HE LET OUT THE MOST HORRIFIC BLOODCURDLING SCREAM EVER, AND WE SAW IT: HIS SANITY HAS FOREVER BEEN BROKEN AND DESTROYED AS WHAT HE'D BEEN THROUGH WAS A MILLION TIMES WORSE THAN WHAT BRIAN

WENT THROUGH!

Me: OH MY GOD!

Nico: MY GOD! WHAT THE HECK DID YOU GUYS MAKE HIM GO THROUGH?! THAT WAS SO AWESOME!

Lincoln: Just a little something we'd been working on in case Shido came back. Now, it's high-time we put an end to this piece of shit once and for all!

Nico: You're right, Lincoln. Shido, you've lived for far too fucking long, it's time we end this once and for all!

Me: You're heading for a place far worse than The Black Gates, you piece of shit!

Everyone: AND THIS TIME, YOU'RE NEVER EVER COMING BACK! YOU NAZI SON OF A BITCH, YOU'VE CAUSED MORE THAN ENOUGH TROUBLE TO LAST AN ETERNITY, AND NOW, WE'LL MAKE SURE YOU STAY DEAD AND GONE FOREVER, SHIDO!

THAT WAS MORE THAN ENOUGH TO MAKE SHIDO'S ANGER AND INSANITY BECOME EVEN WORSE THAN EVER, AND WHAT WE DIDN'T KNOW WAS THAT WHEN LINCOLN AND THE GIRLS USED THAT ATTACK ON SHIDO, HE PUT IN A DEADLY CURSE THAT CAUSES HIS LIFE FORCE TO BE SUCKED OUT OF HIM AND IT FLOWS INTO US ANY TIME WE ANGER HIM!

SUDDENLY, OUR ENERGY AURAS FLARED UP EXTREMELY AS WE GAINED A MASSIVE POWER BOOST AND SHIDO BECAME WEAKER!

Me: Lincoln, you slick Devil! You also put a life-force draining curse on him!

Lincoln: Yep. Alright, let's end this dirt clod once and for all!

Lincoln, Odalia Kuro, Natalia Nightmare, Allie Zeras, Ashley Zeras, Nikita Nightmare, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I and all of us went after Shido, and we fired extremely powerful blasts of rainbow, white, and blue energy, black, white, and blue energy, black and purple, white, and blue energy, yellow, white, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Sylphs, Animals, and Mythological Animals at Shido and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Odalia Kuro, Natalia Nightmare, Allie Zeras, Ashley Zeras, and Nikita Nightmare did the same by firing black, white, and blue, black and purple, white, and blue, and yellow, white, and blue energy slashes from their gold plated dragon claws and massive greatswords, and Lincoln, Odalia Kuro, Natalia Nightmare, Allie Zeras, Ashley Zeras, and Nikita Nightmare, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was really really making Shido even more angrier and even more insane than ever, if that was even possible.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Shido, and we found ourselves in Heaven.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Shido's stomach and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

You've made the lives of everyone a living nightmare, and you've always had a twisted black heart. You belittle life and have nothing but cruelty in your twisted black heart, and I'm sick and tired of having to see your ugly face. So, let's end this for good!

Nico: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Phoenix Vampire Werewolf Demon Dragon Mermaid Saiyan Great Ape Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony United Friendship Elemental Phoenix Vampire Werewolf Demon Dragon Mermaid Saiyan Great Ape Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time to say your final goodbyes, Shido.

Lincoln threw Shido into the sky, and Lincoln formed massive white and blue energy balls and they condensed them to the size of their bodies. Suddenly, red energy began being pulled out of Shido and the energy flowed into the white and blue energy balls in their left hands, and they're growing even stronger than ever: it was the multitude of sins Shido has committed in the past.

Nico and Lincoln: THIS IS WHERE YOU DIE HERE AND NOW, KOICHI SHIDO! NOW, GOODBYE AND GOOD RIDDANCE FOREVER, YOU FUCKING SON OF A BITCH! HEAVENLY JUDGEMENT KARMA BALL!

Lincoln and Nico fired the massive white and blue energy balls that hit Koichi Shido and he couldn't even fight back against it, and it launched him even further into the skies and he wound up in deep space, and then...!

KKKKKKKKRRRRRRRAAAAAAAAABBBBBBBBBBOOOOOOOOOOOM

THE MASSIVE WHITE AND BLUE ENERGY BALLS EXPLODED WITH MASSIVELY INCREDIBLE POWER AND SHIDO WAS SUDDENLY BEING CONSUMED BY THE HEAVENLY FLAMES!

Shido: NO! NO! THIS CAN'T BE THE END! DAMN YOU, CHAN! DAMN YOU, LOUD! DAMN YOU ALL, TEAM LOUD PHOENIX STORM!

But he wasn't finished yet! He fell to Earth in a huge thud!

SMASH!

He got up and went at Nico.

Nico: Take this!

He stabbed him in his chest with his sword!

SKEWER!

Nico: GO TO HELL AND TAKE YOUR FUCKED UP FRIENDS WITH YOU!

HE SLASHED HIM IN HALF AND HE EXPLODED AND WAS BANISHED TO THE BLACK ABYSS AND ALL OF HIS FOLLOWERS MINUS THE WOMEN AND CHILDREN WERE BANISHED TO THE BLACK ABYSS TOO!

THE MOST HATED MONSTER OF THE WORLD, KOICHI SHIDO, WAS DESTROYED FOREVER AND HIS ETERNALLY BLACK WICKED SOUL WAS SENT TO THE BLACK ABYSS, AND BACK ON EARTH, WE SAW HEAVENLY LIGHTS SHINING DOWN ON EARTH AS AN ANGELIC CHOIR SANG!

Goku: Whoa, what power!

Vegeta: Impressive.

Gohan: They did it.

King Kai: (Telepathically) They did it! THEY DID IT! You lose, Shido! Good riddance!

We cheered wildly as we holstered our weapons and powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, eleven massive and long colored wolf tails, 28th Century backpacks, large gold halos with four large orbiting gold rings on each corner behind the heads, large twenty colored planets orbiting around the legs and twenty smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers like rings, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and four sets of larger colored angel wings underneath the massive colored angel wings of Odalia Kuro, Natalia Nightmare, Allie Zeras, Ashley Zeras, and Nikita Nightmare are permanent.

Nico: I've said it once, and I'll say it again. Shido, you have failed this entire world and the entire human race!

Lincoln: Your time is finally over, Shido! Now, rot in The Black Abyss forever, and may you be nothing more than a forgotten memory for all eternity!

Suddenly, Lincoln was hugged and kissed all over by Shizuka Marikawa, Rei Miyamoto, Saeko Busujima, and Saya Takegi.

Shizuka Marikawa: Lincoln, that was really incredible!

Rei Miyamoto: That attack you, Odalia, Natalia, Allie, Ashley, and Nikita really drove Shido mad!

Saeko Busujima: And when you told Shido off like that, it was as if Heaven's fury had been awakened within you!

Saya Takegi: And the fury of Heaven was indeed unleashed on that piece of crap, now we never have to see his face ever again.

Gohan: He didn't deserve to live, what he did proved he's no better than Frieza.

Sebastian Mendez: (HISSES) (DEMONIC SHRIEK)

Buster Bunny: Babs, mallet!

Babs Bunny hands Buster Bunny a mallet and he tip-toed behind Sebastian, and...!

WHACK!

BUSTER BUNNY HIT HIM ON THE HEAD WITH A MALLET AND LEFT A NASTY LUMP ON HIS HEAD!

Buster Bunny: Cool it, crazy! We'll deal with Frieza when the time comes, and when it does happen, we'll be the ones to lead us off in the attack, not you! Besides, you'll just cause tons of wanton destruction on him and his forces. Need I remind you of all the times he'd tried to kill you in a classic double-cross, you went mad, chopped his tail off, and stomped on his chest so hard, you destroyed it and his heart and you got covered in blood!

Me: Gross.

Nico: Hey, just be glad he didn't eat his heart or organs, now that would just be revolting!

Me: Yeah.

Nico: A moment of silence for Daisuke Sato. May he rest in peace

We took our hats off and put our hands on our chests and had a moment of silence.

It was done later on.

Nico: Nice job Carbink.

Carbink: Thanks Nico. Got any beer?

Poromon: Here you go!

He gave her a bottle.

Carbink: Thanks.

Carbink drank it!

Carbink: (BARNEY GUMBLE BELCH)

Barney Gumble: Welcome to the drunk party! (BELCH)

Carbink got drunk.

Poliwag: Sing the ABCs.

Carbink: (BELCHING AND SINGING) ABCSDDNFKSJJFKAKFDMCOSNFOMFNAZ!

WE LAUGHED HYSTERICALLY!

Nico: Oh, Clown Man, what do you like to do in your free time?

Clown Man: I entertain at parties and it's fun.

Luan: Welcome to the entertainment group.

Eddy: Yeah!

Luan: You and I should do business together.

Clown Man: Good idea.

Lola: Yep.

Poromon: Can we go out walking later?

Nico: As long as one of us goes with.

Poromon: Okay.

Camie: Good idea.

May: But don't be late for the birth of the babies.

Poromon: We won't.

Barney: They will be so adorable. (BELCH)

We laughed!

Qin: Yeah!

Poromon: We should give the babies guns

All of us: NO WAY!

Maria: Yeah Poromon!

Me: No offense Poromon but that is downright crazy.

Poromon: Well, their moms use guns too

Me: When they are older they will.

Rei: Yeah.

Shizuka: Just because we use guns doesn't mean they will get them now.

Saeko: I agree.

Saya: Same here.

Qin: Yeah.

Poromon: Can Saeko's baby at least use a sword?

Saeko: Swords have been my family's weapon of choice for years. But later they will get their swords.

Me: Yeah that is true.

Nico: I agree.

Qin: Yeah.

Laney: We got to face the Anothers now.

Me: Oh right!

Laney: And they are already here!

We saw Another Big Bad Wolf, Giant Rex, Cutler Beckett, Polar Bear (Zig and Sharko) and Dancing Water!

Me: WHOA! They must've come when we were talking.

Nico: So Clown Man, Giggles, Sophie Krustovsky, Rufus (MLP), Harley Quinn 2019, and Circus Kirby are up.

Eli: Yeah and we have Another Dark Mantis and Maxxine too. And I sense the Anothers minus Dark Mantis and Maxxine are 6 people.

We gasped!

Me: WHOA!

Eli: The Another Dark Mantis is 2 people.

Me: WHOA! This will be interesting.

Nico: It sure will.

Me: Yep.

Another Big Bad Wolf: (In a girls voice) I agree.

They merged and split into 6 figures and they were 6 girls.

Nico: (GASP) Yulia Uria, Hadia Hamon, Raven Raviel and Omaima Osiris, Setia Set and Mina Ra Atem.

Qin: COOL!

Me: Wow! The gene-slammers of the 3 Sacred Beasts and the Egyptian Gods.

Nico: Yep. Omaima, Setia and Mina are the Atem Sisters. And they are also the descendants of Pharaoh Atem.

Eli: Wow! It's an honor. So I guess that makes me one of your cousins.

Setia Set: I guess it does.

Mina Ra: Since we don't know the full extent of the family tree we'll go with that.

Pharaoh Atem: But it's good to meet family here.

Omaima Osiris: Same here ancestor.

Me: Awesome!

Yulia Uria: Me, Hadia and Raven here are Nico's church buddies and we went to church with him.

Nico: Yep.

Qin: Wow!

Me: Are the Another Dark Mantis and Maxxine friendly or hostile?

Hadia Hamon: Friendly and they are cool.

Me: Awesome.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and we caught the Wonder Ride Books.

Me: YEAH!

Nico: And now we wait.

Me: Yep.

LOUD FART!

Qin and Ed farted!

Eddy: Nice one Lumpy!

Qin: (Blushes) Excuse me.

Nico: (sighs) What did you two eat?

Qin: Pad Thai.

Ed: Bran muffins.

Eddy: WOOHOHOHO! Man Ed you are gonna have gas all day.

We laughed!

Yulia Uria: He sure is.

Nico: The Hell he is! (Snaps fingers)

But then...

LOUD NASTY LONG FART!

ED FARTED IN NICO'S FACE! He had all the gas farted out of him all at once.

Ed: (Sigh of relief) Ahh much better.

Nico coughed and gagged.

Nico: Okay. That's one way to do it

WE LAUGHED!

Qin: (LAUGHS) Yeah! (LOUD FARTS) Sorry.

Camie: (LAUGHS)

Me: That is funny.

Lola: Yeah!

Horsea: It sure is!

Me: Oh look!

We saw Another Dark Mantis and Maxxine!

Me: There they are!

Qin: Wow!

Another Dark Mantis: (In a girls voice) Looks like you guys are having fun.

She reverted back and split into two figures. They were the gene-slammers of The Creator God of Light, Horakhty and Armityle the Chaos Phantom!

Nico: (GASP) Hina Atem and Aylene Armityle!

Me: Whoa! The gene-slammers of of The Creator God of Light, Horakhty and Armityle the Chaos Phantom!

Nico: Yep.

Hina Atem: Awesome to see you Nico.

Aylene Armityle: You guys already met our sisters no doubt.

Me: we sure did.

Nico: Yep. Aylene and Hina are both masters of the powers of Darkness and Light and both are immensely strong and powerful.

Dark Mantis: WOW! That is cool! Both are strong and amazing like me.

Hina Atem: We sure are.

Nico: And your friend?

Another Maxxine: Someone who likes doing this to her sister.

She threw a pie and it hit Maxxine in her face...

KRASPLAT!

Maxxine: HEY! (Slurps) YUMMY! Strawberry cream! My favorite! And wait Arianna!

She reverted back and it was a younger version of Maxxine!

Arianna Stennson: Long time no see sis!

Maxxine and Arianna hugged.

Nico: Your sister?

Maxxine: That's right and she always makes me laugh every time by throwing pies into my face.

Luan: Boy Pie think she has it out for you. (LAUGHS) Get it?

WE LAUGHED!

Me: (LAUGHS) Good one Luan!

Eddy: (LAUGHS) That was funny!

Me: Yeah! But that is funny!

Arianna Stennson: It sure is

Kaito (gets out Zero One gear): Did Swartz promise you anything?

Zocks (gets out Zi O gear): Because we can grant it instead.

Kaito and Zocks got Zero One and Zi O weapons.

Hina Atem: No he didn't.

Aylene Armityle: Because he feared us. So he let us go.

Arianna Stennson: Yeah.

Me: Boy that is crazy but it's good he did.

Sougo (gets out Zi O II Ridewatch): Maxxine's actually my sister too.

Rider Time! (Synthesizer tone) Kamen Rider~! (Rider~!) Zi-O! (Zi-O!) Zi-O~! II!

Geiz (gets out Vulcan Ridewatch): Guess that makes you in laws.

Sougo became Zi O II while Geiz got VulcanArmor.

Arianna Stennson: I guess it does.

Qin: Yeah.

Yost Wolverine: Same with me and Dusk Eclipse.

Dusk Eclipse: Yeah it sure does.

Lincoln: Lets separate you first.

We did so.

Me: Lets do it.

Nico: (gets out Dark Mantis' Ridewatch) Afraid of the Dark?

May: (Gets out Giant Rex's Ridewatch) (ROARS LIKE REXY)

Maria: (Gets out Polar Bear's ridewatch) I will freeze you.

Giggles: (Gets out Big Bad Wolf's Ridewatch) (DANCES RUSSIAN MUSIC)

They used the powers of Dark Mantis, Big Bad Wolf, Giant Rex, Cutler Beckett, Polar Bear (Zig and Sharko) and Dancing Water and blasted the Anothers all over.

Then Universe 666 Omega, Daniel J. D'Arby, Pet Shop, Jumbo Shrimp, Thanos (X-Squad) and Proxima Midnight (X-Squad) came.

Me: WHOA!

Nico: Nice team Omega!

Universe 666 Omega: Thanks Nico.

SpongeBob: HOLY KRABBY PATTIES! Mermaidman and Barnacle Boy's enemy the Jumbo Shrimp!

Jumbo Shrimp: That's right spongecake!

Sam the Omega Ranger: My team's next.

Me: I wonder who is getting Thanos and Proxima from the X-Squad universe?

?: They now have us.

Out of a portal came THE MORPHIN MASTERS!

Me: The Morphin Masters!

We knelt.

Me: It's good to see you again.

Master Red: You too J.D. We have decided to be part of the action and join up with you.

Master Green: After everything you all went through with Xehanort it's now time for us to join you in your cause.

Me: We are truly honored.

Laney: It's gonna be awesome.

Master Blue: It sure is.

Master Red: But me and Master Green will be first

Me: Understood. We'll think of which team for the rest too.

?: That is awesome.

PAILDRAMON CAME!

Me: WHOA! Paildramon!

Nico: Wow!

Paildramon: (In a girls voice) It's gonna be fun too.

Nico: Naomi Paolilly! Wow!

She reverted back and was a girl with blue and green hair and had blue eyes and had blue and green clothes and Paildramon on her forehead, skirt and shirt and had blue green angel wings and had a green energy sword.

Naomi Paolilly: Good to see you Nico. I got this. (Echoing) DESPERADO BLASTER!

She fired energy blasts and it hit the Anothers and I caught the ridewatches and purified them.

Me: YEAH!

Nico: Nice job!

Naomi Paolilly: Thanks Nico. It was fun.

Me: It sure was.

Giggles: Do you have a favorite memory of Nico?

Naomi Paolilly: I sure do. When me and Nico were in Tucson, Arizona and we went to the Kit Peek Observatory and found an amazing new planet.

Nicole: Really? Which one?

Naomi Paolilly: It was volcano earth planet in the constellation of Cygnus and we named it Paolillus.

Nicole: Oh wow! That is cool!

Naomi Paolilly: Yeah but it was a weird one. That planet had 27% of its planetary structure blown apart in a massive meteor impact.

WE GASPED!

Nicole: WHOA!

She looked through her planet chart and found it.

Nicole: WHOA! Is this it?

She showed the planet.

Naomi Paolilly: That's the very one.

Nicole: Oh man! That is crazy but amazing you found it.

Me: I'll say!

Nico: Yep.

Nico and Naomi hugged.

Nico: I've missed you.

Naomi Paolilly: Same here.

We all went back home.

Lincoln: Oh man, we're here in the slums of the East Bronx in New York, and I know what we're going to do here, not only am I going to rescue the thirteen girls here and Ets is going to rescue the one girl here, but we're in for a showdown: we're going into battle against Caleb Maxwell's old enemies, Adrian Zane, Gonzales Ignacio, Tyler Zepherin, Leonard Tolvar, Gabriel Melchior, and Darius Braeden, the fallen vampire hunters and the monsters who terrorized New York whom we'd met after we took down Archibald Snatcher, and just like what J.D. did to Skeletor, I'm going to stab them in the chests with my massive greatsword and suck out all of their powers over ice, fire, wind, lightning, light, and darkness, and not only will they be returned to normal, but I'll also suck out their energy and souls as well, and send them straight to The Black Abyss forever.

Me: So, you're gonna do what I did to Skeletor, nice.

Caleb Maxwell: Adrian, Gonzales, Tyler, Leonard, Gabriel, and Darius know this is their last stand. So, let's make sure they all suffer big time.

Caleb Maxwell put out a call, and then, The Big Claw Gang showed up.

Carla Claw: So, we're going after Adrian Zane, Gonzales Ignacio, Tyler Zepherin, Leonard Tolvar, Gabriel Melchior, and Darius Braeden, eh? About time.

Nico: And you got The Big Claw Gang here? Looks like they also got some business with those six.

Mad Cat Max: You have no idea, when Caleb told us yesterday of those six, I wanted nothing more than to blow their brains out. They tried to make J.J. relive the nightmare of what her sick dad did to her.

Clown Man: What the? Now, that's just plain disgusting!

Caleb Maxwell: That's why they're New York's most dangerous criminals, they're not worthy of being called vampire hunters. They may have had a noble bloodline, but they are utter disgraces: Adrian started out good, but he went full blown evil after he fell into darkness after that battle long ago, and Gonzales, Tyler, Leonard, Gabriel, and Darius were born evil. Now, we're ending their bloodlines once and for all!

Eli: But, we got to watch it though.

Lincoln: You're right, there's no telling what Adrian and those monsters are capable of, now that their plans have finally been foiled. But, just in case, if we're fighting vampire hunters, we're gonna need some of these.

Lincoln formed firearms and gave them to each of us.

Lincoln: The ammo that I made for these firearms I've given each of us are very powerful: it contains holy water, pellets made of melted down silver, shavings of white oak, and shavings of garlic, they're deadly to rogue vampire hunters like Adrian and his minions because of the fact they've turned their backs on humanity and have become even worse than the vampires they've gone after.

Diana Lombard: Since it works on vampires, it'll work on rogue vampire hunters too.

Sam Simpson: Only one way to find out, we need to go after them before they come after us.

Lincoln: Right, Sam.

Suddenly, we saw an army of vampires heading for us.

Lincoln: So much for going after them, they decided to send vampires after us.

Caleb Maxwell fired silver bullets that hit the vampires in their hearts and they turned to ashes.

Cage Blunt: I should've known they'd do this.

Eli: Figures. Now, where are they at?

Cage Blunt: I think I know where: the old church that was once their base of operations when they'd gone after the vampires, now it's become their lair where they now launch attacks on the people.

Lincoln: Let's head there and end them.

We set out for the old church to put an end to Adrian Zane, Gonzales Ignacio, Tyler Zepherin, Leonard Tolvar, Gabriel Melchior, and Darius Braeden, the fallen vampire hunters now turned monsters and demons of chaos who now terrorize New York.

We arrived at the old church, but we were furious at what we saw: the church was desecrated with the blood of spilled victims and their heads were impaled on spikes along with their limbs and torsos.

Lincoln: Utter blasphemy! I can't believe they'd desecrate a house of God.

Me: That's just absolutely evil!

Suddenly, we saw a naiad swimming in the skies and it left an amazing wave of water, and it rained, and then, it landed, and it turned into a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long aqua blue hair, blue eyes, massive blue angel wings, white short-sleeved blouse with a naiad on it and on her forehead, light blue sleeveless crop top, aqua blue skirt, aqua blue knee-high high-heeled boots with butterfly buckles, long white sleeveless trenchcoat with stars, water, ocean waves, naiads, phoenixes, and angels on the coattails, and on the back is the naiad, she has a water greatsword, and with her are the thirteen girls Lincoln is to rescue and the one girl Ets is to rescue.

Lincoln: (GASPS) Natalie Naiad, Avatar of The Naiad.

Natalie Naiad: That's right, and I got the girls away from here before Adrian and his minions could kill them and do the same thing to their other victims. Plus, I found out why they were going to kill them, they intend to open a portal to Hell and bring the armies of The Devil here to destroy the world.

?: AND YOU WENT AND RUINED IT! YOU MISERABLE BASTARDS, YOU'RE ALL GOING TO DIE AND WE WILL REDUCE THE WORLD OF GOD'S PATHETIC CHILDREN INTO ETERNAL RUIN!

We then saw our six main targets: Caleb Maxwell's old enemies, Adrian Zane, Gonzales Ignacio, Tyler Zepherin, Leonard Tolvar, Gabriel Melchior, and Darius Braeden, the fallen vampire hunters now turned into the monsters who terrorized New York.

Caleb Maxwell: Figures you would come back here as soon as your plans were ruined. Now, it's time we end this.

Suddenly, Lincoln let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his entire body was covered in thick brown fur and his massive pecs and ten-pack abs were covered in tan fur, his deep sapphire blue eyes and rainbow iris of his Third Eye remain the same, but the pupils turned into slits, his fangs grew longer and his rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's nose and he grew a wolf snout and sturdy tan-colored muzzle, his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings remained the same, his eleven massive and long white wolf tails and large white wolf ears turned brown, his long wild white hair turned brown with white streaks and became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned dark blue, and he let out a loud howl as he turned into Lincoln The Nocturnal!

Lincoln: (HOWLS AND BEATS HIS CHEST LIKE A GORILLA)!

Me: OH GOD! NOW, THEY'VE REALLY DONE IT! THOSE DIRTBAGS ARE GONNA BE BURIED SIX FEET UNDER!

Then, Lincoln shot Adrian, Gonzales, Tyler, Leonard, Gabriel, and Darius in the arms with his firearm and his powerful ammo caused their arms to fall off and they screamed in absolute pain and agony!

Diana Lombard: It worked, and your special ammo is like acid to them.

Suddenly, their severed arms regenerated and their coat sleeves repaired themselves.

Jenni Anderson: Shoot, it doesn't work on rogue vampire hunters with powers.

Lincoln: (Beastly Voice) I should've known. Well, then, it's time to do this the old fashioned way, time to release the wolf!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a dark blue vortex flared up behind him, and he charged at Adrian Zane, Gonzales Ignacio, Tyler Zepherin, Leonard Tolvar, Gabriel Melchior, and Darius Braeden, and he proceeded to brutally smash them into the ground with his massive brute superhuman strength, slashed them with his gold-armored dragon claws and greatsword, and fired blasts of dark blue wolf fire, darkness, moonlight, and ice at them, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON THEM! HE WAS REALLY GOING APESHIT ON THEIR HIDES!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

RIP! HOING! SHRILL GIRL SCREAMS!

LINCOLN GAVE ADRIAN ZANE, GONZALES IGNACIO, TYLER ZEPHERIN, LEONARD TOLVAR, GABRIEL MELCHIOR, AND DARIUS BRAEDEN IRREVERSABLE SUPER QUADRUPLE MEGA WEDGIES!

May: OH! AND HE ALSO RESORTED TO THAT! EUGH!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL! IRREVERSABLE SUPER QUADRUPLE MEGA WEDGIES!

Adrian Zane, Gonzales Ignacio, Tyler Zepherin, Leonard Tolvar, Gabriel Melchior, and Darius Braeden: YOU! YOU PIECE OF...! YOU THINK YOU CAN GET AWAY WITH THIS?!

Lincoln: (Beastly Voice) You don't have any right to say anything at all, blasphemers. You turned your backs on humanity, disgraced your ancient bloodlines, desecrated a house of God, and brought terror and chaos to every last citizen in New York. You're the ones who aren't getting away with what you've done!

LINCOLN SHOT THEM AN EXTREMELY DEATHLY GLARE AND THAT GLARE MADE ADRIAN ZANE, GONZALES IGNACIO, TYLER ZEPHERIN, LEONARD TOLVAR, GABRIEL MELCHIOR, AND DARIUS BRAEDEN SO SCARED, THEY SCREAMED IN FRIGHT AND PISSED THEIR PANTS IN HORROR!

Adrian Zane, Gonzales Ignacio, Tyler Zepherin, Leonard Tolvar, Gabriel Melchior, and Darius Braeden: (BLOODCURDLING SCREAMS)

Me: HOLY...DAMN!

Nico: (GASPS) OH! OH GOD, THEY REALLY DID IT! LINCOLN SHOT THEM DOWN WITH THAT AND A DEATHLY GLARE AT THEM TOO!

Eli: They are done for!

Lori: And it's already going viral!

We saw on Lori's phone that the video of the fight was going viral and it was getting tons of likes from everyone, and comments such as, "YOU SHOW EM, LINCOLN! OY FUCKERS, YOU MESSED WITH THE PROTECTORS OF HUMANITY, YOU JUST BOUGHT YOURSELVES A ONE-WAY TRAIN RIDE TO THE NINE CIRCLES OF HELL!", "TAKE THAT, FUCKERS!", "YOU EVIL BASTARDS DESERVED TO GET BEATEN AND KILLED BY LINCOLN! SCREW YOU ALL!"

Alya: Oh man, it's gone viral in a huge way!

Luan: Oh man, and everyone is also sending death threats at Adrian Zane, Gonzales Ignacio, Tyler Zepherin, Leonard Tolvar, Gabriel Melchior, and Darius Braeden, and they're also really explicit!

We saw the explicit threats, and they were too graphic to even say!

Me: Wow. I didn't think they'd also put that kind of language in the posts as well.

Nico: Man, they really are going all out to say those threats to those dirtbags!

Lincoln charged at Adrian Zane, Gonzales Ignacio, Tyler Zepherin, Leonard Tolvar, Gabriel Melchior, and Darius Braeden, and he stabbed them in the chests with his massive greatsword!

SHEEN!

Then, Lincoln sucked out all their powers over ice, fire, wind, lightning, light, and darkness, and their elemental wolf greatswords merged with his massive greatsword, and after Lincoln sucked out their powers, Adrian Zane, Gonzales Ignacio, Tyler Zepherin, Leonard Tolvar, Gabriel Melchior, and Darius Braeden changed back to normal, and then, he also sucked out their energy and souls as well, and he drained their souls of energy and send them straight to The Black Abyss forever. We cheered as we holstered our weapons and powered down.

Lincoln: (Beastly Voice) And that is the end. (ROARS AND HOWLS IN VICTORY)

Lincoln changed back.

Caleb Maxwell: Finally, after all this time, it's finally over. Those six are gone forever.

Travis Tackett: All of New York's gonna be glad we got rid of those pests.

Lincoln: No doubt, now the East Bronx has one less problem to worry about. (To Natalie Naiad) And it's so good to see you again, Natalie.

Natalie Naiad: You too, Lincoln, it's been seven years since we last met.

Suddenly, Natalie Naiad had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Natalie Naiad was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered.

Natalie Naiad: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around

Natalie Naiad and hugged her, and Natalie Naiad is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, he's also even more taller, more handsome, buffer, hunkier, and much more muscular, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Natalie Naiad: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Natalie Naiad, Avatar of The Naiad, she's Lincoln's Guardian Angel and she's known as The Water Naiad Beauty of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Natalie is a powerful master of the powers of fresh water, fountains, wells, springs, streams, and brooks of fresh water, and she's also known for her beauty. She lived during an age of light and she was said to have been raised by naiads in the springs of Greece, and over time, as she grew, she gained all of the incredible strengths and powers of the naiads along with immortality, and she'd fought to defend her family from the hatred and fear wrought on by the paranoia that humans had towards her clan, and many centuries later, there was one person that harbored a true love for everything, and that also really strengthened the love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of fresh water, fountains, wells, springs, streams, and brooks of fresh water, and the powers of the naiads, and he also gained all of the incredible strengths and powers of the naiads, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 naiads and men combined, and she also knew of his divine singing and he also knew how to sing the songs of the mermaid, and it also made her love for him even stronger than ever, and she also found out Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy. Lincoln made her a powerful water greatsword and gave her a flower to put in her hair, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Katie kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the tidal waves of the naiads.

Nico: You have no idea how much we were impressed when Enya told us about you.

Me: And we all know the legends of the Naiad all too well.

Lincoln: That's right, and they're also familiar to the mermaids for centuries, and now that you're here, Natalie.

Lincoln with his massive muscular arms still wrapped around Natalie Naiad leaned his head down to the right side of Natalie Naiad's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large white feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Natalie Naiad: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Natalie Naiad with aqua blue gems on the gold lightning bolts and aqua blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Natalie Naiad: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Natalie Naiad.

Natalie Naiad had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Natalie Naiad's waist, and he leaned down to her face and kissed her on the lips, and with Natalie Naiad's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Natalie Naiad had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Natalie Naiad: (In Heaven) My God.

Then, Ets went up to the girl he set out to rescue, and when he saw her, he recognized her, the girl is Sasha The Minigun Devushka from Team Fortress 2.

Ets: Oh wow, it's Sasha The Minigun Devushka from Team Fortress 2.

Then, when she saw Ets, she ran up to him and hugged him and kissed him.

Nicole: It's been a long while since Ets rescued any girls, and she was really thankful to him for saving her from those piles of crap.

Natalie Naiad: True. Oh, Lincoln, the thirteen girls I rescued are...

Travis Tackett: And I think that's our cue to leave.

The rest of us left back home to The World Tree Estate leaving Lincoln and his harem, and they went up to the thirteen girls, and when Lincoln saw them, his nose wound up gushing out blood as he saw them, the thirteen girls are Maria Tobari from Psycho Dream, Catherine Sabathra, Haruka Rutaka, Youko Araki, and Yuuri Sano from Code Geass: Rozé of the Recapture, Hanabishi Haruka A.K.A. Magia Magenta, Minakami Sayo A.K.A. Magia Azure, Tenkawa Kaoruko A.K.A. Magia Sulfur, and Hiiragi Utena from Gushing over Magical Girls, and Vera, Mindy, and Nadine from Caramella Girls.

Lincoln: Oh whoa, it's Maria Tobari from Psycho Dream, Catherine Sabathra, Haruka Rutaka, Youko Araki, and Yuuri Sano from Code Geass: Rozé of the Recapture, Hanabishi Haruka A.K.A. Magia Magenta, Minakami Sayo A.K.A. Magia Azure, Tenkawa Kaoruko A.K.A. Magia Sulfur, and Hiiragi Utena from Gushing over Magical Girls, and Vera, Mindy, and Nadine from Caramella Girls.

Nicole: Yikes, Travis was definitely right telling everyone it was time to go, these girls are really hot and sexy.

Lincoln: And easy targets for perverts. If they get anywhere near them, I'll tear them to shreds. Are you girls okay?

Maria Tobari: Yes, we're okay thanks to you.

Then, when Maria Tobari and the other twelve girls saw who it was that saved them from Adrian Zane, Gonzales Ignacio, Tyler Zepherin, Leonard Tolvar, Gabriel Melchior, and Darius Braeden, their faces turned atomic red upon seeing the 18-year-old 9'10" tall, handsome heartthrob hulking hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with Catherine Sabathra: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made twelve clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Maria Tobari: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, thirteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Maria Tobari, Catherine Sabathra, Haruka Rutaka, Youko Araki, Yuuri Sano, Hanabishi Haruka A.K.A. Magia Magenta, Minakami Sayo A.K.A. Magia Azure, Tenkawa Kaoruko A.K.A. Magia Sulfur, Hiiragi Utena, Vera, Mindy, and Nadine with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies. Lincoln, Nicole, and his harem returned home.

Maria: We heard everything from J.D., and we also saw Lori's video of the fight! Damn, Lincoln, you really tore those murderous blasphemous monsters apart when you went Lincoln The Nocturnal on them.

Lincoln: Yep, and just like what J.D. did to Skeletor, I stabbed them in the chests with my massive greatsword and sucked out all of their powers over ice, fire, wind, lightning, light, and darkness, and not only were they returned to normal, but I also sucked out their energy and souls as well, and after I drained their souls of energy, I sent them all straight to The Black Abyss forever.

Nico: It was awesome, plus, when Lincoln also sucked out their powers over ice, fire, wind, lightning, light, and darkness, their elemental wolf greatswords merged with his massive greatsword along with those elemental orbs they had with them.

Me: It was our first time dealing with fallen vampire hunters though, but I'm sure it's not the last.

Victoria Kurenai: That's right, and to be honest, it was the first time we've ever gotten reports of any vampire hunters who've turned their backs on humanity, broke their vows, and fell into darkness.

Adriana Ardelean Dracula: (Romanian Accent) None of my sisters nor I have never encountered any fallen vampire hunters before. So, we need to keep an eye out for them.

Caleb Maxwell: A last, I'm finally rid of Adrian Zane, Gonzales Ignacio, Tyler Zepherin, Leonard Tolvar, Gabriel Melchior, and Darius Braeden, they've terrorized New York for too long. Adrian was once one of the best detectives in the East Bronx Police Department, but when he fell into darkness and came back to New York and unleashed a reign of darkness on The East Bronx, the respect that he once had among his peers turned into outright hatred and revulsion, and it's no surprise Captain Whitten tried to capture Adrian and make him pay for his crimes because he'd gathered the evidence of his crimes.

Captain Whitten: He was once one of the best cops in that department, I can't deny it, but when he'd crossed into darkness and unleashed that reign of terror, he'd forfeited his right to live as a member of society and lost his right to live.

Jack Howard: Along with his buddies who were born criminals and born evil from the beginning.

Roxy Drake: When we heard Adrian returned and unleashed that reign of terror on the East Bronx, I wanted to punch his stupid face and slap the cuffs on him myself, but in the end, he got the fitting punishment he deserved.

Me: Yep, death and banishment to The Black Abyss forever.

Lincoln: Along with his cronies.

After Lincoln and all of us viciously beat up Adrian Zane, Gonzales Ignacio, Tyler Zepherin, Leonard Tolvar, Gabriel Melchior, and Darius Braeden and sent them to The Black Abyss forever, we were training intensely in the gym, doing

900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Natalie Naiad saw Lincoln doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Natalie Naiad: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, he also got one awesome tan, and he's also doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful

teachers, J.D. and Nico included, Natalie, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Natalie Naiad: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Natalie Naiad: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, Jack Howard got out a video.

Nico: Hmm, what's this video about, Jack?

Jack Howard: This video's from Caleb's time in the police academy three days before the Hallowshade Bloodbath, and it's so not good. Apparently, a former police officer of ours by the name of Michael Easton tried to sabotage Caleb's entire performance and get him kicked out of the academy because of what Drake Maxwell did in murdering his wife and son who was twelve at that time, but when he finally let his true colors out for all too see, Caleb let the demon inside him out.

Jack Howard put the video in and it played on the big screen, and we saw Caleb Maxwell in his police academy outfit and he was doing some training. But, then, he saw a figure trying to attack him with a baton: it was Michael Easton, a male cat with grey fur and a black buzzcut in a police officer uniform. The other officers saw it and surrounded him including Captain Whitten.

Past Captain Whitten: Michael, what is the meaning of this?! You better have a reason trying to attack Mr. Maxwell!

Past Caleb Maxwell: Officer Easton, did you try to...? Why did you try to attack me?

Past Michael Easton: I don't have to listen to the older brother of the scumbag who ruined my life!

Past Caleb Maxwell: Drake...

Past Captain Whitten: That's the reason? Michael, I understand that Drake was the one who killed Sarah and Nathan, but that doesn't give you the right to take it out on Caleb who has done nothing wrong and since cut his ties with him and his father two years ago.

Past Michael Easton: I don't care, every single time I look at that piece of shit, Caleb, I'm reminded of that piece of shit, Drake, who ruined my life! So, I decided to sabotage Caleb's entire performance and get him kicked out of the academy and finally avenge Sarah and Nathan!

That ultimately did it: his true colors were revealed to the entire police department.

Past Caleb Maxwell: So, those are your true colors, and you kept them hidden from not only the cadets, but also, your fellow officers.

Caleb Maxwell had his head down in despair.

Past Captain Whitten: It's true, but that ends here and now. Michael

Easton, you are hereby stripped of your badge and your title as ranking officer and you are also going to be put under arrest for what you did.

Past Michael Easton: Don...!

Suddenly, Caleb Maxwell let out a small laugh as tears fell from his eyes and down to the ground and the room's temperature suddenly went cold.

Past Caleb Maxwell: So, this is what you really thought of me, that I'm just like my brother in every single way. I tried so hard to earn your respect, but instead, I only earn nothing but hatred from you. I was such a fool to even try and earn the respect of someone I now absolutely despise.

But then, his cadet hat fell off his head as his neatly trimmed dark brown hair grew to reach his neck and his laughter suddenly turned dark and evil and his tears had turned into tears of blood.

Me and Nico: What the?!

Roxy Drake: Yep, this is where the nightmare begins.

Past Caleb Maxwell: All this time, I've worked hard to earn the respect of my peers and bring a better future for myself, Mom, and Allie, and you've tried to sabotage all of it because you despised Drake and think I'm just like him in every way.

Suddenly, the officers saw Caleb Maxwell's nails grow into sharp black claws.

Nico: Oh no. That officer's gone and done it!

Past Caleb Maxwell: You can blame me for what that piece of shit, Drake, did in killing your wife and son, but what you did in trying to sabotage my performance at the academy and get me kicked out of there and the university, you crossed a line from which there is no return.

Then, Caleb Maxwell lifted his head up and he opened his eyes only to see them turn from brown to bright red and blood was pouring out of his tattoo on his right arm, and his outfit changed from the police cadet uniform to his signature blood red short-sleeved shirt, black pants, and black knee-high boots.

Past Caleb Maxwell: I've tried hard to earn your respect, but now that you've let your true colors out and exposed your plans, I have no reason to even show you any mercy at all.

Suddenly, the sclera of Caleb Maxwell's eyes turned black and his bright red eyes were brighter than ever.

Past Caleb Maxwell: Now, your twisted mentality has finally caught up to you, and now, you're going to pay the price...with your life! (LAUGHING MALEVOLENTLY)

Lincoln: Whoa!

Carla Claw: When we found out about that, we were stunned that a cop did Caleb dirty and that set him off.

Past Captain Whitten: Caleb, wait, calm down!

Past Caleb Maxwell: Captain, move. This bastard doesn't deserve to live a single second further.

Michael Easton pissed his pants and ran away, and Caleb Maxwell ran after him, and he pushed the former police officer outside, and they got into a really nasty brawl, if that's what anyone could call it as we saw Caleb Maxwell leave bloody claw marks on Michael Easton's chest and back and his shirt on the front and back had slashes on them.

Then, Michael Easton got out his gun and was about to shoot Caleb Maxwell, but Captain Whitten fired and shot him in the arm and he went down and he was cuffed.

Past Captain Whitten: You've done enough damage, Michael. Get him out of here and put him in jail, we're going to bring this to court.

The officers got Michael Easton to jail. But, as Captain Whitten turned to face Caleb Maxwell, he had already run off.

Past Captain Whitten: (Sighs) Oh, Caleb. I know you're not like your brother or your father, but why is it that many people want to make you suffer. It's absolutely not right at all, if anyone tries to do that to you, they're going to answer to the rest of us.

Unknown to Captain Whitten, he was being watched by Marcus Mackenzie from afar.

Marcus Mackenzie: The task you intend to see through may be of good intentions, but you're unaware of who Caleb truly is nor of his family history and his bond to all of us.

Marcus Mackenzie left as the video ended.

Nico: I can't believe this guy tried to sabotage Caleb because of what his asshole brother did, that's just dirty.

Lincoln: Dirty cops, if there's one thing we can't stand, it's a dirty cop. So, what happened to Easton?

Captain Whitten: We did exactly as I said: we stripped him of his badge and title as chief lieutenant and he was not only kicked out of The NYPD, but we also had him arrested.

Casey Antonio: And thanks to the evidence, he was sentenced to twelve and a half years in prison, he was released six years later, but then, he died of a heart attack at home.

Carter Kenrick: No one was able to claim the body because the remaining relatives cut all ties with him after he was sent to prison.

Me: So, he was...

Caleb Maxwell: Far from a proper burial, he was buried in a ditch for what he did. Good riddance.

We got a shower, and then, Lincoln, Nagisa Momoe, Dr. Belle Alvarez, Dr. Teresa Tran, Mariella Moss, Tarreyn, Simulator Dr. Harleen Quinzel / Harley Quinn (Harley Quinn TV Series), and Simulator Pamela Isley / Poison Ivy (Harley Quinn TV Series) are heading to Everbay Coast.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Nagisa Momoe, Dr. Belle Alvarez, Dr. Teresa Tran, Mariella Moss, Tarreyn, Simulator Dr. Harleen Quinzel / Harley Quinn (Harley Quinn TV Series), and Simulator Pamela Isley / Poison Ivy (Harley Quinn TV Series) are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Nagisa Momoe, Dr. Belle Alvarez, Dr. Teresa Tran, Mariella Moss, Tarreyn, Simulator Dr. Harleen Quinzel / Harley Quinn (Harley Quinn TV Series), and Simulator Pamela Isley / Poison Ivy (Harley Quinn TV Series) all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy and he killed them all.

Nagisa Momoe: Wow, so this is Everbay Coast, it sure is beautiful.

Lincoln: It sure is, Nagisa, and it's perfect for our first date, shall we?

Lincoln, Nagisa Momoe, Dr. Belle Alvarez, Dr. Teresa Tran, Mariella Moss, Tarreyn, Simulator Dr. Harleen Quinzel / Harley Quinn (Harley Quinn TV Series), and Simulator Pamela Isley / Poison Ivy (Harley Quinn TV Series) dived into the waters, and they began swimming, and they also saw the marine life that lived there, then, they went back to the beach, and the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an amazing volleyball game, and they went into a workout area Lincoln created, and Nagisa Momoe, Dr. Belle Alvarez, Dr. Teresa Tran, Mariella Moss, Tarreyn, Simulator Dr. Harleen Quinzel / Harley Quinn (Harley Quinn TV Series), and Simulator Pamela Isley / Poison Ivy (Harley Quinn TV Series) got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Nagisa Momoe: (Swooning) So manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Nagisa Momoe, Dr. Belle Alvarez, Dr. Teresa Tran, Mariella Moss, Tarreyn, Simulator Dr. Harleen Quinzel / Harley Quinn (Harley Quinn TV Series), and Simulator Pamela Isley / Poison Ivy (Harley Quinn TV Series) and hugged them in their abnormally massive and powerful muscular arms, and Nagisa Momoe, Dr. Belle Alvarez, Dr. Teresa Tran, Mariella Moss, Tarreyn, Simulator Dr. Harleen Quinzel / Harley Quinn (Harley Quinn TV Series), and Simulator Pamela Isley / Poison Ivy (Harley Quinn TV Series) placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Nagisa Momoe, Dr. Belle Alvarez, Dr. Teresa Tran, Mariella Moss, Tarreyn, Simulator Dr. Harleen Quinzel / Harley Quinn (Harley Quinn TV Series), and Simulator Pamela Isley / Poison Ivy (Harley Quinn TV Series) and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit

them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Everbay Coast, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Nagisa Momoe, Dr. Belle Alvarez, Dr. Teresa Tran, Mariella Moss, Tarreyn, Simulator Dr. Harleen Quinzel / Harley Quinn (Harley Quinn TV Series), and Simulator Pamela Isley / Poison Ivy (Harley Quinn TV Series) on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Nagisa Momoe, Dr. Belle Alvarez, Dr. Teresa Tran, Mariella Moss, Tarreyn, Simulator Dr. Harleen Quinzel / Harley Quinn (Harley Quinn TV Series), and Simulator Pamela Isley / Poison Ivy (Harley Quinn TV Series) are in your harem, Linky.

Nagisa Momoe, Dr. Belle Alvarez, Dr. Teresa Tran, Mariella Moss, Tarreyn, Simulator Dr. Harleen Quinzel / Harley Quinn (Harley Quinn TV Series), and Simulator Pamela Isley / Poison Ivy (Harley Quinn TV Series) showed the marks Lincoln made on the right sides of their necks.

Jenna: You guys had no trouble at all.

Nagisa Momoe: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT

confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: Lake Kingdom for another round.

Me: Cool!

Nico: Noah, you and Orion are up

Noah: Sweet!

Orion: Yeah!

Me: Me, Lincoln, Princess Celestia and Maria will go too.

Nico: Okay.

We went in and the simulator activated and we were in Lake Kingdom!

Me: We're here.

Nico: Yep.

Nicole: You guys are not going to like the next baddie you're going to face.

Noah: I wonder who we're facing.

Lincoln: Well you guys are not gonna like this! We're going to face Squidward's Akuma, Doomtopus. The Hypothetical Akuma of Squidward and he is a giant octopus monster that is as big and merciless and evil as The Tortured One. He was made because of all the people that hated his art, his clarinet playing, and cooking as well as his job at the Krusty Krab. He lost everything and his dreams were destroyed and everyone chased him out of town in a lynch mob and warned that if he returned to Bikini Bottom they would kill him. He vowed to get revenge on EVERYONE IN BIKINI BOTTOM including SpongeBob and Friends and Mr. Krabs and kill them all and make everyone that wronged him suffer and sent off to Hell.

WE GASPED!

Lincoln showed a sketch of him and we saw that he was a GARGANTUAN OCTOPUS WITH A MEAN FACE!

Me: WHOA MAN!

Orion: Geez!

Me: Squidward was really pushed to the breaking point! He was made a complete outcast from the world in Bikini Bottom.

Nico: They really had enough of his horrible talents. No offense to our Squidward.

Squidward: None taken.

Nico: But man Squidward in his world really is after revenge.

Noah: He must be nearby

Nico: Yep.

Me: Uh guys!?

We looked and saw a HUGE GINORMOUS OCTOPUS! HE WAS OVER 500 FEET TALL!

IT WAS DOOMTOPUS!

HE ROARED FEROCIOUSLY LIKE KING KONG FROM 1962!

Me: HE'S MASSIVE!

Eli: OH MAN!

Laney: HOLY CRUD!

Nico: MOMMY!

Noah: JEWEL FORCE!

He turned into the Blue Kiramager!

Orion: EXCALIBUR FORCE!

He turned into the White King Ohger!

He saw us!

Doomtopus: If it isn't the morons!

Me: WHO ARE YOU CALLING A MORON, CALAMARI BREATH!

I grew to his size.

Me: Even in this form you are still the same glum Squidward that everyone in Bikini Bottom loathes!

Nico: YEAH!

Me: What the people of Bikini Bottom did to you crossed the line big time. I knew you put a lot of pride into your art but what they did to you was disgusting!

Orion stepped on a tentacle

CRUNCH!

Doomtopus: OUCH!

Orion: Sorry!

Noah stepped on a tentacle

CRUNCH!

Doomtopus: OUCH! WATCH IT MORON!

POW!

I punched Doomtopus in his face!

Doomtopus: WHY YOU LITTLE!?

Nico stepped on a tentacle.

CRUNCH!

Doomtopus: OUCH!

POW POW POW POW POW POW POW!

I punched him 7 times in the face.

Me: You got to watch those tentacles of yours Stupid Squidward.

Nico stepped on another tentacle.

CRUNCH!

Doomtopus: OUCH!

SQUIRT!

HE SQUIRTED INK ALL OVER NICO!

Nico: Hey!

Me: YUCK! HE INKED!

Doomtopus: Well Pardon my anatomy!

But then Latios came!

ZOOM! ZOOM ZOOM!

KRASMASH KRASMASH KRASMASH!

It smashed Doomtopus with incredible speed!

Me: Wow! Latios! This one must be Dusk Eclipse's sister! She told me her sister was made into Latios.

Nico: Does this mean she's a boy?!

Me: What? No!

Princess Celestia: Let me see.

She used Telepathy and saw that I was right!

Princess Celestia: Dawn Eclipse! She's the twin sister of Dusk Eclipse.

Nico: Oh.

Maria: I'll help her.

Nico: Go for it!

She kept flying fast!

ZOOM!

Maria and Princess Celestia flew in front of her.

Princess Celestia: Dawn it's me Celestia!

She giggled and flew away from her

Me: Boy another mischievous one.

Doomtopus: What a moron!

POW!

I punched him.

Me: Nobody asked for your opinion Stupid Squidward!

Maria and Princess Celestia flew fast and grabbed her.

I snapped my fingers and like her sister she had orange and black hair blue eyes, and Latios in the middle of her forehead and had orange and black angel wings and had a sun eclipse cutie mark on her arm.

Princess Celestia wrapped her in a blanket.

Dawn Eclipse: (Groans) What? Celestia? (GASP) Celestia!

She hugged her.

Maria: We can talk more later. Lets get you some clothes.

Maria gave her awesome orange and black clothes.

Dawn Eclipse: Wow! I look awesome!

Maria: You sure do.

Princess Celestia: We can talk more later. We got a huge Akuma to beat.

Dawn Eclipse: Right!

Nico: (gets out Cyber Peacock and Dark Mantis' Ridewatch) Time for this peacock to get dark!

He activated them and blasted Doomtopus all over.

We blasted Doomtopus all over the place and knocked him out.

Me: That did it!

Nico: YEAH!

We high five.

Nico: You got gene-slammed by Dark Gale.

Me: Yeah you were turned into a Latios.

Dawn Eclipse: I remember!

FLASHBACK!

She was in a white suit and was injected and she turned into Latios! She flew fast and flew out of there.

Dawn Eclipse: It was awful.

Princess Celestia: Well it's good you are home.

Dawn Eclipse: It's good to be back.

Me: It sure is. We found your sister earlier on Nico's rescue.

Lincoln: She was a Latias.

Dawn Eclipse: Wow! That is awesome.

Me: Yeah it sure is.

Nico: What is your role in Sonya's team?

Dawn Eclipse: I'm a Solar Fire Master and I use the powers of fire and the sun to get passed our enemies.

Me: Wow! That is hot.

Eli: It sure is.

Dawn Eclipse: Outside the team I am a researcher and I also help Celestia organize all her paperwork and all her schedule.

Me: Wow! That is awesome.

Princess Celestia: It sure is.

We left the simulator and everyone cheered for us.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Adrienne Jacques: (French Accent) You guys have fun!

Poromon: We will!

Fluttershy: We sure will.

Lilja: (Icelanic Accent) We will have fun.

Me: Ready guys?

Poromon: Yep.

Pickle Barrel: We'll call you guys.

Me: Okay.

We left.

Me, Fluttershy, Lilja and the mascots were walking through the city.

Me: Boy it's such a beautiful day.

Fluttershy: It sure is gorgeous.

Lilja: I love it mom.

* * *

At the estate, everyone was watching TV.

Tara: I hope they'll be okay.

Nico: They will be.

Lincoln was comforting Rei, Saya, Saeko and Shizuka.

Pickle and Barley gave them REALLY GROSS FOODS! They had salmon, uni, cauliflower and brussels sprout stew covered in chocolate sauce and whipped cream with onions on it! YUCK!

Nico: That is disgusting. But it's natural

* * *

We were walking.

Poromon: What's that?

We saw that it was a lost Pomeranian puppy.

Me: (Gasp) Oh you poor thing!

Fluttershy: Are you lost little girl? Oh you poor one.

Fluttershy picked her up. It was a grey and brown Pomeranian puppy.

Horsea: How cute! (gets out bazooka) LET'S BLOW IT UP!

Me: Horsea down!

Horsea: Why?

Me: It's just a little puppy. She needs help. She doesn't have a home. She is all out here all alone.

Horsea: Oh okay. Sorry. I don't know what's wrong with me.

Poliwag: You've been hanging around Rico too much

Horsea: You're right.

Fluttershy: (To the puppy) We'll help you.

She was happy.

Manaphy: What should we name her?

Me: How about Lona?

Poromon: Ooh that's adorable.

They loved it.

But then my phone rang.

Me: Uh oh. I got a feeling.

I answered.

Me: Hello?

Pickle Barrel: SAYA, SAEKO, SHIZUKA AND REI ARE IN LABOR!

WE GASPED!

Me: IT'S TIME!

We went back to the estate and we saw the girls in labor!

Nico: We got to move!

Dirge: Who's the dog?

Me: We'll explain later! Right now we got to get the girls to the hospital!

Nico: Right! LETS GO! LETS! GO! DOUBLE TIME! LETS GO!

We loaded them into Ratchet and went to the hospital! We drove there and we got them to the hospital and they were rushed into the delivery room.

We sat in the waiting room.

Me: The little dog is Lona. We found her and the mascots and Fluttershy adopted her.

Laney: Yay new pet!

Blades: So cute.

Me: Yep. Got any 4's Nico?

Nico: Nope. Go fish.

Me: Tartarsauce.

I drew a card.

Horsea: (to Dawn) Do you need to think girl thoughts again? You WERE a male Pokemon.

Dawn Eclipse: I assure you I am fine Horsea.

Horsea: Okay.

Rei Miyamoto: (SCREAMS) THIS IS ALL YOUR FAULT LINCOLN! IF YOU GET ME PREGNANT AGAIN I WILL RIP YOUR HEART OUT AND SHOVE IT SO FAR DOWN NICO'S THROAT AND THEN LET HIM RELEASE EXPLOSIVE DIARRHEA IN IT AND MAKE HIM THROW UP IN YOUR MOUTH!

WE GULPED!

Nico: I hope she doesn't do that...

Me: She won't.

Jack and Jill hugged me.

Me: It's okay kids she is not getting mad like that on purpose. It's natural. It's called Labor Pains.

Jill Miyamoto: Really?

Me: Yeah.

Poromon landed on Nico's head.

Saya: (SCREAMING) LINCOLN IF YOU GET ME PREGNANT AGAIN I WILL RIP YOUR TONGUE OUT AND SHOVE IT SO FAR UP NICO'S BUTT AND LET YOU TASTE INSIDE NICO'S ASS AND LET YOU THROW UP INSIDE HIM!

WE GASPED!

Me: Oh boy!

Nico: Again with threatening me?!

Me: Nico you're not going to stop it when they are like this. It's natural and it's labor pains.

Nico: But still!

Me: I know but it's something we're going to have to deal with.

Saeko: (SCREAMING) LINCOLN THIS IS ALL YOUR FAULT! I WILL RIP YOUR INTESTINES OUT AND SHOVE THEM DOWN LORI'S THROAT AND MAKE YOU FART INSIDE HER TO GET HER TO SHOW HOW BAD HER FARTS SMELL IF YOU GET ME PREGNANT AGAIN!

WE GULPED!

Lori: At least Nico wasn't threatened here.

Me: True.

Lori: But I DO NOT FART! It was my shoe!

Me: Now is not the time for your denial.

Shizuka: (SCREAMING) LINCOLN IF YOU GET ME PREGNANT AGAIN I WILL KILL YOU AND SHOVE YOUR HEAD SO FAR UP LORI'S ASS THAT YOU WILL SMELL HER FARTS EVEN FROM BEYOND THE GRAVE!

We gasped!

Me: (GULP)

Qin: JEEZ!

Me: Yipe!

Lola: Scary.

Fluttershy: Goodness.

Twilight Sparkle: Yeah.

Nico: I hope that's the last...

Me: Oh it stopped.

We waited and then they came out and we saw them holding 5 girls each.

Me: Oh girls they are so adorable.

We went over to them.

Laney: Oh they are so cute.

Nico: Oh what are their names?

Saya: The ones with me are Rhonda, Yamiko, Ashley, Elise and

Caitlyn.

Rei: The once with me are Tina, Talia, Eleanor, Lola and Vega.

Saeko: The ones with me are Anna, Wendy, Sayuri, Sirena and Ophelia.

Shizuka: And the ones with me are Bianca, Gina, Kira, Gem and Hayley.

Nico: Oh they are so adorable.

Poromon: Oh they sure are.

Lincoln: Yeah. It's so awesome.

Yuriko came and she was so enthralled in their cuteness.

They were adorable.

Yuriko: I'm so happy for you Saya.

Saya Takagi: Me too mom.

Me: We are all happy.

We got an amazing picture of them and with Lincoln and the girls.

Kraven: Do you girls need to rest?

Rei: Yeah I think we do.

Me: Well lets get you home.

We went back home and got them into the nursery to rest up.

Me: If you need anything just let one of us know.

Saya: Will do.

Horsea kissed Ashley on the forehead

Me: Aww.

Saya: Looks like Ashley loves you Horsea.

Maria: So cute.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figures were in the vision: to our anger, it was none other than The Quartzer, they've returned from the dead and they want revenge on us. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think I we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone we're not going to like seeing in the slightest: I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than The Quartzer, they've returned from the dead and they want revenge on us.

WE GASPED!

Qin: WHAT?! THE QUARTZER ARE BACK?!

May: ARE YOU KIDDING ME?!

Maxxine: So, we've got The Quartzer to deal with once again. We dealt with them when I began my missions with the Zi-O team back in 2022, now they've come back for revenge.

Lincoln: But, this time, they're getting The Black Abyss just like Swartz.

Me: You said it.

?: Same here, I've had it with The Quartzer for the last time.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long magenta hair, dark pink eyes, angel wings, purple and magenta clothes, the symbol of The Kamen Rider Zi-O team on her forehead, skirt, crop top, and pendant, and the Grand Zi-O belt, long white sleeveless trenchcoat with stars, time, watches, phoenixes, and angels on the coattails, and on the back is the symbol of The Kamen Rider Zi-O team, and she has Saikyo Girade in her hand.

Lincoln: (GASPS) Zera Takagi Zi-O, Embodiment, Avatar, and Queen Goddess of The Kamen Rider Zi-O Team.

Sougo: Zera's here, I knew it was her!

Maxxine: Sougo, Lincoln, you know her?

Lincoln: Indeed we do, Maxxine.

Sougo: And so do I and the team, everyone, this is Zera Takagi Zi-O, Embodiment, Avatar, and Queen Goddess of The Kamen Rider Zi-O Team, she's Lincoln's Guardian Angel from Japan, and she's a master of time and space and she's a very powerful force of good that's extremely powerful, she has mastery over all of the powers of all the Kamen Riders from 2000 to 2019. She has all the powers of the riders from Kuuga to Zi-O and she is as powerful as all the riders from over those years times 500,000,000,000,000,000 and she is stronger than all those riders combined. She also hated Swartz with a vengeance and for all his crimes against the fabric of time and space, and she vowed to kill him. She moved to Michigan, and she really trained Lincoln with mastering the powers of time and space and she taught him so much about history and more. Lincoln made her a Kamen Rider Zi-O-themed necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he'll marry her along with the rest of his harem. Plus, she hates Killjoy Huggins with a vengeance and vowed to make sure he gets fired and blacklisted from ever going to schools again.

Nico: (GASPS) Whoa!

Me: And you don't have to worry about Swartz, I sent him to The Black Abyss forever.

Lincoln: And Ora and Heure are part of The Masters of Evil, and I told them of what Damian Alaister and The Church of Necrom did in stealing the Another Ridewatches two years ago, and they were horrified.

Zera Takagi Zi-O: I remember that all too well. Still, I can't believe Damian Alaister and The Church of Necrom did that: stealing the Another Ridewatches from Swartz and all for their world destroying scheme, they really crossed the line that day, but good riddance to them forever!

The previous group came

Duff Killigan: (Scottish Accent) Can me, Kaos, El Oso, Vreedle Brothers, Carmen Dillo, INSTIGATOR, Tchang Zu, Metal Sonic, Leap Frog and Gramma Stuffum go with you lads?

Octagon: And I do believe those are cute babies

Me: Yes they are.

Nico: And yes you all can come with us.

Qin: Yep.

Maxxine: Lets get Mummy here too.

Mummy came as well.

Mummy: I'm here guys.

Me: Awesome.

Circe: Nico, which Gene Slammer do you think you'll meet next?

Nico: Now is the fun ones. Imperialdramon next.

Me: Whoa powerful.

Nico: Yep.

Suddenly, Lincoln pinned Zera Takagi Zi-O to the floor, and he kissed her on the lips and marked her by biting her on the right trapezius and fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the mark sealed up and Lincoln kissed the spot where bit her and helped her up, and she also had an Elemental Thunderbird Necklace of Eternal Love with dark magenta gems on the gold lightning bolts and dark magenta crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up.

Zera Takagi Zi-O: Well, that was definitely one way of saying it's good to see you again. (Rubs Lincoln's massive pecs) And I had no idea you had such an animalistic romantic side to you, Lincoln, and in addition to how much you've grown, from the 11-year-old little boy we've known into an 18-year-old giant 9'10" hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man, and you're still the same gentleman we all know, but of course, having an animalistic romantic side to you, that also really came as a huge surprise. I think my heart skipped a beat when you pinned me down and kissed me on the lips.

Lincoln had a blush on his face.

Lincoln: Sorry about that.

Nico and I snickered.

Maxxine: Anyways, back to business. Where's The Quartzer Organization at, Lincoln?

Lincoln: They're back in Japan.

Me: Where it all began long ago.

Nico: And where it'll all end. Alright, team, let's go, this is the last time we're going to deal with The Quartzer.

Lincoln: That's right, and I'm going to suck out their powers and destroy them with a little something I've been working on.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was none other than the Daedric Princes, Mehrunes Dagon, Molag Bal, Hermaeus Mora, Peryite, Sheogorath, Boethiah, Clavicus Vile, Hircine, Jyggalag, Malacath, Mephala, Namira, Nocturnal, Sanguine, and Vaermina, they've come back from The Black Gates thanks to Morgana Midnight Sparkle to get revenge.

When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: Lincoln, please tell me that wasn't who I think we just saw.

Lincoln: I'm afraid so, J.D., and I hoped never to see them again: the figures we saw were none other than The Daedric Princes, Mehrunes Dagon, Molag Bal, Hermaeus Mora, Peryite, Sheogorath, Boethiah, Clavicus Vile, Hircine, Jyggalag, Malacath, Mephala, Namira, Nocturnal, Sanguine, and Ithelia, they've come back from The Black Gates thanks to Morgana Midnight Sparkle to get revenge.

WE GASPED!

Natalie Ying Xiao: God! How insane is Morgana! Of all the villains she'd brought back, The Daedric Princes are the worst!

Lincoln: I'm going to absorb them again and then, I'm gonna send them all to The Black Abyss to send another message to those she-demons: you pissed us off for the final time, and now, you're gonna pay!

Nico: If your first message didn't go through to their heads, this next violent one will. Alright, team, let's go, this is the mast time we ever have to deal with the Quartzer!

Lincoln: After everything they've done in helping Swartz, they don't deserve to live any longer, and once we finally get done with them, you're next, Mehrunes Dagon, Molag Bal, Hermaeus Mora, Peryite, Sheogorath, Boethiah, Clavicus Vile, Hircine, Jyggalag, Malacath, Mephala, Namira, Nocturnal, Sanguine, and Vaermina.

Natalie Ying Xiao: The Daedric Princes have caused enough damage to too many innocent lives, and now, we'll see to it that they die here and now!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Japan to destroy The Quartzer and send them to join Swartz in The Black Abyss, and once we get done with them, Lincoln and Natalie Ying Xiao are going to destroy The

Daedric Princes and send them to The Black Abyss once and for all!

We were off to Japan.

We arrived.

Me: Here we are guys.

Sougo: Home.

El Oso: (Spanish Accent) Let's go visit Sougo's uncle

Me: Good idea.

We went to Sougo's home.

We arrived.

Camille: Hi, Mr. Tokiwa!

Me: Good day sir.

Junichiro: Good day to you all. Welcome back Sougo.

Sougo: Thank you uncle.

Poromon: Hi, Mr. Tokiwa!

INSTIGATOR: Poromon missed you

Junichiro: I missed you all too. Thank you all for destroying Swartz.

Me: Well we still have his mess to clean up.

Nico: But so far over these last 2 years we have made a huge amount of progress.

Camie: We sure have.

Lola: Yeah.

Thundercracker: I can confirm that Swartz is dead for good

Me: We destroyed him and banished him to the Black Abyss.

Junichiro: I thought it was the Black Gates?

Me: Well we have a new big baddie and the Black Gates were breached.

Nico: His name is Anti-Monitor. But thankfully Swartz was not among those revived by him.

Junichiro: Gosh! Xehanort wasn't bad enough.

Me: Yeah. Kill one baddy, another worse one takes his place.

Gramma Stuffum: (German Accent) Want to make lunch with me?

Junichiro: Sure.

They got to cooking.

Bright Man: Wonder what they're making.

Nico: It will be good and awesome.

Lola: Yep.

Qin: It sure will

Gramma Stuffum: Food's ready!

Me: Oh boy!

We were having pork ramen and curry.

We were eating and boy was it good.

Leap Frog: This is pretty good

Luster Dawn: It sure is.

Lightning Dust: I agree there. It sure is awesome.

Junichiro: You guys have been busy. I'm proud of you all for doing so many things.

Me: Our job is never done. But it's a huge responsibility.

Nico: It sure is.

Sougo: But I'm glad to have made you proud, Uncle

Junichiro: You have always made me proud Sougo.

Tsukoyomi: He sure is amazing.

Woz: REJOICE! The king has done so much good under Lord Nico.

Junichiro: Lord Nico?

Nico: Woz gives me an amazing title and it's Lord Nico.

Me: Woz calls me General J.D. and I like that.

Woz: I haven't done that for a while

Me: You sure haven't Woz.

Camie: That is still cool.

May: Yeah.

But then Lincoln had a terrible premonition!

Lincoln: (GASP) Oh my god! I just had a nasty premonition on the Akuma we're going to face! It's Maxxine's Akuma AnubisScorp! The Hypothetical Akuma of Maxxine Stennson and she is a Scorpion Woman that has all the powers of darkness and the deadliest of all stings. She was made because of the Shredder making her into her monster for Queen Nail. But instead of Hawk Moth making her like this, she made a pact and deal with the Egyptian God, Anubis Where that if she could be given the power to kill the Shredder, she would give him her soul. As a result she was made into this and was made the Emissary of Anubis.

WE GASPED IN SHOCK!

Me: WHOA!

Lincoln showed us a sketch of her and she looked like a Scorpion Woman! She was half human, half scorpion!

Me: WHOA!

Nico: Whoa man!

Me: Wait she made a pact with Anubis!? That is crazy!

Qin: Yeah!

Me: Wait! Maybe... Let me see.

I then prayed to Anubis.

Then Anubis appeared.

Anubis: I have heard your prayer J.D.

Me: Welcome Lord Anubis. I have a question I have been meaning to ask. Are the powers of the Akuma's that Gabriel makes from you?

Anubis: As a matter of fact, yes they are. They were made using my power that is inside Nooroo.

WE GASPED IN SHOCK BEYOND ALL MEASURE!

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out.

Roxas: Say what now?!

Gabriel: I swear I didn't know about this!

Nooroo: I actually knew all along. Us Kwamis live very long

Anubis: That's right. Nooroo's power is from me. He was given it thousands of years ago and his power is what makes Akumas.

Me: That is shocking Lord Anubis!

Nico put his skeleton back in.

Nico: I hate it when that happens. But man! That is a big revelation.

Camie: No kidding!

Me: And Gabriel we ALL had no idea that all of the Akuma's came from Anubis too.

Nico: Yeah.

Me: We appreciate this info Lord Anubis.

Metal Sonic: Whatever the case, we need to stop her first!

Sougo: I'm on it! HENSHIN!

Armor Time! (Electronic rock music) Best Match! Build!

Sougo got BuildArmor!

Me: Lets go guys.

Anubis went to back to the Underworld.

Eli: (Concentrates) She's 500 yards north.

Me: Lets go.

Nico: You heard the man.

Troy: LEGENDARY RANGER MODE! LUPINRANGER!

He turned into LupinRed!

Me: Yeah!

We were flying and we saw her.

Bowser: There she is!

Methayus: She is scary like how I was in the Oasis of Ahm Shere.

Camie: Scary.

We landed.

AnubisScorp: So you all have come.

Me: You look really scary like this Maxxine!

Tchang Zu: Maxxine, is that you?

AnubisScorp: Yes it's me. But where is the Shredder?

Me: He'll soon be dead.

Qin: Yeah what he did in making you this was horrible.

Camie: The Shredder will pay for his crimes.

Varie: That is for sure.

AnubisScorp: I agree there.

Me: Too bad we aren't in the Oasis of Ahm Shere. That would have been fitting for the battle with you.

AnubisScorp: Indeed. Here J.D. This will show you which villains are coming. Little parting gift from the Scorpion King there.

She gave me the gold Scorpion Bracelet.

Me: The Bracelet of Anubis.

Qin: We appreciate this Maxxine.

Mummy: I suppose asking you to calm down would be useless, huh?

AnubisScorp: I'm afraid so.

She swung her tail and tried to sting us.

Me: WATCH OUT!

We dodged her tail. She fired darkness blasts and we dodged them.

Mummy wrapped her in bandages and I fired waves of energy and blasted her.

AnubisScorp: My turn!

She fired sting energy blasts from her tail and we dodged them.

Scorponok: Time to fight Scorpion with Scorpion! Scorponok, TERRORIZE!

He transformed and fired missiles and energy blasts and blasted AnubisScorp and knocked her out.

Me: Nice one!

RD Clyde: She was pretty tough.

Me: She sure was.

I put on the Bracelet of Anubis and it glowed and then it showed where the Quartzer were and they were in an abandoned warehouse on the north side of Tokyo.

Me: At least we know where to go.

Nico: Yeah.

Troy: LEGENDARY RANGER MODE! PATRANGER!

He turned into the Red PatRanger.

Carmen Dillo: What are you working on, Nico?

Nico: A Final Form for Maxxine's Kamen Rider Celestial form.

Me: Cool!

RD Lucy: Nico, you'll have to finish that on the way.

Nico: Right.

Me: Lets get moving then.

Qin: Yeah!

We were off.

Nico: It's done!

Rhomboid: That fast?!

Me: Wow!

Nico: Yep.

Qin: Cool!

Me: We're here.

We arrived at the Warehouse.

Me: Here we go.

Strut: Entrance time!

We went at the warehouse.

The Quartzer were ready for anything. But then the spirits of clocks came and swirled around them and then converged and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them through the roof and blew the warehouse apart and a phoenix cry was heard and we came and landed.

Me: Hello Quartzer! Nice to see your fucking hides!

Camie: We're going to destroy you!

Kagen: You will pay you all back for defeating us!

Kaos: Not going to happen!

Armor Time! (Techno rock music) Progrise! Zero-One!

Sougo got ZeroOneArmor while Geiz got TycoonArmor!

I fired waves of energy and blasted Kagen and the Quartzer all over and injured them badly!

Camie: Take this!

She fired aurora blasts and blasted them.

Sougo: You turned me into a monster of horror! That is someone I would NEVER Become!

Ohma Zi-O: That is right! I was evil because of you!

Diancie charged at them and blasted them with jewels.

I slashed the Quartzer and kicked Kagen down.

Me: Swartz is not coming to help you this time jerks!

One of the Quartzer charged at me and I punched my fist through his chest and ripped out his beating heart and killed him!

Nico: YEAH!

Kaos charged at them and blasted them with the 10 Elements.

Spyro: Can't believe I'm gonna do this with Kaos.

Kaos and Spyro: SKYLANDS RETRIBUTION BLAST!

They fired waves of energy and elements and blasted them all over.

El Oso charged at them and slashed them to pieces.

El Tigre: Lets make them hurt! (COUGAR ROAR)

El Oos and El Tigre: PREDATOR FURY SWIPERS!

They slashed them and mauled them all over.

The Vreedle Brothers blasted the Quartzer all over.

Kevin Levin: Lets get them.

Vreedle Brothers and Kevin: ALIENS OF ELEMENTS BLAST!

They fired waves of energy and elements and blasted them.

Duff Killigan charged at them and blasted them with golf ball bombs.

Lori: Lets show them golf power.

Duff and Lori: BALLS A FORE!

WHACK!

They hit their balls and blashed the Quartzer all over and they exploded!

MASSIVE FIERY EXPLOSIONS!

Qin: Take that!

Carmen Dillo rolled at them and bashed them down.

Choji: Lets roll! SUPER EXPANSION JUTSU!

He grew giant!

Choji and Carmen Dillo: ROLLING BOWLING BALL SMASHER!

Choji rolled Carmen and smashed them down into a mess!

Me: Nice!

Nico: Maxxine, here's your final form!

Maxxine: Lets do it!

CELESTIAL!

She formed the clock hands for 12:00.

Maxxine: HENSHIN!

She donned amazing angel wing Kamen Rider Armor that was red and pink and rainbow. It had little figures that were those of riders from 1971 to 2024 on up! And she had a really cool legacy sword!

Me: WHOA!

Nico: WOW! Turned out more amazing than I expected!

Woz: REJOICE! I present to you Princess Maxxine's newest and most amazing and powerful warrior form! She has donned the force of all the rider and has become KAMEN RIDER OMICRON CELESTIAL!

WE WERE IN AWE!

Me: WOW!

Qin: So cool!

Tyranno Hassleberry: (laughs) You varmints are screwed now!

Maxxine: Lets see what it can do.

She tapped the figure for Saber.

The symbols for Kamen Rider Saber appeared and she fired waves of fire, ice, lightning, wind, earth, flowers, light, darkness, phoenix, time, nature, water and energy and blasted the Quartzer all over.

Me: COOL! It uses the powers of all the riders from that year!

Camie: How cool is that!

INSTIGATOR charged at them and bashed them all over.

Monkey (Dexter's Lab): (CHITTERING)

INSTIGATOR and Monkey: MONKEY LASER BARRAGE!

They fired waves of lasers and blasted them.

Tchang Zu fired waves of lightning and blasted the Quartzer all over.

Thor: Thou ready for lightning?

Tchang Zu: Lets do it!

Tchang Zu and Thor: LIGHTNING OF ASGARD BLAST!

They fired waves of lightning and blasted them all over.

Dr. Starline fired lases and blasted them.

Maxxine: Lets see how they like this.

She tapped the Kiva Figure.

The symbols for Kamen Rider Kiva appeared.

Dr. Starline and Maxxine: KIVA VAMPIRE BAT SWARM!

They fired waves of bats and energy and blasted the Quartzer all over.

Me: YEAH!

Lola: WOW!

Wataru: Wow! That is really awesome!

Me: Nico you really outdid yourself!

Nico: Boy I sure did!

Dexter: I am inclined to agree.

Nico: How about we give Monkey a translator?

Dexter: I was just about to say the exact same thing and idea Nico.

Nico: But after we're done here.

Me: Yeah! Maxxine lets try out a combo I've been wanting to try with this. Activate the powers of W.

Maxxine: You got it!

She tapped the W Figure.

The symbols of all the Gaia Memories and Riders for W appeared!

Maxxine: Time to Count Up Your Sins!

Me and Maxxine: ELEMENTAL GAIA DOPANT BLAST!

We fired waves of elements and energy and blasted the Quartzer all over with incredible force and power and blasted them.

Me: YEAH!

Nico: WOW! That was intense!

Leap Frog charged at them and bashed them down.

Slippy Toad: Lets get them!

Leap Frog and Slippy: FROGS OF DOOM BLAST!

They fired waves of energy and blasted them all over the place.

Me: Time to face the nightmare! NIGHTMARE STYLE NINJA ART: MASSACRE OF THE HUNDRED ACRE WOOD!

I fired waves of darkness and it formed into Blood and Honey Pooh, Piglet, Kanga, Roo, Tigger, Rabbit, Owl and Eeyore and they slashed and mangled the Quartzer all over and viciously butchered them into pieces!

Poromon: LOOK AT IT!

Gramma Stuffum: Feel this food!

She charged at them and bashed them all over with her food army.

Lynn Sr.: Lets show how chefs do it!

Gramma Stuffum and Lynn Sr.: COOKING FURY BLAST!

They fired waves of energy and blasted them all over the place.

Metal Sonic charged at them and smashed them all over.

Sonic: Lets unleash the speed!

Metal Sonic and Sonic: SPEEDING BALL SMASHER BASHER!

They rolled and smashed them all over.

Nico: Kanga, Roo, and Rabbit's versions weren't released yet. And Eeyore was eaten alive

Me: I know that. But it can't hurt to use my imagination.

Nico: Good point. But awesome idea.

Me: Thanks.

All that was left was Kamen Rider Barlckxs

Me: Kamen Rider Barlckxs.

Kamen Rider Barlckxs: You may have defeated my followers. But not me!

Me: Just like Swartz, your overconfidence will be your undoing. I don't need to transform to take you down.

I teleported and kicked him in the stomach and punched him and kicked him in his face.

Me: Your identity was never revealed but I know who you are. SOUGO!

Nico: What!?

Me: You and the rest of The Quartzer got some nerve coming back from the dead, SOUGO.

Sougo Tokiwa: I was stunned myself, but ever since Swartz was sent to The Black Abyss for good, I thought I was done with my main enemies, but I hadn't forgotten about you.

Nico: The one enemy who really gave Sougo and Woz a lot of trouble, but now, it's time we bring this to an end.

Sougo Tokiwa: We'll see about that! Kasshine, Dai Mazines, destroy them!

We then saw a massive army of Kasshine and Dai Mazines arise to destroy us. But, then, Lincoln had unholstered his massive greatsword and he swung it and fired a massive barrage of bladed gears and they sliced and diced the army of Kasshine and Dai Mazines to pieces and all of them were destroyed forever.

But, then, we saw more of them arise.

Caleb Maxwell: Now, that's what I call playing unfair. I didn't want to do this, but you left me no choice.

Suddenly, Caleb Maxwell clenched his fingers tightly in a clawed up position, and then, we saw he drew blood as it fell onto the ground and formed into a large pool of blood, and then, we saw black and blood red energy come out of the large pool of blood.

Then, the army of Kasshine and Dai Mazines were caught in a dark magic circle that appeared below their feet and they couldn't move.

Caleb Maxwell: It's over. (ECHOING VOICE) RAIN OF BLOOD!

Then, a massive geyser of blood shot up into the sky, and blood came raining down from the sky and the blood rain hit the Kasshine and Dai Mazines, and then, we saw them start to dissolve into a mess, and the blood rain ended and Caleb's twin pistols went back into his hands.

Sougo: That move is still just as terrifying as ever.

Then, Caleb's wounds on his hands healed and the white gloves repaired themselves.

Caleb Maxwell: Perhaps, Sougo, but it still worked, now they've lost their armies.

Me: That's right!

Dawn Eclipse: Like old times?

Princess Celestia: You got it!

Dawn Eclipse and Princess Celestia: SUN FIRESTORM BLAST!

They fired waves of fire and blasted Barlckxs all over.

Me: Take that!

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF QUARTZER TO NO END! NOW, THE BATTLE TO FINALLY DESTROY QUARTZER WAS ON!

Lincoln, Crash Bandicoot, Maxxine, Nico, and I and the rest of us went after the Quartzer, and we fired extremely powerful blasts of rainbow, white, and blue energy, aura energy, purple energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at the Quartzer and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at him as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Crash

Bandicoot also did the same by firing rainbow, white and blue energy slashes from his massive greatsword and gold-plated claws, and Lincoln, Crash Bandicoot, Maxxine, Nico, and I and the rest of us attacked them super hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, and this was making the Quartzer even angrier than ever.

Flora: Hey, there's the Monitor Orb, it's embedded in their leader's head!

Lincoln fired ricocheting rainbow, white, and blue energy beams from his fingers and the planets orbiting his fingers like rings and ankles as they hit The Monitor Orb embedded in SOUGO Tokiwa's head and it shattered, and not only did we get a massive power boost, but he was screaming in agony and holding his bleeding head.

Dawn Eclipse was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Dusk Eclipse.

Dawn Eclipse: No! We control the power.

Dusk Eclipse: It doesn't control us!

They reigned in the power and turned into the Eon Pokemon Twins and bashed them all over.

Camie: YEAH!

They reverted back and fired waves of fire and darkness and smashed Barlckxs all over.

Poromon pecked him.

POINK POINK POINK POINK POINK POINK POINK!

Poromon: You like that jerk!

Me: How about this too!? NIGHTMARE STYLE NINJA ART: RAMPAGE OF THE MURDEROUS PINK PONY!

I fired waves of darkness and it formed into Pinkie Pie with a murderous smile grin and she bashed and smashed and blasted Barlckxs all over the place.

Twilight and Friends: LOOK AT IT!

Manaphy: We inspired a generation!

Me: YOU SURE DID!

Qin: YEAH!

Me: Same with this! NIGHTMARE STYLE NINJA ART: RAMPAGE OF THE TORTURED ONE!

I fired a wave of darkness and it formed into THE TORTURED ONE! IT ROARED LIKE GODZILLA 2014 and smashed Barlckxs all over the place!

Lincoln: LOOK AT IT!

Nico: LOOK AT IT!

Me: LOOK AT IT!

Eli: LOOK AT IT!

Me, Nico and Eli: WE WANT ALL OF YOU TO FUCKING LOOK AT IT!

Barlckxs screamed in horror and fright!

Then Common Cold, Technus, Xaldin, Katnappe, Roquefort, Waffle Woman, Salami Swami, Oculous, Magma and Mirror Master appeared

Nico: Common Cold, Technus, Xaldin, Katnappe, Roquefort, Waffle Woman, Salami Swami, Oculous, Magma and Mirror Master.

Common Cold: This still doesn't explain why the Akumas of the core members keep popping up

Technus: We may never know.

Xaldin: It's a mystery

Me: We'll find out the answer someday.

Katnappe: (to Nico) We heard you fought Shido

Nico: We sure did and we rid the world of him forever.

Salami Swami: (to Kole) You should take care of that Carbink.

Kole: Oh I will.

?: Awesome

A figure came out and it was RADSTER from episode 3 of Lost Galaxy!

3000 years ago, Radster was on the home planet of the Magna Defender with the Motor Mantis and Sledge. They ended up being confronted by the Magna Defender but this sequence of events lead to the death of his son Zika and Radster escaped in the resulting fallout.

In 1999, Radster is hired by Scorpius to try and salvage the

Galactabeasts after the colossal failure of Brunt to stop the Galaxy Rangers from getting them. He arrives with some Stingwingers and takes down the Rangers but Maya and Kai arrive and knock him down. Although he puts up a good fight, Radster fights the Rangers but flees in terror when the Rangers release the Galactabeasts by slashing the restraints with the Quasar Sabers. Enraged, Scorpius kicks Brunt out of his crew and sends Radster to Terra Venture with Furio to destroy the colony as revenge. Now equipped with a blaster, Radster begins obliterating building and fights off Commander Stanton's squad of Galactic Space Alliance soldiers who put up a pitiful resistance against the two monsters before the Power Rangers arrive which makes Furio retreat. Radster fights Leo and uses his long and sharp claws in battle but is defeated by an energy slash from Leo's Quasar Saber. However, Radster survives without a scratch and drinks a special green mixture which makes him grow before trying to crush them underfoot and swatting away Leo when he tries to attack. Before he can obliterate them however, the Galactabeasts arrive to return the favor of saving them and the Lion Galactabeast teams up with Leo to combat Radster. The monster fires his pistol at them but the Lion Galactabeasts counters with a massive stream of fire, overwhelming the beam and striking Radster who partially disintegrates before being obliterated

---

Leo: Radster!

Radster: Been a while rangers!

Me: I remember you! You were sent by Scorpius to salvage the Galactabeasts!

Radster: That's right Good memory.

Me: Yep. Also there's a song based on you called Rock Lobster by the B-52's.

Radster: Love that song! It's my favorite.

Me: Nice!

William: You also sound like someone with a surfer accent

Radster: I sure do dudes.

Me: Righteous!

Qin: YEAH!

Lincoln: Love a good surfer.

Me: Yeah!

Nico: Lets get it on!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway

Robin, Cheetor, Dark Magician Girl and her Apprentices, Naomi Yumiko, White Walker, Frostwrath, Algata, Twilight Sparkle, Stellar Sparkle, Starshine Sparkle, Magic Skylanders, Stalker and Kraven the Hunter VS Common Cold, Crud, Land Before Time Red Claw, Abnes, Beard Deer, Cancer, Mr. Ticklesneezer and Universe 666 Thrax (Mega Man Star Force) (Theme including Cheetor) - Nico's rescue was Saya, Rei, Saeko and Shizuka's baby shower and we battled Shido

---

Common Cold was first.

Common Cold (to Robin): Nico's rescue was Saya, Rei, Saeko and Shizuka's baby shower. He also battled Shido.

Robin: He sure did and it was a really fun party too. Yuriko was so happy for her daughter and her friends. After everything that Saya and her friends went through they more than earned the right to start a family.

Cheetor: Yeah and the food was awesome in the party.

Dark Magician Girl: It sure was. We all had so much fun too.

Apple Magician Girl: Shido was really causing a lot of havoc. But Nico really put that monster in his place for all his crimes! Shido was infuriated that all his evil crimes were undone.

Twilight Sparkle: Nico really went at him with intense savagery.

Stellar Sparkle: Yeah that was brutal.

Starshine Sparkle: But we ended up sending him to the Black Abyss for good and all of his followers were sent there too!

Spyro: Yeah we killed over 4,000 of them.

Common Cold: WOW! You guys killed an entire Nazi cult essentially.

Robin: Yeah we sure did.

Common Cold: Good riddance! (SNEEZES)

Robin: Bless you.

Common Cold: Thank you.

Robin: We spared the women and children but killed most of his followers.

Common Cold: Good. (SNEEZES)

Robin: Bless you.

Common Cold: Thank you. Lets do it!

ROBIN! HARD MAN!

Robin: And here is my book.

It was called Robin and the Eternally Sick Illness Spreader.

Robin: (READS VERSE) "Robin was in a battle with the most sickest villain of all and he battled him with medicine, orange juice and chicken soup and blasted him all over and knocked him out."

They fired waves of magic and energy and smashed them down.

Cyborg, TTG Cyborg, Ice, Katie Kirrington, Dexter, Poppy, Pinkie Pie, Maud Pie, Citrine Pie, Featherweight, Tech Skylanders, Elena Validus and Circe VS Technus, Mike Rochip, Toadwart, Eustace Strych, Evil Chili Pot, Saber Shadow, Steambot and Gear Master (Kinnikuman) (Theme including TTG Cyborg) - Another Dark Mantis, Big Bad Wolf, Giant Rex, Cutler Beckett, Polar Bear (Zig and Sharko) and Dancing Water who are the gene-slammers of Slifer the Sky Dragon, Obelisk the Tormentor, The Winged Dragon of Ra, The Creator God of Light - Horakhty, Uria - Lord of Searing Flames, Hamon - Lord of Striking Thunder, Raviel - Lord of Phantasms and Armatyle the Chaos Phantom.

Cyborg: Yeah those were awesome! And some of them were Nico's Church Buddies as well as the descendants of Pharaoh Atem. We were shocked about that.

TTG Cyborg: Yeah that was really cool!

Ice: (Scandinavian Accent) We also met Princess Luna's sister Dusk Eclipse who was turned into a Latias.

Technus: WOW! I bet Serena was pissed about that because of how Latias kissed Ash.

Ice: She was. But got out of it quickly because she knew that it was one of Dark Gale's creations.

Pinkie Pie: But we were amazed to see this one and it was amazing!

Maud Pie: (Monotonously) It sure was amazing.

Citrine Pie: I agree there too.

Featherweight: That was really cool and awesome.

Sprocket: It sure was.

Technus: I agree there too. Lets do it!

CYBORG! NEEDLE MAN!

Cyborg: And here is my book.

It was called Cyborg and The Ghost of The Car.

Cyborg: (Read's Verse) "Infuriated that a ghost stole his car, Cyborg went to hunt it down and make that monster pay for it."

They fired waves of energy, metal and gears and blasted them all over.

Lincoln and his harem jumped and performed an exploding Rider Kick at the Quartzer, and they exploded with incredible power as their kicks hit them!

Woz: They're now on their last legs, just one last push!

Then, Lincoln turned the tips of his tails into Cell's stingers, and he stabbed them into the members of the Quartzer, and he began absorbing them and he and all of us assimilated their Legend Powers and their Ridewatches, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, when Lincoln was done and he retracted his tails and the stingers changed back, the Quartzer members were thin as a toothpick, and then, we saw them turn into stained glass statues.

Mummy: I know the perfect way to finish you off!

He used his bandages and stripped him of his belt and reverted him back.

Then we saw that he was a horribly scared and disfigured man.

Me: GEEZ! Those are nasty scars!

Mummy: I'll make his pain go away.

He opened a portal and threw him into the sun!

Me: YEAH!

Lincoln then sent the rest of them into the outer depths of space through a portal he opened up, and as the portal closed, he snapped his fingers and fired laser beams of many colors that destroyed the statues and sent their spirits to The Black Abyss.

We cheered as we holstered our weapons and powered down.

Maxxine: And that is that!

We cheered wildly as we holstered our weapons and powered down and Natalie Ying Xiao's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty large crimson red planets orbiting around her legs and twenty smaller crimson red planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized crimson red planets orbiting around her wrists and ankles, eleven massive and long crimson red wolf tails, and massive blue angel wings and four sets of large blue angel wings underneath her massive blue angel wings are permanent.

Lincoln: (Smiles Warmly) You're welcome, Natalie.

Me and Nico: Our pleasure, Natalie.

Suddenly, Natalie Ying Xiao wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Natalie Ying Xiao's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Shadow Wisp, Golem, Phoenix, and Hsi Wu, Demon Sorcerer of The Sky flying in the air, and we saw a herd of Buffalo and many animals running across the field and the sudden appearance of lights shining down from Heaven and elemental forces behind them and we cheered wildly. Then, Lincoln and Natalie Ying Xiao sucked in and absorbed the elemental forces and they came back to us as the display vanished.

May: That's the last time those Daedric Princes ever come back to hurt mankind.

Me: You said it, those evil deities deserve to die. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

MYSTICAL MUSIC PLAYS

Suddenly, we saw a dryad flying in the skies and it left an amazing wave of leaves and flowers and plants grew and bloomed around our feet.

Selene Arcangela: (GASPS) The dryad...! The sign..., is it who I think it is?

Lincoln: It is, Selene, and that's the next of The Avatar of The Mythical Beasts we're meeting: Darcy Dryad, Avatar of The Dryad.

Enya Phoenix: I knew it was her, and you guys are going to like hearing her story, Darcy Dryad, Avatar of The Dryad, is Lincoln's Guardian Angel and she's known as The Nature Beauty Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Darcy is a powerful master of the powers of nature, animals, plants, and dryads, and she's also known for her beauty. She lived during an age of light and she was said to have been raised by dryads in the forests, and over time, as she grew, she gained all of the incredible strengths and powers of the dryads along with immortality, and she'd fought to defend her family from the hatred and fear wrought on by the paranoia that humans had towards her clan, and many centuries later, there was one person that harbored a true love for everything, and that also really strengthened the love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of nature, animals, and plants, and the powers of the dryads, and he also gained all of the incredible strengths and powers of the dryads, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 dryads and men combined, and she also knew of his divine singing and he also knew how to sing the songs of the mermaid, and it also made her love for him even stronger than ever, and she also found out Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy. Lincoln made her a powerful nature greatsword and gave her a flower to put in her hair, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Darcy kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the fury of nature itself.

Me: Whoa!

Laney: Oh boy, I remember her all too well. Darcy really caused Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies tons of pain in case they tried anything, and she even put poison ivy leaves in their underwear, and they were scratching their butts like crazy, and they had to spend a week in the hospital.

Nico: Oof! That's what I call payback.

Lincoln: Just be glad she didn't put any other plants in their clothes, or they'd suffer a lot worse.

Roquefort: That's the end of that.

Waffle Woman: Maxxine's form was awesome.

Oculous: It sure was!

Me: Boy it sure was! Maxxine your new Omicron Celestial Form was so cool!

Nico: I'll say!

Maxxine: I agree there!

Qin: Yeah!

Nico: Well done Maxxine!

Sougo: That's my sister!

Magma: How should we celebrate?

Mirror Master: With more of Stuffum's cooking!

Me: Yeah!

Nico: Great job today everyone!

Maxxine: (To the viewers) This was one awesome and epic battle and I got to test a new rider form.

Me: You sure did.

We went back home and had more of Gramma Stuffum's cooking and more.

We returned home, and Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Cage Blunt, James Blunt, Captain Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, Abby Smith, Travis Tackett, Leela Salyers, Peace Salyers, and Cronus Chase, and Thomas A.K.A. Cage Blunt: Yep, and we're finally rid of Adrian Zane and his minions for good.

Jack Howard: You said it, and we got word the desecrated church they inhabited was taken down and the bodies were removed and taken to be buried.

Caleb Maxwell: That's good. The victims need to be buried in consecrated ground, those six were such blasphemous monsters, and they deserve to die. Good riddance.

They went to bed.

We went to bed too.

MUSICAL FAIRY OF AWESOME

Musa's Day to Shine

In the early morning hours at 12:20 AM, Lincoln had a dream, and he saw two figures hiding out and living on the streets of Timbuktu, Mali. But, there were no ordinary three figures, they were Derrick Loud, son of Lincoln's future wife, Ashley (WarioWare). and Pei Loud, daughter of Lincoln's future wife, Penny Crygor. Lincoln woke up from the dream, but he wasn't the only one, Ashley (WarioWare), Penny Crygor, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We all did, Lincoln.

Penny Crygor: And it also means that we found out where our kids are at.

Me: They are at Timbuktu, Mali.

Nico: A desert theme place? Oh god, no! that's not good at all.

Lincoln: I know right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: We're on it, Lincoln.

As we were about to go to Timbuktu, Mali, to rescue Derrick Loud and Pei Loud, then suddenly, there was a knock at the door.

Ashley (WarioWare): (Groans and went to the door) Who would that be in the middle of the night? We have an importing mission to do.

Ashley (WarioWare) opened the door and saw a beautiful, slender and slightly shorter young woman who has fair skin, long blue hair that reaches her knees, wide opal eyes, and elf-like ears. She has a dark blue choker. She wears a kimono spliced with a gothic-lolita style with sleeves resemblance butterfly wings with blue mist-like patterns followed by a yellowish-cream color and tipped with blue, a pale blue corset intertwined with purple strings and lined with butterfly patterns with strings, a pale purple, blue, and dark blue short puffy skirt with frilly ends, blue socks with renaissance flairs on the top, and blue high heels with bright blue soles and ribbons. She wields her Hammer of Magic. And a mechanical fiddler crab with a red and black-colored armor, a sideways mouth, four scythe-like legs, and a large powerful pincer for a left hand. Within the pincer was a power blaster combined with a chemical sprayer. When he goes underground by spinning his legs, he retracts his head down, making his neck disappear. He had blue lines running over his body and his eyes had the same color as the highlights of his pincer. They were Luna the Mistress of Night and Dr. Brain-Strike.

Luna the Mistress of Night: Greetings, Ashley and Penny.

Penny Crygor: How do you know who we are? How are you?

Luna the Mistress of Night: I am Luna, Mistress of the Night and Wielder of the Magic Element.

Dr. Brain-Strike: Identity: Dr. Brain-Strike. Function: Wielder of the Tech Element. Question: Do these young kids belong to you two?

The two kids whore with Luna the Mistress of Night and Dr. Brain-Strike, was a 13-years-old boy who has fair skin, dark red eyes, and short black and white hair. He wears a red and orange sleeved shirt with yellow scarf, black pants, and red boots. And a young 12-years-old girl who has pale skin, blue eyes with glasses with pointed tips, and long curly white hair tied in a high ponytail with a heart-shaped hair clip. She wears a white lab coat, pastel orange shirt with a pink heart on it, pink skirt, white high-knee socks, and black Mary Jane flats. They were Derrick Loud and Pei Loud.

When Ashley (WarioWare) and Penny Crygor saw them, they were stunned.

Ashley (WarioWare): (Stunned) How is that possible?

Dr. Brain-Strike: Me and Mistress of Night found them in Helen, Georgia.

Ashley (WarioWare) and Penny Crygor ran up to Derrick Loud and Pei Loud, they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Me: Thanks, Luna the Mistress of Night and Dr. Brain-Strike.

Dr. Brain-Strike: Anything for a fellow hero.

Luna the Mistress of Night: (to Lincoln) Do you have something to say to them?

Lincoln: Of course. (to Derrick Loud and Pei Loud) There's something you should know, Ashley, Penny, your mothers are one of my many future wives.

Derrick Loud and Pei Loud: Does that mean...you're our father.

Lincoln: (smiled) What else I wouldn't be?

That filled Derrick Loud (Who may be emotionless) and Pei Loud with joy, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Then, Lincoln told everyone what happened, and he then introduced Derrick Loud and Pei Loud to the rest of his siblings, who are now their aunts. We were proud of what Lincoln, Luna the Mistress of Night, and Dr, Brain-Strike did in reuniting Ashley (WarioWare) and Penny Crygor with their kids, and Derrick Loud and Pei Loud now has a loving, strong, brave, and caring father in their life. As well as Luna the Mistress of Night and Dr. Brain-Strike join the Team Loud Phoenix Storm as new members of the Ultimate Elementals Heroes. We went back to sleep

In the Early morning hours at 1:42 AM, I was asleep with my harem in my room and I had an amazing dream. I was over in Bridlewood and I looked around and saw Trixie Lulamoon's cutie mark and I followed it and saw that it lead to Elder Flower's tree and it showed me that she was under the tree.

Me: So Trixie Lulamoon is under Elder Flower's Tree. This is gonna be awesome.

I woke up.

Celica: Are you alright J.D.?

Me: Yeah I am okay. I had a dream and found out where Trixie Lulamoon is. She's under Elder Flower's tree in Bridlewood.

Varie: I was expecting her to be under the Changeling's hive.

Me: Me too.

I went to get a drink.

Me: (Gulping water) Ahh.

I went back to sleep.

In the early morning hours of 3:24 AM, Lincoln had an interesting dream: it took him to Atlantis, and as he was flying, he then saw something appear in the skies: it was the symbol of The Orichalcos, but he soon saw ten figures appear from the symbol, they were ten girls all too familiar to him. Lincoln woke up, but so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln explained everything, and his Guardian Angels gasped.

Selene Arcangela: Oh man! Lincoln, what you just told us, there's no doubt about what you just saw in your dream, it's them: The Doom Riders of The Orichalcos Darkness.

Emily Shunoros: I can't believe it, this is something that we need to tell the others about first thing tomorrow, and we also got to explain the whole thing to everyone.

Lincoln: You're right, Emily.

Dana Orichalcum: They're no doubt going to be pissed if they see Dartz in The M.O.E., you know why they formed 10,000 years ago.

Lincoln: I know, Dana.

Paige: Which is why, we'll explain the whole thing once The Doom Riders arrive tomorrow.

Lincoln: Right, Paige. Tomorrow, everyone's gonna hear it, and no doubt about it, everyone's going to be surprised.

Lincoln went back to sleep with his harem and kids. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, my dream took me to Atlantis from 10,000 years ago, and as I was flying, I saw something appear in the skies: it was the symbol of The Orichalcos, but I soon saw ten figures appear from the symbol, they were ten girls all too familiar to me.

Nico: Wait, really? Who are they?

Lincoln: The Doom Riders of The Orichalcos Darkness, they're a powerful group of the deadliest and most powerful warriors ever that formed over 10,000 years ago and they're also one of the most powerful and deadliest of my Guardian Angels.

WE GASPED!

Me: Wait, what?!

Selene Arcangela: It's all true, guys, and for over 10,000 years, they've defended the world from the horrors of all evil that were unleashed by the evil forces of The Orichalcos, and their main target was the one who'd unleashed the horrors of the evil unleashed by The Orichalcos: Dartz.

Heidi: So, we weren't the only ones who'd been after Dartz.

Lincoln: Nope, they've been after him for 10,000 years, and they all despised him for unleashing the horrors of all evil when he and the evil forces of The Orichalcos plotted to destroy the planet. But, we also got to explain to them that Dartz is now in The M.O.E.

Eli: That's true.

Suddenly, we saw the symbol of The Orichalcos appear and our rainbow energy auras flared up as we suddenly gained a massive power boost, and then, ten tornadoes of pitch black darkness appeared, and as the tornadoes faded, there stood ten girls with pitch black hair, red eyes, pitch black clothes, the symbol of The Orichalcos on their foreheads and the Orichalcos monsters on their black crop tops and skirts, pitch black angel wings, and the leader has a sword made of Orichalcum and The Great Leviathan on her skirt and forehead along with The Symbol of The Orichalcos.

Lincoln: (GASPS) Malorie Kyutora, Gene-Slammer of Orichalcos Kyutora, Giana Gigas, Gene-Slammer of Orichalcos Gigas, Melanie Malevolence, Gene-Slammer of Orichalcos Malevolence, Elena Mirror, Gene-Slammer of Mirror Night Calling, Ellie Mirror, Gene-Slammer of Mirror Knight, Sina Shunoros, Gene-Slammer of Orichalcos Shunoros, Allie Aristeros, Gene-Slammer of Orichalcos Aristeros, Diana Dexia, Gene-Slammer of Orichalcos Dexia, Gloria Geh, Gene-Slammer of Divine Serpent Geh, and Lorelai Leviathan, Gene-Slammer of The Great Leviathan.

Nicholette Torrington: The Doom Riders of The Orichalcos Darkness have returned!

Me: Just as your dream foretold!

Eli: Oh man!

Emily Shunoros: Lincoln's dream foretold that all of you have returned, Lorelai, and we were stunned.

Lorelai Leviathan: It's all true, Emily. We have indeed returned, and we've had to take care of some criminals that were running loose and we killed them and sent them to The Black Gates.

Giana Gigas: But, not before we sucked out all their negative energy and their souls in the process.

Eli: Wait, you what?!

Lincoln: I should also explain, they have all the powers of The Orichalcos Darkness and the powers of The Orichalcos Duel Monsters themselves, and they also have the power to extract and absorb the negative energy out of someone affected by evil to cure them, but for those who are just pure evil, not only do they extract and absorb their negative energy, but they also suck out their souls as well and send them to The Black Gates. But, ever since they found out about Anti-Monitor, they resorted to using that power on thugs and criminals without powers.

Lorelai Leviathan: That's right. But, despite that The Black Gates have been repaired, they're still compromised.

Lincoln: Yep, so we only use them on powerless thugs and criminals.

Me: Yep. So, are you guys going to introduce us?

Selene Emperyous: Oh right, we got to do just that.

WE GASPED!

Eli: Unreal! And I can't believe it, so you also mastered the powers of The Orichalcos Darkness and The Orichalcos Duel Monsters?!

Lincoln: That's right. Watch, I'll show you.

We then saw a group of criminals trying to murder and rape a group of girls, and Lincoln fired a blast of darkness that hit the criminals and he began sucking out and absorbing their negative energy, and his already flared up rainbow energy aura with elemental forces and mythological animals had flared up even more extremely as he gained an extremely astronomically huge and massive power boost, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, he also sucked out their souls, and because they were pure evil, he had them sent to The Black Gates. We saw it all happen.

Me: Incredible!

Nico: You sucked out all of their negative energy and their souls all at once? Man, that's really deadly!

Lincoln: Yep, they taught me everything they know.

Lincoln made nine clones of himself, and while he pinned Lorelai Leviathan to the floor, his clones also pinned the other nine to the floor, and they kissed them on the lips and marked them by biting them on the right trapezius and fed on their blood, and his already flared up rainbow energy aura with elemental forces and mythological animals had flared up even more extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln and his clones slowly unlatched their fangs from their right trapezius and the marks sealed up and Lincoln and his clones kissed the spot where they bit them and helped them up, and they also had ten Elemental Thunderbird Necklace of Eternal Love with green gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and ten white and gold accented Elemental Thunderbird Choker of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Then, he and the clones helped them up and the clones vanished.

Lorelai Leviathan: Well, that was definitely one way of saying it's good to see you again. (Rubs Lincoln's massive pecs) And we had no idea you had such an animalistic romantic side to you, Lincoln, and in addition to how much you've grown, from the 11-year-old little boy we've known into an 18-year-old giant 9'10" hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man, and you're still the same gentleman we all know, but of course, having an animalistic romantic side to you, that also really came as a huge surprise.

Lincoln had a blush on his face.

Lincoln: Sorry about that.

Nico and I snickered.

Me and Nico: Lincoln, you sly wolf.

Lincoln: (Blush on his face) Guys. Anyways, let's finish up and head on out.

We finished up breakfast, and we headed out for Nico's rescue.

Musa woke up to see Meloetta staring at her.

Meloetta: Morning Musa! It's time for breakfast.

Musa: Oh boy!

She went and got dressed and went to the table. We were having whopper pancakes and waffles.

Qin: This is gonna be awesome.

Lola: It sure is!

Xenia: I can't wait to kick some butt!

Lola: Yeah!

Me: Me too!

Nico: Sam, I want to thank you, Universe 666 Omega, and your teams for coming

Sam the Omega Ranger: No problem Nico. This will be fun.

Commander Cruger: It sure will be fun.

Nico: Commander, are you proud of the B Squad?

Commander Cruger: I sure am. I just wish A-Squad can be here too to see them.

Camie: Yeah that is true.

Me: A Squad got poisoned with evil. If we face Grumm in the future I'm going to kill him for sure.

Camie: YEAH!

Xenia: That monster.

Nico: In a rescue maybe. I have a feeling the A Squad will be faced on Jack's big day

Me: That will be fun.

Nico: Yep.

Lola: It sure will.

Camie: Yep.

Commander Cruger: I know they can be saved.

Me: Yeah. Wow! Yesterday was awesome

Sougo: It sure was! WOW! Maxxine's new transformation was amazing!

Geiz: I hope we can see the remaining powers she has

Me: I'm sure she will show us many more of them.

Qin: Yep.

Me: Now we've seen the last of the Zi-O Riders major enemies.

Camie: We sure did.

Varie: Swartz and the Quartzer are all forgotten memories.

Woz: And so ends my ties with that group.

Me: Good fucking riddance.

Qin: That is for sure.

Woz: REJOICE! The Quartzer and Swartz have been destroyed and are now no longer a threat!

Me: AMEN!

Qin: YEAH!

Woz: (sighs) Apologies if that's short. It's not every day I get to do that now

Me: No worries Woz. But it is always fun hearing you do that.

Camie: Yeah.

Qin: It's fun.

Ace Ukiyo: Feels like something done from the Medieval times.

Me: I said the exact same thing Ace. Woz is like a Squire from those times and that is awesome.

Camie: That is awesome.

Nico: Anyone from Sunny's world today?

Me: Actually yes I saw her in a dream. Trixie Lulamoon is underneath Elder Flower's Tree in Bridlewood.

Izzy Moonbow: (GASP) We have Trixie Lulamoon underneath Elder

Flower's tree!? YAY!

Starlight Glimmer: That is amazing that she is there!

Trixie Lulamoon: The me from Sunny's world is under there? Wow! That is cool!

Lola: It sure is!

Sunny Starscout: Yeah!

Me: We'll have to go there in 3 days. First we got to find Princess Celestia and Luna in the ruins of the Castle of the Two Sisters.

Nico: But that's nowhere nearby

Me: No we're in Japan. They are back in America.

Nico: Oh sorry.

Qin: Lets focus on the rescue.

Nico: Okay then.

But then we SAW A BUNCH OF PEOPLE RUNNING AND SCREAMING IN EXTREME PAIN WITH JETS OF FIRE EXPLODING OUT OF THEIR MOUTHS!

Nico: The fuck?!

Me: LOOKS LIKE THEY HAD SPICE OVERLOAD!

Maria fired waves of water and HUGE CLOUDS OF STEAM CAME OUT OF THEIR MOUTHS AND THEY WERE IN PAIN!

Me: WHOA! Holy crap that is intense spice.

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here in Japan, but here's where things are going to get really hot: it appears Kushina's hypothetical Akuma has been sighted here.

Me: A hypothetical Akuma of Kushina? Whoa! Who is she?

Lincoln: Her name is Angel Inferno Ramen, the Hypothetical Akuma of Kushina Uzumaki and she is a powerful angel of fire and super nuclear spicy inferno ramen. She can make ramen that is so spicy that it can kill anyone 100,000,000 times. Those with weaker tolerance to spicy food will burst into intense flames and burn to death. She was made because of Obito ripping the 9-Tails out of her and also all the atrocities committed to Naruto and she vowed to kill all those responsible for hurting him and make them feel her spicy wrath.

Lincoln got out his sketchbook and we saw what she looks like: a fiery angel with long flowing red hair and fiery angel wings and had the Kanji for Inferno Spicy Ramen in the middle of her forehead.

Me: Oh man!

Nico: And she can make ramen that is so spicy that it can kill anyone 100,000,000 times?! Damn!

Me: WOW! That sounds like my kind of ramen.

Lincoln: Yep. Those with weaker tolerance to spicy food will burst into intense flames and burn to death. This is something J.D., myself, Naruto, and the rest of the spice demons can handle.

Me: You got that right. But, I can't believe she was created thanks to what Obito did and all of those atrocities committed against Naruto.

Naruto: This just proved that Obito was a monster and the corrupted council members of The Leaf were too corrupt and blind by fear.

Eli: Those morons!

Lincoln: Either way, we need to take Angel Inferno Ramen down and send her to The M.O.E., but we'll also taste her super nuclear spicy inferno ramen.

Me: I'm always ready for some nuclear spicy food!

Suddenly, Lincoln had a premonition, and it's not good: it appears Alduin The World Eater, The First Dragon, and The Twilight God, the main antagonist of The Elder Scrolls V: Skyrim, is coming here to destroy us.

Lincoln: Oh no.

Me: What is it, Lincoln? Did Morgana...?

Lincoln: No, Morgana didn't resurrect anyone, but we've got big trouble, it appears Alduin The World Eater, The First Dragon, and The Twilight God, the main antagonist of The Elder Scrolls V: Skyrim, is coming here to destroy us.

Me: WHAT THE?!

Nico: SAY WHAT?!

Nico's skeleton came out!

Qin: Oh, that is not good!

Nico put his skeleton back.

Nico: I hate when that happens. Lincoln, you need to absorb him and send him to The Black Abyss.

Lincoln: That's what I'm going to do.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could.

Lori: So, we're literally facing Kushina's hypothetical Akuma, this is going to be one fiery battle.

Lincoln: Yep, but we're more than ready to handle the heat.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body

muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Angel Inferno Ramen) AHA! There you are. I just spotted Angel Inferno Ramen, she's 20 yards away, but we got to watch it, since she's Kushina's Akuma, she'll definitely be prepared. (Sensed for Alduin) And I just spotted Alduin heading for us.

Nico: Alright, let's get going.

Ilana heard a Pokemon Cry.

Ilana: Look here guys.

We saw a Reuniclus!

Me: Cool a Reuniclus!

Reuniclus: I am so hungry.

We gave it apples.

Reuniclus: Ahh thank you.

Ilana: You're welcome. You want to come with us?

Reuniclus: I would be honored.

Ilana: Great!

But then we heard a roar and looked up and saw DIALGA!

Me: WHOA! Dialga!

Nico: Where'd that come from!

Lincoln: I think this one is someone Derpy knows!

Derpy Hooves: Really?

Lincoln: Let me see.

He used his telepathy and saw that it was someone Derpy knows!

Lincoln: WHOA! It's Derpy's sister Bubbles Fartsy Hooves!

Derpy Hooves: Oh man! She's called Fartsy because she farts a lot.

Nico: Oh boy!

Me: Lets go help her!

Lincoln had Derpy hold his hand and we flew up to her.

Derpy Hooves: Bubbles! It's me Derpy!

Lincoln: Calm down and lets talk.

All she did was use Roar of Time!

She fired a blast of blue energy and we dodged it and it hit a building and completely disintegrated it into dust!

Me: WHOA! That Roar of Time is immensely powerful!

Lincoln: No shit!

Me: Lets settle this!

Me and Lincoln fired blasts of lightning and blasted her all over.

Lincoln guided and helped Derpy blast Dialga.

Nico: A little more! But why is Derpy being helped like that?

Varie: She has an eye condition remember?

Nico: Oh yeah.

Me and Lincoln and Derpy fired waves of lightning and blasted her.

Me: Now for this! (SNAPS FINGERS)

She reverted back and was a girl with blond hair and yellow eyes and had blue angel wings and had Dialga in the middle of her forehead and had a blue version of Derpy's cutie mark on her arm.

Me and Lincoln wrapped her in a blanket.

We sat her on a bench.

I snapped my fingers and fixed the building.

Me: There.

She woke up.

Bubbles Fartsy Hooves: (Groans)

LOUD LONG NASTY FART!

Me: Whoa.

Derpy Hooves: Funny.

Bubbles Fartsy Hooves: (Groans)

She saw Derpy.

Bubbles Fartsy Hooves: Derpy? (Gasp) Derpy!

LOUD LONG NASTY FART!

She hugged her.

LOUD LONG NASTY FART!

Me: You were turned into Dialga because of Dark Gale.

Bubbles Fartsy Hooves: (GASP) I remember!

LOUD LONG NASTY FART!

* * *

She was in a blue suit and was injected! She farted and then turned into Dialga and blasted some of the members and killed them and blasted out of there.

FLASHBACK ENDS!

Bubbles Fartsy Hooves: It was awful!

LOUD LONG NASTY FART!

Sonya: Bubbles has been the gassiest member out of the group and she has a nasty fart condition.

Omaima Lexington: Welcome to my world.

LOUD FART!

Me: OH GOOD GOD!

Omaima Lexington: Sorry.

Nico: What's your role in Sonya's team?

Bubbles Fartsy Hooves: I'm the Chronomancer of the team. I can blast my enemies with time rays and age them to be over 140 years old and make them easy to take down.

Me: Wow!

LOUD LONG NASTY FART!

Bubbles Fartsy Hooves: But outside the team I do everything I can to help my sister because of her condition.

Derpy Hooves: She sure does and it's amazing.

Lincoln: Well I was helping her to avoid crashing into stuff. I help her by making sure she doesn't bump into things too.

Bubbles Fartsy Hooves: I appreciate that Lincoln. You have my thanks for that.

LOUD LONG NASTY FART!

Nico: We need to do something about that!

Me: Nico she has Calabash Syndrome. Nothing we can do about it.

Nico: Oh right.

Bubbles Fartsy Hooves: How did you know I have that?

Me: You aren't the only one that knows that disease.

Omaima Lexington: I have it too. I was born with 2 stomachs and I have uncontrollable farts. (LOUD FART) Excuse me.

Bubbles Fartsy Hooves: I see.

LOUD LONG NASTY FART!

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her awesome blue clothes and she had a green crystal sword.

Bubbles Fartsy Hooves: Wow! I look great!

LOUD LONG NASTY FART!

Nico: You sure do!

LOUD LONG NASTY FART!

Bubbles Fartsy Hooves: Sorry!

Me: I think it's funny.

WE LAUGHED!

Maxxine: Time to test out more of my form's powers

Me: Lets get a move on then.

We took off into the air and we set out to take down Angel Inferno Ramen and send her to The M.O.E. and send Alduin to The Black Abyss for his crimes.

We were flying in the air, and we spotted our target: Angel Inferno Ramen, the hypothetical Akuma of Kushina, and she's firing balls of fire at some thugs.

Lincoln: There she is, and she's blasting some thugs.

James Blunt: Those thugs are some of Drake Maxwell's hitmen from the past, it seems the word of his final demise has drawn them out of hiding and they're out for revenge.

Lincoln: Well, we'll see about that.

Lincoln fired waves of superhot fire from his massive white angel wings and four sets of large white angel wings underneath his massive white angel wings and they Drake Maxwell's hitmen from the past and they were completely incinerated into nothing but ashes, and the waves of fire also hit Angel Inferno Ramen, and we landed.

Lincoln: Kushina, you still remember us, right?

Naruto: Mom, do you still...?

Suddenly, Angel Inferno Ramen ran up to Naruto and hugged him, and he hugged her back.

Angel Inferno Ramen: Of course, I still do, Naruto, along with all of you.

Sakura: The love of her own son, Naruto, is still as strong, along with her memory of all of us.

Angel Inferno Ramen: And before we fight, here's a little something for you.

Angel Inferno Ramen made her super nuclear spicy inferno ramen that's so spicy that it can kill anyone 100,000,000 times, and those with weaker tolerance to spicy food will burst into intense flames and burn to death, and gave it to me, Naruto, Boruto, Lincoln, and all of the spice demons. It was a neon red bowl of ramen made of intense nuclear hot spice.

Me: WHOA! The spice meter on the ramen is off the charts!

Lincoln: You said a mouthful. Alright, let's eat.

We ate the super nuclear spicy inferno ramen, AND THEN...!

KRABOOM!

WE WERE SUDDENLY ENTOMBED IN MASSIVE SUPER MEGA HOT VORTEXES OF SUPER MEGA HOT RAINBOW FIRE AND WE GAINED AN ASTRONOMICAL POWER BOOST! WHEN THE VORTEXES FADE, WE EMERGED EVEN STRONGER THAN EVER, AND THE SPICY PEPPER TATTOOS OF ME, LINCOLN, AND NICO WERE LEAKING OUT NEON RED SPICY BLOOD!

Me: WHOO! MAN, THAT IS SOME NUCLEAR SPICY INFERNO RAMEN!

Boruto: WOW! That is so delicious!

I BELCHED OUT A MASSIVE STREAM OF RAINBOW FIRE THAT WENT UP INTO THE SKY AND TURNED INTO A PHOENIX THAT LET OUT A MASSIVE CRY!

Lincoln: You said it, that was so good.

SUDDENLY, LINCOLN BELCHES OUT NINE MASSIVE STREAMS OF RAINBOW FIRE THAT TURNED INTO THE TAILED BEASTS AND THEY HIT SOME NEARBY THUGS AND THEY GOT BURNED BAD!

Lynn: WHOA! Man, that's some serious heat!

Eli: And Lincoln's not kidding of what he said, if anyone with weaker tolerance to spicy food eats this stuff, they will burst into intense flames and burn to death and it's so spicy that it can kill anyone 100,000,000 times. Yikes!

Lincoln: That's why I built a very strong tolerance to it, and thanks to Gina Angellus giving me The El Paso Diablo Pepper of Fury to eat years ago, it gave me a massive and powerful immunity to peppers of all types and any hot pepper I eat will give me a tremendous power and energy boost and it also increases my body heat and temperature.

Me: Yeah!

Angel Inferno Ramen: Glad you all like it ya know.

Me: Yeah we sure do!

Nico: Wow! That is awesome.

Me: Sorry we have to fight like this Kushina.

Angel Inferno Ramen: It's okay.

Kushina: I will say this ya know. I look awesome as an Akuma like this.

Me: I was about to say the same thing. But you know what else? (GOES SUPER ANGEL) I've been wanting to have a sparing session with you for 150,000 years Kushina.

Angel Inferno Ramen: Lets get it on then.

Maxxine: Henshin!

SHE TRANSFORMED INTO KAMEN RIDER OMICRON CELESTIAL!

Maxxine: 53 YEARS OF RIDERS AT MY FINGERTIPS! KAMEN RIDER OMICRON CELESTIAL!

Me: Ooh! Awesome Roll Call!

Reuniclus charged at her. And blasted her all over.

Maxxine: Lets see you face this!

She tapped the Build Figure!

The Symbols of the Build Riders and the Fullbottles appeared and she blasted Angel Inferno Ramen all over the place with the powers of the Build Riders and the Fullbottles!

Me: WHOA! That was cool!

Xenia: WOW!

Sento: Wow! That was an awesome experiment!

Robin got out his Gaia Memory.

Robin: What the Hidden Leaf did to your son was unforgivable.

Me: I agree Kushina! That's why I became Naruto's brother, to make sure those douchebags don't touch him. Also I wanted to be there for him and train him and make him a great ninja and all that. It's something that you and Minato would have wanted.

Angel Inferno Ramen: And I will always be forever grateful for that J.D.

Me: I'm glad for that.

ROBIN! NARUTO!

Robin and Naruto: LEADER NINE RASENGANS!

They fired Rasengans and blasted her all over the place.

Maxxine: Lets see what this does.

She tapped the Ex-Aid figure.

2017

The symbols of the Ex-Aid Riders and the Gashats appeared and she fired waves of energy and elements and blasted Angel Inferno Ramen all over.

Me: WHOA!

Nicole: WOW! That is an awesome Video Game worthy power!

Emu: It sure is! We won that without using continues!

Me: But Naruto's life in the Leaf wasn't ALL THAT bad. Naruto has TONS of amazing friends and they have become an amazing and great help to him and me. We formed The Knights of The New Fire and did all kinds of things and accomplishments that even the great ninjas of the past would be proud of.

Angel Inferno Ramen: That is amazing! I'm so proud of Naruto and you J.D.

Me: I don't let it go to my head.

Naruto: Yeah. Also mom I have lots of amazing future wives. Sakura, Ino, Hinata, Fu, Tenten, many girls. Want to see a picture of them?

Angel Inferno Ramen: Sure.

He showed a picture of them and MAN WAS IT A LOT!

Angel Inferno Ramen: Wow! Even Anko, Yugao, Rin and many ninjas I know. I'm so proud of you son.

Naruto: Thanks mom.

Me: It's so awesome for Naruto. I am really proud of him.

Robin: We all are. Also here is this!

ROBIN! MELANIE UZUMAKI!

Robin and Melanie: UZUMAKI FURY BLAST!

They fired waves of energy and blasted her all over.

Melanie Uzumaki: And the Uzumaki village has been brought back thanks to Naruto and J.D. We found many more of our clan members and brought them to the Leaf.

Honoka: She's right on that.

Tayuya: It's fucking great to be back.

Karin: It sure is.

Me: Yep. And you don't have to worry about Danzo and his cronies anymore. Danzo is now in prison for eternity and Homura and Koharu are dead.

Nico: It's true.

Angel Inferno Ramen: I'm glad. Those monsters corrupted the Hidden Leaf for far too long.

Me: Yes they did.

Cyborg got out his Gaia Memory

Cyborg: Naruto and his friends have all come a long way in such a short amount of time. Just earlier we killed Orochimaru.

Angel Inferno Ramen: Good! I'm glad that monster is gone forever.

Me: So is the entire world. His experimentations have been like a cancer to the world. But some of them have been proven good for the village.

Angel Inferno Ramen: I'm glad we've seen the last of him.

Me: Me too.

CYBORG! AMY AME!

Cyborg and Amy: RAIN CYBER BLAST!

They fired waves of energy and blasted her all over.

Maxxine: Lets see what this can do.

She tapped the Gaim figure.

2014

The symbols and fruits of the Gaim Riders appeared and they fired waves of energy and blasts and blasted Angel Inferno Ramen all over the place.

Kouta: WOW! That was awesome! It was her stage now!

Me: Yes it was!

Lillian: That was awesome!

Me: It sure was.

Beast Boy got out his Gaia Memory

Beast Boy: But the shocking part was what we found out that Obito was going to do with the powers of the Tailed Beasts.

Me: It was part of a plan that was going to ultimately destroy the entire planet.

Angel Inferno Ramen: WHAT!? What was he going to do?

Me: Well it isn't good.

I went over what it was and she was horrified!

Angel Inferno Ramen: Oh man! That is awful!

Me: It was. But thankfully we stopped their plan from ever being brought into fruition. But I had to do a VERY Reprehensible deed to make sure. I had to destroy the moon to make sure it never happens.

Angel Inferno Ramen: Oh man! That is crazy! But at least it worked.

Me: Only temporarily though.

Nico: Yeah.

BEAST BOY! YAMIKO ARASHI YAMI!

Beast Boy and Yamiko: DARK BEAST BLAST!

They fired waves of energy and darkness and blasted her all over.

Maxxine: YEAH! How about this too?

She tapped the figure for Kamen Rider Wizard!

2013

The symbols of the Wizard Riders appeared and she fired waves of fire, water, lightning, earth, magic and wind and blasted her all over.

Me: YEAH!

Haruto: WOW! It's Showtime!

Elyon: Yes it is!

Starfire got out her Gaia Memory.

Starfire: Boy all this is glorious.

Me: It sure is.

Angel Inferno Ramen: What were some of the missions you all went on?

Me: Well we went to the Land of Waves and killed Gato and his entire business and saved the land from his tyranny and freed his slaves.

Nico: And they also ended the Bloodline Holocaust and saved Pakura and freed Yagura from Obito's Genjutsu.

Me: We found out that the Bloodline Holocaust was because of Obito. He put Yagura under a genjutsu that made everyone think he was a tyrant and he killed countless people.

Angel Inferno Ramen: That is crazy! So all that was done against his will?

Me: Exactly.

Starfire: Wow!

STARFIRE! LORI YAMI KAGE!

Starfire and Lori: DARKNESS TAMARAN BLAST!

They fired waves of energy and darkness and blasted her.

Me: YEAH!

Maxxine: Now lets see what this can do.

She tapped the figure of Kamen Rider Drive!

2015

The Symbols of Kamen Rider Drive appeared and they fired waves of energy cars and blasted her all over the place!

Me: WOW!

Onewa: That was so awesome!

Shinnosuke: That was one way to go for a drive!

Me: YEAH!

Qin: That was cool!

Me: Yep. Then we had the Chunin Exams and dominated the competition.

Nico: Yeah it sure was fun.

Me: Yep.

Angel Inferno Ramen: Awesome! And I heard about how you all did.

Me: Yep. The Knights of the New Fire made Elite Chunin and Special Jonin too. Then came the Hidden Waterfall Escort mission. We had to escort Shibuki to the Waterfall and defend the Hero's Water.

Fu: That was where the Knights of the New Fire met me and they got me out of my village.

Me: Fu was REALLY fed up with the way her village was treating her like dirt and we devised a plan to get her out of there and into the protection of the Leaf and the Uzumaki Clan. We had her put in a scroll and then teleported out of there just as the Waterfall ANBU were closing in.

Nico: Wow that was clever.

Me: Yep.

Angel Inferno Ramen: I can tell. Good work.

Fu: It's true.

Me: Then came the mission where we saved Sakura's real mom. You heard of Rose Haruno?

Angel Inferno Ramen: How can I forget! She was one insane nutcase.

Sakura Haruno: That is for sure and she was born with tons of screws loose.

Me: Yes she was. We broke into the Hidden Grass Asylum from underneath and rescued Mebuki and got Rose exposed and sent back to the nuthouse.

Angel Inferno Ramen: Good! I'm glad you saved Mebuki.

Me: We are too.

Raven got out her Gaia Memory.

Raven: So far all these adventures have been fun.

RAVEN! SERENA TAIYOU RINKA!

Raven and Serena: DARK ECLIPSE BLAST!

They fired waves of darkness and sunlight and blasted her all over.

Maxxine: Now lets see what this can do.

She tapped the Fourze Figure.

The Symbols of Fourze appeared and she fired waves of stars and planets and elements and blasted Angel Inferno Ramen all over!

Gentaro: WOW! That was awesome!

Whenua: Oh yeah it was! That was cool!

Tara got out her Gaia Memory.

Tara: Then came the task of getting Lady Tsunade to come back to be the 5th Hokage.

Me: Along the way we met Itachi and told him about what was going on and also how Sasuke was an evil monster.

Sasuke: It's true. We've encountered many evil versions of me that were absolutely horrible.

Me: YEAH! And they all want nothing more than to kill me.

Sasuke: They always call J.D a motherfucking cur.

Me: Yep. But I have an amazing rant to show how much I dislike them.

Angel Inferno Ramen: What is the rant?

Me: It's my Anti-Uchiha Speech. Here goes. Hmm. Yes and a "Motherfucking Cur" was the only kind of person you can handle. I remember that your father said that very same thing to me in 150,000 years just as I was killing the Uchiha for their crimes and snuffing out the very darkness that they used to destroy so many lives. When he made his speech about how you were going to kill all of the Leaf in the name of Madara Uchiha all they did was seal their fate. Your Father poisoned his own son with his own hatred and turned you into a miniature version of him and he poisoned your mind with so much of his hatred over everything that you became a totally lost cause. He made you into a homicidal and completely mentally unstable psychopath and you did not show any value towards friendship or comradery. You wanted everything handed to you on a silver platter just like your wretched father and all your clan did. You cheated in everything, Even though Ninjas cheat, education is the one thing that we NEVER cheat at. Isn't that right and they say that your father was leading the Uchiha to greatness. But it turns out you're just another lost soul of the run-of-the-mill ninja. And you know it. You're not even in the same league in the kind of power that I possess. I can destroy the entire universe in the mere blink of a cosmic eye. In fact, next to my kind of power and the power that you have, you are nothing compared to me and you and your clan were nothing but a bunch of pathetic ants compared to it. The way you covet all that power, the way your clan did all the deeds in the name of the devil known as Madara Uchiha, a monster and a planet destroyer. It's downright fucking disgusting. As the most powerful fighter and warrior and champion in the universe, all I see when I look at you is a fucked up miserable fuckweed and a heartless motherfucking psychotic wretch. And on top of that I fucking hate your style above all others you ruthless fuckkicker! What is it that you are hoping to accomplish? Stealing all the jutsu in the world just to expand your jutsu arsenal and repertoire, committing crimes all over the planet just to satisfy the devil Madara Uchiha, murdering innocent people, stealing jutsu, pursuing petty and worthless desires like revenge and above all betraying the very village your clan founded. You Uchiha Motherfuckers don't give a flying fuck about anyone but your pathetic goddamned motherfucking selves and that is why I killed them all including your father. The Uchiha are heartless monsters that murder, lie, steal, betray and are completely powerhungry just like you and that's why I killed them all. YOU ALL FUCKING DISGUST ME!

They cheered for me.

Nico: That is always fun.

Angel Inferno Ramen: That is an impressive rant! And that is definitely Fugaku all right. Fugaku ALWAYS hated my guts because I was always better than he was.

Me: (LAUGHS) Deja Vu. Same with Naruto and me.

Tara: That is true.

TARA! KARI CLOUD KUMO!

Tara and Kari: CLOUD FIRE BLAST!

They fired waves of fire and lightning and blasted her all over.

Maxxine: Now for this one.

She tapped the Kamen Rider OOO figure.

The Symbols of Kamen Rider OOO appeared and fired waves of energy and elements and blasted Angel Inferno Ramen all over.

Me: YEAH!

Eiji: WOW! That was so awesome!

Will Vandom: Yeah it was!

Albedo: I unfortunately was teammates with one of them…

Me: It's true. Have you ever heard of the Team Buktu Fraud Ring?

Angel Inferno Ramen: Actually yes I have and that was awful!

Lincoln: It sure was.

Me: Yep.

Nico: Ace, it's a long story and we'll tell you about that in the future

Ace Ukiyo: I have a feeling you guys went through a nightmare because of that. But it'll be interesting to hear about it.

Me: Yep.

Camie: Yeah.

Angel Inferno Ramen: Wow. That is rough.

Me: Yeah it left a NASTY scar on Lincoln.

Lincoln: It's true. But we'll tell you later.

Kole got out her Gaia Memory.

Kole: Lots of missions happened over in 150,000 years.

Me: It's true. To name some of them we went to the Land of Rice Fields, Hidden Star, Land of the Sea, Takumi Village, Stone of Gelel Battle, Land of Snow, Land of the Moon and many more.

Camie: Wow!

Angel Inferno Ramen: WOW! You guys have been busy.

Me: Yep. After everything that happened to us in that time, I used the Dragonballs to merge the worlds of 150,000 years and this world together. And brought us together as one.

Nico: WOW! That was a huge risk.

Me: It was.

KOLE! TATSUMAKI KAZE!

Kole and Tatsumaki: TORNADO OF CRYSTAL BLAST!

They fired waves of wind and crystal and blasted her all over.

Maxxine: Lets see here.

She tapped the Decade Figure.

The symbols of the Decade Riders appeared and she blasted her all over with the powers of the riders from 2000 to 2010 and blasted her all over.

Me: YEAH! Oh Touma you're going to like this! I made this for you last night.

Me: Boy Storious is gonna screwed up the fucking ass when he sees this!

Megan: Boy I was gonna say the same thing!

Tommy Himi got out his Gaia Memory

Tommy Himi: Lets unleash ice!

Vonya Yondo Kazan: And the Volcano!

TOMMY HIMI! VONYA YONDO KAZAN!

Tommy and Vonya: VOLCANO AND ICE BLAST!

Me: YEAH!

Touma: Lets see what it can do! BRAVE DRAGON!

The book of Brave Dragon glowed and He unleashed a massive blast of fire and it formed into a dragon enhanced 100 fold and blasted her all over!

Me: The powers of the books are enhanced times 100 in this form.

Touma: WOW! This is gonna be awesome!

Me: It sure is!

Megan: Wow! This is awesome!

Lola: It sure is!

Me: Plenty more where that came from.

Nico: You have so much free time on your hands J.D.

Me: Thanks.

I fired waves of darkness and it formed into Blood and Honey Pooh, Piglet, Lumpy, Kanga, Roo, Tigger, Rabbit, Owl and Eeyore and they slashed and mangled Angel Inferno Ramen all over!

Nico: Who is the elephant?

Me: Oh that's Lumpy. He was introduced into the Winnie the Pooh universe a while back.

Nico: OOH!

Pooh: He is a good friend. I used to be afraid of him because I was told that Heffalump's steal honey.

Poliwag: Interesting.

Me: I don't think Elephants eat honey. But we never met him before I don't think.

Sora: No you haven't.

Qin: Maybe someday we will.

They're black, they're brown, they're up, they're down

They're in, they're out, they're all about

They're far, they're near, they're gone, they're here

They're quick and slick, they're insincere

Beware, Beware, Be a very wary bear

A Heffalump or Woozle, is very confusel

A Heffalump or Woosel's very sly

- sly - sly - sly

They come in ones and twoosels

But if they so choosels

Before your eyes you'll see them multiply

- ply - ply - ply

They're extra-ordinary, so better be wary

Because they come in every shape and size

- size - size - size

If honey's what you covet, you'll find that, they love it

Because they'll guzzle up the thing you prize

They're green they're blue they're pink they're white

They're round they're square they're a terrible sight

They tie themselves in horrible knots

They come in stripes or polka-dots

Beware, Beware, Be a very wary bear.

* * *

Just like what happened in Pooh's Dream but scarier and they fired waves of energy and blasted her all over.

Sora: I never saw that before!

Me: Pooh had a dream about Heffalumps and Woozles going after his honey and his fear stemmed from that. You know how much he loves honey.

Sora: That is true. But that is crazy!

Me: Yeah it sure was.

Lincoln: Yeah. (Sensed a massive energy signal) And Alduin, I know you're here.

We then saw a massive menacing winged dragon appear in the skies, it was Alduin, The World Eater, The First Dragon, and The Twilight God and the main antagonist of The Elder Scrolls V: Skyrim.

Alduin: Now, I shall destroy all of you, Team Loud Phoenix Storm, and this entire world will belong to the Dragons!

Then, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers, and he stabbed them into Alduin's chest and he began absorbing him, and he and all of us assimilated Alduin's Magic, Great strength, Great mobility, Sharp teeth and claws, Fire breath, Ability to bring others back from the dead, Flight, Excellent fluency in Dovahzul, Ability to travel to and from Sovngarde at will, Control over a massive self-created fog made of souls, and ability to devour and absorb souls, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, when Lincoln was done and the stingers changed back, nothing was left of Alduin, and he also drained Alduin's soul of all his energy and he sent him to The Black Abyss forever.

Lincoln: Good riddance.

Suddenly, we saw Lincoln's already flared up rainbow white, and blue energy aura flare up even more extremely, and it suddenly sped up the sucking out of my evil dream self's strength, muscle, virility, testosterone, and power, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he grew even more stronger.

Then, we saw that when it was done and the suckers detach themselves from his pecs, arms, legs, traps, back, and crotch, my evil dream self was now a withered and drained corpse, and Lincoln drained his soul dry of energy and banished him to The Black Abyss.

Lincoln: Now, he's gone for good, and I'm now even more stronger than ever!

Suddenly, Lincoln sensed an incoming thug, and he charged out with incredible superhuman speed and punched him so hard with incredibly massive superhuman strength, he exploded into a gory mess!

Girl Jordan: WHOA!

Anna Anyanova: Incredible!

Lincoln: Incredible is right, I destroyed that thug with just one punch.

Me and Nico: (Thinking) Just how strong are you really, Lincoln? Or how much stronger are you entirely?

Allie Maxwell fired silver bullets, but Angel Inferno Ramen fired waves of fire that melted the bullets into melted silver.

Alani Kilauea: Yikes! Okay, guys, you've had your fun. Now, it's my turn.

Suddenly, Alani Kilauea's orange eyes turned neon orange and she was surrounded by an orange and black, white, and blue energy aura with stars, aura energy, white and blue heavenly flames, fire, flames, lava, volcanoes, phoenixes, and angels, she unholstered her fire sword, and as she approached Angel Inferno Ramen, she left orange and black, white, and blue energy, stars, aura energy, white and blue heavenly flames, fire, flames, lava, volcanoes, phoenixes, and angels with every step.

Alani Kilauea: This is indeed my first time going up against a hypothetical Akuma of someone J.D. knows, but still, that doesn't mean I'm going to hold back, so brace yourself.

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF ALANI KILAUEA WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSIONS WERE SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JES OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE ANGEL, RAINBOW FIRE DRAGON, AND RAINOW FIRE VERSION OF PELE AND KAMEN RIDER FALCHION, AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW FIRE PHOENIX, RAINBOW FIRE ANGEL, RAINBOW FIRE DRAGON, AND RAINOW FIRE VERSION OF PELE AND KAMEN RIDER FALCHION WENT BACK TO EARTH AND ALANI KILAUEA GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, Alani Kilauea was surrounded by a massive vortex of orange and black, white, and blue energy, stars, aura energy, white and blue heavenly flames, fire, flames, and lava surrounding the vortex along with four erupting volcanoes with hula girls dancing as they came out of the volcanoes, there are phoenixes and angels flying around the vortex, and in the vortex is a black phoenix with blood red eyes glaring at Angel Inferno Ramen: the blood red eyes of eternal judgement, and we saw heavenly lights shining on the vortex.

Lincoln, Alani Kilauea, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I and all of us went after Angel Inferno Ramen, and we fired extremely powerful blasts of rainbow, white, and blue energy, orange and black, white, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Sylphs, Animals, and Mythological Animals at Angel Inferno Ramen and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Alani Kilauea did the same by firing orange and black, white, and blue energy slashes from her gold plated claws and massive greatsword, and Lincoln, Alani Kilauea, Crash Bandicoot, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Archibald Snatcher, and we found ourselves in Heaven.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Angel Inferno Ramen's stomach and a cluster of rainbow, white and blue heavenly flames exploded out behind her, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Everyone cheered as we holstered our weapons and we powered down, and Alani Kilauea's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, 28th Century backpack, large gold halo with four large orbiting gold rings on each corner behind her head, large twenty orange and black planets orbiting around her legs and twenty smaller orange and black planets orbiting around her waist, smaller planets orbiting around her fingers like rings, medium sized orange and black planets orbiting around her wrists and ankles, and massive orange angel wings and four sets of large orange angel wings underneath her massive orange angel wings are permanent.

Me: Now, that was one nuclear spicy battle.

Lynn belched out a massive stream of rainbow fire that hit Sebastian and he screamed and Luna fired water that put out the fire.

Lynn: Whoops, my bad.

Lori: Lynn, you literally shouldn't have done that.

Sebastian Mendez: YOU...LITTLE...!

Lincoln: Sebastian, you drop that fish right now, mister!

But, Sebastian didn't comply and was about to hit Lynn again with it, but Lincoln slashed the fish into sushi with his massive greatsword, and then...!

POW!

LINCOLN BASHED SEBASTIAN IN THE HEAD WITH HIS LEFT FIST AND A HUGE LUMP FORMED ON HIS HEAD!

Eli: Nice shot.

Lana: I'll get the ice for Lynn and Sebastian.

Lincoln: No, Lana, get the ice for Lynn, but as for Sebastian, let that be a reminder that if he ever does anything like that to my family, he's not getting away it.

Qin: That's true. He'd gotten away with many of his vile misdeeds nine years ago when he went mad, but now, karma has come full circle for him.

Trudy Lawrence: Idiot!

Selene Arcangela: Asshole!

Lincoln: Chowderhead!

Nicholette Torrington: Moron!

Me: Damn, those are some good names!

Nico: We called him far worse.

Lincoln: Same with us.

Caleb Maxwell: If that chowderhead tries anything again, I'm gonna hit him so hard, his teeth are going to fall out of his mouth, all of them.

Cage Blunt: Next time, we'll leave him at the mercy of your Uncle Christiano.

Travis Tackett: Let's see how brazen he'll try to be when he deals with someone who's the leader of a powerful gang when he was a teen and has more than once put your Dad's scumbag relatives in their place.

Sebastian Mendez: I would rather unleash demons than be sent to that monster!

POW!

Lincoln punched Sebastian in the face giving him a black eye and bloody nose.

Lincoln: Shut up already! Don't think you're getting away with what you've done in the past. Nico, Qin, and their friends, on the advice of J.D., have given you a chance to make up for all your past misdeeds nine years ago, but clearly, your violent attitude hadn't changed at all, you get mad at the first sign of trouble and turn into a demon. Enough is enough, you've attacked us without any sort of reason other than just to satisfy your bitterness and hatred and your desire for cruelty and chaos, and I will not tolerate your heartlessness any longer.

Lincoln's deep sapphire eyes burned with fury as we saw flames raging.

Sebastian Mendez: Why, you little...!

Nico: Oh man, Lincoln's really told him off.

Me: Big time.

Lincoln: And if I ever see you act out in that violent manner again, so help me, I will hunt you down, rip your arms and legs off and shove them right down your throat, and then, I'm gonna rip your guts out and feed them to the vultures, decapitate you, and slice your headless body into ribbons, and I'll make you spend the rest of your life in Hell surrounded by demons and zombies, you pathetic little worm!

Luna: WHOA! BRUTAL, DUDE!

Sebastian Mendez: What the?! Nico, say something!

Nico: I agree with you completely, Lincoln. (Smirks) Sucks to be you, Sebastian!

SEBASTIAN'S FACE WAS LITERALLY FROZEN IN HORROR: NICO SEALED SEBASTIAN'S DOOM WHEN HE BASHED LYNN ON THE HEAD WITH A FISH! THEN, HE FAINTED, AND THE M.O.E. LAUGHED THEIR BUTTS OFF SEEING LINCOLN AND NICO PUT THAT MADMAN IN HIS PLACE!

Nico: You should be very proud of yourself, Naruto

Naruto: I am proud of myself Nico.

Me: That's my brother.

Boruto: And my dad.

Me: Yep.

Nico: Nice job Reunicles!

Reunicles: Thanks Nico! Got any beer?

Poromon: YAY! Here you go.

Reunicles: Thanks!

She drank it.

Reunicles: Ahh! (BARNEY GUMBLE BELCH)

Barney Gumble: Welcome to the party! (BELCH)

She got drunk.

Poliwag: Sing the ABC's!

Reunicles: (BELCHING AND SINGING) ABCDFKSJGJSMMTMWIJGKBJWJF!

WE LAUGHED HYSTERICALLY!

Poromon: Can we go out on patrol later?

Me: Sure as long as one of us goes with you.

Poromon: Okay then.

Qin: Yeah.

Me: Uh oh!

LOUD LONG NASTY FART!

Me: Oops! Pardon me!

Nico: You too, J.D.?!

Me: Sorry! It was that ramen! It was good...

LOUD LONG NASTY FART!

Me: But it's ravaging my insides!

Nico: I'll fix that!

Me: OH NO!

But then...

LOUD MASSIVELY MONSTROUS LONG AND NASTY FART!

I FARTED AND FIRED A MASSIVE BLAST OF FIRE FROM MY BUTT RIGHT AT NICO AND IT HIT HIM AND BLASTED HIM ALL OVER WITH INTENSE STENCH AND FIRE!

I blasted him all over with intense spicy fart fire!

Me: (SIGHS OF RELIEF!) AHHH! Yeah!

I was done later!

But Nico was badly burned all over.

Me: Oh man! Sorry Nico!

Nico coughed.

Nico: It's okay. I heal quickly, remember?

Nico was healed fast.

Me: Yeah I know. WHEW!

WE LAUGHED!

Nico: (LAUGHS) That was funny!

Lola: It sure was.

Nico: And worth it!

Me: Yeah!

Qin: That was awesome though.

Lola: I'll say!

Camie: But it was cool that you guys got to experience all that in 150,000 years.

Me: It sure was.

Horsea: It sure was awesome.

Me: Yep.

Qin: I agree.

Poromon: What can possibly happen on patrol later?

Nico: You guys finding something bad or gross!

Me: Or it might be something fun.

Qin: Yeah!

Me: I just got this message from Gira on planet Chikyu. Some of the King Ohgers monsters made their way to Earth and are coming for us.

WE GASPED!

Nico: OH MAN!

Kira KingOhger: WOW! This is gonna be good!

Lana: Awesome! This will be a great moment for me to prepare.

May: And for me and Starfire as well.

Me: Yep! Just like how Lyra prepared for her missions last year.

Poromon: Maybe they'll lose interest later.

Me: You never know though. I'm excited for this.

Qin: Me too!

Lyra: You guys are gonna do great.

Lana: Thanks Lyra.

Starfire: This is gonna be most glorious.

Me: It sure will Starfire.

Manaphy: Good luck, Mama. YOU'LL NEED IT.

May: You know I am ready for anything.

Me: We all are.

Qin: Yeah!

Me: Besides it'll be a perfect opportunity to test out more of the powers of our Ohgercalibur Swords.

Xenia: Good idea.

Qin: Yeah!

Me: And we can combine them with the powers of the Rangers and Riders over the course of 50 years.

Nico: Ooh! Awesome strategy.

Nicole: Yeah.

Me: And we might meet more gene-slammers along the way.

Nico: If they're planning to trick us, it won't work.

Me: We'll be ready for them

Nico: Lets talk more about them later.

Qin: Yeah.

Me: Okay lets see. Now we have the Anothers to face.

Nico: Right.

Eli: (Concentrates) WHOA! We got Another Universe 666 Omega, Musa, Daniel J. D'Arby, Pet Shop, Jumbo Shrimp, Thanos (X-Squad) and Proxima Midnight (X-Squad).

WE GASPED!

Me: WHOA!

Musa: Another me? Whoa this is gonna be rough.

Camie: It sure is.

Eli: I sense that the Anothers minus Universe 666 Omega and Musa are 6 people.

Me: Whoa! So Sam the Omega Ranger, Commander Cruger, Kat (SPD), Morphin Master Red, Amelia (Cosmic Fury) and Morphin Master Green are up.

Eli: Yep.

Nico: Okay then.

Nico: There they are!

We saw Another Daniel J. D'Arby, Pet Shop, Jumbo Shrimp, Thanos (X-Squad) and Proxima Midnight (X-Squad)!

Me: There they are!

Commander Cruger: Lets get ready!

Kat: Right!

Commander Cruger and Kat: READY! SPD EMERGENCY!

They transformed and were ready!

Me: OH YEAH!

Another Daniel: (In a girls voice) So awesome!

They merged and split into six figures and they were the gene-slammers of Number 57: Tri-Head Dust Dragon, Number 56: Gold Rat, Snakeyashi, Dungeon Worm, Red-Eyes Black Dragon and Blue-Eyes White Dragon!

Nico: (GASP) Adrienne Nebula, Gabby Midas, Vexra Snakeyashi, Arlene Arrakis, Rhonda Raptor and Sobek Kaiba!

Me: WHOA! The gene-slammers of Number 57: Tri-Head Dust Dragon, Number 56: Gold Rat, Snakeyashi, Dungeon Worm, Red-Eyes Black Dragon and Blue-Eyes White Dragon.

Mokuba: SOBEK!

Sobek Kaiba: Mokuba!

She and Mokuba hugged.

Sobek Kaiba: I'm so glad to see you. And Seto and Noriko it's great to see you too.

Seto Kaiba: You too sister.

Me: WHOA! You're one of the Kaiba siblings! That is cool!

Nico: Yep.

Me: Wait Rhonda are you related to...

Rhonda Raptor: That's right. Rex Raptor is my little brother.

WE GASPED!

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out.

Me: I didn't know Rex Raptor had siblings.

Eli: Me neither! That is cool!

Nico put his skeleton back in.

Nico: I hate it when that happens!

Me: That is shocking though.

Nico: Rex actually redeemed himself in a rescue.

Rhonda Raptor: I'm glad he did.

Me: Yeah! And Arlene are you from the Desert planet Arrakis?

Arlene Arrakis: I sure am.

Me: Wow! That is amazing! We were there years ago and we battled the last of the Harkonnens.

Arlene Arrakis: I heard about that! That is cool!

Me: It was.

Shanan: Whoa! Vexra you're a Daridennian from the planet Dariden.

Vexra: That's right Shanan.

Shanan: That is amazing. Daridennian's are amazing plant masters and they are great with nature.

Me: That is so cool that you know one of them Nico.

Nico: It sure is.

Me: And it's awesome to meet two more gene-slammers of the Numbers.

Adrienne Nebula: Thanks. We all think so too.

Me: Yeah. By the way are the Another Universe 666 Omega and Musa friendly or hostile?

Gabby Midas: Friendly and they are really awesome.

Me: Cool.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and we caught the Wonder Ride Books.

Me: YEAH!

Maria: (TURNS DIAL) MANTIS FURY 6!

She summoned Dark Mantis, Big Bad Wolf, Giant Rex, Cutler Beckett, Polar Bear (Zig and Sharko) and Dancing Water!

Nico: And now we wait.

Me: Yep. Gabby as the gene slammer of Number 56: Gold Rat you like gold right?

Gabby Midas: I sure do. I also have the power to turn everything I touch into solid gold. But on command or thought.

Me: Cool!

I picked up a rock.

Me: Turn this into gold.

Gabby Midas: Okay.

She took the rock and by thought she turned it into solid 24K Gold!

Me: WHOA!

I took it and it was heavy.

Me: (Taps it) It's solid gold!

Poromon: Lynn has that power too!

Lynn: He's right on that! I completely forgot about that.

Gabby Midas: That is cool Lynn.

Me: Yep. Oh speaking of which Gabby are you related or descended from the legendary King Midas? He had that same power.

Gabby Midas: Actually YES I am descended from King Midas. That power runs in my blood and my family.

Me: WOW! Truly Golden.

WE LAUGHED!

Nico: You need to be careful with that. Especially when eating your favorite food.

Gabby Midas: Don't worry. I only do it on command or thought.

Nico: That's a relief.

Me: Yeah. You do not want to bite into food that was turned into a gold brick. That would hurt.

Gabby Midas: I know.

Lola: Yeah. Oh look!

We saw Another Universe 666 Omega and Musa!

Me: There they are!

Another Universe 666 Omega: (In a girls voice) Looks like this party is starting.

Serenity Wheeler: (GASP) That voice!

She reverted back and it was the gene-slammer of Time Wizard!

Serenity Wheeler: (GASP) Gabrielle!

Joey Wheeler: Gabby!

She hugged Joey and Serenity!

Gabrielle Wheeler: It's great to see you both.

Me: Wow! The gene-slammer of Time Wizard. That's one of Joey's signature cards.

Gabrielle Wheeler: That's right. Awesome to meet you all.

Me: Same here.

Qin: Wow!

Gabrielle Wheeler: I am Serenity's guardian angel. I have all the powers of Time Wizard and Omega too.

Universe 666 Omega: That is really cool!

Me: It sure is! You know what would be cool too? If we meet a gene-slammer for Dark Sage.

Nico: WHOA! That's the most difficult monster to summon from what I recall.

Me: It is. Time Wizard is one of the components needed to summon it from Dark Magician.

Nico: Yep.

Me: And who is your friend?

Another Musa: Someone that knows Musa.

Musa: (GASP) That voice!

She reverted back and it was a younger version of Musa!

Musa: (GASP) Melody!

She ran and hugged her.

Musa: Oh my little sis!

Melody: I've missed you sis!

Nico: You know her?

Musa: She's my sister. Before I went to Magix, we had a lot of fun singing songs.

Me: Wow that is cool.

Nico: Yeah!

Musa: It sure is.

Me: Boy lots of family members are getting reunited.

Sobek Kaiba: They sure are. But I'm going to help my brothers and sister do one thing. Kill our stepfather.

Me: That's what we're going to do on his day to shine.

Nico: Yep.

Kaito (Gets out Kabuto gear): Did Swartz promise you anything?

Zocks (gets out Hibiki gear): Because we can grant it instead

They got Hibiki and Kabuto weapons.

Gabrielle Wheeler: No he didn't. I used my powers and made him into an old man for 45 minutes and we ran.

Me: WHOA! That is cool!

Joey: Alright! Never underestimate Time Wizard.

Me: That is for sure.

Sougo (Gets out Kabuto Ridewatch): You should be proud of Musa

Armor Time! (Electronic beat mixed with Rider Form transformation noises) Change Beetle! Kabuto!

Geiz (gets out Ibuki Ridewatch): We sung lots of songs with her in 2022

Armor Time! (Orchestral music followed by Onteki whistling) Ibuki! (trumpet riff)

Sougo got KabutoArmor while Geiz got IbukiArmor

Me: We sure did.

Melody: I am proud of her.

Me: Cool!

Lincoln: Lets separate you first.

We did so.

Me: Here we go.

Nico: (gets out Universe 666 Omega's Ridewatch) I am the Messiah!

May: (Gets out Pet Shop's ridewatch) I am one pet shop you don't want to visit!

Maria: (Gets out Thanos (X-Squad) ridewatch) I can't believe I'm gonna say this. I am Inevitable!

Commander Cruger: (Gets out Daniel J. D'Arby's ridewatch) This is gonna hurt.

They used the powers of Universe 666 Omega, Daniel J. D'Arby, Pet Shop, Jumbo Shrimp, Thanos (X-Squad) and Proxima Midnight (X-Squad) and blasted the Anothers.

Then Moonstone (Steven Universe), Crazy Gem, Supergiant (X-Squad), Lego Dementors, Darklord Amdusc and Rex Shard came.

Me: WHOA!

Steven Universe: Wow! Nice team Moonstone!

Moonstone (Steven Universe): Thanks Steven. And Nico what do you think?

Nico: It's awesome! Great team!

Moonstone (Steven Universe): Thanks!

Chromastone: My team is next.

Me: It sure is!

?: That is awesome!

Then IMPERIALDRAMON CAME!

Me: WHOA! Imperialdramon!

Nico: WOW! Huge!

Imperialdramon: (In a girls voice) But all power!

Nico: Elisea Imperial!? Whoa!

She reverted back and was a girl with blue hair and blue eyes and had red dragon wings and had black clothes and had Imperialdramon on her skirt, shirt and forehead and had a deadly laser sword in her hand.

Elisea Imperial: Awesome to see you Nico. I got this! (ECHOING) POSITRON LASER!

She fired a powerful energy blast from her hand and it hit the Anothers and blasted them and I caught the ridewatches and purified them!

Me: OH YEAH!

Qin: WHOA!

Nico: Nice!

Me: Awesome!

Elisea Imperial: Thanks!

Me: YEAH!

Commander Cruger: Do you have a good memory of Nico?

Elisea Imperial: I sure do. When me and Nico went to battle a dragon terrorizing a village in Switzerland and it was awesome.

Me: WHOA! That is so cool!

Qin: It sure was awesome.

Lola: Wow!

Nico: Yep.

Nico and Elisea hugged.

Nico: I've missed you.

Elisea Imperial: Same here.

We later went back home.

Lincoln: Whoa, we're here in the world of the anime, Buddy Daddies, and I know what we're going to do here, not only am I going to rescue the eleven girls here, but we're going to help Rei and Kazuki destroy the Suwa family organization and banish both Shigeki Suwa and Ryo Ogino to The Black Abyss, and resurrect Kazuki's pregnant wife, Yuzuko, and Miri's mother, Misaki, who were both murdered by Ryo Ogino, and recruit both Rei and Kazuki to TLPS afterwards.

Me: Oh man, I knew it was going to be that, and I despised Shigeki Suwa and Ryo Ogino for what they did, but I really really despise Ryo for killing Yuzuko and Misaki, that bastard's going to die a slow painful death for this.

Nico: And the entire Suwa family organization will also die as well for their crimes as well, bastards, every last one of them.

Eli: They're just as bad as any criminal organization, so they deserve to die. (Notice the absence of Sebastian) Looks like Sebastian isn't coming.

Lincoln: After what I did telling him off and punching him in the face and bashing him on the head Nico telling him he brought this on himself for hitting Lynn on the head with a fish, he decided not to come.

Jenni Anderson: He better not be plotting any sort of revenge.

Diana Lombard: Otherwise, he's in for a whole lot worse.

Suddenly, we heard an unearthly roar, and we saw an old face from the big day mission in the world of Rio: Simone De Bastian, and she'd turned into her more monstrous vampire form.

Diana Lombard: (Gasps) Simone De Bastian, she's returned.

M.O.M.: We better take care of her and fast.

Lincoln fired a blast of dark energy that hit her, and he sucked out her lifeforce and vampire powers along with her soul which he drained of energy and sent it to The Black Abyss.

Nico: Nice one, Lincoln.

Caitlin (Martin Mystery): Now, we can finally get after the Suwa family organization along with Shigeki Suwa and Ryo Ogino, but where could they be?

Lincoln: First things first, we need to find Rei and Kazuki, Caitlin.

Suddenly, Lincoln heard the sounds of gunshots.

Me: Gunshots.

Sam the Omega Ranger: Oh man.

Lincoln: Looks like we found them, and it sounds like they're fighting some Suwa family grunts. Let's head on out and give them a hand.

We headed on out, and we saw Rei and Kazuki fighting some Suwa family grunts, and Lincoln fired waves of dark energy that hit the Suwa family grunts and he devoured their souls and absorbed them and he had them imprisoned in the stars in his massive white angel wings and four sets of larger white angel wings underneath his massive white angel wings, only for them to be torn apart by the imprisoned werewolves and their energy absorbed by Lincoln and sent to The Black Abyss.

Rei: Thank you.

Kazuki: If you're here to kill the Suwa family, we're grateful for the additional help.

Me: That's why we're here.

Michelle DuBois: So, that's why you didn't send those werewolves to The Black Abyss.

Lincoln 2, Lincoln 3, Lincoln 4, and Lincoln 5: (Through Lincoln's crest) He had that also planned out.

Diana Lombard: Kind of like added security. Nice one.

Beatrice: Next time, you should also add some vampires in as well, Lincoln.

Lucy: Gasp! That could be a bad idea.

Lincoln: Lucy's right, the last thing I'd want is for them to tear each other apart.

Suddenly, Lincoln got a call on his phone.

Lincoln: Hello?

Maria: Lincoln, it's Maria, we got bad news: Sebastian's now mega pissed off at you for what you did in telling him off this morning during Nico's rescue, and he's out for revenge on you. He's taken the repaired wedding dresses for your harem and your repaired wedding tuxedo along with the repaired wedding dresses for J.D.'s harem and his repaired wedding tuxedo and he's gonna burn them right in front of you guys to piss you both off for his own amusement, and then, he's gonna kill you both and he's spewing death threats at your harem saying he's going to have them murdered along with your kids.

Qin: Uh oh, now he's gone and done it. So, we got to stop Sebastian as well? This just became a real nightmare.

Lincoln: It's to be expected, he always resorts to trying to seek revenge on any who piss him off. Let's go take care of him and take care of our main targets.

We headed off, but thanks to Maria calling us, we got word that Sebastian's gone berserk and he's now mega pissed off at Lincoln for what he did in telling him off this morning during Nico's rescue, and he's out for revenge, and he's taken the repaired wedding dresses for Lincoln's harem and his repaired wedding tuxedo along with the repaired wedding dresses for my harem and my repaired wedding tuxedo and he's gonna burn them right in front of us to piss us both off for his own amusement, and then, he's gonna kill Lincoln and I and he's also spewing death threats at our harems saying he's going to have them murdered along with our kids.

Not happening, you crazy vengeance-crazed nut!

We arrived at a huge building: it's the HQ of the Suwa family organization.

Lincoln: So, that's the HQ of the Suwa family, public but inside, it's where their crimes are plotted.

Suddenly, we heard the sound of insane fucked-up cackling and we headed for the roof, and there, we saw our secondary target: Sebastian, and he had the repaired wedding dresses of Lincoln's harem and my harem and our repaired wedding tuxedoes, and he's got a lighter lit up, and he's gonna burn them to piss us off and then try and kill us and murder our harems and kids.

Nico: I should've known you'd go batshit crazy after Lincoln put you in your place, and now, you've got some nerve to do that. You have absolutely no sense of shame or decency!

Sebastian Mendez was still cackling like a madman and he was inching the lighter closer to the wedding dresses of Lincoln's harem and my harem and our tuxedoes to burn them to ashes, but Lincoln fired a dark energy rope that tied his right arm that had the lighter and pulled him in, and then...!

POW!

Lincoln knocked that madman out and tied him up with a straitjacket and threw him into a portal that led back to his room at the World Tree Estate, and once he was in, the Mascots boarded him inside, and Lincoln grabbed the wedding dresses of his harem and his wedding tuxedo and I grabbed the wedding dresses of my harem and my wedding tuxedo, and sent them into our rooms and into a very secure vault in our rooms, and we went back to the entrance.

Me: Thank God.

Lincoln: We got them back, plus, there's no way he was going to destroy them. He didn't know that I had these made from an indestructible fabric with magical properties of self-repair and they never get dirty.

Qin: Magical wedding dresses and tuxedos, that's really awesome!

Nico: Way cool!

May: That really is amazing.

Suddenly, we saw a dryad flying in the skies and it left an amazing wave of leaves and flowers and plants grew and bloomed around our feet and then, it landed, and it turned into a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long brown hair, green eyes, massive green angel wings, white short-sleeved blouse with a dryad on it and on her forehead, green sleeveless crop top, green skirt, green knee-high high-heeled boots with butterfly buckles, long white sleeveless trenchcoat with stars, leaves, plants, dryads, phoenixes, and angels on the coattails, and on the back is the dryad, she has a nature greatsword, and with her are the eleven girls.

Lincoln: (GASPS) Darcy Dryad, Avatar of The Dryad.

Darcy Dryad: That's right, and I got them away from Shigeki Suwa and Ryo Ogino, and they are so pissed off, and the entire Suwa organization is now running loose in their building.

Lincoln: It's time. Let's tear these bastards apart.

Suddenly, Lincoln let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his entire body was covered in thick brown fur and his massive pecs and ten-pack abs were covered in tan fur, his deep sapphire blue eyes and rainbow iris of his Third Eye remain the same, but the pupils turned into slits, his fangs grew longer and his rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's nose and he grew a wolf snout and sturdy tan-colored muzzle, his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings remained the same, his eleven massive and long white wolf tails and large white wolf ears turned brown, his long wild white hair turned brown with white streaks and became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned dark blue, and he let out a loud howl as he turned into Lincoln The Nocturnal!

Lincoln: (HOWLS AND BEATS HIS CHEST LIKE A GORILLA)!

Then, Lincoln went up to the door, and he kicked it in, and we were met by angry Suwa family grunts and soldiers.

Lincoln: (Beastly Voice) Knock knock, bastards.

Lincoln and all of us ran through the building, and he was tearing the Suwa family grunts and soldiers apart with his massive greatsword and gold-plated dragon claws, and he turned the tips of his eleven massive and long wolf tails into Cell's stingers, and he's been absorbing the grunts and soldiers, and he was really growing even stronger, and when he was done, all he'd left behind were their clothes and weapons that we'd picked up and claimed as our own. This went on as we travelled through the floors until we finally reached the top floor.

Lincoln: (Beastly Voice) We made it to the top floor. Now, it's time to confront the big boss of The Suwa Family, Shigeki Suwa, along with the twisted psycho, Ryo Ogino. This is where we avenge Yuzuko and Misaki.

Kazuki: Yuzuko...! This is it.

Lincoln: (Beastly Voice) But, that's not the end, once we get rid of Shigeki Suwa and Ryo Ogino, I'm gonna resurrect Yuzuko and Misaki. It's not fair their lives were taken by them, you deserve to be with Yuzuko again, Kazuki.

Rei: And Miri needs her mom. So, let's give this one last push.

Kazuki: You're right. Shigeki, Ryo, you've both lived for too long.

Lincoln: (Beastly Voice) And now, it ends here.

Nico: Linc, kick the door in and let the boss know we're here...to take his life along with the life of that asshole, Ryo Ogino.

Lincoln kicked the door in, and there, we saw our main targets: Shigeki Suwa, the head of the Suwa family organization, and the second asshole who's at the beck and call of the first asshole, Ryo Ogino.

Shigeki Suwa: Team Loud Phoenix Storm?! What are they doing here?

Ryo Ogino: I thought our men had taken care of them!

Lincoln: (Beastly Voice) Did you really think your men could do anything to stop us? You haven't done your homework and you don't know anything about us, your men failed in the end, we tore them apart and I absorbed them and their souls were torn apart and sent to The Black Abyss. Now, it's your turn, Shigeki Suwa and Ryo Ogino. Time to release the wolf!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a dark blue vortex flared up behind him, and he charged at Shigeki Suwa and Ryo Ogino, and he proceeded to brutally smash them into the ground with his massive brute superhuman strength, slashed them with his gold-armored dragon claws and greatsword, and fired blasts of dark blue wolf fire, darkness, moonlight, and ice at them, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON THEM! HE WAS REALLY GOING APESHIT ON THEIR HIDES!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

SLASH! SLASH! SCREAMS OF PAIN!

WE THEN SAW LINCOLN SLASHED THEM ON THE CHEST WITH HIS MASSIVE GREATSWORD AND HE LEFT BLEEDING SCARS ON THEIR CHESTS AND HE EVEN SLASHED OFF THEIR CROTCHES!

Me: WHOA! DAMN! NOW, THAT'S JUST BRUTAL!

Nico: Really brutal!

Nicole: That's only reserved for perverts, but those two are big-time murderers, so that also works as well.

Shigeki Suwa: YOU! YOU PIECE OF SHIT!

Ryo Ogino: YOU THINK YOU CAN GET AWAY WITH THIS?!

Lincoln: (Beastly Voice) You don't have any right to say anything at all, murderers. You two sacks of shit killed Kazuki's pregnant wife and Miri's mother along with murdering other people who got in your way. You're the ones who aren't getting away with what you've done!

LINCOLN SHOT THEM AN EXTREMELY DEATHLY GLARE AND THAT GLARE MADE SHIGEKI SUWA AND RYO OGINO SO SCARED, THEY SCREAMED IN FRIGHT AND PISSED THEIR PANTS IN HORROR!

Rei: No way. My own father, scared of a glare like that?

Kazuki: Along with that cold-blooded Ogino? You made them lose their nerves and reduced them to crybabies.

We saw on Lori's phone that the video of the fight was going viral and it was getting tons of likes from everyone, and comments such as, "YOU SHOW EM, LINCOLN! OY FUCKERS, YOU MESSED WITH THE WRONG MAN, YOU JUST BOUGHT YOURSELVES A ONE-WAY TRAIN RIDE TO THE NINE CIRCLES OF HELL!", "TAKE THAT, FUCKERS!", "YOU EVIL BASTARDS DESERVED TO GET BEATEN AND KILLED BY LINCOLN! SCREW YOU ALL!"

Alya: Oh man, it's gone viral in a huge way!

Luan: Oh man, and everyone is also sending death threats at Ryo Ogino and Shigeki Suwa, and they are also really explicit!

We saw the explicit threats, and they were too graphic to even say!

Me: Wow. I didn't think they'd also put that kind of language in the posts as well.

Nico: Man, they really are going all out to say those threats to those dirtbags!

Rei shot his own dad in the arms and legs, and he screamed in agony and Kazuki shot Ryo Ogino in the arms and legs as well.

Lincoln: (Beastly Voice) I also got another something up my sleeve. YOU BOTH WANT TO SEE SOMETHING HORRIBLE?! Well!

(Shows the Velma series) HERE! Look at it, it's ugly, isn't it?! YOU LOOK AT IT!

Shigeki Suwa: WHAT IS THAT?!

Lincoln: (Beastly Voice) YOU LOOK AT IT!

Ryo Ogino: HORRIBLE!

Lincoln: (Beastly Voice) LOOK AT IT! LOOK AT IT! LOOK AT IT! I WANT YOU TWO ASSHOLES TO FUCKING LOOK AT IT!

RYO OGINO AND SHIGEKI SUWA SCREAMED IN UTTER HORROR AND THEY TURNED INTO TOTAL WUSSES!

My jaw and Nico's dropped!

CLANG! CLANG!

Eli closed our jaws!

Me: What...the...Hell did he just...?!

Nico: We'll ask after we take care of the garbage, but that was a nice one, Lincoln! Alright, let's take care of the trash!

Then, Lincoln used two of his eleven massive and long wolf tails that wrapped around the necks of Shigeki Suwa and Ryo Ogino and they struggled to get free. But, then, Lincoln sent two more of his massive and long wolf tails as they neared their necks, and then, the tails' tips sent out a tentacle-like feeding tube with three fangs that punctured the left and right sides of their necks, and then, the tubes began sucking out all of their blood and it went into Lincoln, and we saw those two becoming weaker and their hair was turning gray, and then, finally white, and their skin was suddenly becoming dried up.

Then, when Lincoln was done, the tubes removed themselves from the necks of Shigeki Suwa and Ryo Ogino leaving three fang marks and they were left as dried up withered lifeless corpses, and he also drained their souls of energy and sent them to The Black Abyss. We cheered as we holstered our weapons and powered down.

Lincoln: (Beastly Voice) And that is the end for you two. (ROARS AND HOWLS IN VICTORY)

Lincoln changed back.

Rei: It's over.

Kazuki: Finally, it's over.

Suddenly, Lincoln snapped his fingers, and two heavenly lights descended as we heard the sounds of angelic choirs singing, and we saw two figures descend: they were Kazuki's pregnant wife, Yuzuko, and Miri's mother, Misaki.

Kazuki: Yuzuko? My God.

Kazuki hugged Yuzuko.

Me: Looks like Kazuki has been reunited with Yuzuko.

Rei: And Miri's going to be reunited with Misaki. What Ryo did was beyond unforgiveable, and I hated him and Dad for that.

Lincoln: They were both criminals, and in the end, their penchant for murder did them in.

Nico: That's the fate of all crime lords.

Lincoln: Yep. (To Darcy Dryad) And it's so good to see you again, Darcy.

Darcy Dryad: You too, Lincoln, it's been seven years since we last met.

Suddenly, Darcy Dryad had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Darcy Dryad was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered.

Darcy Dryad: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Darcy Dryad and hugged her, and Darcy Dryad is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, he's also even more taller, more handsome, buffer, hunkier, and much more muscular, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Darcy Dryad: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs

Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Darcy Dryad, Avatar of The Dryad, she's Lincoln's Guardian Angel and she's known as The Nature Beauty Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Darcy is a powerful master of the powers of nature, animals, plants, and dryads, and she's also known for her beauty. She lived during an age of light and she was said to have been raised by dryads in the forests, and over time, as she grew, she gained all of the incredible strengths and powers of the dryads along with immortality, and she'd fought to defend her family from the hatred and fear wrought on by the paranoia that humans had towards her clan, and many centuries later, there was one person that harbored a true love for everything, and that also really strengthened the love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of nature, animals, and plants, and the powers of the dryads, and he also gained all of the incredible strengths and powers of the dryads, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 dryads and men combined, and she also knew of his divine singing and he also knew how to sing the songs of the mermaid, and it also made her love for him even stronger than ever, and she also found out Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy. Lincoln made her a powerful nature greatsword and gave her a flower to put in her hair, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Darcy kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the fury of nature itself.

Nico: You have no idea how much we were impressed when Enya told us about you.

Me: And we all know the legends of the dryad all too well.

Lincoln: That's right, and they're also familiar to the mermaids for centuries, and now that you're here, Darcy.

Lincoln with his massive muscular arms still wrapped around Darcy Dryad leaned his head down to the right side of Darcy Dryad's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large white feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Darcy Dryad: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Darcy Dryad with green gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Darcy Dryad: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Darcy Dryad.

Darcy Dryad had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Darcy Dryad's waist, and he leaned down to her face and kissed her on the lips, and with Darcy Dryad's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Darcy Dryad had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Darcy Dryad: (In Heaven) My God.

Then, we went up to the eleven girls, and when Lincoln saw them, he immediately recognized them, the eleven girls are Sumireko Ogawa from Mysterious Disappearances, Kaori Hanaoka, Mio Shimada, Shiho Uchida, and Yuri Kimura from Devote, and Miyu Ayuchi, Mizuho Kasugai, Noeri Nakae, Ryouko Kushiro, Shizuka Shindou, and Urara Seto from Devote 2 ~Ikenai Houkago~.

Lincoln: Oh wow, it's Sumireko Ogawa from Mysterious Disappearances, Kaori Hanaoka, Mio Shimada, Shiho Uchida, and Yuri Kimura from Devote, and Miyu Ayuchi, Mizuho Kasugai, Noeri Nakae, Ryouko Kushiro, Shizuka Shindou, and Urara Seto from Devote 2 ~Ikenai Houkago~.

Nicole: Thank goodness Darcy got them away from those two bastards.

Lincoln: And from Sebastian as well, now that he's finally let his true toxicity and cruelty out, he's gonna be a bigger problem on my rescues from now on. Are you girls okay?

Sumireko Ogawa: Yes, we're okay, thanks to you.

Sumireko Ogawa: Oh wow, you're Lincoln Loud of Team Loud

Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made ten clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Sumireko Ogawa: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sumireko Ogawa, Kaori Hanaoka, Mio Shimada, Shiho Uchida, Yuri Kimura, Miyu Ayuchi, Mizuho Kasugai, Noeri Nakae, Ryouko Kushiro, Shizuka Shindou, and Urara Seto with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies. We returned home, and everyone was shocked to find out the villains we went after were the Suwa family organization from Buddy Daddies, along with Shigeki Suwa and Ryo Ogino.

But, when Lincoln showed what we did in tearing his organization apart with Lincoln tearing all of the grunts and soldiers and members apart and absorbing them and finally draining Shigeki Suwa and Ryo Ogino dry of blood and sending them to The Black Abyss along with him bringing back Kazuki's pregnant wife, Yuzuko, and Miri's mother, Misaki, who were murdered by Ryo Ogino, everyone cheered as they hugged us and Lincoln's harem kissed him. Lincoln and Darcy Dryad have a lot of catching up to do, now that she's back in town.

Maria: We saw the whole thing on video, you tore those mafia gangsters apart and absorbed them. Plus, we didn't know you used indestructible and magical fabric to repair the wedding dresses of your harems and your wedding tuxedos.

Lincoln: Ever since the mess with Maya Rosato, we'd been getting a bad feeling that our old enemies will try to ruin our weddings in the future by trying to destroy the wedding dresses and tuxedos or by trying to kill our harems and kids as well, so I decided to take extra precautions and put these sorts of measures out.

Nico: And they were genius.

Me: I was stunned myself.

Qin: And as we just saw, Sebastian's toxicity and cruelty have finally taken hold of him, and now, he's gonna be nothing but trouble, but it's only for Lincoln's rescues.

Nicholette Torrington: Let him try to cause trouble on Lincoln's rescues. We're gonna fuck him up if he does!

We heard Sebastian swearing and cursing up a storm, and he was spewing death threats with such explicit language, we almost barfed! GROSS! DISGUSTING TOXIC LUNATIC!

Nico: Ugh, and now, he's spewing death threats with explicit language sewn in?! GROSS!

Connor Chan: Nico, even though you, Qin, and your friends may have forgiven him, Alicia, Mindy, and I still don't. Plus, his toxicity and cruelty will only take hold whenever it's time for Lincoln's rescues, right?

Lincoln: Right, that's when he's gonna cause trouble.

Buster Bunny: (Smirks) Well, you should let me and my friends from Acme Acres be the ones to take him down and send him back to The World Tree Estate.

Lincoln: Like an Anti-Sebastian countermeasure, good idea, Buster.

Me: I like that idea.

Nico: Same here, plus, you've been training on the side before we finally met you guys for the first time, and you've also fought alongside The Z-Fighters whenever that toxic psycho is caught running loose, so you guys have some combat experience. Alright, then.

Babs Bunny: Yes!

Plucky Duck: We'll teach that maniac a lesson he'll never forget!

Shirley the Loon: Like, he's gonna regret going back to his toxic ways, or some junk.

Fifi La Fume: (French Accent) Oui, that monster will regret it!

Buster Bunny: In any case, we've already got our strategies all planned out. We rely on our brains, while he relies on his dark toxic madness, so we always have to outsmart him.

Lincoln: But, watch it though, he's too unpredictable and way too insane.

Nico, Mindy, Alicia, and Connor Chan: You don't got to tell us twice.

We laughed.

After Lincoln and all of us viciously destroyed the Suwa family organization along with Shigeki Suwa and Ryo Ogino and sent them to The Black Abyss forever, we were training intensely in the gym, doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with

900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Darcy Dryad saw Lincoln doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Darcy Dryad: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, he also got one awesome tan, and he's also doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Darcy, and I can still defend myself, and in addition to getting stronger and larger in muscle

mass, I've also gotten smarter as well.

Darcy Dryad: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Darcy Dryad: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Nico: Say, Winter, what memories did you have with Lincoln?

Winter Werewolf: (Face turns atomic red) Ooh, well, there's one memory I had with Lincoln: that was during a moonlight date at Lake Huron.

Winter Werewolf put the video as it played on the big screen, and it showed Lake Huron at night and the moon was full, and Winter Werewolf was also in her werewolf form with brown fur and tan-colored muzzle and she was in a two-piece dark bikini.

Past Winter Werewolf: (Beastly Voice) Now, where's...(Caught Lincoln's scent) Aha!

Then, Lincoln came out, and he was dressed in orange swim trunks.

Past Lincoln: I wasn't gonna miss out on our moonlight date, especially when you're in your werewolf form, Winter.

Past Winter Werewolf: (Beastly Voice) You said it.

Suddenly, Lincoln let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his entire body was covered in thick brown fur and his massive pecs and ten-pack abs were covered in tan fur, his deep sapphire blue eyes and rainbow iris of his Third Eye remain the same, but the pupils turned into slits, his fangs grew longer and his rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's nose and he grew a wolf snout and sturdy tan-colored muzzle, his massive white angel wings remain the same, his eleven massive and long white wolf tails and large white wolf ears turned brown, his long wild white hair turned brown with white streaks and became wilder, and he let out a loud howl as he turned into Lincoln The Nocturnal!

Past Winter Werewolf: (Beastly Voice) I never get tired of seeing you in your werewolf form.

Past Lincoln: (Beastly Voice) (Smirks) But, that's just the beginning.

Suddenly, Lincoln's orange swim trunks turned into an orange speedo, and that got Winter Werewolf gushing out blood from her nose as an atomic red blush appeared on her muzzle.

Past Winter Werewolf: (Beastly Voice) (Thinking) Oh...my...God. So, this was your surprise. First, you turning into your werewolf form, and now, your swim trunks turning into an orange speedo. My God, now I can see every last muscular definition in those manly legs of his and backside as well, and the moon shining down on him, he looks like a God of the Werewolves. Keep it cool, Winter! Don't let your really wilder instincts take over!

Suddenly, Lincoln easily picked Winter Werewolf up in both arms, and that made the blush on her muzzle turn even deeper.

Past Lincoln: (Beastly Voice) Well, then, shall we, my lady?

Past Winter Werewolf: (Beastly Voice) Uh..., sure.

Maria: (Trying not to laugh) Oh man, you fell apart that easily!

Rudina Adalwulf: She tried hard not to fall apart that easily, but it failed spectacularly.

Winter Werewolf: Hey, don't look at me, Rudina, you, Adolpha Villalobos, Isabella Lupa, Maria Wolf Moon, Winona Adolpha, and Ashley Lupus Foxina also went man crazy when you all saw Lincoln in his werewolf form and in a speedo as well.

Isabella Lupa: And we almost went crazy and went into mating mode with him. That was a lesson we all learned.

Then, we looked at the screen and we saw Lincoln and Winter Werewolf both having fun swimming in the water lit by the full moon, and they even had fun playing volleyball, and they even had a good time lying out underneath the full moon with Winter Werewolf at his side as they lay out under the full moon.

Past Winter Werewolf: (Beastly Voice) That was really really awesome.

Past Lincoln: (Beastly Voice) You said it, Winter. We had a really awesome time at Lake Huron, and it's even more amazing especially when the full moon's out.

Suddenly, Lincoln turned to Winter Werewolf and he wrapped his massive muscular arms around her waist and he was on top of her, and then, he kissed her deeply and passionately on the lips as she wrapped her arms around his traps and neck and returned it with full intensity and engaged in a full-make out which lasted for an hour, and when they separated, their muzzles had a deep red blush and their eyes were turning a darker deep sapphire blue and a brighter yellow.

Suddenly, their mating instincts were taking over.

Lincoln: (Deeper Beastly Voice) Let's go somewhere more...private.

Winter Werewolf: (Beastly Voice) Right.

Lincoln picked up Winter Werewolf in his arms and went into a forest and deeper into a secluded spot as the video ended.

Me: That explained the loud howls we'd been hearing that night a year ago! I thought that we had a large pack of wolves in the forests.

Winter Werewolf: Sorry about that. We should've kept our mating instincts under control, but when the full moon hits, that's when those instincts are out in full force.

Lincoln: Plus, the moon was closest to the Earth, and that made us and the werewolf within us even stronger than ever, and we had to go into that secluded spot and unleash all that pent-up tension in us. Sorry we woke you up, J.D.

Me: It's okay.

Nicole: I was afraid of that, and I should've gone to Brittney for help. She knows about the creatures of the night, and that also included werewolves.

Brittney: Yes, I should've done something to help whenever that happens, but I was preoccupied.

Lincoln: But, we took precautions that time and went into that secluded cave deep in the forests, but even that wasn't a match for us. I hadn't realized just how much more powerful I become whenever the moon is closest to the earth.

Nico: And how much stronger werewolves become when the moon gets closer to Earth.

We got a shower, and then, Lincoln, Riyo Chuchi, Hisako, Universe 666 ARIA, Universe 666 Queen Beryl, Universe 666 Queen Nehelenia, Toy Freddy Fiona and Toy Bonnie Sakura, Toy Chica Karol and Cupcake Carly, Golden Freddy Maya / Meiko, Marionette

Lina, and Balloon Girl Jeanette are heading to Seaside Hill.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

Riyo Chuchi: Wow, so this is Seaside Hill, it sure is beautiful.

Then, he made clones of himself and did the same thing giving the

girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an amazing volleyball game, and they went into a workout area Lincoln created, and Riyo Chuchi, Hisako, Universe 666 ARIA, Universe 666 Queen Beryl, Universe 666 Queen Nehelenia, Toy Freddy Fiona and Toy Bonnie Sakura, Toy Chica Karol and Cupcake Carly, Golden Freddy Maya / Meiko, Marionette Lina, and Balloon Girl Jeanette got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Riyo Chuchi: (Swooning) So manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Riyo Chuchi, Hisako, Universe 666 ARIA, Universe 666 Queen Beryl, Universe 666 Queen Nehelenia, Toy Freddy Fiona and Toy Bonnie Sakura, Toy Chica Karol and Cupcake Carly, Golden Freddy Maya / Meiko, Marionette Lina, and Balloon Girl Jeanette and hugged them in their abnormally massive and powerful muscular arms, and Riyo Chuchi, Hisako, Universe 666 ARIA, Universe 666 Queen Beryl, Universe 666 Queen Nehelenia, Toy Freddy Fiona and Toy Bonnie Sakura, Toy Chica Karol and Cupcake Carly, Golden Freddy Maya / Meiko, Marionette Lina, and Balloon Girl Jeanette placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Riyo Chuchi, Hisako, Universe 666 ARIA, Universe 666 Queen Beryl, Universe 666 Queen Nehelenia, Toy Freddy Fiona and Toy Bonnie Sakura, Toy Chica Karol and Cupcake Carly, Golden Freddy Maya / Meiko, Marionette Lina, and Balloon Girl Jeanette and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and

his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Riyo Chuchi, Hisako, Universe 666 ARIA, Universe 666 Queen Beryl, Universe 666 Queen Nehelenia, Toy Freddy Fiona and Toy Bonnie Sakura, Toy Chica Karol and Cupcake Carly, Golden Freddy Maya / Meiko, Marionette Lina, and Balloon Girl Jeanette on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Riyo Chuchi, Hisako, Universe 666 ARIA, Universe 666 Queen Beryl, Universe 666 Queen Nehelenia, Toy Freddy Fiona and Toy Bonnie Sakura, Toy Chica Karol and Cupcake Carly, Golden Freddy Maya / Meiko, Marionette Lina, and Balloon Girl Jeanette are in your harem, Linky.

Riyo Chuchi, Hisako, Universe 666 ARIA, Universe 666 Queen Beryl, Universe 666 Queen Nehelenia, Toy Freddy Fiona and Toy Bonnie Sakura, Toy Chica Karol and Cupcake Carly, Golden Freddy Maya / Meiko, Marionette Lina, and Balloon Girl Jeanette showed the marks Lincoln made on the right sides of their necks.

Jenna: You guys had no trouble at all.

Riyo Chuchi: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the

funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Ocellus, Ink Rose and Lola Ferrington's final mission.

Nico: Anyone else want to go with Ocellus, Ink Rose, and Lola? Besides Missy Rodgers, UA Iron Man, Jason James, and Maria's fellow Meta Breed members.

Yusuke Godai: I'll come.

Matau: Me too.

Sportsmaster: So will I.

Nico: Okay.

Princess Celestia: Me and the princesses of Equestria will come too.

Nico: Okay then.

Poromon: I'll go too as well.

Vince: I'll go too.

Me: Awesome!

We were off.

We arrived.

Ray: Hey guys!

Ray: Awesome to meet you all!

Carol: And this is my husband.

Vince: Name's Vince Pusateri.

Me: Vince used to be my second in command of the team before Nico.

Vince Pusateri: Yep.

Gabe: Cool! Awesome to meet you.

Poromon: I'm one of the mascots! Poromon.

Allie Underhill: Oh wow! Awesome to meet you.

Maria: And these are my fellow teammates of the Meta Breed.

Ebon: Awesome to meet you. I'm Ivan Evans but everyone calls me Ebon.

Rubberband Man: I'm his brother Adam, but everyone calls me Rubberband Man

Teresa: I'm Teresa. I formerly went by Talon.

Carmen Dillo: I'm Carmen Dillo.

Puff: I'm Puff.

Shiv: I'm Shiv.

Ray: Wow! Awesome to meet you all.

Me: The Meta Breed were all mutated by the Quantum Vapor and given their powers from it like Maria was.

Princess Celestia: I'm Princess Celestia, Princess of the Sun and Ruler of Equestria. I'm also for the Light Skylanders.

Princess Luna: I'm Princess Luna, Princess of the Night and also for the Dark Skylanders.

Princess Cadance: I'm Princess Cadance, Princess of Love and Ruler of the Crystal Empire.

Flurry Heart: I'm Flurry Heart, Princess of Light.

Allie Underhill: Wow! It's an honor.

Nadia: Same here.

UA Iron Man: Specifically, I'm from a world where the SRA happened.

Ray: SRA?

Me: It stands for Superhero Registraton Act. It was a failed ordinence where the government was the only one that controls all heroes and they were to be used as weapons for their own purpose.

Nico: Yeah it was terrible.

Ray: Oh man!

Me: Lot of good that did. Here.

I showed them a copy of the document of it.

Me: I always keep a copy of the document with me to show people in case.

He read it and it was crazy.

Ray: WHOA! That is crazy!

Me: It was.

Jason James: You can also call me… Z Strap!

Me: Jason is from New Eden City and he and his friends got their powers because of a mutagenic ooze.

Allie Underhill: Really?

Me: Yeah.

Gabe: Wait, I remember seeing a huge massive explosion last year.

Me: That was a huge rocket we stopped that was launched from there.

Missy Rodgers: It's a really terrible story. But it was mostly for my missions.

Allie Underhill: Oh man! I'm glad you're all okay.

Missy: We are too. Also I'm the gene-slammer of Mewtwo. It's awesome.

Gabe: Wow!

Ray: Ink Rose, what can you tell me about yourself?

Ink Rose: Well I'm a fashion designer and I make fashions for the goths.

Ray: Wow!

Allie Underhill: That is cool.

Me: Yep they sure are cool.

Allie: Lola, how did you meet Nico?

Lola Ferrington: I met him in computer class and we became great friends.

Eli: Yep.

Nico: Yep. So, has anything been happening since last visit?

Allie Underhill: Well we got word that Master Tiera and the Choten are back and they are in the Fire Civilization.

Me: WHOA! Now I can show the Choten who he is dealing with and until the big day for Ocellus and team we're going to banish him to the Warp until then.

Ray: The Warp?

Me: It's an interdimensional plane that we use as a prison. Before the Black Gates we thought it would be where we would get rid of the most evil bad guys forever. But after the Black Gates were compromised by Anti-Monitor we use the Black Abyss now.

Poromon: It's true.

Maria: Yeah. Also I heard about what happened to Tiera. I think she was brainwashed by him.

Carol: I have that same feeling too.

Maria: Tiera is also in "love" with him

Me: SAY WHAT!?

I opened my mouth so wide that MY skeleton fell out!

Nico: WHOA!

I put my skeleton back.

Me: Thanks a lot Nico! Now you got ME doing it!

Nico: Sorry.

Me: But that is crazy! Also Tiera should never be in love with a monster like the Choten.

Alakshmi Verma: (Laos Accent) I agree there myself as well.

Yusuke Godai: I agree too.

Teresa: I think she's a Yandere

Ray: Yandere?

Me: It's a Japanese term to describe someone who is sweet, caring, and innocent before switching into someone who displays an extreme, often violent or psychotic, level of devotion to a love interest.

Ray: Oh man! That is dangerous.

Eli: It sure is.

Nico: You'll see firsthand when we find her

Eli: Yeah.

Allie Underhill: Okay.

Me: Oh here is your legend items.

I gave Gabe, Ray, Allie, Nadia and Alakshmi their legend items.

Me: You'll love who your archenemies are for the M.O.E.

Princess Celestia: Yeah they are gonna be amazing.

Me: Yep.

Nico: Lets get a move on then.

I opened a portal and we were off to the Fire Civilization!

* * *

We arrived.

Me: WHOA! Wow! So this is the Fire Civilization. I remember seeing that it was more industrial like. But this is more of a volcanic mountain range.

Nico: I know.

Ray: You're right.

Yusuke Godai: Henshin!

He transformed!

Me: Yeah!

Then Pyra Hououu, Aqua Sirena, Fern Natura, Noir Shadow and Lyra Hikari came.

Nico: Hey girls!

Pyra Houou: Looks like we got here just in time.

Aqua Sirena: We got word that the Choten is here.

Me: Yep.

Pyra Houou: Perfect. Now we can banish him to the warp.

Me: I said the exact same thing.

Nico: Good.

Francis: My kind of place!

Nico: Yeah!

Me: Same here.

Eli: I sense Tiera and Choten that way (Points to the north) 500 yards.

Me: Lets get a move on.

We went there.

We walked and saw in a huge arena, THE CHOTEN AND TIERA!

Me: Targets sighted. Now we'll show you guys how we do our entrance.

Ray: Lets do it.

We went at them.

Choten: They should be here.

Then...

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and a Phoenix Cry was heard and then we landed.

Me: August Choten or do you prefer to be called The Choten?

Choten: The famous Team Loud Phoenix Storm. How nice of you to pay me a visit. And Maria Rockell and Carol Pingrey. You girls are looking as lovely as ever.

Maria: It's Maria Dunbar now.

Carol: And Carol Pusateri now!

Pyra Houou: I would say it's good to see you again August. But we would be lying.

Choten: I'm flattered that you still remember me Pyra.

Pyra Houou: Not much can be said about all the terrible atrocities that you committed over the years.

Me: And Master Tiere. Nice to finally meet you in person. Sorry to break up such a romantic moment but I'm afraid the Choten isn't your type.

Tiere: We'll see about that!

Teresa: What did I tell you? Yandere.

I unsheathed the Sword of Fiery Cataclysm.

Choten: I see you have the Sword of Fiery Cataclysm. Hand that over please.

Me: Not gonna happen.

Choten: So I take it you came here to wed us?

Pyra Houou: No to bury you.

Me: After we kill you.

I teleported and punched him in his face and knocked him into the ground.

Tiere: DARLING!

Maria teleported in front of her!

Maria: You need a better boyfriend Tiere!

There was silence before Tiere bitch slapped her

But her face turned into pure water and reformed.

Maria: You know that won't work on me.

I did some spins and flips and fired blades of fire and slashed him all over!

Choten: WHAT!? HOW DID YOU DO THAT!?

Me: As if I would tell you!

Maria kicked Tiere in her face and knocked her down.

But then she saw a bandage on the back of her neck.

Maria: What the?

Maria took it off her and saw that it was a mind control chip.

Maria: Aha! A Mind control chip!

Choten: DON'T YOU DARE TOUCH HER!

I kicked him in his face.

Yusuke: I'm going to go Amazing Mighty form!

He transformed into his awesome Amazing Mighty Form!

Nico: OH YEAH!

Maria removed the chip.

Maria: You are free Tiere.

Tiere woke up and she had a NASTY HEADSPLITTING Headache.

Tiere: (Groans) What a headache. How did I? (Sees me fighting Choten) (GASP) J.D. Knudson!? I got to help him!

I slashed Choten all over and fired blasts of fire. He was blasted all over.

I then spun and flipped and blasts of fire flew around me.

Me: I summon INFERNUS THE IMMOLATOR!

I summoned said monster and he roared ferociously!

Yusuke got out his Kuuga weapon

Yusuke: SWORD OF THE TITAN!

He fired blades of energy and slashed him.

Choten did flips and moves and water formed around him.

Choten: AQUA CHASER, RUSALKA!

He summoned his monster and I used my moves and Infernus blasted it and destroyed it!

Me: That was pathetic.

I slashed him more.

Me: Lets see you top this. (ECHOING) RAGE OF INFERNO! 超弾動閃煌斬

I swung the Sword of Fiery Cataclysm and fired a massive and intensely powerful vortex of fire and light!

Eli: DRAGON OF THE DARKNESS FLAME! 炎殺黒龍波

Eli fired a blast of pitch black fire as hot as the sun and it formed into a dragon!

Me and Eli: (ECHOING) RAGING INFERNO UNDERWORLD DRAGON BLAST! 炎殺黒龍波超弾動閃煌斬

The blasts combined and formed into an intensely powerful and hot super dragon of fire and light and it hit the Choten and exploded with intense power!

EXTREMELY MASSIVE AND UNBELIEVABLY POWERFUL FIERY EXPLOSION OF INTENSE POWER!

THE CHOTEN WAS BLASTED THROUGH 4 ROCK WALLS AND SMASHED INTO THE GROUND UNDER RUBBLE!

Ray: WHOA! That was powerful!

Tiere: HOLY FIREBALLS! That was intense!

Choten got up and he was REALLY PISSED!

Choten fired a massive blast of darkness.

Missy got out her Kuuga weapon.

Missy: SHIELD OF THE INDESTRUCTIBLE JUST!

She blocked the blast and deflected it back and blasted him down.

UA Iron Man got out his Kuuga weapon

UA Iron Man: THE SWORD OF EMERALD RANGERS!

He fired blasts of emerald energy and blasted him all over.

Ray: Lets see what these can do. SWORD OF THE ORANGE LILY!

He fired orange lily fire blasts and blasted him all over.

Me: YEAH! Ray, Your archenemy is the Orange Lily Ranger of Kakurangers.

Nico: They are Evil Flower Rangers from Japan.

Ray: They should've been adapted honestly!

Me: That you'll get no argument from me! They would have been so cool!

Pyra Houou: I agree there!

Eli: Yeah no kidding!

Me: Yep!

Allie Underhill: Lets see who I got. SWORD OF THE PURPLE ORCHID!

She fired waves of orchid fire blasts and blasted Choten all over.

Me: COOL! Allie you have the Purple Orchid Ranger of Kakurangers as your archenemy.

Gabe: Lets see here. SWORD OF THE GREEN LOTUS!

He fired waves of green fire and lotus petals and blasted Choten all

over!

Me: Awesome! Gabe you have the Green Water Lotus Ranger of Kakurangers as your archenemy.

Gabe: So me, Ray, Allie, Nadia and Alakshmi have each of the Flower Rangers of Kakurangers individually as our archenemies.

Me: That's right Gabe. You are very perceptive.

Gabe: Thanks.

Me: Their archenemy for them all together is Eartha Calliso the Embodiment and Legacy and gene-slammer of Fluttershy.

Eli: It's true.

Ocellus: That's right.

Gabe: Amazing!

Jason got out his Kuuga weapon.

Jason James: SWORD OF THE ROBOT APOCALYPSE OF SKYNET!

He fired blasts of energy and lasers and blasted Choten all over the place.

Nico: YEAH!

Me: Tiere here!

I gave her legend items.

Me: Your legend items. Drakus gave you an archenemy.

Tiere: Thank you!

She used her Kuuga Weapon!

Tiere: CLEAVER OF THE TITANIUM SUSHI CHEF!

She slashed Choten all over the place.

Poromon got on a slingshot

Poromon: FIRE!

He fired and bashed Choten all over.

Me: I know the rest of the mascots aren't here but watch this guys. NIGHTMARE STYLE NINJA ART: MASSACRE OF THE HUNDRED ACRE WOOD!

I fired waves of darkness and it formed into Blood and Honey Pooh, Piglet, Lumpy, Kanga, Roo, Tigger, Rabbit, Owl and Eeyore and they slashed and mangled Choten all over the place!

Ray: What was that?

Nico: We'll tell you guys about that on the big day

Me: Yeah.

Poromon: It's an ugly story.

Me: Yeah.

But then a purple energy ball flew and it hit the Choten!

SMASH!

Me: WHOA!

We then saw PALKIA!

Me: WHOA! Palkia!

Poromon: Do I know that one?

Princess Cadance: I think I do too.

She used Telepathy and gasped!

Princess Cadance: OH MAN! That's Kyanite Sombra!

Poromon: Kyanite!

Me: Wait her last name is Sombra!?

Princess Cadance: We'll explain later!

Me: Lets help her!

Me, Cadance and Poromon went to help her!

Princess Cadance: Kyanite it's me and Poromon! Remember!?

All she did was use Spacial Rend

She fired a Pink Energy blast and we dodged it and it hit Choten and blasted him down.

Me: WHOA! That is powerful!

Princess Cadance: Lets help her!

Poromon: Right! (Echoing) LIGHTNING JAVELIN!

He fired a blast of lightning and blasted her.

Cadance and me blasted her with lightning too.

Me: Now lets help her! (SNAPS FINGERS)

She reverted back and was a girl with black hair, pink eyes, and had Palkia in the middle of her forehead and had purple angel wings and had a green and pink version of King Sombra's cutie mark on her arm!

Me and Cadance wrapped her in a blanket.

Me: That's King Sombra's cutie mark.

Princess Cadance: She's the direct descendant of King Sombra.

WE GASPED!

Me: What the fuck!

Princess Cadance: I know! But listen. She is not like her ancestor at all. She is pure good and loves all over her friends and more. She wants to sever the bond of the evil blood of King Sombra.

Me: That we can definitely be sure about.

Poromon: Yeah!

Me: King Sombra was pure evil incarnate.

Princess Cadance: I know.

She woke up to see Poromon staring at her

Poromon: Hi Kyanite.

Kyanite Sombra: (GASP) Poromon! Wow! Awesome to see you again you little pipsqueak.

Poromon: I missed you.

Kyanite Sombra: Me too. Cadance? Wow! Awesome to see you again.

Princess Cadance: You too Kyanite.

Me: You were turned into a Palkia because of Dark Gale.

Kyanite Sombra: Oh man! I remember.

She was in a purple suit and injected and then she turned into energy and busted out and then turned into Palkia! She flew out.

FLASHBACK ENDS

Kyanite Sombra: It was awful.

Me: You'll have to tell us about your role in Sonya's team later.

Maria: Lets get you some clothes.

Maria came and gave her awesome new purple and black clothes and an amazing space scythe.

Kyanite Sombra: Wow! I look awesome.

Me: You sure do. Lets go help everyone else.

We agreed and blasted Choten. But then he was entombed in a prison cell of building blocks?

Matau: Um… aren't we sending him to the Warp?

Me: That wasn't me.

Nico: It was her!

We saw a girl with red and blue hair and she had red eyes and black clothes and had black wings and had a tiara with Bloxx on it!

Me: (GASP) Rena Bloxx!

Rena Bloxx: (GRUNT) Thought I would hold you off till (GRUNT) I get cured.

Me: Thanks Rena!

Rena lost control, forms her hands into cannons and fires multiple explosive blocks at Sportsmaster

Sportsmaster: WHOA!

We ducked and the blasts exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

I fired the antidote ray and injected her.

Me: There!

Kyanite Sombra: This is gonna be a good one!

She fired waves of crystal energy and blasted her down.

Sportsmaster charged at her

She kicked her down.

Matau got out his Kuuga weapon.

Matau: SWORD OF THE SCIENCE STORM!

He fired waves of energy and blasted her.

Princess Celestia got out her Kuuga Weapon.

Princess Celestia: SWORD OF THE SUN STORM!

She fired waves of light and energy and blasted her.

Princess Luna got out her Kuuga Weapon.

Princess Luna: SWORD OF THE NIGHT DARK!

She fired waves of darkness and stars and blasted her all over.

Poromon got out his Kuuga weapon

Poromon: THE SWORD OF BLOOD AND HONEY DEMISE! LOOK AT IT!

He fired waves of blood and darkness and blasted her all over. SHE SCREAMED IN HORROR!

He pecked her.

POINK POINK POINK POINK!

Ebon and the Metabreed blasted and smashed her all over.

Then Kyanite blasted her all over.

Kyanite Sombra: Lets see how you like this!

She fired waves of darkness and blasted her down. She got cured.

Rena Bloxx: (Groans) What hit me?

Me: Ugly story.

Eli: Lets finish this.

Me: Right.

We fired waves of energy and then it hit Choten and he was banished to the Warp.

Me: Good riddance!

Nico: He'll be back.

Me: Yep.

Nico: What's your role in Sonya's team?

Kyanite Sombra: Oh I'm the Crystalmancer and Stellar Star Master of the team. I use the powers of the Stars and Crystals to defeat the enemies of the team.

Me: That is cool!

Kyanite Sombra: Yep. Also outside the team I teach the history of the Crystal Empire to kids at school.

Me: Awesome job.

Kyanite Sombra: Yep. Wait. J.D. I thought you looked familiar. You killed my ancestor 1,000 years ago! Wow! I am forever in your debt.

Me: That was awesome but I'm glad you recognize me.

Eli: Yep.

Maria: How did you meet Poromon?

Kyanite Sombra: I met him on a shopping trip in Gotham Royal York and he saved me from being mugged.

Me: That is amazing.

Nico: Wow! Well done Poromon.

Me: Yeah.

Ocellus: That is awesome.

Ray: Occelus, ever since I met you, Lola, and Ink Rose, I've seen you as sisters

Ocellus: Really? Oh Ray.

They hugged him.

Allie, Gabe and Nadia and Alakshmi hugged them too.

Me: So awesome.

Tiere: Guys I am so sorry for everything I did.

Me: It's not your fault Tiere. You were brainwashed.

Eli: Yeah.

Maria: At least you are free.

Nico: Yep.

Maria: And yeah you are free now.

Tiere: I'll gladly join the redemption squad.

Nico: Awesome.

We later went back home.

We came back home.

May: Hey guys how did it go?

Me: REALLY awesome!

We told everyone what happened.

May: WHOA! That is awesome!

Me: It sure was.

Qin: Yeah!

Nico: May, you, Lana, and Starfire are next for missions

Lana: AWESOME! King Ohgers next!

Starfire: Oh this will be glorious!

May: YEAH!

Me: Yeah!

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Gluko: I think Kyanite should go with you guys on patrol.

Me: Good idea.

Poromon: I agree.

Me: I'll go too.

Kyanite Sombra: I agree there.

Poromon: Lets go.

We went down to the surface.

Poromon: Look! M&Ms!

Poromon then started eating them Pac Man Style

Me: Something is fishy.

Kyanite Sombra: Yeah I sense it.

Me: Wait look.

I saw a figure under a pile of bags.

Me: Oh no you don't!

I fired a wave of energy and it hit the garbage and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Out of the explosion came DANJIM from episode 1 of King Ohgers!

Danjim is a the Pill Bug-themed Kaijim of the Earth Empire Bagnarak, the first Kaijim to appear and be fought by the King-Ohgers and a minor antagonist in Ohsama Sentai King-Ohger, appearing as the main antagonist in the first episode and as a supporting antagonist of the tenth and nineteenth episodes.

His Diamond form was voiced by Susumu Chiba.

As prophesied, the seal over the Earth Empire Bugnarak lifts in 2023 exactly two thousand years to the day that they were sealed away and they resume their plans to conquer the Earth as well as get revenge for their defeat long ago. By this time, the five heroes that originally sealed them away have created five separate tribes so the Bugnarak focus their attacks on these to prevent potential resistance and begin with Shugoddam. Led by Naraka King Desnarak VIII himself, an army of Kaijim and Sanagim attack and devastate the kingdom with Danjim being amongst them. Danjim first appears in Bugnarak's invasion of Shugoddam in modern times, smashing opening a castle wall and rampaging along with the other Bugnarak forces. The King-Ohgers' efforts to stop the invasion are hampered by Racules Hastie's treachery until his brother Gira steals his OhgerCalibur and it chooses him to become Kuwagata-Ohger and fight off the Bagnarack with King-Ohger. In the fight with Ohgers, Danjim eventually face the heroes and fights them. At first, the forces seem unequaled but the King-Ohgers fight Danjim and successfully manage to beat the monster and kill Danjim with King-Ohger.

A creature would later be reborn as DezuDaijim alongside four other Kaijim after being birthed from a cocoon, despite their numbers, the newly unlocked Legend King-Ohger would make swift work of the DezuKaijim.

The monster would later be reborn yet again as DiamondDanjim used during the Bugnarak takeover of Shugoddam. Covering the escape of the Bugnarak general's, it would be slain by Extreme King-Ohger. After Racules betrays Dagded Dujardin, Jeramie Brasieri recalls King-Ohger killing Danjim as he tells the King-Ohgers of how Racules' plans led to this point.

Me: (GASP) Danjim the Pill Bug Bugnarak!

Kyanite Sombra: Who is he!?

Me: He is one of the King Ohgers Monsters. And I remember him. He was the first monster the King Ohgers faced too.

Kyanite Sombra: Oh man!

I called the rest of the team!

Danjim: You may have flushed me out. But it was so easy to lure your mascots!

Me: But I didn't fall for it that easily!

Kyanite Sombra: Me neither!

Me: Also you aren't on Chikyu. This is Earth! You're on OUR turf now!

I unsheathed my Ohgercalibur Sword and slashed him all over and blasted him with green energy blasts and massive explosions blasted out all over.

Then the rest of the team came!

Nico: Danjim! WHOA!

Lana: AWESOME!

May: This will be a good warmup!

Starfire: Lets get him!

Poromon: What do you even want anyway?

Danjim: Well, since the final battle, me and my fellow Bugnarak have needed purpose. And we got one. Which is getting your secret formula for beer!

Poromon:...we tell you nothing!

Me: What secret formula?

Poromon: Well we make our own beer. We have a good recipe.

Plankton: Wow! Just like the Krabby Patty Secret Formula.

Poromon: Yeah!

Lily: I'm getting a massive sense of Deja-Vu here. We're going to do land battles to defend the secret formula of Poromon's beer and stop the Bugnarak to get it.

Lana: Lets see you like this!

She unsheathed her Ohgercalibur and fired ice blades and blasted him.

Me: What the fuck would the Bugnarak want with Poromon's beer?

Danjim: We want to get rich with it!

Me: Well as long as we are here we won't let you get it!

Starfire: YEAH!

She unsheathed her Ohgercalibur and fired blades of energy and blasted him.

May: Taste the lightning!

May unsheahed her Ohgercalibur and fired blasts of lightining!

Me: Boy Gira and the King Ohgers are not gonna believe what the Bugnarak are after on Earth. It is funny though.

Danjim: Get them soldiers!

He summoned the King Ohger Footsoldiers!

He summoned Sanagim!

Me: Sanagim!

Qin: Ugly freaks!

May: YEAH!

They went at us and we slashed them all over!

MASSIVE FIERY EXPLOSIONS BLASTED OFF ALL OVER!

Keiichiro fired his VS Charger and blasted them all over.

Drillhorn: Have some of this!

He fired laser blasts and blasted Danjim all over.

Drillhorn: YEAH!

Lana, Starfire and May slashed the Sanagim all over and blasted them.

Lana: Lets get him!

Lana, Starfire and May: KING OHGER ULTRASLASH BLAST!

They fired waves of blades of energy and slashed Danjim and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded!

Me: YEAH!

Nico: Danjim you have failed this city!

Poromon: YEAH! No one touches me secret formular!

WE LAUGHED!

I caught a gem and it was the Soul God Gem of the Pillbug.

Me: The Pillbug God Soul Gem.

Nico: Wow!

Poromon: Isn't someone supposed to appear?

Me: Not this time.

Qin: Yeah.

Lola: That is normally the case but I guess not this time.

Then some Sanagim appeared.

?: (WOLF HOWL)

Then out came a girl with blue hair, blue eyes and blue clothes and blue wings and had the symbol of the Wolf Ranger of Wild Force on her forehead and on her shirt and skirt and had a wolf sword and had Zen-Aku's flute on her hip.

Maridia Baliton: Maridia Baliton, embodiment of the Howling Wolf!

Merrick: Maridia!?

Maridia Baliton: Good to see you after all these years brother. I got this.

She fired moonlight blades and destroyed them.

Maridia Baliton: That was awesome.

Nosecone: You can relax. Zen Aku's actually a cool guy

Maridia Baliton: I heard he was put into the M.O.E. I'm glad about that.

Me: Yep.

Nico: Wow! First monster of the King Ohgers destroyed.

Me: It sure is.

Needle Man: A secret formula? No wonder it's popular than most beer!

Me: Well as long as we're around the Bugnarak are not going to get it.

Camie: That is for sure.

Poromon: Thanks guys.

Me: No problem. But Gira and team are gonna have a field day when they hear about this.

Eli: No kidding.

Lana: Yeah I'll say!

Plankton: These attempted thefts will probably go on for about 3 more days

Me: How much do you think you're willing to bet on that Plankton?

Plankton: I'll bet you a huge feast at the Krusty Krab on that.

Me: Always up for a good feast at the Krusty Krab.

Plankton: And 50 bucks

Me: Deal.

I held out my finger and he shook it.

We went back home.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figures were in the vision: to our anger, it was none other than Big D, he's broken out of prison, and he's out for revenge against Musa. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think I we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone we're not going to like seeing in the slightest: I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than Big D, he's broken out of prison, and he's out for revenge against Musa.

WE GASPED!

Qin: WHAT?!

May: ARE YOU KIDDING ME?!

Musa: So, we've got Big D to deal with once again. Well, then, he's heading for prison once again.

Eli: But, not before we kick the tar out of him!

Lincoln: And give him another proper lesson in music once more.

Me: You got that right.

Nico: That loser's going straight back to prison. Where's he at, Lincoln?

Lincoln: That loser's back in California.

Me: Where it all began long ago.

Nico: And where it'll end once and for all. Alright, team, let's go, this is the last time we ever have to deal with that loser.

Lincoln: He's going straight to back to prison, that's for sure.

Me: Yeah!

Diabolico came.

Diabolico: I'm ready for some fun too.

Musa: Same here!

The previous group came.

Technus: Can me, Common Cold, Xaldin, Katnappe, Roquefort, Waffle Woman, Salami Swami, Oculous, Magma and Mirror Master go with you guys?

Nico: Yes you all can come with.

Lola: Awesome!

Lana: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed some massive dark energy signals with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figures were in the vision: they were none other than Damian Phillips, Carly Sanders, Bruce Davis, Phoebe Lawrence, and Nathan Matthews, the old enemies of the Bikini Babes Lincoln met three years ago on Anna's babysitting adventure, and even worse, they're the minions of Belle Muldoon's insane evil sister, Billie Muldoon, and they're out for revenge. When we saw it, we knew it meant trouble.

Lincoln: What the?

Me: Lincoln, who were those bastards?

Lincoln: Five losers I hoped never to see again, and this is going to be trouble: the figures we sensed are none other than Damian Phillips, Carly Sanders, Bruce Davis, Phoebe Lawrence, and Nathan Matthews, the old enemies of the Bikini Babes that I met three years ago on Anna's babysitting adventure, and even worse, they're the minions of Belle Muldoon's insane evil sister, Billie Muldoon, and they're out for revenge.

WE GASPED!

Leni: What the?

Lori: Oh no, I literally hoped never to have to deal with those five pieces of garbage again. If they're back in town, that means Billie Muldoon's back from The Black Gates thanks to Anti-Monitor. This is not good!

Lincoln: We've got to take them down one at a time, and this'll piss off Billie Muldoon at the same time as well.

Belle Muldoon: Great idea, and I can guess who's going to face them on those five days.

Suddenly, five tornadoes of fire, earth, water, light, and darkness erupted from nowhere, and we saw the Bikini Babes, but they each have powers of fire, earth, water, light, and darkness, along with colored angel wings of their corresponding elements.

Me: Whoa!

Nico: Oh man, you five have gotten powers of fire, earth, water, light, and darkness.

Lincoln: That they did.

Adriana Pyromallis: That's right, and we didn't properly introduce ourselves three years ago, so let us properly introduce ourselves. I'm Adriana Pyromallis, Bikini Babe of Fire, as you all know, I'm the leader of the five smoking hot Bikini Babes whom you met on Anna's babysitting adventure three years ago and wound up getting impressed by Lincoln and were even more impressed by his parkour and dodgeball skills during that dodgeball match. Then, three years later, as you know, we were saved by Lincoln from an army of demons sent by the bloodthirsty Sebastian as a contingency plan long before his Dark Side was removed by Nyx and finally kicked the bucket and got The Black Gates. Eventually, I became part of Lincoln's harem, and I wound up getting fire powers along with fire angel wings, thanks to a very intense and passionate lovemaking session we had with our white-haired hunk of a future husband, now I've become way too smoking hot for villains to handle, but not for Lincoln!

Amber Adamina: I'm Amber Adamina, Bikini Babe of Earth, I'm the second of the smoking hot Bikini Babes whom you met on Anna's babysitting adventure three years ago and wound up getting impressed by Lincoln and were even more impressed by his parkour and dodgeball skills during that dodgeball match. Then, three years later, we were saved by Lincoln from an army of demons sent by the bloodthirsty Sebastian as a contingency plan long before his Dark Side was removed by Nyx and finally kicked the bucket and got The Black Gates. Eventually, I became part of Lincoln's harem, and I wound up getting earth powers along with green angel wings, thanks to a very intense and passionate lovemaking session she and her friends had with our white-haired hunk of a future husband, now I've become way too smoking hot for villains to handle, but not for Lincoln!

Adele Douglas: I'm Adele Douglas, Bikini Babe of Water, I'm the third of the smoking hot Bikini Babes whom you met on Anna's babysitting adventure three years ago and wound up getting impressed by Lincoln and were even more impressed by his parkour and dodgeball skills during that dodgeball match. Then, three years later, we were saved by Lincoln from an army of demons sent by the bloodthirsty Sebastian as a contingency plan long before his Dark Side was removed by Nyx and finally kicked the bucket and got The Black Gates. Eventually, I became part of Lincoln's harem, and I wound up getting water powers along with blue angel wings, thanks to a very intense and passionate lovemaking session I had with our white-haired hunk of a future husband, now she's become way too smoking hot for villains to handle, but not for Lincoln!

Ashley Calingasan: I'm Ashley Calingasan, Bikini Babe of Light, I'm the fourth of the smoking hot Bikini Babes who we met on Anna's babysitting adventure three years ago and wound up getting impressed by Lincoln and were even more impressed by his parkour and dodgeball skills during that dodgeball match. Then, three years later, we were saved by Lincoln from an army of demons sent by the bloodthirsty Sebastian as a contingency plan long before his Dark Side was removed by Nyx and finally kicked the bucket and got The Black Gates. Eventually, I became part of Lincoln's harem, and I wound up getting light powers along with white angel wings, thanks to a very intense and passionate lovemaking session I had with our white-haired hunk of a future husband, now I've become way too smoking hot for villains to handle, but not for Lincoln!

Brooke Nightshade: And I'm Brooke Nightshade, Bikini Babe of Darkness, I'm the last of the smoking hot Bikini Babes whom you met on Anna's babysitting adventure three years ago and wound up getting impressed by Lincoln and were even more impressed by his parkour and dodgeball skills during that dodgeball match. Then, three years later, we were saved by Lincoln from an army of demons sent by the bloodthirsty Sebastian as a contingency plan long before his Dark Side was removed by Nyx and finally kicked the bucket and got The Black Gates. Eventually, I became part of Lincoln's harem, and I wound up getting darkness powers along with black angel wings, thanks to a very intense and passionate lovemaking session we had with our white-haired hunk of a future husband, now I've become way too smoking hot for villains to handle, but not for Lincoln!

Me: Whoa! So, you five wound up...!

Lincoln: Getting powers thanks to a very intense and passionate lovemaking session we had last year after I destroyed that army of demons sent by the bloodthirsty Sebastian as a contingency plan long before his Dark Side was removed by Nyx and finally kicked the bucket and got The Black Gates.

Adriana Pyromallis: Yep, and those five archenemies of ours are the worst of the worst: the thugs of Billie Muldoon, and we swore to put an end to them, and it's our turn first to deal with Damian Phillips.

Nico: (Whistles) Consider me stunned, you girls wound up getting elemental powers after an intense lovemaking with Lincoln, and now, you five girls have the chance to make those losers pay with their lives. Alright, team, let's go, this is the last time we ever have to deal with Big D.

Lincoln: That loser's going to be heading back to prison, and he'll never be free again, and once we get done with him, you're next, Damian Phillips.

Adriana Pyromallis: I can't believe that you and those other dirt-filled piles of garbage have come back after finding out that Billie Muldoon has come back from The Black Gates. Well, too bad for her, her little scheme of revenge against Leni and all of Team Loud Phoenix Storm's about to be ground into dust, and I'm gonna start by getting rid of you, Damian Phillips.

Heckyl: Nico, which Gene Slammer do you think you'll meet next?

Nico: BlackWarGreymon next.

Me: Whoa! That one is gonna be strong.

Camie: Yep.

Lola: Yeah.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to California to deal with Big D and send him right back to prison for good, and once we took him down once more, Lincoln and Adriana Pyromallis, Bikini Babe of Fire, are going to destroy Damian Phillips, the first of the minions of Belle Muldoon's insane evil sister, Billie Muldoon, and send him straight to The Black Abyss to piss Billie Muldoon off!

We were off.

We arrived.

Me: We're here.

Qin: Yep. In California.

Camie: Yep.

Katnappe: I was just about to suggest calling Diabolico

Me: Looks like he came to save us the trouble of calling him.

Qin: Yeah.

Xenia: He sure did.

Apeface (to Sunny Bridges): Sunny, your school is here, right?

Sunny Bridges: Yep. It's right there.

We saw his school.

Me: Awesome! Good thing I brought our instruments for this.

Qin: Cool!

Lola: This is gonna be fun.

Waffle Woman: Sunny, you like listening to the Blues, right?

Sunny Bridges: I like listening to all music.

Qin: Awesome.

Luna: Righteous dude. Music is awesome.

Sam S.L.: Yeah it sure is.

Whitney Loud: It sure is moms.

Lola: Yeah!

Junk Man: I honestly think we're going to include at least 6 songs in this battle

Me: I agree. And we can include our own too.

Qin: Yeah.

Lola: I like it.

Camie: This will be fun.

Varie: It sure will.

Magma: How are the M&Ms, Poromon?

Poromon: (Eating them) Mmm! They are good.

Magma: We saw the battle with Danjim. I had no idea the Bugnarak were after Poromon's beer.

Plankton: Boy it's like land versions of when I was stealing the Krabby Patty secret formular.

Lisa Loud: Or when Ophelia Shroud was stealing fathers recipes.

Magma: Boy DEJA-VU!

Nico: My thoughts exactly.

Me: Yeah and Poromon we had no idea that your beer formula was so coveted.

Poromon: You never asked.

Me: Touche.

Skullcruncher: You should share those M&Ms

Poromon: I am.

Poromon shared them with the mascots.

Me: Good.

Mirror Master: I meant with us

Me: Don't worry guys I have enough for all of us.

I held open my jacket and showed a vending machine and pressed a button and it deposited M&M's.

Nico: WHOA! That is spiffy.

Me: Thanks.

I gave M&M's to all of us.

Nico: Thanks.

Mirror Master: Thank you.

Me: You're welcome.

Nico: How did you get that?

Me: Ed gave me the idea. He has a fridge in his jacket.

Ed: He's right guys.

He showed it.

Ed: Yep!

Nico: That is funny.

We then heard something.

Me: Hear that?

We heard it and it sounded like ominous divine singing.

Nico: I know this kind of situation.

Me: I've got a bad feeling about this.

Qin: Me too.

Lincoln: Whoa! I just had a premonition on who the Akuma is. It's Musa's Akuma, Meloaria. The Hypothetical Akuma of Musa and a master of music and the song and she has a deadly enchanted song that can draw people to their doom. She is a mermaid that is exactly like what the Dark Side of the Legend dictates. She was made because of the Trix destroying Melody and she vowed to make those three monsters pay for their crimes

WE GASPED!

He showed us a sketch of her and she was a mermaid with butterfly wings.

Me: Whoa! That is cool.

Lola: She's a beautiful mermaid.

Musa: Wow! I look awesome as a mermaid.

Me: And she was made because of the Trix destroying Melody!? That is REALLY crossing the line!

Icy: I can't believe we would do that in her world.

Stormy: That is rough.

Melody (Winx Club): She was made because they destroyed our home planet?

Me: Yeah.

Musa: Horrible huh.

Frenzy: Hey, Soundwave. How come you can't make sounds like that?

Soundwave: Soundwave uncertain.

Me: Hmm.

Oculous: Regardless, we need earplugs!

Me: Don't worry our powers will protect us from her.

Laney: It's coming from the park.

We then saw a man walking to the park.

Me: Look. Just follow that man.

We went to the park and saw Musa's Akuma on a rock in the middle fo the lake and around the rock was a HUGE PILE OF SKELETONS! She had the man come to her like he was in a hypnotic trance and he got on the rock and then SHE MORPHED INTO A SCARY FISH MONSTER AND SUCKED HIM DRY OF BLOOD AND LIFE FORCE AND REDUCED HIM TO A SKELETON!

WE GASPED IN UTTER SHOCK AND HORROR!

Me: WHOA MAN!

Luna: THAT IS BOGUS DUDES! AND I Thought MY Akuma was that scary!

Dreadbane: Dear God…

Nico: No kidding.

We went up to her.

Me: Meloaria, I presume.

Meloaria: So you all came.

Musa: I do look awesome as a mermaid.

Eli: This is one mermaid that Ariel would not like.

Ariel: That we can agree on too.

Buzzerbeak squawked.

Musa: He wants to know if you are still me.

Meloaria: I am still you Musa.

Me: Wow. But the Trix from your world REALLY crossed the line big time.

Flora: Just like how they destroyed Linphea in the world of My Akuma.

Nico: Yeah!

Icy: What we did there REALLY CROSSED the line.

Meloaria: That we can agree on.

Salami Swami: Musa, you need to calm down!

Meloaria: Not until the Trix of my world are dead.

Me: Then you leave us no choice.

Luna: You know what's funny is that my Akuma was a scary mermaid too and she killed thousands of people and left them all as a bloody mess.

Meloaria: Are you serious!?

Me: We're shitting you not! Luna's Akuma was HORRIFYING!

Meloaria: Wow! That is awful.

Me: It sure is! But so is this one.

I fired waves of energy and blasted her all over.

Lincoln: Time for a song of doom!

(THE MYSTICS DREAM BY LORENNA MCKENNITT PLAYS)

Leaves and flowers swirled around him.

Lincoln: (SINGING DIVINELY AS FLOWERS AND LEAVES SWIRLED AROUND HIM)

A clouded dream on an earthly night

Hangs upon the crescent moon

A voiceless song in an ageless light

Sings at the coming dawn

Birds in flight are calling there

Where the heart moves the stones

It's there that my heart is calling

All for, for the love of you

A painting hangs on an ivy wall

Nestled in the emerald moss

The eyes declare a truce of trust

And then it draws me far away

Where deep in the desert twilight

Sand melts in pools of the sky

When darkness lays her crimson cloak

Your lamps will call me home

And so it's there my homage's due

Clutched by the still of the night

And now I feel you move

And every breath, breath is full

So it's there my homage's due

Clutched by the still of the night

Even the distance feels so near

All for, for the love of you

A clouded dream on an earthly night

Hangs upon the crescent moon

A voiceless song in an ageless light

Sings at the coming dawn

Birds in flight are calling there

Where the heart moves the stones

It's there that my heart is longing for

All for, for the love of you

Lincoln fired waves of leaves, grass, flowers and lightning and blasted her all over.

Diabolico charged at her and fired waves of lightning and blasted her all over.

Me: YEAH!

Meloaria: My turn! Listen to the song of your death!

She fired sonic blasts at us and we dodged them.

Carol: Nice try! Now for me!

Bláþráður By Sigur Ros plays.

Iceland forms in the background.

Carol: (SINGING DIVINELY IN ICELANDIC AS THE AURORA SWIRLED AROUND HER)

Ósýnileg hún læðist aftan að

Óvarin er og ó undirbúin

Ósýnileg hún skríður aftan að

Óvarin er á fjallinu gengur

Ósýnileg hún stígur til jarðar

Ósýnileg hún rífur innan frá

Ef hann sá

Nú missum við hakan

Og núna dettum á bakið

Á snærisendanum að þau höngum á bláþræði

Bláþræði

She fired waves of energy and aurora and blasted her and knocked her out.

Vince: Way to go Carol!

Lilja: (Icelandic Accent) That was a great song! Love Sigur Ros.

Me: Yeah Carl loves it too.

Qin: Yeah!

Carl Carlson: It's true.

Lola: Yep.

Nico: Now we need to go get that jerk.

Me: We'll show him what TRUE music is all about.

Nico: You got an amazing entrance planned?

Me: You bet I do.

I got my axe guitar ready. It was a phoenix flame axe.

Luna Loud: Rockin axe dude!

Me: Thanks. I had it made for an occasion and mission such as this.

I strum a tune.

Me: I thought it would be awesome for this too.

Darkwing: I hope those men she killed weren't innocent...

Me: Same here.

Lucy Loud: Relax. They were all convicted criminals that did all kinds of horrible crimes.

Qin: That's a relief.

Eli: I sense Big D and he's 500 yards from here.

He pointed to the east.

Me: Lets get a move on then.

Nico: I agree. Lets make this battle of the bands literal.

Me: Yeah!

Nico: Entrance time people!

Me: Rainbooms Lets Shine Like Rainbows!

We powered up and went at him.

Big D was really pissed. He was really infuriated that we ruined him 2 years ago. But then the spirits of music came and swirled around him and then converged and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him!

(THE NIGHT BEGINS TO SHINE BY B.E.R. PLAYS)

A total solar eclipse formed above him in the sky and then the explosion formed into a phoenix and it released a cry as we came out.

Me and the Rainbooms: (SINGING DIVINELY AS FIRE AND LIGHT AND DARKNESS SWIRLED AROUND US)

I saw you dance

From the corner

I caught your name

In a conversation

Playing hard-to-get

But I can understand

When I look at you

I see the story in your eyes

When we're dancing

The night begins to shine

Night begins to shine

The night begins to shine

Night begins to shine

When we're dancing

The night begins to shine

Talk 'til dawn

My heart was racing

I took you home

In the driving rain

Had my mind made up

I wanna feel your touch

When I look at you

I see the story in your eyes
When we're dancing
The night begins to shine
The night begins to shine
The night begins to shine
The night begins to shine
When we're dancing
The night begins to shine
The night begins to shine
(Night begins to shine)
The night begins to shine
Had my mind made up
I wanna feel your touch
When I look at you
I see the story in your eyes
When we're dancing
The night begins to shine
Night begins to shine
The night begins to shine
Night begins to shine
The night begins to shine
Night begins to shine

The night begins to shine

The night begins to shine

When we're dancing

The night begins to shine

Night begins to shine

The night begins to shine (the night begins to shine)

Night begins to shine

The night begins to shine (the night begins to shine)

We fired waves of darkness, light and fire and blasted Big D all over and knocked him down.

Qin: YEAH!

Me: Hello Big D.

Musa: Nice to see you again.

Big D: 2 years I've been planning payback on you...

Roquefort: And it leads up to this!

Me: Lets rock!

(HUMANS BEING BY VAN HALEN PLAYS)

Storm Clouds formed above us and lightning struck all over with tornadoes and wind and hail.

Me: (SINGING DIVINELY AS LIGHTNING STRUCK AROUND ME)

There is just enough Christ in me

To make me feel almost guilty

Is that why God made us bleed?

To make us see we're humans being?

You break this, I'll break all that

You break my balls with all your crap

Spread your disease like lemmings breeding

That's what makes us humans being

Shine on, shine on

Shine on, shine on

Yeah, some low-life, flat-head scum infects

The sickness in his eyes reflects

You wonder why your life is screaming

Wonder why we're humans being

Shine on, shine on

Shine on, shine on

Humans, humans being

We're just humans (that's what makes us)

Humans being (that's what makes us)

We're just humans (that's what makes us)

Humans being (that's what makes us)

We're just humans (that's what makes us)

Humans being (that's what makes us)

Humans being

We're just humans (that's what makes us)

Humans being (that's what makes us)

Humans being

I fired waves of lightning and blasted him all over the place!

Nico: YEAH! Never forget Van Halen!

Qin: Yeah!

Xaldin: Beware the wind of despair!

He fired waves of wind and tornadoes and blasted him all over.

Varie: Here is what J.D. would do to the Kisenian Blossom coming at us as an asteroid!

(NEMO BY NIGHTWISH PLAYS)

Darkness and stars swirled around her and then a massive asteroid was coming at us.

Varie: (SINGING DIVINELY AS DARKNESS, STARS AND WATER SWIRLED AROUND HER)

This is me, for forever

One of the lost ones

The one without a name

Without an honest heart as compass

This is me, for forever

One without a name
These lines the last endeavor
To find the missing lifeline
Oh, how I wish
For soothing rain
All I wish is to dream again
My loving heart
Lost in the dark
For hope I'd give my everything
My flower, withered between
The pages two and three
The once and forever bloom gone with my sins
Walk the dark path
Sleep with angels
Call the past for help
Touch me with your love
And reveal to me my true name
Oh, how I wish
For soothing rain
All I wish is to dream again
My loving heart
Lost in the dark

For hope I'd give my everything
Oh, how I wish
For soothing rain
Oh, how I wish to dream again
Once and for all
And all for once
Nemo my name forevermore
Nemo sailing home
Nemo letting go
Oh, how I wish
For soothing rain
All I wish is to dream again
My loving heart
Lost in the dark
For hope I'd give my everything
Oh, how I wish
For soothing rain
Oh, how I wish to dream again
Once and for all
And all for once
Nemo, my name forevermore
Name for evermore

Varie fired a massive Kamehameha Wave at it and it held it back and then the asteroid exploded with incredible and unbelievable power as the song was done and then it rained down onto Big D and exploded all over him.

Me: OH YEAH!

Agitos: (Gets out Mugic) Canon of Casualty!

He formed a spell and fired waves of energy and blasted him all over.

Nico: YEAH!

Camie: Lets show some fun!

(THE MUMMERS DANCE BY LORENNA MCKENNITT PLAYS)

Flowers and the Aurora Swirled around her as she was singing.

Camie: (SINGING DIVINELY)

Ooh, ooh, ooh, ooh

Ooh, ooh

Ooh, ooh, ooh, ooh

Ooh, ooh

When in the springtime of the year

When the trees are crowned with leaves

When the ash and oak, and the birch and yew

Are dressed in ribbons fair

When owls call the breathless moon

In the blue veil of the night
The shadows of the trees appear
Amidst the lantern light
We've been rambling all the night
And some time of this day
Now returning back again
We bring a garland gay
Who will go down to the shady groves
And summon the shadows there
And tie a ribbon on those sheltering arms
In the springtime of the year
The songs of birds seem to fill the wood
That when the fiddler plays
All their voices can be heard
Long past their woodland days
We've been rambling all the night
And some time of this day
And now returning back again
We bring a garland gay
And so they linked their hands and danced
'Round in circles and in rows
And so the journey of the night descends

When all the shades are gone

A garland gay we bring you here

And at your door we stand

It is a sprout well budded out

The work of our Lord's hand

We've been rambling all the night

And some time of this day

And now returning back again

We bring a garland gay

We've been rambling all the night

And some time of this day

And now returning back again

We bring a garland gay

She fired waves of energy and flowers and aurora and blasted him all over.

Me: Nice one Camie!

Qin: YEAH!

Luna: Lets show some real music dudes!

(THE ADVENTURE OF A LIFETIME BY COLDPLAY PLAYS)

Water swirled around her and nature grew all over the place.

Luna: (Singing divinely as water and nature swirled around her.)

Turn your magic on, umi she'd say

Everything you want's a dream away

We are legends, every day

That's what she told him

Turn your magic on, to me she'd say

Everything you want's a dream away

Under this pressure, under this weight

We are diamonds

Now I feel my heart beating

I feel my heart beneath my skin

I feel my heart beating

Oh, you make me feel

Like I'm alive again

Alive again

Oh, you make me feel

Like I'm alive again

Said I can't go on, not in this way

I'm a dream that died by light of day

Gonna hold up half the sky and say

Only I own me

Now I feel my heart beating

I feel my heart beneath my skin

Oh, I can feel my heart beating
'Cause you make me feel
Like I'm alive again
Alive again
Oh, you make me feel
Like I'm alive again
Turn your magic on, umi she'd say
Everything you want's a dream away
Under this pressure, under this weight
We are diamonds taking shape
We are diamonds taking shape
(Woo-ooh, woo-ooh)
If we've only got this life
This adventure, oh then I
And if we've only got this life
You'll get me through, oh
And if we've only got this life
And this adventure, oh then I
Wanna share it with you
With you, with you
Sing it, oh, say yeah
Woo-hoo (woo-hoo)

Woo-hoo (woo-hoo)

(IT'S MY LIFE BY BON JOVI PLAYS)

Fire and energy swirled around him.

Nico: (SINGING DIVINELY AS FIRE SWIRLED AROUND HIM)

This ain't a song for the broken-hearted

No silent prayer for the faith-departed

I ain't gonna be just a face in the crowd

You're gonna hear my voice

When I shout it out loud

It's my life

It's now or never

I ain't gonna live forever

I just want to live while I'm alive

It's my life

My heart is like the open highway

Like Frankie said, "I did it my way"

I just want to live while I'm alive

It's my life

This is for the ones who stood their ground

It's for Tommy and Gina who never backed down

Tomorrow's getting harder, make no mistake

Luck ain't enough, you've got to make your own breaks

It's my life

It's now or never

I ain't gonna live forever

I just want to live while I'm alive

It's my life

My heart is like the open highway

Like Frankie said, "I did it my way"

I just want to live while I'm alive

It's my life

You better stand tall when they're calling you out

Don't bend, don't break, baby, don't back down

It's my life

It's now or never

I ain't gonna live forever

I just want to live while I'm alive

It's my life

My heart is like the open highway

Like Frankie said, "I did it my way"

I just want to live while I'm alive

It's my life

In her face

The mirror of your dreams

Make believe I'm everywhere

I'm hidden in the lines

Written on the pages

Is the answer to a never-ending story

Reach the stars

Fly a fantasy

Dream a dream

And what you see will be

Rhymes that keep their secrets

Will unfold behind the clouds

And there upon a rainbow

Is the answer to a never-ending story

Fiery explosions blasted off all over the place.

Me and Nico: (SINGING DIVINELY AS EXPLOSIONS BLASTED OFF)

I'm just a step away, I'm just a breath away

Losin' my faith today

We're fallin' off the edge today

I am just a man, not superhuman

I'm not superhuman

Someone save me from the hate

It's just another war

Just another family torn
We're falling from my faith today
Just a step on the edge
Just another day in the world we live
I need a hero to save me now
I need a hero
To save me now
I need a hero to save my life
A hero will save me
Just in time
I've gotta fight today to live another day
Speakin' my mind today
My voice will be heard today
I've gotta make a stand, but I am just a man
I'm not superhuman
My voice will be heard today
It's just another war
Just another family torn
My voice will be heard today
It's just another kill
The countdown begins to destroy ourselves
I need a hero to save me now

I need a hero

To save me now

I need a hero to save my life

A hero will save me

Just in time

I need a hero to save my life

I need a hero just in time

Save me just in time

Save me just in time

Who's gonna fight for what's right, who's gonna help us survive?

We're in the fight of our lives

And we're not ready to die

Who's gonna fight for the weak, who's gonna make 'em believe?

I've got a hero

I've got a hero

Livin' in me

I've gotta fight for what's right, today I'm speakin' my mind

And if it kills me tonight

I will be ready to die

A hero's not afraid to give his life

A hero's gonna save me just in time

I need a hero to save me now

I need a hero

To save me now

I need a hero to save my life

A hero will save me

Just in time

I need a hero

Who's gonna fight for what's right, who's gonna help us survive?

I need a hero

Who's gonna fight for the weak, who's gonna make 'em believe?

I need a hero

I need a hero

A hero's gonna save me just in time

MASSIVE NUMBERS OF EXPLOSIONS BLASTED OFF!

Me and Nico: (SINGING DIVINELY AS EXPLOSIONS BLASTED OFF)

Ah, hey!

You're dressin' all in black

From your front to your back
And all your evil ways
They seem to go on for days
And as a matter of fact
You got one more night before ya
Smash it up, burn it down
Tearing up the underground
You wanna live like a super villain
Back in the line-up
Before your time's up
You wanna live like a super villain
There's nowhere to go
There's nowhere to go
No one is savin' this town
Fuck all those pricks and those clowns
I know you'd rather abuse
Condemn or slightly confuse
Kick 'em all when they're down
And just for fun, you're gonna
Smash it up, burn it down
Tearing up the underground
You wanna live like a super villain

Back in the line-up

Before your time's up

You wanna live like a super villain

There's nowhere to go

There's nowhere to go

There's nowhere to go

There's nowhere to go when you're on your own

You don't care what's wrong or what is right, hey!

All right, all right, you've been knockin' down these doors

You've been filling up this room

You're been runnin' 'round the place like your name was Dr. Doom

You're a killer of culture, a vulture of style

And it won't be that long before you end up on trial

Smash it up, burn it down

Tearing up the underground

You wanna live like a super villain

Back in the line-up

Before your time's up

You wanna live like a super villain

Like a super villain

Like a super villain

There's nowhere to go

Like a super villain

There's nowhere to go

Like a super villain

Someday, I'll let you in

Treat you right, drive you outta your mind, ooh

You never met a chick like me

Burn so bright, I'm gonna make you blind

Always want what you can't have

Is it so bad if you don't get what you wanted?

Make you feel good, as I whip you into shape

Yeah, boy, let's get it started

Give it up, you can't win

'Cause I know where you've been

Such a shame you don't put up a fight

That's a game that we play at the end of the night

It's the same old story, but you never get it right

Give it up

Come a little closer, baby, baby

Come a little closer

Come a little closer, baby, baby

So stop trying to walk away

No, you won't ever leave me behind

No, you better believe that I'm here to stay (that's right)

'Cause you're the shade and I'm the sunshine, ooh

Look at me boy, 'cause I got you where I want you

Isn't it so exciting?

Wanna shake you, wanna break you

Take a backseat boy, 'cause now I'm driving

Give it up, you can't win

'Cause I know where you've been

Such a shame you don't put up a fight

That's a game that we play at the end of the night

It's the same old story, but you never get it right

Give it up

Come a little closer

Come a little closer, baby, baby

Come a little closer

Come a little closer, baby, baby

Come a little closer

Come a little closer, baby

Yeah, you are my baby and I'll make you crazy tonight, ooh

Look at me boy, 'cause I got you where I want you

Isn't it so exciting?

Wanna shake you, wanna break you

Take a backseat boy, 'cause now I'm driving

Give it up, you can't win

You like it, steal it

Gotta beat 'em to the treasure

A right of passage

Bad just doesn't get much better

Long live having some fun

We take what we want

There's so many ways to be wicked

With us, evil lives on the right side of wrong

There's so many ways to be wicked

Life is demanding without understanding

I saw the sign

And it opened up my eyes, I saw the sign

No one's gonna drag you up to get into the light where you belong

But where do you belong?

under the pale moon, for so many years I've wondered who you are

How could a person like you bring me joy?

Under the pale moon, where I see a lot of stars

Ooh-ooh-ooh, is enough enough?

I saw the sign

And it opened up my eyes, I saw the sign

Life is demanding without understanding

I saw the sign

And it opened up my eyes, I saw the sign

And no one's gonna drag you up to get into the light where you belong

But where do you belong? Oh, oh, oh

I saw the sign, and it opened up my mind

And I am happy now, living without you

I've left you, oh, oh, oh

I saw the sign

And it opened up my eyes, I saw the sign

No one's gonna drag you up to get into the light where you belong

I saw the sign

(I saw the sign, I saw the sign)

(I saw the sign, I saw the sign) I saw the sign

And it opened up my eyes, I saw the sign

My song had them slash and mangle him all over the place.

Darkness swirled around her as the forces of hell came.

Brittney: (SINGING DIVINELY AS DARKNESS AND DEMONS SWIRLED AROUND HER)

Waits for the day, will let it out

Give it a reason to give it it's might

I fear who I am becoming

I feel that I am losing the struggle within

I can no longer restrain it

My strength, it is fading

I have to give in

It's the fear

Fear of the dark

It's growing inside of me

They won, they will come to life

Have to save

Save my beloved

There is no escape

Because my fate is horror and doom

Hold down your head now

Just let me pass by
Don't feed my fear
If you don't want it out
I fear who I am becoming
I feel that I'm losing all beauty within
I can no longer restrain it
My strength, it is fading
I have to give in
It's the fear
Fear of the dark
It's growing inside of me
They won, they will come to life
Have to save
Save my beloved
There is no escape
Because my fate is horror and doom
Long ago, it came to me
And ever since that day
Infected with its rage
But it ends today
It's the fear
Fear of the dark

It's growing inside of me

They won, they will come to life

Have to save

Save my beloved

There is no escape

Because my fate is horror and doom

They fired waves of wind and energy.

I then held Nico in a hold to prevent him from hurting Rhonda!

Me: Nico you are not going to hurt Rhonda are you?

Nico: Of course not.

Me: How can I be sure this isn't a trick? I've seen this happen before. They pretend they aren't going to do it but then they do it.

Kyanite Sombra: Like old time?

Poromon: Like you even have to ask!

Kyanite and Poromon: FURY OF THE LIGHTNING CRYSTAL!

They fired waves of lightning and crystal and blasted him.

Me: YEAH!

Qin: Nice one!

Me: You got some nerve coming back to the country after you broke out of prison, Big D.

Musa: I was stunned myself, I thought you'd stay in prison for good. But, of course, someone had a hand in breaking you out of prison, and it wasn't Billie Muldoon. We're gonna get the answer out of you right now.

Big D: We'll see about that! Hidiacs, Styxoids, destroy them!

Suddenly, we saw a massive army of Hidiacs and Styxoids rise from the ground arise to destroy us. But, then, Lincoln unholstered his massive greatsword and he swung it and fired a massive barrage of blades of magic and they sliced and diced the army of Hidiacs and Styxoids to pieces and all of them were destroyed forever.

But, then, we saw more of them arise.

Caleb Maxwell: Now, that's what I call playing unfair. I didn't want to do this, but you left me no choice.

Suddenly, Caleb Maxwell loosened the grip of his twin pistols and he let go and they were levitating beside him. Then, Caleb Maxwell clenched his fingers tightly in a clawed up position, and then, we saw he drew blood as it fell onto the ground and formed into a large pool of blood, and then, we saw black and blood red energy come out of the large pool of blood.

Then, the army of Hidiacs and Styxoids were caught in a dark magic circle that appeared below their feet and they couldn't move.

Caleb Maxwell: It's over. (ECHOING VOICE) RAIN OF BLOOD!

Then, a massive geyser of blood shot up into the sky, and blood came raining down from the sky and the blood rain hit the Hidiacs and Styxoids, and then, we saw them start to dissolve into a bloody mess, and the blood rain ended and Caleb's twin pistols went back into his hands.

Then, Caleb's wounds on his hands healed and the white gloves repaired themselves.

Caleb Maxwell: You've lost your armies of Hidiacs and Styxoids, and you're now all out of tricks.

We were amazed by Adriana Pyromallis' transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was really gushing out blood. But, when Damian Phillips saw it, he went ballistic and got out his machine gun and fired more bullets at her, but Adriana Pyromallis fired a massive barrage of crimson red, white, and blue energy, stars, aura energy, white and blue heavenly flames, fire, flames, fire bikini babes, phoenixes, and angels that melted the bullets and hit Damian Phillips and sent him flying into a wall, he got back out, but he was so enraged, he bellowed like a madman and tore off his leather jacket and tank top!

There's a reason why we kicked you all out of Royal Woods after we took care of Billie Muldoon: all of you plotted to destroy the city if that happened, and you wanted to turn the city into a graveyard. Your plans were eventually ruined after we took down Billie Muldoon that day, but none of you refused to give in, you walked the path of a coward crawling your way through the dark, that's a lonely path, and it's one that'll follow you into death. Damian Phillips, may you suffer for all eternity with not a kindred soul to give you solace!

THAT PISSED OFF DAMIAN PHILLIPS EVEN MORE!

But, for now, we better take care of you right here and right now.

Lincoln, Adriana Pyromallis, Nico, and I went after Damian Phillips, and we fired extremely powerful blasts of rainbow, white, and blue energy, crimson red, white, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Damian Phillips, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive

greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Adriana Pyromallis did the same by firing crimson red, white, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Lucille Ying Xiao, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was making Damian Phillips even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Damian Phillips, and we found ourselves in Heaven.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is it, Damian Phillips, This is where your rampage end here and now.

Then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Damian Phillips.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness,

Then, Lincoln charged and smashed his rainbow energy infused left fist into Damian Phillips' stomach and a cluster of white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where your life ends here and now!

Lincoln attacked him with two powerful energy slashes, and then...!

Lincoln did one final powerful energy slash that hit Damian Phillips hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Damian Phillips was now on his last legs and he was really really mangled.

Me: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Phoenix Vampire Werewolf Demon Dragon Mermaid January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) JUMPING JACKRABBITS!

Then, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers, and he stabbed them into Damian Phillips' chest, and he began absorbing him, and he and all of us assimilated his massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of Damian Phillips except for his leather pants, and he drained the thug's soul of energy, and he sent him to The Black Abyss.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) See you never, moron.

We cheered wildly as we holstered our weapons and powered down and Adriana Pyromallis' new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty large crimson red planets orbiting around her legs and twenty smaller crimson red planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized crimson red planets orbiting around her wrists and ankles, eleven massive and long crimson red wolf tails, and massive crimson red angel wings and four sets of large crimson red angel wings underneath her massive crimson red angel wings are permanent.

Adriana Pyromallis: And this is goodbye and good riddance forever, I don't want to see your face ever again! Thanks for helping me take down Damian Phillips, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Adriana.

Me and Nico: Our pleasure, Adriana.

Suddenly, Adriana Pyromallis wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Adriana Pyromallis' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Shadow Wisp, Golem, Phoenix, and a fire bikini babe flying in the air, and we saw a herd of Buffalo and many animals running across the field and the sudden appearance of lights shining down from Heaven and elemental forces behind them and we cheered wildly. Then, Lincoln and Adriana Pyromallis sucked in and absorbed the elemental forces and they came back to us as the display vanished.

May: That's one down and four more to go. A good start.

Suddenly, we heard Billie Muldoon's insane scream of pure rage.

Me: And she found out we already got rid of Damian Phillips, and she's really gone berserk. Serves her right. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

MYSTICAL MUSIC PLAYS

Suddenly, we saw a vampire flying in the skies and it left an amazing wave of darkness and vampire bats flying all across the skies.

Selene Arcangela: (GASPS) The vampire...! The sign..., is it who I think it is?

Lincoln: It is, Selene, and that's the next of The Avatar of The Mythical Beasts we're meeting: Valerie Vampire, Avatar of The Vampires.

Enya Phoenix: I knew it was her, and you guys are going to like hearing her story, Valerie Vampire, Avatar of The Vampires, is Lincoln's Guardian Angel and she's known as The Dark Vampire Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Darcy is a powerful master of the powers of darkness, blood, vampire bats, and vampires, and she's also known for her incredible tactics in war and for being one of the most powerful vampire queens ever in ancient history. She lived during an age of darkness and she was said to have been born to a powerful ancient vampire clan in a long forgotten castle that ruled over parts of Romania, and over time, as she grew, she gained all of the incredible strengths and powers of the vampires along with immortality, but none of their weaknesses, and she'd fought to defend her family from the hatred and fear wrought on by the paranoia that humans had towards her clan, and many centuries later, there was one person that harbored a true love for everything, and that also really strengthened the love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of darkness, vampire bats, blood, and the powers of the vampires, and he also gained all of the incredible strengths and powers of the vampires and none of their weaknesses, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 vampires and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Valerie kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the wrath of the vampires.

Me: Whoa!

Lucy: I remember her all too well, Valerie is an extremely powerful vampire and she trained Lincoln even more when she found out about him being an Alpha Vampire-Werewolf, and all of that training made him even more powerful than ever, and she gave him a powerful moniker, Lincoln is known as The Alpha Vampire-Werewolf King of Gotham Royal York, and anyone who angered him will suffer a fate crueler than death.

Nico: Wait, don't tell me he wound up turning any thug he drained of blood into either a vampire or a werewolf.

Lincoln: That's right, I did, and they're forced to serve me and my Guardian Angels and harem, and if they dared to get out of line, I would kill them by ripping their hearts out of their chests and eating them.

Eli: Yuck!

Lincoln: But, don't worry, that only happens with thugs and criminals.

Nico: (Shudders) I guess that's what happens when someone dares to anger you, Lincoln.

Bizarro: It was a bad day for songs.

Avalanche: Very bad indeed.

Moonstone: What should we do now?

Kyd Wykkyd: Celebrate of course.

Me: Good idea.

Tri-Klops: But first, one last song to close out this adventure

Me: I agree! Lets do it girls!

Pinkie Pie: 1... 2... 3... 4!

Alright, and for tomorrow, the second match-up is Adele Douglas, Bikini Babe of Water and Lincoln VS. Carly Sanders

For Lincoln's rescue tomorrow, Lincoln and his group are heading to the world of the French cartoon Living with Dad, and we're going to take on a career criminal coming after a father and his 4 daughters, ages 2, 8, 12 and 18. The daughters' names are Bella, Roxane, Ondine and Pandora who goes by the nickname "Panda". But, the really bad news is the criminal is actually a serial killer that Lincoln help the police bust a long time ago, his name is Antoine Babineaux, France's most notorious serial killer who'd murdered tens of innocent people throughout France and even in the United States when he escaped from French authorities, and Lincoln is going to find out Antoine has returned to France to kill the family we're going to meet. But, Lincoln's going to finish this once and for all by killing Antoine Babineaux and send his black soul straight to The Black Abyss forever, and we're going to meet the next Avatar of the Mythical Beasts, her name is Valerie Vampire, Avatar of The Vampires, she's Lincoln's Guardian Angel and she's known as The Dark Vampire Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Darcy is a powerful master of the powers of darkness, blood, vampire bats, and vampires, and she's also known for her incredible tactics in war and for being one of the most powerful vampire queens ever in ancient history. She lived during an age of darkness and she was said to have been born to a powerful ancient vampire clan in a long forgotten castle that ruled over parts of Romania, and over time, as she grew, she gained all of the incredible strengths and powers of the vampires along with immortality, but none of their weaknesses, and she'd fought to defend her family from the hatred and fear wrought on by the paranoia that humans had towards her clan, and many centuries later, there was one person that harbored a true love for everything, and that also really strengthened the love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of darkness, vampire bats, blood, and the powers of the vampires, and he also gained all of the incredible strengths and powers of the vampires and none of their weaknesses, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 vampires and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Valerie kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of

Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the wrath of the vampires.

Next is Sydney Burlington's day to shine and we're going to battle The Fold and destroy those nanochip monsters forever.

See you next time.

Revenge of The Fold

The Fold are back for revenge

In the early morning hours at 12:14 AM, I was fast asleep in my bed with my harem. I had an amazing dream. I was over in the ruins of Starlight Glimmer's old village. In Sunny's world, Starlight's village fell into ruin after the divide. But then I saw Luster Dawn's cutie mark appear and I followed it and it lead me to Starlight's home there and it showed that Luster Dawn was under the floor of the building in a huge crystal cave.

I woke up at 1:52 AM.

Me: (GASP)

Varie: Another dream J.D.?

Me: Yeah. I saw where Luster Dawn of Sunny's world is at. She's in Starlight's village.

Celica: Oh man.

Camie: Crazy.

I went to geta drink.

Me: (Gulping) Ahh. (Smacks lips)

I went back to sleep.

In the early morning hours of 3:24 AM, Lincoln had a dream, and it's not good: his dream took him to Sherbrooke, Canada, and as he was flying, he flew to Torrington Academy, the former school of Diana Lombard, Jenni Anderson, Caitlin, Amanda, Polly Potswagal, and Darla Simmons. Suddenly, he saw a familiar figure, it was

Sebastian, but then, he saw a darker presence around him: it was the 20th century dark warlock, Elias Deveraux. Then, he chanted a dark incantation and resurrected a massive dark shadowy figure, it was Barok the Faceless, leader of the shadow creatures and another enemy of Diana. Then, Barok entered into the body and Sebastian became an even more demonic creature, and the evil that lingered within him grew even more powerful than ever as he let out a deranged and demonic laugh that echoed throughout Torrington Academy. Lincoln woke up, but so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln: It's not good, Lily.

Lincoln explained everything, and his Guardian Angels gasped.

Selene Arcangela: Oh God! This is really really bad! So, Sebastian acting like that was none other than Elias Devereaux who'd returned and possessed him because of the evil still lingering within his heart.

Nicholette Torrington: But, now the evil has become even more stronger than ever when he brought back Borak the Faceless, the leader of the shadow creatures.

Diana Lombard: We got to stop him, he's gonna try and re-enact his plan: to take over Earth, but to do so, he needs all the humans in his realm before he can cross over, and when he does, the gateway will forever close and the humans will fade into oblivion.

Lincoln: I'm not letting that happen.

Lincoln saw Sebastian return through a dark portal, and then, he fired a blast of darkness which hits Sebastian and he removed Borak the Faceless from Sebastian and he sucked out Borak the Faceless' immense powers over the shadows and darkness and he made them his own and he banished Borak the Faceless to The Black Abyss forever.

Diana Lombard: Yes, now Borak is gone forever.

But, that made Sebastian really angry as he let out an angry roar of fury and cursed at Lincoln and he said such really horrendous, inhumane, and toxic threats at his harem saying he's gonna kill them. But, big mistake, we'd heard all of it, and The Mascots pulverized him and tied him up and threw him in the dungeons under The World Tree Estate.

Paige: Looks like we got a lot of explaining to do tomorrow morning. Sorry about that.

Nico: It's alright, Paige.

Lincoln: See you guys in the morning.

Lincoln went back to sleep with his harem and kids. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you and it pertains to what happened last night when Sebastian came back: my dream took me to Sherbrooke, Canada, and as he was flying, he flew to Torrington Academy, the former school of Diana Lombard, Jenni Anderson, Caitlin, Amanda, Polly Potswagal, and Darla Simmons. Suddenly, I saw Sebastian, but then, I saw a darker presence around him: it was the 19th century dark warlock, Elias Deveraux.

Eli: I thought we got rid of him.

Lincoln: Unfortunately, he returned thanks to the evil that still lingered within Sebastian. Then, I saw the possessed Sebastian recite a dark incantation and resurrected a massive dark shadowy figure, it was Barok the Faceless, leader of the shadow creatures and another enemy of The Center. Then, I saw Barok entered into the body and Sebastian became an even more demonic creature, and the evil that lingered within him grew even more powerful than ever as he let out a deranged and demonic laugh that echoed throughout Torrington Academy.

WE GASPED!

Me: So, what we saw last night was...!

Brittney: Just as I feared. But, Lincoln did awesome in removing that shadow creature from Sebastian and also sucking out his immense powers over darkness and the shadows and sending him to The Black Abyss. But, now that leaves Elias Devereaux who's still in Sebastian, and he's gonna be causing trouble.

Nico: Without a doubt.

Travis Tackett: We talked about it last night before we went to bed, I feared that Elias had returned, but we had to keep quiet.

Cage Blunt: Because, if Elias finds out, who knows what he'll do.

Selene Arcangela: I think I know what he's capable of since I knew the story of how my ancestor had stopped him. So, now we got a possessed Sebastian and the vengeful Elias Devereaux to deal with for today and in the days to come.

Lincoln: Right. So, on my rescue today, we're gonna bust Elias, and I got to work on a spell that'll remove Elias from Sebastian, but it won't be easy. Now that the evil that still lingered him has gotten even stronger, it's gonna take a very powerful spell to remove Elias and sever the evil forever.

Nico: Right, Lincoln, but you've made some powerful spells before and they've worked. Elias doesn't stand a chance.

Suddenly, we got an alert: it appears Dennis Nedry has broken out of prison.

Eli: WHAT THE?! Nedry's broken out of prison!

Nico: That conniving spy, he's going down! Let's finish up with our breakfast, and then, we get ready, we're going after Dennis Nedry.

Lincoln: It's been a long while since we sent that dirty spy to prison.

We then finished our breakfast.

Sydney woke up to see Beautifly staring at her.

Beautifly: Morning Sydney!

Sydney: Morning Beautifly.

Beautifly: Time for breakfast!

Sydney: Oh boy!

She went and got dressed and came to the table. We were having stuffed pancakes and they were good.

Twilight Sparkle: This was the ancient castle where Princess Celestia and Luna lived in before they moved to Canterlot. But 1,000 years ago the castle was destroyed in a terrible battle when Princess Celestia battled Princess Luna when she turned into Nightmare Moon.

Me: Whoa.

Twilight Sparkle: But this castle was left to sit here like a rotting wound.

Chromastone: No problem Nico. This will be good.
